Item 1.01. Entry into a Material Definitive Agreement.

On March 6, 2009, an affiliate of The New York Times Company (the Company) entered into an Agreement of Purchase and Sale and a Lease Agreement with an affiliate of W. P. Carey & Co. LLC (W. P. Carey), pursuant to which the Company agreed to sell and simultaneously lease back a portion of its leasehold condominium interest in the Company's headquarters building located at 620 Eighth Avenue, New York, New York (the Condo Interest). The purchase price for the Condo Interest is \$225 million.

The sale-leaseback transaction encompasses 21 floors, or approximately 750,000 rentable square feet, currently occupied by the Company. The lease term is 15 years, and the Company has three renewal options that could extend the term for an additional 20 years. The first year's annual rental rate is approximately \$24 million and will increase 1.5 percent per year through the 10th year of the lease. Thereafter, it will increase 2.25 percent per year. During the 15th year of the lease, the rental rate will be approximately \$30.5 million. In addition to rent, the Company will continue to pay taxes as well as utility, maintenance and all other operating costs.

The Company has an option, exercisable during the 10th year of the lease term, to repurchase the Condo Interest for \$250 million.

For tax and accounting purposes, the transaction will be treated as a financing transaction. As such, the Company will continue to depreciate the condominium interest and will treat the rental payments as interest expense. The difference between the purchase option price of \$250 million and the sale proceeds of \$225 million, or \$25 million, will be amortized over a 10-year period.

The Company will use the proceeds to retire long-term indebtedness by calling for a redemption of all \$250 million outstanding aggregate principal amount of its 4.5% notes due 2010. For information about the redemption, see Item 8.01 of this report.

The foregoing descriptions are qualified in their entirety by reference to the Agreement of Purchase and Sale and Lease Agreement, copies of which are attached as Exhibits 10.1 and 10.2 and incorporated by reference herein. A copy of the Company's related press release is attached as Exhibit 99.1.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information contained in Item 1.01 of this report is incorporated by reference into this Item 2.03.

Item 8.01. Other Events.

On March 9, 2009, the Company announced that it will use the proceeds of the sale-leaseback transaction to redeem all \$250 million outstanding aggregate principal amount of its 4.5% notes due 2010. A copy of the Company's press release announcing the redemption of the notes is attached as Exhibit 99.2 to this report and incorporated by reference herein.
