Entry into a Material Definitive Agreement.

Amendment to Credit Facility

Edgar Filing: SEALED AIR CORP/DE - Form 8-K

In July 2005, Sealed Air Corporation (the Company) reported the establishment of a \$500 million senior unsecured multi-currency revolving credit facility, among the Company, three of the Company's subsidiaries, banks and financial institutions party thereto (the Lenders), and Citicorp USA, Inc., as agent for the Lenders (the Credit Agreement). The Credit Agreement was later amended by a letter amendment on June 13, 2007. Additionally, the expiration date of the facility has been extended by two years. On December 12, 2008, the parties to the Credit Agreement entered into a further amendment to the Credit Agreement, which amendment is included in this Form 8-K as Exhibit 10.1 and is incorporated by reference into this Item (the Amendment). The Amendment modifies some definitions and calculations of the financial covenants in the Credit Agreement, including changes to the definition of earnings before interest, taxes, depreciation and amortization (EBITDA). In addition, while the current total amount available for borrowing under the Credit Agreement is approximately \$472 million, the Amendment also provides a mechanism to increase the total facility size to a maximum of \$750 million. This does not represent a commitment by the Lenders to increase the facility size; rather, it provides the Company with a simplified method of requesting an increase at a later date if desired and market conditions permit. The facility has an expiration date of July 26, 2012.

The Amendment modifies: (i) the Accounting Charges definition to exclude charges related to intangible assets; (ii) the Consolidated Interest Expense definition to incorporate certain amounts paid under the Company's accounts receivable securitization program; and (iii) the Consolidated Net Debt definition to provide for a lower threshold cash balance, and also adds a provision to remove a lender who is in bankruptcy or under receivership and to downsize the facility accordingly.

The Amendment provides for: up-front fees for timely agreement to the Amendment; increased facility fees; and increased drawn pricing. The Base Rate definition has been modified to include additional interest rate protection to the Lenders. Lastly, the Amendment provides for springing subsidiary guarantees if the Company's long-term senior unsecured debt ratings by both Moody's and Standard & Poor's fall below investment grade.

No material relationships exist between the Company or its affiliates and any of the other parties to the Credit Agreement, except that (1) BNP Paribas and affiliates of Citicorp USA, Inc. are parties to the Company's Australian dollar 170 million, dual-currency revolving credit facility, and (2) Calyon Corporate and Investment Bank participates in the Company's accounts receivable securitization program. The Company and its subsidiaries maintain ordinary banking and investment banking relationships with many of the Lenders.
