Item 8.01 Other Events

As previously reported, Public Service Company of New Mexico ("PNM"), a wholly owned subsidiary of PNM Resources, Inc. (the "Company"), made a filing with the New Mexico Public Regulation Commission (the "Commission") in December 2013 requesting certain approvals necessary to effectuate the Revised State Implementation Plan for the San Juan Generating Station. On October 1, 2014, PNM and certain other parties filed a stipulation with the Commission that, if approved by the Commission, would resolve all matters in the December 2013 filing.

On April 8, 2015, the Hearing Examiner in the case issued his recommended decision on the stipulation to the Commission in the form of a "Certification of Stipulation". That document is available on the Company's website through the following link: http://www.pnmresources.com/investors/rates-and-filings.aspx.

The Certification of Stipulation is subject to approval by the Commission. Commission action on the Certification of Stipulation is expected in the second quarter of 2015.
