Item 1.01 Entry into a Material Definitive Agreement

On April 27, 2011, USANA Health Sciences, Inc. (the "Company") entered into an Amended and Restated Credit Agreement (the "Credit Agreement") with Bank of America, N.A. (the "Lender"), which supercedes and replaces the Credit Agreement dated as of June 18, 2004 between the Company and the Lender. Pursuant to the terms and conditions of the Credit Agreement, the Company may borrow up to \$60 million from the Lender under an unsecured, five-year, revolving credit facility. Although the Company's obligations under the Credit Agreement are unsecured, certain subsidiaries of the Company have guaranteed the Company's obligations under the Credit Agreement. Loans under the Credit Agreement may be used by the Company for general working capital purposes and will bear interest at a rate equal to the applicable LIBOR plus 1.25% or the Base Rate plus 0.25% (as defined in the Credit Agreement). The term of the Credit Agreement expires in May 2016.

The Credit Agreement includes customary representations, warranties, and covenants (both negative and affirmative covenants), including financial covenants which require the Company to maintain consolidated rolling four-quarter adjusted earnings before interest, taxes, depreciation and amortization (adjusted EBITA) equal to or greater than \$60 million, and a ratio of consolidated funded debt to adjusted EBITDA of 2.0 to 1.0 at the end of each quarter. The Credit Agreement also contains customary events of default, indemnification provisions and remedies for the Lender in the event of the Company's default.

The foregoing description of the Credit Agreement does not purport to be complete and is subject to and qualified in its entirety by reference to the Credit Agreement, a copy of which is attached as an exhibit to this report.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance sheet Arrangement of a Registrant.
