PROXY STATEMENT

FOR
ANNUAL MEETING OF SHAREHOLDERS

GENERAL

The enclosed proxy is solicited on behalf of the board of directors of China Direct, Inc. for use at our annual meeting of shareholders to be held on Friday, May 30, 2008 at 1:00 PM, local time, and at any adjournments thereof. The annual meeting will be held at the Hilton Hotel in Deerfield Beach, Florida located at 100 Fairway Drive, Deerfield Beach, Florida, 33441-1856. Voting materials, including this proxy statement, the proxy card and our 2007 Form 10-K, were mailed on or about May 1, 2008 to all shareholders entitled to vote at the annual meeting.

QUESTIONS AND ANSWERS

Following are some commonly asked questions raised by our shareholders and answers to each of those questions.

Q:

What may I vote on at the annual meeting?

A:

At the annual meeting, shareholders will consider and vote upon the following matters:

.

to elect a board of directors consisting of five members;

.

to ratify the appointment of Sherb & Co., LLP as our independent registered public accountants firm;

.

to approve our 2008 Executive Stock Incentive Plan;

.

to approve our 2008 Non-Executive Stock Incentive Plan; and

.

such other matters as may properly come before the annual meeting or any adjournments thereof.

Q:

How does the board of directors recommend that I vote on the proposals?

A:

The board of directors recommends a vote FOR each of the nominees to the board of directors, FOR the proposal ratifying the appointment of Sherb & Co., LLP, FOR the proposal approving our 2008 Executive Stock Incentive Plan and FOR the proposal approving our 2008 Non-Executive Stock Incentive Plan.

Q:

How can I vote my shares at the annual meeting?

A:

If your shares are registered directly in your name with our transfer agent, Computer Share Trust Co., Inc., you are considered the shareholder of record with respect to those shares and we are sending the proxy materials and proxy card directly to you. As the shareholder of record, you have the right to vote in person at the annual meeting. If you choose to do so, you can bring the enclosed proxy card or vote at the annual meeting using the ballot provided at the meeting. Even if you plan to attend the annual meeting in person, we recommend that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the annual meeting in person.

Most of our shareholders hold their shares in street name through a stockbroker, bank or other nominee rather than directly in their own name. In that case, you are considered the beneficial owner of shares held in street name, and the proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you are also invited to attend the annual meeting. Because a beneficial owner is not the shareholder of record, you may not vote these shares in person at the annual meeting unless you obtain a legal proxy from the stockbroker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. You will need to contact your stockbroker, trustee or nominee to obtain a legal proxy, and you will need to bring it to the annual meeting in order to vote in person.

Q:

How can I vote my shares without attending the annual meeting?

A:

Whether you hold shares directly as a shareholder of record or beneficially in street name, you may direct your vote without attending the annual meeting through one of the following ways:

.

By mail - fill in, sign and date the enclosed proxy card and return it promptly in the postage-paid envelope.

.

By fax - fill in, sign and date the enclosed proxy card and fax it to the telephone number which appears on the card.

.

Via Internet - visit the website noted on your proxy card to vote via the Internet.

Please refer to the enclosed materials for details.

Q:

What happens if additional matters are presented at the annual meeting?

A:

Other than the election of directors, the ratification of the appointment of our auditor, the approval of our 2008 Executive Stock Incentive Plan and the approval of our 2008 Non-Executive Stock Incentive Plan, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the person named as proxy holder, Mr. David Stein, our Chief Operating Officer, will have the discretion to vote your shares on any additional matters properly presented for a vote at the annual meeting.

Q:

What happens if I do not give specific voting instructions?

A:

If you hold shares in your name, and you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by our board of directors on all matters and as the proxy holder may determine in his discretion with respect to any other matters properly presented for a vote before the annual meeting. If you hold your shares through a stockbroker, bank or other nominee and you do not provide instructions on how to vote, your stockbroker or other nominee may exercise their discretionary voting power with respect to the election of our directors and the ratification of the appointment of Sherb & Co., LLP as our independent registered public accounting firm.

