**Item 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

On May 19, 2008, Applebee's Restaurants West LLC, Applebee's Restaurants Kansas LLC, Applebee's Restaurants Texas LLC, Applebee's Restaurants Mid-Atlantic LLC and Applebee's Restaurants North LLC (collectively the Applebee's Entities) entered into a Purchase and Sale Agreement with DBAPPLEF, LLC (the Buyer) (an entity whose obligations under the Purchase and Sale Agreement are guaranteed by Drawbridge Special Opportunities Fund LP; Drawbridge Real Assets Fund LP; and Drawbridge Real Assets Fund (B-IP) LP), pursuant to which the Applebee's Entities agreed to sell and the Buyer agreed to buy 187 parcels of real property, each of which is improved with a restaurant operating as an Applebee's Neighborhood Grill and Bar (the Properties). The Buyer and its guarantors are affiliates of Fortress Investment Group, a publicly traded alternative asset manager. The Applebee's Entities are indirect subsidiaries of the Registrant's wholly-owned subsidiary Applebee's International, Inc. The Purchase and Sale Agreement provides that the closing of the transaction will take place no later than June 16, 2008.

The gross purchase price for the Properties before taxes is to be determined in part by sales figures for the subject restaurants for the twelve (12) month trailing period ending April 30, 2008. While the final sales figures for April, 2008 are not yet available, the purchase price is estimated to be the approximate amount of \$347,000,000. The final sales figures for April, 2008 are expected to be available and the purchase price finalized no later than June 1, 2008. The Buyer also has a limited right to elect not to purchase up to a maximum of 15% of the total number of restaurant sites and adjust the purchase price accordingly, if but only if, such Properties have material defects relating to property condition, title, survey, zoning or access. Assuming the properties are sold for \$347,000,000 the net after-tax cash proceeds would be approximately \$294,000,000. The Registrant expects to use all of the after-tax proceeds to pay down funded debt.

The Purchase and Sale Agreement calls for the Applebee's Entities to enter into a Master Land and Building Lease (the Master Lease) relating to the Properties with the Buyer, as Landlord, at the time of closing. The Properties may be used to operate an Applebee's or IHOP branded restaurant and for certain other specified uses. The Master Lease calls for an initial term of twenty years and four five year options to extend the term which are exercisable by the Applebee's Entities or their successors.

The Master Lease provides for the payment of monthly base rent to be determined by sales figures for the subject restaurants for the twelve (12) month trailing period ending April 30, 2008. As noted above, the final sales figures for April, 2008 are not yet available. Based on the data available, the initial monthly base rent under the Master Lease is estimated to be the approximate amount of \$2,700,000. The final sales figures for April, 2008 are expected to be available and the initial monthly base rent under the Master Lease finalized no later than June 1, 2008. If the Buyer elects to exclude certain properties for the limited reasons noted above (up to a maximum of 15% of the total number of restaurants) then the initial monthly base rent under the Master Lease would be adjusted accordingly. Additionally, the tenant under the Master Lease is responsible for additional rent equal to any and all fees, expenses, taxes and other charges of every kind and nature arising in connection with or relating to the Properties.

The Applebee's Entities may sublease all or a portion of the Properties, without the Landlord's consent, provided that certain conditions are met. In addition, the Applebee's Entities may assign their interest in the Master Lease with respect to some or all of the Properties, without Landlord's consent, provided that certain conditions are met and the assignee agrees to enter into a direct lease with the Landlord on a pre-approved form attached to the Master Lease (Assigned Leases). Further, if such assignment is to a qualified franchisee meeting certain parameters set forth in the Master Lease, the Applebee's Entities shall be released by the Landlord from all obligations with respect to any Assigned Lease.
