PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD DECEMBER 9, 2015

The board of directors of Paylocity Holding Corporation is soliciting your proxy for the 2016 Annual Meeting of Stockholders to be held on December 9, 2015, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement and related materials are first being made available to stockholders on or about October 19, 2015. References in this Proxy Statement to the Company, we, our, us and Paylocity are to Paylocity Holding Corporation and its consolidated subsidiaries, and references to the annual meeting are to the 2016 Annual Meeting of Stockholders. When we refer to the Company's fiscal year, we mean the annual period ended on June 30, 2015. This proxy statement covers our 2015 fiscal year, which was from July 1, 2014 through June 30, 2015 (fiscal 2015).

SOLICITATION AND VOTING

Record Date

Only stockholders of record at the close of business on October 12, 2015 will be entitled to notice of and to vote at the meeting and any adjournment thereof. At the close of business on this record date, a total of 50,833,040 shares of our common stock were outstanding and entitled to vote. Each share of common stock has one vote.

Quorum

A majority of the shares of common stock issued and outstanding as of the record date must be represented at the meeting, either in person or by proxy, to constitute a quorum for the transaction of business at the meeting. Your shares will be counted towards the quorum if you submit a valid proxy (or one is submitted on your behalf by your broker or bank) or if you vote in person at the meeting. Abstentions and broker non-votes (shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter) will each be counted as present for purposes of determining the presence of a quorum.

Vote Required to Adopt Proposals

Edgar Filing: Paylocity Holding Corp - Form DEF 14A

Each share of our common stock outstanding on the record date is entitled to one vote on each of the two director nominees. Each share of our common stock outstanding on the record date is entitled to one vote on each other matter. For the election of directors, the nominees to serve as Class II directors will be elected by a plurality of the votes cast by the stockholders entitled to vote at the election. You may vote For or Withhold with respect to each director nominee. Votes that are withheld will be excluded entirely from the vote with respect to the nominee from which they are withheld and will have no effect on the election of directors. With respect to the other proposals, approval of the proposal requires the affirmative vote of a majority in voting power of the shares present in person or represented by proxy and entitled to vote on the matter.

Effect of Abstentions and Broker Non-Votes

Broker non-votes, if any, and shares voted Withhold will have no effect on the election of directors. For each of the other proposals, broker non-votes, if any, will not be counted in determining the number of votes cast and will have no effect on the approval of these proposals, but abstentions will have the same effect as negative votes. If your shares are held in an account at a bank or brokerage firm, that bank or brokerage firm may vote your shares of common stock on Proposal No. 2 regarding ratification of our independent auditors, but will not be permitted to vote your shares of common stock with respect to Proposal No. 1, unless you provide instructions as to how your shares should be voted. If an executed proxy card is returned by a bank or broker holding shares which indicates that the bank or broker has not received voting instructions and does not have discretionary authority to vote on the proposals, the shares will not be considered to have been voted in favor of the proposals. Your bank or broker will vote your shares on Proposal No. 1 only if you provide instructions on how to vote by following the instructions they provide to you. Accordingly, we encourage you to vote promptly, even if you plan to attend the annual meeting. In tabulating the voting results for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal.

Table of Contents

Voting Instructions

If you complete and submit your proxy card or voting instructions, the persons named as proxies will follow your voting instructions. If no choice is indicated on a signed and dated proxy card, the shares will be voted as the board recommends on each proposal as follows: FOR the election of each of the nominees named herein and FOR the ratification of the appointment of our independent auditors. Many banks and brokerage firms have a process for their beneficial owners to provide instructions via telephone or the Internet. The voting instruction form that you receive from your bank or broker will contain instructions for voting.

Depending on how you hold your shares, you may vote in one of the following ways:

Stockholders of Record: You may vote by either marking, signing and returning the enclosed proxy card or via the instructions included in your Notice or using telephone or Internet voting. You may also vote in person at the annual meeting.

Beneficial Stockholders: Your bank, broker or other holder of record will provide you with a voting instruction form for you to use to instruct them on how to vote your shares. Check the instructions provided by your bank, broker or other holder of record to see which voting options are available to you. However, since you are not the stockholder of record, you may not vote your shares in person at the annual meeting unless you request and obtain a valid, legal proxy from your bank, broker or other agent.