Q:

What is the quorum requirement for the annual meeting?

A:

On the Record Date there were 21,114,510 shares of our common stock outstanding which is our only class of voting securities. Each share of common stock entitles the holder to one vote on matters submitted to a vote of our shareholders. A majority of our outstanding common shares as of the Record Date must be present at the annual meeting (in person or represented by proxy) in order to hold the meeting and conduct business. This is called a quorum. Your shares will be counted for purposes of determining if there is a quorum, even if you wish to abstain from voting on some or all matters introduced at the annual meeting, if you are present and vote in person at the meeting or have properly submitted a proxy card or voted by telephone or by using the Internet.

Q:

How can I change my vote after I return my proxy card?

A:

You may revoke your proxy and change your vote at any time before the final vote at the annual meeting. You may do this by signing a new proxy card with a later date, by voting on a later date by using the Internet (only your latest Internet proxy submitted prior to the annual meeting will be counted), or by attending the annual meeting and voting in person. However, your attendance at the annual meeting will not automatically revoke your proxy unless you vote at the annual meeting or specifically request in writing that your prior proxy be revoked.

Q:

Is my vote confidential?

A.

Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within our company or to third parties, except:

.

as necessary to meet applicable legal requirements,

.

to allow for the tabulation of votes and certification of the vote, and

.

to facilitate a successful proxy solicitation.

Any written comments that a shareholder might include on the proxy card will be forwarded to our management.

Q:

Where can I find the voting results of the annual meeting?

A:

The preliminary voting results will be announced at the meeting. The final voting results will be tallied by our transfer agent and Inspector of Elections and published in our quarterly report on Form 10-Q for the quarter ended June 30, 2008. We will also make the results available on our website, which is www.chinadirectinc.com. We will identify a link to the results on the Investor Relations page of our website.

Q:

How can I obtain a separate set of voting materials?

A:

To reduce the expense of delivering duplicate voting materials to our shareholders who may have more than one China Direct stock account, we are delivering only one set of the proxy statement and the 2007 Form 10-K to certain shareholders who share an address, unless otherwise requested. A separate proxy card is included in the voting materials for each of these shareholders. If you share an address with another shareholder and have received only one set of voting materials, you may write or call us to request to receive a separate copy of these materials at no cost to you. Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may write or call us at the address and phone number below to request delivery of a single copy of these materials. For future annual meetings, you may request separate voting materials, or request that we send only one set of voting materials to you if you are receiving multiple copies, by writing or calling us at:

China Direct, Inc.

Attention: Mr. Richard Galterio,

Vice President of Investor Relations

431 Fairway Drive

Deerfield Beach, Florida 33441

Telephone: (954) 363-7333

Q:

Who pays for the cost of this proxy solicitation?

A:

We will pay the costs of the solicitation of proxies. We may also reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding the voting materials to their customers who are beneficial owners and obtaining their voting instructions. In addition to soliciting proxies by mail, our board members, officers, and employees may solicit proxies on our behalf, without additional compensation, personally or by telephone.

Q:

How can I obtain a copy of China Direct's 2007 Form 10-K?

A:

A copy of our 2007 Form 10-K is enclosed. You may obtain an additional copy of our 2007 Form 10-K by sending a written request to the address listed above under "How can I obtain a separate set of voting materials?" We will furnish the Form 10-K without exhibits at no charge. If you prefer a copy of the 2007 Form 10-K including exhibits, you will be charged a fee (which will be limited to our reasonable expenses in furnishing such exhibits). Our 2007 Form 10-K is available in PDF format from the Investor Relations page of our website at www.chinadirectinc.com and our Form 10-K with exhibits is available on the website of the U.S. Securities and Exchange Commission at www.sec.gov.

Q:

What is the voting requirement to approve the proposals?

