Item 1.01 Entry into a Material Definitive Agreement.

On June 23, 2014, Body Central Corp. (the Company), and several of its wholly-owned subsidiaries, (together, the Loan Parties) entered into a forbearance and modification agreement (the Forbearance Agreement) with several lenders (the Lenders) and Crystal Financial LLC, in its capacities as administrative agent and collateral agent (the Agent) under the Credit Agreement, by and among the Loan Parties, the Lenders and the Agent dated as of February 6, 2014 (the Credit Agreement).

Under the terms of the Forbearance Agreement, the Lenders agreed to forbear from exercising their rights and remedies from June 23, 2014 (the Forbearance Effective Date) until June 27, 2014 at 6:00 pm EST (together, with the Forbearance Effective Date, the Forbearance Period) with regard to certain potential events of default under the Credit Agreement.

The original Credit Agreement included a secured term loan of \$12,000,000 and a revolving line of credit of \$5,000,000. As of the Forbearance Effective Date, the Company s revolving line of credit increased from \$5,000,000 to \$17,000,000 and the Company fully prepaid its term loan in cash. During the Forbearance Period, the Loan Parties agreed to comply with the terms, covenants and provisions in the Credit Agreement and related documents, as amended by the Forbearance Agreement. The Forbearance Agreement amends the Credit Agreement to, among other things, to exclude certain representations as conditions precedent to borrowing during the Forbearance Period and to establish that the early termination fee (Early Termination Fee) payable under the original Credit Agreement as of June 23, 2014 equals \$775,480, as adjusted for interest paid under the Credit Agreement after June 23, 2014, and is payable upon the expiration of the Forbearance Period if an event of default exists on such date.

There can be no assurance that the Company will be able to comply with the terms and conditions set forth in the Forbearance Agreement, particularly those that are outside of the Company s exclusive control.

The description of the Forbearance Agreement contained in this Item 1.01 to the Current Report on Form 8-K is qualified in its entirety by reference to the full text of the Forbearance Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information described in Item 1.01 above relating to the Forbearance Agreement is incorporated herein by this reference.

Item 9.01 Financial Statements and Exhibits.