Votes submitted by telephone or via the Internet must be received by 11:59 p.m. Eastern Time on December 8, 2015. Submitting your proxy by mail or telephone or via the Internet will not affect your right to vote in person should you decide to attend the annual meeting in person.

If you are a stockholder of record, you may revoke your proxy and change your vote at any time before the polls close by returning a later-dated proxy card, by voting again by Internet or telephone as more fully detailed in your Notice or proxy card or by delivering written instructions to the Corporate Secretary before the annual meeting. Attendance at the annual meeting will not in and of itself cause your previously voted proxy to be revoked unless you specifically so request or vote again at the annual meeting. If your shares are held in an account at a bank, brokerage firm or other agent, you may change your vote by submitting new voting instructions to your bank, brokerage firm or other agent, or, if you have obtained a legal proxy from your bank, brokerage firm or other agent giving you the right to vote your shares, by attending the annual meeting and voting in person.

Solicitation of Proxies

We will bear the cost of soliciting proxies. In addition to soliciting stockholders by mail, we will request banks, brokers and other intermediaries holding shares of our common stock beneficially owned by others to obtain proxies from the

beneficial owners and will reimburse them for their reasonable, out-of-pocket costs for forwarding proxy and solicitation material to the beneficial owners of common stock. We may use the services of our officers, directors and employees to solicit proxies, personally or by telephone, without additional compensation.

Voting Results

We will announce preliminary voting results at the annual meeting. We will report final results in a Form 8-K report filed with the SEC.

JOBS Act Explanatory Note

We are an emerging growth company under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (the JOBS Act), including the compensation disclosures required of a smaller reporting company, as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an emerging growth company until the earliest of (i) the last day of the fiscal year in which we have total annual gross revenues of \$1 billion or more; (ii) December 31, 2019; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or (iv) the date on which we are deemed to be a large accelerated filer under the rules of the SEC.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

We have a classified board of directors consisting of two Class I directors, two Class II directors and two Class III directors. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire at the annual meeting date.

The term of the Class II directors, Mark H. Mishler and Ronald V. Waters, III, will expire on the date of the 2016 annual meeting. Accordingly, two persons are to be elected to serve as Class II directors of the board of directors at the meeting. The board's nominees for election by the stockholders to those two positions are the two current Class II members of the board of directors, Mark H. Mishler and Ronald V. Waters, III. If elected, each nominee will serve as a director until our 2019 annual meeting of stockholders and until their respective successors are elected and qualified, or their earlier death, resignation or removal. If any of the nominees declines to serve or becomes unavailable for any reason, or if a vacancy occurs before the election (although we know of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as we may designate. The proxies cannot vote for more than two persons.

The two nominees for Class II director receiving the highest number of votes of shares of common stock will be elected as Class II directors. A Withhold vote will have no effect on the vote.

We believe that each of our directors has demonstrated business acumen, ethical integrity and an ability to exercise sound judgment as well as a commitment of service to us and our board of directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF MARK H. MISHLER AND RONALD V. WATERS, III AS CLASS II DIRECTORS. PROXIES WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THEIR PROXIES.

The names of our directors who will continue in office until the 2017 and 2018 annual meetings of stockholders, as well as the nominees for Class II directors to be elected at this meeting, and certain information about them as of October 19, 2015 is set forth below. CORPORATE GOVERNANCE

Director Independence

Our board of directors has determined that each of Messrs. Diehl, Mishler, Reiner and Waters is an independent director for purposes of the Nasdaq Listing Rules and Rule 10A-3(b)(1) under the Exchange Act as the term relates to membership on the board of directors.

The definition of independence under the rules of the Nasdaq Global Select Market (the Nasdaq Listing Rules) includes a series of objective tests, such as that the director is not, and has not been for at least three years, one of our employees and that neither the director, nor any of his or her family members, has engaged in various types of business dealings with us. In addition, as further required by the Nasdaq Listing Rules, our board has made a subjective determination as to each independent director that no material relationships exist that, in the opinion of our board, would interfere with his exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our board reviewed and discussed information provided by the directors in questionnaires with questions tailored to the Nasdaq Listing Rules with regard to each director's business and personal activities as they may relate to us and our management.

Board of Directors Leadership Structure

The board of directors has adopted corporate governance guidelines to promote the functioning of the board and its committees. These guidelines address board composition, board functions and responsibilities, qualifications, leadership structure, committees and meetings.