A:

In the election of directors, the five persons receiving the highest number of (or plurality) FOR votes at the annual meeting will be elected. There will be no cumulative voting in the election of directors. The proposal to ratify the appointment of Sherb & Co., LLP as our independent registered public accounting firm, the proposal to approve the 2008 Executive Stock Incentive Plan and the proposal to approve the 2008 Non-Executive Stock Incentive Plan will be approved if the votes cast FOR the each of the proposals exceed those cast against each of the respective proposals. Abstentions and broker non-votes will be treated as shares that are present, or represented and entitled to vote for purposes of determining the presence of a quorum at the annual meeting. Broker non-votes will not be counted as a vote cast on any matter presented at the annual meeting. Abstentions will not be counted in determining the number of votes cast in connection with any matter presented at the annual meeting.

Q:

How can I communicate with the non-employee directors on China Direct's board of directors?

A:

The board of directors encourages shareholders who are interested in communicating directly with the non-employee directors as a group to do so by writing to the non-employee directors in care of our corporate secretary. Shareholders can send communications by mail to:

Mr. David Stein,

Chief Operating Officer and Corporate Secretary

China Direct, Inc.

431 Fairway Drive

Deerfield Beach, Florida 33441

Correspondence received that is addressed to the non-employee directors will be reviewed by our corporate secretary or his designee, who will regularly forward to the non-employee directors a summary of all such correspondence and copies of all correspondence that, in the opinion of our corporate secretary, deals with the functions of the board of directors or committees thereof or that our corporate secretary otherwise determines requires their attention. Directors may at any time review a log of all correspondence received by us that is addressed to the non-employee members of the board of directors and request copies of any such correspondence.

CORPORATE GOVERNANCE

Board of Directors

The board of directors oversees our business affairs and monitors the performance of management. In accordance with our corporate governance principles, the board of directors does not involve itself in day-to-day operations. The directors keep themselves informed through discussions with the Chief Executive Officer, other key executives and by reading the reports and other materials that we send them and by participating in board of directors and committee meetings. Our directors hold office until their successors have been elected and duly qualified unless the director resigns or by reason of death or other cause is unable to serve in the capacity of director. Biographical information about our directors is provided in Election of Directors Proposal No. 1 on page 25.

Director Independence

We are required to have a majority of independent directors within the meaning of Marketplace Rule 4200 of The NASDAQ Stock Market (Nasdaq). The board of directors has determined three of the five directors and nominees who would serve after May 30, 2008 are independent which excludes Dr. Yuejian (James) Wang, our Chief Executive Officer, and Mr. Marc Siegel, our President. The board of directors determinations of independence was made in accordance with Nasdaq Marketplace Rule 4200.

Board of Directors Meetings and Attendance

No incumbent Director attended during their term, either in person or via telephone, fewer than 75% of the aggregate of all meetings of the board of directors and committees, if any, on which each director served. The board of directors also approved certain actions by unanimous written consent.

Annual Meeting Attendance

During 2007 our common stock was approved for listing on the American Stock Exchange where it traded until April 14, 2008 when our common stock began trading on the NASDAQ Global Market. Rules of both the American Stock Exchange and Nasdaq require that we hold an annual meeting of shareholders and this is our first annual meeting of shareholders following the exchange listing of our stock. It is our policy that Directors should make every effort to attend the annual meeting of shareholders.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer and principal accounting officer. A copy of the Code of Business Conduct and Ethics is available on our website at www.chinadirectinc.com. We will post on our website any amendment to our Code of Business Conduct and Ethics or waivers of our Code of Business Conduct and Ethics for directors and executive officers.

Complaints Regarding Accounting Matters

The audit committee has established procedures for:

.

the receipt, retention and treatment of complaints regarding accounting, internal accounting controls, or auditing matters, and

the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

Communications with Directors

The board of directors has approved procedures for shareholders to send communications to individual Directors or the non-employee directors as a group.

Written correspondence should be addressed to the director or directors in care of Mr. David Stein, corporate secretary of China Direct, Inc. at our primary address. Correspondence received that is addressed to the non-employee directors will be reviewed by our corporate secretary or his designee, who will regularly forward to the non-employee directors a summary of all such correspondence and copies of all correspondence that, in the opinion of our corporate secretary, deals with the functions of the board of directors or committees thereof or that the corporate secretary otherwise determines requires their attention. directors may at any time review a log of all correspondence received by China Direct that is addressed to the non-employee members of the board of directors and request copies of any such correspondence.

