Exchange Agreement

On October 13, 2016, Golar LNG Partners LP (the Partnership) entered into an Exchange Agreement (the Exchange Agreement) with Golar GP LLC (the General Partner) and Golar LNG Limited (Golar), pursuant to which Golar and the General Partner agreed to exchange all of their incentive distribution rights in the Partnership (Old IDRs) for (i) the issuance by the Partnership on the date hereof of a new class of incentive distribution rights in the Partnership (New IDRs) and an aggregate of 2,994,364 additional common units representing limited partner interests in the Partnership (Common Units) and an aggregate of 61,109 additional units representing general partner interests in the Partnership (General Partner Units) and (ii) the issuance in the future of an aggregate of up to 748,592 additional Common Units and up to 15,278 additional General Partner Units (collectively, the Earn-Out Units) that may be issued subject to certain conditions described below (collectively, the Transaction). Immediately prior to the execution of the Exchange Agreement, Golar Energy Limited, a subsidiary of Golar, sold its Old IDRs to Golar in exchange for the cancellation of certain intercompany indebtedness.

The Transaction closed (the Closing) on October 19, 2016, at which point (i) the Old IDRs were exchanged by Golar and the General Partner and cancelled by the Partnership, (ii) 81% and 19% of the New IDRs were issued to the General Partner and Golar, respectively, (iii) 2,425,435 and 568,929 additional Common Units were issued to the General Partner and Golar, respectively, and (iv) 61,109 General Partner Units were issued to the General Partner.

The Partnership will issue 50% of the Earn-Out Units if the Partnership pays a distribution of available cash from operating surplus pursuant to the terms of the Revised Partnership Agreement (as defined below), on each of the outstanding Common Units equal to or greater than \$0.5775 per Common Unit in respect of each of the quarterly periods ended December 31, 2016, March 31, 2017, June 30, 2017 and September 30, 2017. The Partnership will issue the remaining 50% of the Earn-Out Units if the Partnership has issued the first 50% of the Earn-Out Units and the Partnership pays a distribution of available cash from operating surplus pursuant to the terms of the Partnership Agreement on each of the outstanding Common Units equal to or greater than \$0.5775 per Common Unit in respect of each of the quarterly periods ended December 31, 2017, March 31, 2018, June 30, 2018 and September 30, 2018.

The terms of the New IDRs are effective with respect to the distribution for the quarter ended December 31, 2016. The New IDRs provide for distribution splits between the IDR holders and the holders of Common Units equal to those applicable to the Old IDRs, which have been cancelled. However, the New IDRs provide for higher target distribution levels, as set forth in the table below. In addition, in connection with the Transaction, the minimum quarterly distribution will be \$0.5775 per common unit.

The following table compares the target distribution levels and distribution splits among the General Partner, IDR holders and the holders of Common Units under the Old IDRs and under the New IDRs:

	Old IDRs (Cancelled)				New IDRs			
	Total Quarterly Distribution Target Amount	Marginal Percentage Interest in Distributions			Total Quarterly Distribution Target Amount	Marginal Percentage Interest in Distributions		
		Common Unitholders	General Partner	IDR Holders		Common Unitholders	General Partner	IDR Holders
Minimum Quarterly	\$0.3850	98%	2%	0%	\$0.5775

Second Amended and Restated Agreement of Limited Partnership

In connection with the Transaction, the Partnership's First Amended and Restated Agreement of Limited Partnership (the Previous Partnership Agreement) was amended and restated, effective as of October 19, 2016, to: (i) eliminate the Old IDRs and replace them with the New IDRs, as described above, and otherwise evidence the Transaction, (ii) eliminate outdated provisions of the Previous Partnership Agreement and (iii) incorporate all prior amendments and changes in one document. The Partnership's Second Amended and Restated Agreement of Limited Partnership dated October 19, 2016 (the Revised Partnership Agreement) replaces the Previous Partnership Agreement in its entirety.

The foregoing description of the Revised Partnership Agreement does not purport to be complete and is qualified by reference to the Revised Partnership Agreement, which is filed as Exhibit 3.2 to the Registration Statement on Form 8-A/A of the Partnership, filed on October 19, 2016, and incorporated by reference herein.

Immediately following the Closing, the General Partner distributed to Golar all of the Common Units that were issued to it at the Closing as well as its right to receive Earn-Out Common Units in the future, and Golar contributed to the General Partner all of the New IDRs that were issued to it at the Closing. After giving effect to the foregoing, the General Partner currently owns 100% of the New IDRs and Golar owns Common Units representing an aggregate approximate 31.9% limited partner interest in the Partnership (excluding any Earn-Out Common Units that may be issued in the future). In addition, the General Partner owns an approximate 2% general partner interest in the Partnership.
