

Item 8.01. Other Events.

In a previous filing of an 8K/A Current Report dated September 16, 2005, the Registrant disclosed that:

- 1) On April 15, 2005 the Registrant executed an Amended and Restated Plan of Acquisition (“the Agreement”) to acquire 60% of Promostaffing.com LLC. (“Promo Staffing”), a Florida limited liability company that is in the promotional marketing industry; and
- 2) Although the Registrant contractually closed the transaction to acquire Promo Staffing, the Registrant anticipated that the transaction may have to be voided due to unforeseen delays that have caused disputes between the Registrant and Promo Staffing.

Subsequent to the filing of a 8K/A Current Report on September 16, 2005, the Registrant entered into a Termination Agreement (“Termination Agreement”) with Promostaffing and Mr. Cory Sklar (“Mr. Sklar”), whereby subsequent to the execution of the Agreement, and due to the disputes regarding the financing of Promostaffing by the Registrant and to date the parties have not been able to finish an audit of the financial statements of Promostaffing, which is required in order for the Registrant to comply with the rules and regulations of the U. S. Securities & Exchange Commission. Due to these disputes and difficulties, the parties have since amicably agreed that it is in the best interests of both parties to void the Agreement and the transactions contemplated therein.

Included in this Form 8-K are forward-looking statements. There can be no assurance that expectations reflected in such forward-looking statements will prove to be correct. The Company's actual results could differ materially from those anticipated in the forward-looking statements as a result of certain factors.