You may also contact individual directors by calling our principal executive offices at (954) 363-7333.

Compliance With Section 16(a) of the Exchange Act

Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to us under Rule 16a-3(d) of the Securities Exchange Act of 1934 during the year ended December 31, 2007 and Forms 5 and amendments thereto furnished to us with respect to the year ended December 31, 2007, as well as any written representation from a reporting person that no Form 5 is required, we are not aware that any officer, director or 10% or greater shareholder failed to file on a timely basis, as disclosed in the aforementioned Forms, reports required by Section 16(a) of the Securities Exchange Act of 1934 during the year ended December 31, 2007.

BOARD COMMITTEES

The board of directors has standing audit, compensation and nominating & governance committees. Each of the audit committee, the compensation committee and the nominating & governance committee has a written charter. The charters are included as appendices to this proxy statement and are available on our website at www.chinadirectinc.com. Information concerning the current membership and function of each committee is as follows:

Board of Directors Committee Membership

Director	Audit Committee Member	Compensation Committee Member	Nominating & Governance Committee Member
Dr. Yuejian (James) Wang			
Marc Siegel			
David Barnes	P(1)	P	P
Victor Hollander(2)	P	P	
Sheldon Steiner	P	P(1)	P (1)

(1)

Denotes Chairperson.

(2)

As described elsewhere herein, Mr. Hollander is not standing for re-election to the board of directors at the annual meeting and the board of directors has nominated Mr. George Leibowitz in his place. If elected at the annual meeting, it is anticipated that Mr. Leibowitz will serve on each of the audit committee, compensation committee and nominating & governance committee.

Audit Committee. The audit committee is responsible to the board of directors for the areas of audit and compliance, and oversees our financial reporting process, including monitoring the integrity of the financial statements and the independence and performance of the registered public accounting firm and supervises our compliance with legal and regulatory requirements. The current members of the audit committee are Messrs. Barnes (Chairman), Hollander and Steiner. The board of directors has determined that each of Messrs. Barnes, Hollander and Steiner are audit committee financial experts as defined under SEC rules. The board of directors has affirmatively determined that none of the members of the audit committee have a material relationship with us that would interfere with the exercise of independent judgment and each of the members of the audit committee are independent as independence is defined in Nasdaq Marketplace Rule 4200.

Compensation Committee. The compensation committee is responsible for establishing and reviewing our compensation and employee benefit policies. The members of the compensation committee are Messrs. Steiner (Chairman), Barnes and Hollander, each of whom are independent directors within the meaning of SEC rules and the listing standards of Nasdaq.

The compensation committee reviews and recommends to the board of directors for approval the compensation for our Chief Executive Officer and all of our other executive officers, including salaries, bonuses and grants of awards under, and administration of, our equity incentive plans. The compensation committee, among other things, reviews

and recommends to the board of directors employees to whom awards will be made under our equity incentive plans, determines the number of options to be awarded, and the time, manner of exercise and other terms of the awards. Although the committee's charter authorizes the committee to retain an independent consultant, no third party compensation consultant was engaged for 2007. The Chief Executive Officer and President provide input to the compensation committee with respect to the individual performance and compensation recommendations for the other executive officers.

Nominating & Governance Committee. The nominating & governance committee was organized in March 2008. Under its charter, the nominating & governance committee is to consist of not less than two members. Each member of the nominating & governance committee satisfies the independence standards of the Nasdaq Marketplace Rules.

The nominating & governance committee was formed to (1) to assist the board of directors by identifying individuals qualified to become board members, and to recommend for selection by the board of directors the director nominees to stand for election for the next annual meeting of our shareholders; (2) to recommend to the board of directors director nominees for each committee of the board of directors; (3) to oversee the evaluation of the board of directors and management, and (4) to develop and recommend to the board of directors a set of corporate governance guidelines and enhancements to the Code of Business Conduct and Ethics.

