In connection with its previously announced \$500 million common stock repurchase program, on March 25, 2012 Dollar General Corporation entered into an agreement with Buck Holdings, L.P. to repurchase from it approximately \$300 million in shares of common stock concurrent with, and conditional upon, the completion of a contemplated underwritten secondary offering of shares by certain selling shareholders at a price per share equal to the price to the public in the secondary offering less underwriting discounts and commissions. Dollar General expects to fund the share repurchase with borrowings under its asset-based revolving credit facility.
