Item 1.01 Entry into a Material Definitive Agreement.

On January 19, 2015, Agile Therapeutics, Inc. (the Company) entered into a stock purchase agreement (the Purchase Agreement) among the Company and the institutional accredited investors set forth therein (the Investors), pursuant to which the Company anticipated issuing and selling to the Investors an aggregate of 3,418,804 shares (the Shares) of unregistered common stock, par value \$0.0001 per share, of the Company (the Common Stock), at a price of \$5.85 per share, which is equal to the consolidated closing bid price per share of the Common Stock on January 16, 2015 (the Offering). Certain of the Investors are affiliated with members of the Company's board of directors.

The Offering closed on January 23, 2015. William Blair & Company, L.L.C. acted as the exclusive placement agent for the Offering pursuant to a letter agreement with the Company (the Placement Agent Agreement). The Offering raised gross proceeds to the Company in the amount of approximately \$20,000,000 and net proceeds to the Company in the amount of approximately \$19,350,000, which is after deducting commissions to the Company's placement agent and estimated expenses payable by the Company.

The Purchase Agreement provides the Investors, for a period of nine months following the closing, subject to compliance with securities laws, with the right to participate up to their pro-rata share in the next financing by the Company, subject to certain exceptions set forth in the Purchase Agreement.

The Shares have not been registered under the Securities Act of 1933, as amended (the Securities Act), or any state securities laws, and may not be offered or sold in the United States absent an effective registration statement or an applicable exemption from registration requirements. The issuance of the securities in this transaction was exempt from registration under Section 4(a)(2) of the Securities Act.