Nasdaq Marketplace Rules requires director nominees must be either selected, or recommended for the board of directors selection, either by a majority of our independent directors or our nominating & governance committee. The nominating & governance committee is responsible for selecting those individuals to recommend to the entire board of directors for election to the board. The committee will consider candidates for directors proposed by security holders. The nominating & governance committee has no formal procedures for submitting candidates and, until otherwise determined, accepts written submissions that include the name, address and telephone number of the proposed nominee, along with a brief statement of the candidate's qualifications to serve as a director. If the proposed nominee is not the security holder submitting the name of the candidate, a letter from the candidate agreeing to the submission of his or her name for consideration should be provided at the time of submission. If the committee believes it to be appropriate, committee members may meet with the proposed nominee before making a final determination whether to recommend the individual as a nominee to the entire board of directors to stand for election to the board.

The nominating & governance committee identifies director nominees through a combination of referrals, including by management, existing board members and security holders, and direct solicitations, where warranted. Once a candidate has been identified the nominating & governance committee reviews the individual's experience and background, and may discuss the proposed nominee with the source of the recommendation.

Among the factors that the committee considers when evaluating proposed nominees are their knowledge and experience in business matters, finance, capital markets and mergers and acquisitions. The committee may request references and additional information from the candidate prior to reaching a conclusion. The committee is under no obligation to formally respond to recommendations, although as a matter of practice, every effort is made to do so.

The nominating & governance committee received no security holder recommendations for nomination to the board of directors in connection with the annual meeting of shareholders. Mr. George Leibowitz has been nominated by the board of directors to stand for election at the annual meeting of shareholders. Dr. Yuejian (James) Wang and Messrs. Marc Siegel, David Barnes and Sheldon Steiner are incumbent directors standing for reelection.

As the nominating & governance committee was organized in March 2008, during 2007 the nominating & governance committee did not have any meetings.

COMPENSATION OF DIRECTORS**Director Compensation**

Currently our board of directors is comprised of Dr. Wang and Messrs. Siegel, Barnes, Hollander and Steiner. Dr. Wang and Mr. Siegel, who are also executive officers of our company, do not receive any compensation for their services as a member of the board of directors. The following table provides information concerning the compensation of Messrs. Barnes, Hollander and Steiner for their services as members of our board of directors for 2007. The value attributable to any option awards is computed in accordance with FAS 123R.

Director Compensation							
Name	Fees earned or paid in cash	Stock awards	Option awards	Non-equity incentive plan compensation	Nonqualified deferred compensation earnings	All other compensation	Total
(a)	(b)	(c)	(d)	(e)	(f)	(g)	(h)
David Barnes	17,169		35,350				52,519
Victor Hollander	16,850		35,350				52,200

In 2007 our independent directors received an annual retainer of \$16,000 and \$750 for each day they attended in person a board of directors or committee meeting. Additionally, upon joining our board of directors in April 2007, the board of directors granted each of Messrs. Barnes, Hollander and Steiner options to purchase 25,000 shares of our common stock at an exercise price of \$3.00 per share which vested on January 15, 2008 and which are exercisable for a period of three years from the vesting date. In 2008 our independent directors will receive an annual retainer of \$20,000, \$750 for each day they attend in person a board of directors or committee meeting and upon their election, a grant of 5,000 shares of our restricted common stock under the 2006 Equity Compensation Plan. The restricted stock awards vest one year from the grant date and vest only if the director is still a director of the company on the vesting date (with limited exceptions), and the shares are eligible for the payment of dividends, if the board of directors were to declare dividends on our common stock. The grant of restricted stock is made in addition to the directors' annual cash retainers and meeting attendance fees.

AUDIT COMMITTEE REPORT

Report of the Audit Committee of the Board of Directors

The audit committee provides assistance to the board of directors in fulfilling its oversight responsibilities relating to our corporate accounting and reporting practices toward assurance of the quality and integrity of our consolidated financial statements. The purpose of the audit committee is to serve as an independent and objective party to monitor our financial reporting process and internal control system; oversee, review and appraise the audit activities of our independent registered public accounting firm and internal auditing function, maintain complete, objective and open communication between the board of directors, the independent accountants, financial management, and the internal audit function.