Our Corporate Governance Guidelines do not contain a policy mandating the separation of the offices of the Chairman of the Board and the Chief Executive Officer, and the board is given the flexibility to select its Chairman and our Chief Executive Officer in the manner that it believes is in the best interests of our stockholders. Accordingly, the Chairman and the Chief Executive Officer may be filled by one individual or two. The board has chosen to separate the positions of Chairman of the Board and Chief Executive Officer. We believe this structure is optimal for us because it avoids any duplication of effort between the Chairman and the Chief Executive Officer and permits our Chief Executive Officer to focus his efforts on the day-to-day management of the Company. This separation provides strong leadership for the board and the Company through the Chairman, while also positioning our Chief Executive Officer as our leader in the eyes of our employees and other stakeholders. The board may reconsider the best board leadership structure for us from time to time.

Risk Management

Our risk management function is overseen by our board of directors. Through our management reports and company policies, such as our Corporate Governance Guidelines, our Code of Business Conduct and Ethics and our audit committee's and compensation committee's review of financial and other risks, we keep our board of directors apprised of material risks and provide our directors access to all information necessary for them to understand and evaluate how these risks interrelate, how they affect us and how our management addresses those risks. Mr. Beauchamp, as our Chief Executive Officer, works with our independent directors and with management when material risks are identified by the board of directors or management to address such risk. If the identified risk poses an actual or potential conflict with management, our

independent directors would conduct an assessment by themselves.

Executive Sessions

Non-management directors generally meet in executive session each time the board of directors holds a regularly scheduled meeting. The board's policy is to hold executive sessions without the presence of management as a part of all regular board meetings, and, in any event, at least twice during each calendar year. The Company's Corporate Governance Guidelines provide that a non-management independent director shall be chosen to preside at each executive session.

Meetings of the Board of Directors and Committees

The board of directors held five meetings during the fiscal year ended June 30, 2015. The board of directors has three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee. During the last fiscal year, each of our directors attended at least 75% of the total number of meetings of the board and all of the committees of the board on which such director served during that period.

Table of Contents

The following table sets forth the standing committees of the board of directors and the members of each committee as of the date that this Proxy Statement was first made available to our stockholders:

Name of Director	Audit	Compensation	Nominating and Corporate Governance
Steven R. Beauchamp			
Jeffrey T. Diehl	X		Chair
Mark H. Mishler	X	Chair	X
Andres D. Reiner		X	X
Steven I. Sarowitz			
Ronald V. Waters, III	Chair	X	

Audit Committee

The members of the audit committee are Messrs. Diehl, Mishler and Waters, each of whom is a non-employee member of our board of directors. Mr. Waters serves as the chair of the audit committee. Our board of directors determined that each of Messrs. Diehl, Mishler and Waters is independent for purposes of the Nasdaq Listing Rules and SEC rules and regulations as they apply to audit committee members. Our board of directors has determined that each of Messrs. Diehl, Mishler and Waters meet the requirements for financial literacy and sophistication, and that Mr. Waters qualifies as an audit committee financial expert, under the applicable requirements of the Nasdaq Listing Rules and SEC rules and regulations. The composition of our audit committee complies with all applicable requirements in the Nasdaq Listing Rules and SEC rules and regulations.

The functions of the audit committee include:

- selecting a firm to serve as the independent registered public accounting firm to audit our financial statements;
- ensuring the independence of the independent registered public accounting firm;
- discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing, with management and that firm, our interim and year-end operating results;
- establishing procedures for employees to submit anonymously concerns about questionable accounting or audit matters;

- considering the adequacy of our internal controls;
- reviewing material related party transactions or those that require disclosure; and
- approving or, as permitted, pre-approving all audit and non-audit services to be performed by the independent registered public accounting firm.

The audit committee held four meetings during the fiscal year ended June 30, 2015. Additional information regarding the audit committee is set forth in the Report of the Audit Committee immediately following Proposal No. 2.

Compensation Committee

The members of the compensation committee are Messrs. Mishler, Reiner and Waters, each of whom is a non-employee member of our board of directors. Mr. Mishler serves as the chairperson of the compensation committee. Our board of directors has determined that each member of the compensation committee is independent for purposes of the Nasdaq Listing Rules, is a non-employee director, as defined by Rule 16b-3 promulgated under the Exchange Act, and is an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code, as amended.

