**Item 2.02 Results of Operations and Financial Condition**

On January 29, 2008, KEMET Corporation (the Company ) issued a News Release announcing the consolidated results for the three and nine-month periods ended December 31, 2007.

Following the Company s announcement of its results for the three and nine-month periods ended December 31, 2007, the Company became aware that certain adjustments may need to be made in the final results for these periods. While the Company is still in the process of finalizing its Consolidated U.S. GAAP Balance Sheets and its Consolidated U.S. GAAP Statements of Operations, the Company believes that its final net income determined on a U.S. GAAP basis may need to be adjusted downward. The Company is not able to determine the magnitude of the anticipated adjustment at this time. This adjustment is related to the closing of the financial statements for the recently acquired operations of Arcotronics Italia S.p.A. The Company expects to file its Quarterly Report on Form 10-Q for the three and nine-month periods ended December 31, 2007, on February 14, 2008, which will contain the Company s results for these periods.

A copy of this News Release is furnished as Exhibit 99-1 to this Form 8-K.