Our independent registered public accounting firm reports directly to the audit committee and the audit committee is solely responsible to appoint or replace our independent registered public accounting firm, and to assure its independence and to provide oversight and supervision thereof. The audit committee determines compensation of the independent registered public accounting firm and has established a policy for approval of non-audit related engagements awarded to the independent registered public accounting firm. Such engagements must not impair the independence of the registered public accounting firm with respect to our company as prescribed by the Sarbanes-Oxley Act of 2002; thus payment amounts are limited and non-audit related engagements must be approved in advance by the audit committee. The audit committee determines the extent of funding that we must provide to the audit committee to carry out its duties, and has determined that such amounts were sufficient in 2007.

With respect to the year ended December 31, 2007, in addition to its other work, the audit committee:

Reviewed and discussed with management our audited consolidated financial statements as of December 31, 2007 and the year then ended;

Discussed with Sherb & Co., LLP the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, with respect to its review of the findings of the independent registered public accounting firm during its examination of our financial statements; and

Received from Sherb & Co., LLP written affirmation of its independence as required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. In addition, the audit committee discussed with Sherb & Co., LLP its independence and determined that the provision of non-audit services was compatible with maintaining auditor independence.

The audit committee recommended, based on the review and discussion summarized above, that the board of directors include the audited consolidated financial statements in the 2007 Form 10-K for filing with the SEC.

Dated March 27, 2008

Executive Employment Agreements and Narrative Regarding Executive Compensation

In August 2006 we entered into employment agreements with Dr. Wang and Messrs. Siegel and Stein. The terms of each of these agreements are generally the same and provide that each employee is entitled to annual bonuses as determined by the board of directors based upon their evaluation of a variety of factors including our revenues, net income and other financial and operating factors the board of directors deems appropriate. Each employee is also entitled to participate in any of our employee benefit plans and he will be reimbursed for reasonable business expenses incurred by him on our behalf. The employment agreements also contain customary confidentiality and non-compete provisions.

Each employee's employment may be terminated upon his death or disability, and with or without cause. In the event we should terminate his employment upon his death or disability, for cause (as defined in the agreement) or if he should resign, he is entitled to payment of his base salary through the date of termination, any earned but unpaid bonuses, reimbursement for any unreimbursed business expenses and any employment benefits, if any, that he is then legally entitled to receive. At our option we may terminate his employment without cause in which event he is entitled to payment of his base salary through the date of termination and for a period of the earlier of 18 months or the expiration date of the agreement, any earned but unpaid bonuses, reimbursement for any unreimbursed business expenses, any employment benefits, if any, that he is then legally entitled to receive and all unvested options will immediately vest and become exercisable.

The terms of the agreements which are specific to each individual are as follows:

Yuejian (James) Wang, Ph.D.

Under the terms of his employment agreement which expires on December 31, 2009, Dr. Wang will receive an annual base salary of \$100,000 for 2006, which escalates during the term of the agreement to \$150,000 for 2007, \$200,000 for 2008 and \$250,000 for 2009. He was also granted options to purchase 2,200,000 shares of our common stock a portion of which vest over a three year period and are exercisable for five years from vesting at prices ranging from \$0.01 to \$10.00 per share as additional compensation.

Marc Siegel

Under the terms of his employment agreement, which expires on December 31, 2009, Mr. Siegel will receive an annual base salary of \$100,000 for 2006, which escalates during the term of the agreement to \$150,000 for 2007, \$200,000 for 2008 and \$250,000 for 2009. He was also granted options to purchase 2,200,000 shares of our common stock a portion of which vest over a three year period and are exercisable for five years from vesting at prices ranging from \$0.01 to \$10.00 per share as additional compensation.