The functions of the compensation committee include:

- reviewing and approving, or recommending that our board of directors approve, the compensation of our executive officers;
- reviewing and recommending to our board of directors the compensation of our directors;

Table of Contents

- reviewing and recommending to our board of directors the terms of any compensatory agreements with our executive officers;
- administering our stock and equity incentive plans;
- reviewing and approving, or making recommendations to our board of directors with respect to, incentive compensation and equity plans; and
- reviewing our overall compensation philosophy.

The compensation committee and board of directors believe that attracting, retaining and motivating our employees, and particularly the company's senior management team and key operating personnel, are essential to Paylocity's performance and enhancing shareholder value. The compensation committee will continue to administer and develop our compensation programs in a manner designed to achieve these objectives.

The compensation committee's specific responsibilities are set forth in its charter. The compensation committee reviews its charter at least annually. The compensation committee reviews and recommends policies relating to compensation and benefits of our officers and employees. The compensation committee reviews and approves corporate goals and objectives relevant to compensation of our Chief Executive Officer and other executive officers, evaluates the performance of these officers in light of those goals and objectives, and recommends the compensation of these officers based on such evaluations. The compensation committee also administers the issuance of stock options and other awards under our equity compensation plans.

In April 2014, the compensation committee selected Compensia, Inc. (Compensia) to provide independent compensation consulting support. Compensia has provided market information on compensation trends and practices and makes compensation recommendations based on competitive data of a peer group of companies. Compensia is also available to perform special projects at the compensation committee's request. Compensia provides analyses and recommendations that inform the compensation committee's decisions, but does not decide or approve any compensation actions. As needed, the compensation committee also consults with Compensia on other compensation-related matters, which for fiscal 2015 included a review of total cash and stock-based compensation for Paylocity's executives including long-term incentive related compensation. The engagement of any compensation consultant rests exclusively with the compensation committee, which has sole authority to retain and terminate any compensation consultant or other advisor that it uses.

The compensation committee has assessed the independence of Compensia and concluded that no conflicts of interest exist that would prevent Compensia from providing independent and objective advice to the compensation committee.

The compensation committee held four meetings during the fiscal year ended June 30, 2015.

Nominating and Corporate Governance Committee

The members of the nominating and corporate governance committee are Messrs. Diehl, Mishler and Reiner. Mr. Diehl serves as the chairperson of the nominating and corporate governance committee. Our board of directors determined that each member of our nominating and corporate governance committee is independent for purposes of the Nasdaq Listing Rules and under applicable SEC rules and regulations. The functions of the nominating and corporate governance committee include:

- identifying and recommending candidates for membership on our board of directors;

- reviewing and recommending our corporate governance guidelines and policies;

- reviewing proposed waivers of the code of conduct for directors and executive officers;

- overseeing the process of evaluating the performance of our board of directors; and

- assisting our board of directors on corporate governance matters.

The nominating and corporate governance committee acted by written consent in lieu of a meeting once during the fiscal year ended June 30, 2015.

Table of Contents

Director Nominations

Our nominating and corporate governance committee is responsible for, among other things, assisting our board of directors in identifying qualified director nominees and recommending nominees for each annual meeting of stockholders. The nominating and corporate governance committee's goal is to assemble a board that brings to our company a diversity of experience in areas that are relevant to our business and that complies with the Nasdaq Listing Rules and applicable SEC rules and regulations. While we do not have a formal diversity policy for board membership, the nominating and corporate governance committee generally considers the diversity of nominees in terms of knowledge, experience, background, skills, expertise and other demographic factors. When considering nominees for election as directors, the nominating and corporate governance committee reviews the needs of the board for various skills, background, experience and expected contributions and the qualification standards established from time to time by the nominating and corporate governance committee. The nominating and corporate governance committee believes that directors must also have an inquisitive and objective outlook and mature judgment. Director candidates must have sufficient time available in the judgment of the nominating and corporate governance committee to perform all board and committee responsibilities. Members of the board of directors are expected to rigorously prepare for, attend and participate in all meetings of the board and applicable committee meetings.

