### **ARCADIS TO BE INCLUDED IN AMSTERDAM MIDKAP INDEX**

ARNHEM, THE NETHERLANDS January 31, 2008 ARCADIS (EURONEXT: ARCAD), the international consultancy, design and engineering company, today announced that the Company's shares will be included in the Amsterdam Midkap Index® of Euronext as of March 4, 2008. Currently ARCADIS is still part of the Amsterdam Small Cap Index® (AScX). The inclusion in the AMX is a result of the larger trading volume in ARCADIS shares, expressed in euros.

This is an important step for ARCADIS, as it will increase the visibility of the Company, which is important commercially, but also in relation to our position in the labor market, said Harrie Noy, CEO of ARCADIS. In addition, we expect the tradability of the share to improve further, making it more interesting for investors to invest in ARCADIS.

ARCADIS is an international company providing consultancy, engineering and management services in infrastructure, environment and facilities, to enhance mobility, sustainability and quality of life. ARCADIS develops, designs, implements, maintains and operates projects for companies and governments. With more than 12,000 employees and over 1.5 billion in gross revenue, the company has an extensive international network that is supported by strong local market positions.

Except for historical information contained herein, the statements in this release are forward-looking statements that are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties that may cause the company's actual results in future periods to differ materially from forecasted results. Those risks include, among others, risks associated with possible changes in environmental legislation and risks with regard to the Company's ability to acquire and execute projects. These and other risks are described in ARCADIS' filings with the Securities and Exchange Commission over the last 12 months, copies of which will be available from the SEC or may be obtained upon request from the Company.