David Stein

Under the terms of his employment agreement, which expires on December 31, 2009, Mr. Stein will receive an annual base salary of \$75,000 for 2006, which escalates during the term of the agreement to \$100,000 for 2007 and 2008 and \$125,000 for 2009. He was also granted options to purchase 1,100,000 shares of our common stock a portion of which vest over a three year period and are exercisable for five years from vesting at prices ranging from \$0.01 to \$10.00 per share as additional compensation.

The amount of compensation to be paid to Dr. Wang and Messrs. Siegel and Stein and the terms of the agreements were determined by them as the sole members of the board of directors at the time the agreements were finalized and executed. Accordingly, they each had significant influence over the terms and conditions of those agreements.

In April 2008 our compensation committee engaged Watson Wyatt Worldwide, a global compensation consulting firm, to conduct a competitive compensation study for our executive officers. The purpose of the study is to assist the compensation committee in determining appropriate levels of compensation for each of these individuals following the growth of our company during 2007 and each of their expanded duties and responsibilities. Upon completion of the compensation study, the compensation committee intends to review Dr. Wang and Messrs. Siegel and Stein's compensation arrangements.

Assignment of securities received as compensation to certain executive officers

Throughout 2006 and 2007, our subsidiary China Direct Consulting, Inc. assigned a portion of shares it received from its clients to each of Dr. Wang and Messrs. Siegel and Stein as set forth below:

Executive Officer	Value of Securities Assigned	
	2007	2006
Yuejian (James) Wang	\$ 83,700	\$ 308,832
Marc Siegel	89,420	510,252
David Stein	53,130	237,716
Total	\$ 226,250	\$ 1,056,800

Our consulting segment received various securities from its consulting clients as compensation for its services under the terms of agreements. Typically the term of each of these agreements is for a period of three years, the compensation payable to our consulting segment is paid at the onset of each of the agreements. This revenue is being amortized over the term of each of the respective agreements. Each of these officers has accepted these shares in lieu of the salary due under the terms of their respective employment agreements with us as described above. We have recognized compensation expense equal to the salary due under each of these agreements for 2006 and 2007, with the difference between this amount and the total value of the securities assigned to each executive officer being recorded as a prepaid expense up to the total amount which would be due under the employment agreements for a three year term. Any excess over this amount has been recognized as a bonus for 2006 and 2007. All such amounts are reflected in the Summary Compensation Table set forth below.

While under the terms of each of the consulting agreements the compensation paid to us is not refundable to the client company in the event of an early termination of the consulting agreement, each of Dr. Wang and Messrs. Siegel and Stein have agreed that if they should fail to provide services to us under their respective employment agreement for the three year period ending on December 31, 2008, they shall return to us the value of any unearned compensation resulting from the assignment of these securities to them in 2006 and 2007.

Stock Option Plans

We presently have four stock option plans:

.

Evolve One, Inc. Stock Option Plan (1999 Plan),

.

2005 Equity Compensation Plan (2005 Plan),

.

2006 Equity Compensation Plan (2006 Equity Plan), and

.

2006 Stock Compensation Plan (2006 Stock Plan).

The purpose of each of the plans is to advance the interests of our company by providing an incentive to attract, retain and motivate highly qualified and competent persons who are important to us and upon whose efforts and judgment the success of our company is largely dependent, including our officers and directors, key employees, consultants and independent contractors. Our officers, directors, key employees and consultants are eligible to receive awards under the each of the plans. Only our employees are eligible to receive incentive options.

Our plans are administered by the compensation committee of our board of directors. The compensation committee determines, from time to time, those of our officers, directors, employees and consultants to whom plan options will be granted, the terms and provisions of the plan options, the dates such plan options will become exercisable, the number of shares subject to each plan option, the purchase price of such shares and the form of payment of such purchase price. All other questions relating to the administration of our plans and the interpretation of the provisions thereof are to be resolved at the sole discretion of the compensation committee.

The board of directors may amend, suspend or terminate either the 1999 Plan, the 2005 Plan, the 2006 Equity Plan or the 2006 Stock Plan at any time, except that no amendment shall be made which:

.

increases the total number of shares subject to the plan or changes the minimum purchase price therefore (except in either case in the event of adjustments due to changes in our capitalization),

.

affects outstanding options or any exercise right thereunder,

.

extends the term of any option beyond 10 years, or

.

extends the termination date of the plan.