Other than the foregoing and the applicable rules regarding director qualification, there are no stated minimum criteria for director nominees. Under the Nasdaq Listing Rules, at least a majority of the members of the board must meet the definition of "independence" and at least one director must be a "financial expert" under the Exchange Act and the Nasdaq Listing Rules and applicable SEC rules and regulations. The nominating and corporate governance committee also believes it appropriate for our Chief Executive Officer to participate as a member of the board of directors.

The nominating and corporate governance committee will evaluate annually the current members of the board whose terms are expiring and who are willing to continue in service against the criteria set forth above in determining whether to recommend these directors for election. The nominating and corporate governance committee will assess regularly the optimum size of the board and its committees and the needs of the board for various skills, background and business experience in determining if the board requires additional candidates for nomination.

Candidates for director nominations come to our attention from time to time through incumbent directors, management, stockholders or third parties. These candidates may be considered at meetings of the nominating and corporate governance committee at any point during the year. Such candidates are to be evaluated against the criteria set forth above. If the nominating and corporate governance committee believes at any time that it is desirable that the board consider additional candidates for nomination, the committee may poll directors and management for suggestions or conduct research to identify possible candidates and may engage, if the nominating and corporate governance committee believes it is appropriate, a third-party search firm to assist in identifying qualified candidates.

Our bylaws permit stockholders to nominate directors for consideration at an annual meeting. The nominating and corporate governance committee will consider director candidates validly recommended by stockholders. For more information regarding the requirements for stockholders to validly submit a nomination for director, see "Stockholders Proposals or Nominations to Be Presented at Next Annual Meeting" elsewhere in this Proxy Statement.

Policy on Audit Committee Pre-approval of Audit and Non-audit Services Performed by Independent Registered Public Accounting Firm

The audit committee has determined that all services performed by KPMG are compatible with maintaining the independence of KPMG. The audit committee's policy is to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Unless the specific service has been pre-approved with respect to that year, the audit committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The independent registered public accounting firm and management are required to periodically report to the audit committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval process.

Vote Required and Board of Directors Recommendation

The affirmative vote of a majority of the voting power of the shares present in person or by proxy and entitled to vote on the matter at the annual meeting is required for approval of this proposal. Abstentions will have the effect of a vote against the ratification of KPMG LLP as our independent registered public accountants. Broker non-votes will have no effect on the outcome of the vote. Your bank or broker will have discretion to vote any uninstructed shares on this proposal. If the stockholders do not approve the ratification of KPMG as our independent registered public accounting firm, the audit committee will reconsider its selection.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF KPMG AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING JUNE 30, 2016. PROXIES WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THEIR PROXIES.

REPORT OF THE AUDIT COMMITTEE

The audit committee currently consists of three directors. Messrs. Diehl, Mishler and Waters are each, in the judgment of the board of directors, an independent director. The audit committee acts pursuant to a written charter that has been adopted by the board of directors. A copy of the charter is available on the investor relations section of Paylocity's website at <http://investors.paylocity.com>.

The audit committee oversees Paylocity's financial reporting process on behalf of the board of directors. The audit committee is responsible for retaining Paylocity's independent registered public accounting firm, evaluating its independence, qualifications and performance, and approving in advance the engagement of the independent registered public accounting firm for all audit and non-audit services. The audit committee's specific responsibilities are set forth in its charter. The audit committee reviews its charter at least annually.

Management has the primary responsibility for the financial statements and the financial reporting process, including internal control systems, and procedures designed to insure compliance with applicable laws and regulations. Paylocity's independent registered public accounting firm, KPMG, is responsible for expressing an opinion as to the conformity of our audited financial statements with generally accepted accounting principles.

The audit committee has reviewed and discussed with management the company's audited financial statements. The audit committee has also discussed with KPMG LLP all matters that the independent registered public accounting firm was required to communicate and discuss with the audit committee, including the matters required to be discussed by Public Company Accounting Oversight Board (PCAOB) Auditing Standard No.16, Communications with Audit Committees. In addition, the audit committee has met with the independent registered public accounting firm, with and without management present, to discuss the overall scope of the independent registered public accounting firm's audit, the results of its examinations, its evaluations of the company's internal controls and the overall quality of Paylocity's financial reporting.

The audit committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the audit committee concerning independence and has discussed with the independent registered public accounting firm its independence.

