Item 4.01. Changes in Registrant's Certifying Accountant

On March 31, 2014, the Audit Committee of the Board of Directors of Support.com, Inc. ("Company") took action to change the Company's independent registered public accounting firm, by dismissing Ernst & Young LLP ("Ernst & Young"). On the same date, the Company engaged BDO USA, LLP ("BDO") as the Company's independent registered public accounting firm. The action was the result of a competitive process to review the appointment of the Company's independent registered public accounting firm for the year ending December 31, 2014.

The reports of Ernst & Young on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2012 and December 31, 2013 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audits of the Company's consolidated financial statements for the fiscal years ended December 31, 2012 and December 31, 2013, and in the subsequent interim period through March 31, 2014, there were no disagreements with Ernst & Young on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of Ernst & Young would have caused Ernst & Young to make reference to the in their report. There were no "reportable events" as that term is described in Item 304(a)(1)(v) of Regulation S-K.

The Company has requested Ernst & Young to furnish it a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements. A copy of such letter, dated April 4, 2014 is filed as Exhibit 16.1 to this Current Report on Form 8-K.

During the Company's fiscal years ended December 31, 2012 and December 31, 2013, and the interim period commencing on January 1, 2014 and ending on March 31, 2014, neither the Company nor anyone on behalf of the Company consulted with BDO on any matter regarding: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report was provided to the Company nor oral advice was provided that BDO concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) either a disagreement or a reportable event, as defined in Item 304(a)(1)(iv) and (v) of Regulation S-K, respectively.
