The consolidated operating results for the years ended December 31, 2008 and 2007 have been derived from unaudited consolidated financial information not included or incorporated by reference in this prospectus, except for basic earnings (loss) per share attributable to Tenet Healthcare Corporation common shareholders from continuing operations and diluted earnings (loss) per share attributable to Tenet Healthcare Corporation common shareholders from continuing operations which have been updated as a result of a reverse stock split. All periods presented have been reclassified in accordance with the provisions of Accounting Standards Update (ASU) 2011-07, Health Care Entities (Topic 954): Presentation and Disclosure of Patient Service Revenue, Provision for Bad Debts, and the Allowance for Doubtful Accounts for Certain Health Care Entities. The consolidated cash flow data for the years ended December 31, 2008 and 2007 and the consolidated balance sheet data as of December 31, 2009, 2008 and 2007 have been derived from unaudited consolidated financial statements not included or incorporated by reference in this prospectus.

The consolidated operating results and consolidated cash flow data for the nine months ended September 30, 2012 and 2011, and the consolidated balance sheet data as of September 30, 2012, have been derived from our unaudited condensed consolidated financial statements included in our Form 10-Q for the fiscal quarter ended September 30, 2012, which is incorporated by reference in this prospectus. The consolidated balance sheet data as of September 30, 2011 has been derived from our unaudited condensed consolidated financial statements included in our Form 10-Q for the fiscal quarter ended September 30, 2011, which is not included or incorporated by reference herein. The unaudited consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) for interim financial reporting. The following information should be read in conjunction with the information under the caption Risk Factors contained herein and incorporated by reference herein from our Annual Report. The following information should also be used in conjunction with the information under the caption Management's Discussion and Analysis of Financial Condition and Results of Operations and our consolidated financial statements, both included in our Current Report on Form 8-K filed on October 1, 2012, and both included in our Form 10-Q for the fiscal quarter ended September 30, 2012, each of which has been incorporated by reference in this prospectus.

The operating results data presented below are not necessarily indicative of our future results of operations. Reasons for this include, but are not limited to: overall revenue and cost trends, particularly the timing and magnitude of price changes; fluctuations in contractual allowances and cost report and commercial contract settlements and valuation allowances; managed care contract negotiations, settlements or terminations and payer consolidations; changes in Medicare and Medicaid regulations; Medicaid funding levels set by the states in which we operate; the timing of approval by the Centers for Medicare & Medicaid Services of Medicaid provider fee revenue programs; trends in patient accounts receivable collectability and associated provisions for doubtful accounts; fluctuations in interest rates; levels of malpractice insurance expense and settlement trends; the timing of when we meet the criteria to recognize electronic health record incentives; impairment of long-lived assets and goodwill; restructuring charges; losses, costs and insurance recoveries related to natural disasters; litigation and investigation costs; acquisitions and dispositions of facilities and other assets; income tax rates and deferred tax asset valuation allowance activity; changes in estimates of

accruals for annual incentive compensation; the timing and amounts of stock option and restricted stock unit grants to employees and directors; gains or losses from early

extinguishment of debt; and changes in occupancy levels and patient volumes. Factors that affect patient volumes and, thereby, our results of operations at our hospitals and related health care facilities include, but are not limited to: the business environment, economic conditions and demographics of local communities; the number of uninsured and underinsured individuals in local communities treated at our hospitals; seasonal cycles of illness; climate and weather conditions; physician recruitment, retention and attrition; advances in technology and treatments that reduce length of stay; local health care competitors; managed care contract negotiations or terminations; any unfavorable publicity about us, which impacts our relationships with physicians and patients; changes in health care regulation; and the timing of elective procedures. These considerations apply to year-to-year comparisons as well.

The distribution of securities may be effected, from time to time, in one or more transactions, including block transactions and transactions on the New York Stock Exchange or any other organized market where the securities may be traded. The securities may be sold at a fixed price or prices, which may be changed, or at market prices prevailing at the time of sale, at prices relating to the prevailing market prices or at negotiated prices. The consideration may be cash or another form negotiated by the parties.

We may engage in at the market offerings into an existing trading market in accordance with Rule 415(a)(4) under the Securities Act. In addition, we may enter into derivative transactions or forward sale agreements on the securities with third parties. In such event, we may pledge the securities underlying such transactions to the counterparties under such agreements to secure our or their delivery obligations. The counterparties or third parties may also borrow securities from us or third parties and sell such securities in a public offering. This prospectus may be delivered in conjunction with such sales. Upon settlement of such transactions, we may deliver the securities to the counterparties that, in turn, the counterparties may deliver to us or third parties to close out the open borrowings of the securities. The counterparty in such transactions will be an underwriter and will be identified in the applicable prospectus supplement.