Based on the review and discussions referred to above, the audit committee recommended to Paylocity's board of directors that the company's audited financial statements be included in Paylocity's Annual Report on Form 10-K for the fiscal year ended June 30, 2015.

Compensation of Directors

In September 2014, we implemented a director compensation package, pursuant to which our directors are eligible to receive equity awards and cash retainers as compensation for service on our board of directors and committees of our board of directors. Under our director compensation package, our directors are entitled to receive a \$30,000 annual retainer fee. The audit committee chairperson receives an annual fee of \$20,000 and members of the audit committee receive an annual fee of \$10,000. The compensation committee chairperson receives an annual fee of \$15,000 and members of the compensation committee receive an annual fee of \$7,500. The nominating and corporate governance committee chairperson receives an annual fee of \$10,000 and the members of the nominating and corporate governance committee receive an annual fee of \$5,000. On August 18, 2014 (and September 8, 2014 in the case of Mr. Reiner), the compensation committee of our board of directors approved a restricted stock unit grant entitling each director to receive that number of shares of our common stock equal to \$150,000 divided by the then current share price of our common stock (with such amount prorated, in the case of Mr. Reiner, to reflect the date of his appointment). These grants vest 25% quarterly, such that the grant vests in full on the first anniversary of the grant, provided that the director continues to serve as a director through such vesting date.

In August 2015, the compensation committee of our board of directors approved a restricted stock unit grant entitling each director to receive that number of shares of our common stock equal to \$150,000 divided by the then current share price of our common stock. These grants vest 25% quarterly, such that the grant vests in full on the first anniversary of the grant, provided that the director continues to serve as a director through such vesting date. In September 2015, our board of directors affirmed that the director's cash compensation package for fiscal 2016

Edgar Filing: Paylocity Holding Corp - Form DEF 14A

would remain unchanged from the cash compensation package for fiscal 2015.

Plan (the 2014 Plan) and the 2014 Employee Stock Purchase Plan (the 2014 Purchase Plan), each of which has been approved by our stockholders. The following table sets forth information regarding outstanding options and shares reserved for future issuance under the foregoing plans as of June 30, 2015:

Plan Category	Number of shares to be issued upon exercise of outstanding options and rights (a)	Weighted-average exercise price of outstanding options and rights (b)	Number of shares remaining available for future issuance under equity compensation plans (excluding shares reflected in column (a)) (c)

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transaction Policy

We have a written policy on authorizations, the Related Party Transactions Policy, which includes specific provisions for related party transactions. Pursuant to the Related Party Transactions Policy, related party transactions include any transaction, arrangement or relationship, or series of such transactions, including any indebtedness or guarantees, in which the amount involved exceeds \$120,000 and in which any of our directors, executive officers, holders of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest. In the event that a related party transaction is identified, such transaction must be reported to our Corporate Secretary and subsequently must be reviewed and approved or ratified by the chairman of our audit committee or our full audit committee, depending on the amount of the transaction. Any member of the audit committee who is one of the parties in the related party transaction and who has a direct material interest in the transaction may not participate in the approval of the transaction. The audit committee has pre-approved certain potential related party transactions in advance including employment of executive officers and director

compensation.

Related Party Transactions

Since the beginning of fiscal 2015, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are a party in which the amount involved exceeded or exceeds \$120,000 and in which any of our directors, executive officers, holders of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest, except for the compensation and other arrangements described in Compensation of Named Executive Officers and Directors elsewhere in this proxy statement and the transactions described below.

Stock Options Granted to Executive Officers and Directors

We have granted stock options and restricted stock units to our executive officers. We have also granted restricted stock units to certain members of our board of directors. For more information regarding certain of these equity awards, see Compensation of Named Executive Officers and Directors Summary Compensation Table and Compensation of Named Executive Officers and Directors Compensation of Directors elsewhere in this Proxy Statement.

Investors Rights Agreement

We are party to an amended and restated investors rights agreement with certain holders of our stockholders. The amended and restated investors rights agreement grants such stockholders certain registration rights, which include demand registration rights, piggyback registration rights and short-form registration rights, with respect to shares of our common stock.

Employment Agreements

We have entered into employment agreements with certain of our executive officers. These employment agreements provide for severance payments upon termination of the executive in certain circumstances and acceleration of vesting of stock options upon the occurrence of a change in control. Please see Compensation of Named Executive Officers and Directors Potential Payments upon Termination and Change in Control elsewhere in this Proxy Statement for a summary of the potential payments to our named executive officers upon the occurrence of termination or a change in control.

Indemnification of Officers and Directors

As permitted by Delaware law, our amended and restated certificate of incorporation provides that, to the fullest extent permitted by Delaware law, no director will be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director. Pursuant to Delaware law such protection would be not available for liability:

- for any breach of a duty of loyalty to us or our stockholders;

- for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;

- for any transaction from which the director derived an improper benefit; or

- for an act or omission for which the liability of a director is expressly provided by an applicable statute, including unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law.

Our amended and restated certificate of incorporation also provides that if Delaware law is amended after the approval by our stockholders of the amended and restated certificate of incorporation to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of our directors will be eliminated or limited to the fullest extent permitted by Delaware law. In addition, our amended and restated bylaws provide that we are required to advance expenses to our directors and officers as incurred in connection with legal proceedings against them for which they may be indemnified and that the rights conferred in the amended and restated bylaws are not exclusive.

We have entered into indemnity agreements with each of our directors and executive officers. These agreements, among other things, require us to indemnify each director and officer to the fullest extent permitted by Delaware law and our amended and restated certificate of incorporation and bylaws for expenses such as, among other things, attorneys' fees, judgments, fines and settlement amounts incurred by the director or executive officer in any action or proceeding, including any action by or in our right, arising out of the person's services as our director or executive officer or as the director or executive officer of any subsidiary of ours or any other company or enterprise to which the person provides services at our request. We also maintain directors' and officers' liability insurance.

Other Related Party Transactions

In June 2014, we entered into a Memorandum of Understanding (the "Memorandum"), with our chairman Steven I. Sarowitz and Blue Marble Payroll, LLC, or Blue Marble, a separate legal entity owned by Mr. Sarowitz. Pursuant to the terms of the Memorandum, Mr. Sarowitz is entitled to devote his efforts to Blue Marble provided that such efforts do not interfere with his ability to fulfill his duties as our chairman. Mr. Sarowitz and Blue Marble each also agreed not to compete with us in the United States of America and not to solicit our employees. In the event that we enter a geographic market in which Mr. Sarowitz or Blue Marble has

clients, we have an option to acquire Mr. Sarowitz or Blue Marble's (as the case may be) operations in such market at fair market value. At our option, Mr. Sarowitz and Blue Marble will permit us to become a partner of Blue Marble in any international market that Mr. Sarowitz or Blue Marble enters, on terms no less favorable than those offered by Mr. Sarowitz or Blue Marble to its other partners in that market. Pursuant to the terms of the Memorandum, in the event of a sale of a material portion of the business or capital stock of Blue Marble, we have a right of first refusal to buy Blue Marble. Beginning on the third anniversary of the Memorandum, we also have an ongoing option to acquire Blue Marble at fair market value.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table and footnotes set forth information with respect to the beneficial ownership of our common stock as of September 30, 2015 by:

- each stockholder, or group of affiliated stockholders, who we know beneficially owns more than 5% of the outstanding shares of our common stock;
- each of our named executive officers;
- each of our current directors; and
- all of our current directors and current executive officers as a group.

Beneficial ownership of shares is determined under the rules of the SEC and generally includes any shares over which a person exercises sole or shared voting or investment power.

Applicable percentage ownership in the following table is based on 50,833,030 shares of common stock outstanding as of September 30, 2015. Shares of common stock subject to options currently exercisable or exercisable within 60 days of September 30, 2015 are deemed to be outstanding for calculating the number and percentage of outstanding shares of the person holding such options, but are not deemed to be outstanding for calculating the percentage ownership of any other person. Beneficial ownership or voting power representing less than 1% is denoted with an asterisk (*).

Shares shown in the table below include shares held in the beneficial owner's name or jointly with others, or in the name of a bank, nominee or trustee for the beneficial owner's account. Unless otherwise indicated and subject to applicable community property laws, to our knowledge, each stockholder named in the following table possesses sole voting and investment power over the shares listed, except for those jointly owned with

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who beneficially own more than 10% of our common stock to file initial reports of beneficial ownership and reports of changes in beneficial ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such person.