Edgar Filing: TENET HEALTHCARE CORP - Form S-3ASR

Agents, underwriters or dealers may be paid compensation for offering and selling the securities. That compensation may be in the form of discounts, concessions or commissions to be received from us or from the purchasers of the securities. We will identify the specific plan of distribution, including any underwriters, dealers, agents or direct purchasers and their compensation in a prospectus supplement. We may have agreements with any underwriters, dealers, agents and remarketing firms to indemnify them against certain civil liabilities, including liabilities under the Securities Act, or to contribute with respect to payments they may be required to make. The applicable prospectus supplement will set forth whether or not an underwriter may engage in stabilizing transactions, over-allotment transactions, syndicate covering transactions and penalty bids.

In compliance with the guidelines of the Financial Industry Regulatory Authority, or FINRA, the aggregate maximum discount, commission or agency fees or other items constituting underwriting compensation to be received by any FINRA member or independent broker-dealer will not exceed 8% of the proceeds from any offering pursuant to this prospectus and any applicable prospectus supplement.

Item 15. Indemnification of Directors and Officers

Under Section 78.7502(1) of the Nevada Revised Statutes, a Nevada corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (except an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding if such person: (i) is not liable for a breach of fiduciary duties that involved intentional misconduct, fraud or a knowing violation of law; or (ii) acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 78.7502(2) of the Nevada Revised Statutes further provides that a Nevada corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was

serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including amounts paid in settlement and attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of the action or suit if such person: (i) is not liable for a breach of fiduciary duties that involved intentional misconduct, fraud or a knowing violation of law; or (ii) acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

To the extent that a director, officer, employee or agent of a Nevada corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (1) and (2) of Section 78.7502, as described above, or in defense of any claim, issue or matter therein, the corporation shall indemnify him

or her against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense.

The Registrant's Amended and Restated Articles of Incorporation provide that no director or officer of the Registrant shall be personally liable to the Registrant or its shareholders for damages for breach of fiduciary duty as a director or officer, except for liability (i) for acts or omissions that involve intentional misconduct, fraud or a knowing violation of law, or (ii) for the payment of dividends in violation of the Section 300 of Chapter 78 of the Nevada Revised Statutes. The Amended and Restated Articles of Incorporation further provide that the liability of directors and officers of the Registrant shall be eliminated or limited to the fullest extent authorized by Nevada law, as amended.

The Registrant's Amended and Restated Bylaws, as well as individual indemnification agreements the Registrant has entered into with directors of the corporation:

- provide for mandatory indemnification, to the fullest extent permitted by law, of any present or former director or officer of the Registrant or any of its affiliates or subsidiaries who has served as such a director or officer on or after November 5, 2008 (each, an indemnitee) for all expenses, liabilities, losses or other specified amounts resulting from a legal proceeding arising from any occurrence that takes place after November 5, 2008 and that relates to the fact that such indemnitee is or was a director or officer of the Registrant or any of its affiliates or subsidiaries or at the request of the Registrant served in one of several specified capacities with respect to another entity;
- provide that the Registrant is not required to indemnify an indemnitee in connection with any legal proceeding initiated by the indemnitee except under certain specified circumstances;
- require the advancement of expenses to an indemnitee upon receipt of an undertaking by the indemnitee to repay if it is ultimately determined that the indemnitee is not entitled to be indemnified by the Registrant;
- provide that (1) when making a determination of whether an indemnitee is entitled to indemnification under the Amended and Restated Bylaws, there is a presumption that the indemnitee is entitled to indemnification and the Registrant has the burden of proof to overcome that presumption, and (2) that, in an indemnitee's lawsuit to enforce his or her right to indemnification under the Amended and Restated Bylaws, the Registrant must prove with clear and convincing evidence that the indemnitee is not entitled to indemnification;
- require the Registrant to indemnify an indemnitee for expenses (and, if requested by an indemnitee, to advance such expenses on such terms and conditions as the Board deems appropriate) that are incurred by an indemnitee in a lawsuit to enforce the indemnitee's indemnification rights under the Amended and Restated Bylaws;

Edgar Filing: TENET HEALTHCARE CORP - Form S-3ASR

- provide that rights to indemnification under the Amended and Restated Bylaws are non-exclusive, have certain survival rights and are deemed to be contractual rights; and
- provide that the Registrant has the power to purchase insurance or make other financial arrangements on behalf of an indemnitee for any liability and any related expenses, except that no such financial arrangement may provide protection for a person adjudged by a court of competent jurisdiction to be liable for intentional misconduct, fraud or a knowing violation of law, except with respect to advancement of expenses or indemnification ordered by a court.

In addition, the Registrant has purchased insurance coverage to insure its directors and officers against certain liabilities that they may incur in their capacity as such.

Item 16. Exhibits

A list of exhibits filed with this registration statement is set forth on the Exhibit Index following the signature pages and is incorporated herein by reference.

Item 17. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in this registration statement;

provided, however, that subparagraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities:

Table of Contents

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