Based solely on our review of such forms furnished to us, and written representations from certain reporting persons, we believe that all filing requirements applicable to our executive officers, directors and greater-than-10% stockholders during the fiscal year ended June 30, 2015 were satisfied.

STOCKHOLDER PROPOSALS OR NOMINATIONS

TO BE PRESENTED AT NEXT ANNUAL MEETING

Pursuant to Rule 14a-8 under the Exchange Act of 1934, some stockholder proposals may be eligible for inclusion in our proxy statement for the fiscal 2017 annual meeting. These stockholder proposals must be submitted, along with proof of ownership of our stock in accordance with Rule 14a-8(b) (2), to the Corporate Secretary at our principal executive offices no later than the close of business on June 21, 2016 (120 days prior to the anniversary of this year's mailing date). Failure to deliver a proposal in accordance with these procedures may result in it not being deemed timely received.

Table of Contents

Submitting a stockholder proposal does not guarantee that we will include it in our proxy statement. Our nominating and corporate governance committee reviews all stockholder proposals and makes recommendations to the board for actions on such proposals. For information on qualifications of director nominees considered by our nominating and corporate governance committee, see the Corporate Governance Director Nominations section of this Proxy Statement.

In addition, our Bylaws provide that any stockholder intending to nominate a candidate for election to the board or to propose any business at our 2017 annual meeting, other than non-binding proposals presented pursuant to Rule 14a-8 under the Exchange Act, must give notice to the Corporate Secretary at our principal executive offices, not earlier than the close of business on the 120th day (August 11, 2016) nor later than the close of business on the 90th day (September 10, 2016) prior to the first anniversary of the date of the preceding year's annual meeting as first specified in the notice of meeting (without regard to any postponements or adjournments of such meeting after the notice was first given). The notice must include the information specified in our Bylaws, including information concerning the nominee or proposal, as the case may be, and information concerning the proposing or nominating stockholder's ownership of and agreements related to our stock. If the 2017 annual meeting is held more than 30 days before or after the first anniversary of the date of the 2016 annual meeting, the stockholder must submit notice of any such nomination and of any such proposal that is not made pursuant to Rule 14a-8 by the later of the 90th day prior to the 2017 annual meeting or the 10th day following the date on which public announcement of the date of such meeting is first made. We will not entertain any proposals or nominations at the meeting that do not meet the requirements set forth in our Bylaws. If the stockholder does not also comply with the requirements of Rule 14a-4(c)(2) under the Exchange Act, we may exercise discretionary voting under proxies that we solicit to vote in accordance with our best judgment on any stockholder proposal or nomination. To make a submission or request a copy of our Bylaws, stockholders should contact our Corporate Secretary. We strongly encourage stockholders to seek advice from knowledgeable counsel before submitting a proposal or a nomination.

TRANSACTION OF OTHER BUSINESS

At the date of this Proxy Statement, the board of directors knows of no other business that will be conducted at the 2016 annual meeting other than as described in this proxy statement. If any other matter or matters are properly brought before the meeting or any adjournment or postponement of the meeting, it is the intention of the persons named in the accompanying proxy to vote the proxy on such matters in accordance with their best judgment.

STOCKHOLDERS SHARING THE SAME LAST NAME AND ADDRESS

To reduce the expense of delivering duplicate proxy materials to stockholders who may have more than one account holding Paylocity stock but sharing the same address, we have adopted a procedure approved by the SEC called "householding." Under this procedure, certain stockholders of record who have the same address and last name, and who do not participate in electronic delivery of proxy materials, will receive only one copy of our Proxy Statement and Annual Report and, as applicable, any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies. This procedure reduces duplicate mailings and saves printing costs and postage fees, as well as natural resources. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

Edgar Filing: Paylocity Holding Corp - Form DEF 14A

If you receive a single set of proxy materials as a result of householding, and you would like to have separate copies of our annual report and other proxy materials mailed to you, please submit a written request to our Corporate Secretary, Paylocity Holding Corporation, 3850 N. Wilke Road, Arlington Heights, Illinois 60004, or call our Investor Relations department at 415-430-2073, and we will promptly send you what you have requested. You can also contact our Corporate Secretary or Investor Relations department if you received multiple copies of the annual meeting materials and would prefer to receive a single copy in the future, or if you would like to opt out of householding for future mailings.