Unless the plan is suspended or terminated by the board of directors, each plan terminates 10 years from the date of the plan's adoption. Any termination of the plan does not affect the validity of any options previously granted thereunder.

Evolve One, Inc. Stock Option Plan

In November 1999, our board of directors adopted the 1999 Plan, which was approved by a majority of our shareholders at a meeting on November 11, 1999. Under the 1999 Plan, we have reserved 80,000 shares of our common stock for the grant of qualified incentive options or non-qualified options. At December 31, 2007, we had options to purchase an aggregate of 480 shares of common stock outstanding under the 1999 Plan at exercise prices ranging from \$2.25 to \$56.25 per share.

The term of each option and the manner in which it may be exercised is determined by the compensation committee, provided that no option may be exercisable more than 10 years after the date of its grant and, in the case of an incentive option granted to an eligible employee owning more than 10% of our common stock, no more than five years after the date of the grant.

Plan options granted under the 1999 Plan may either be options qualifying as incentive stock options under Section 422 of the Internal Revenue Code of 1986, as amended (the Code), or options that do not so qualify. Any incentive option granted under the 1999 Plan must provide for an exercise price of not less than 100% of the fair market value of the underlying shares on the date of such grant, but the exercise price of any incentive option granted to an eligible employee owning more than 10% of our common stock must be at least 110% of such fair market value as determined on the date of the grant. Non-qualified options must provide for an exercise price of not less than 85% of the fair market value of our common stock on the date of grant.

The per share purchase price of shares subject to options granted under the 1999 Plan may be adjusted in the event of certain changes in our capitalization, but any such adjustment will not change the total purchase price payable upon the exercise in full of options granted under the 1999 Plan. All options are nonassignable and nontransferable, except by will or by the laws of descent and distribution and, during the lifetime of the optionee, may be exercised only by such optionee. Previously granted options are subject to early termination in the event of the death, disability or mental incapacity of the option holder, or in the instance of options granted to employees, the termination of that employee's employment with our company.

2005 Plan, 2006 Equity Plan and 2006 Stock Plan

On May 6, 2005, our board of directors authorized the 2005 Plan covering 1,000,000 shares of common stock. Since the 2005 Plan was not approved by our shareholders prior to May 6, 2006, incentive stock options may not be awarded under the 2005 Plan and any incentive stock options previously awarded under the 2005 Plan have been converted into non-qualified options upon terms and conditions determined by the board of directors, as nearly as was reasonably practicable in its sole determination, to the terms and conditions of the incentive stock options being so converted. At December 31, 2007, we had options to purchase an aggregate of 260,500 shares of common stock outstanding under the 2005 Plan at exercise prices ranging from \$15.00 to \$30.00 per share.

On August 16, 2006, our board of directors authorized the 2006 Equity Plan covering 10,000,000 shares of common stock, which was approved by a majority of our shareholders on August 16, 2006. As of December 31, 2007, we had options to purchase an aggregate of 390,000 shares of common stock outstanding under the 2006 Equity Plan at exercise prices ranging from \$2.50 to \$5.00 per share.

On October 19, 2006, our board of directors authorized the 2006 Stock Plan covering 2,000,000 shares of our common stock. As the 2006 Stock Plan was not approved by our shareholders prior to October 19, 2007, we may no longer award incentive stock options under the 2006 Stock Plan and any incentive stock options previously awarded under the 2006 Stock Plan were converted into non-qualified options upon terms and conditions determined by the board of directors, as nearly as is reasonably practicable in its sole determination, to the terms and conditions of the incentive stock options being so converted. At December 31, 2007, we had options to purchase an aggregate of 1,615,000 shares of common stock outstanding under the 2006 Stock Plan at exercise prices ranging from \$.01 to \$7.50 per share.

Plan options under the 2005 Plan and 2006 Stock Plan may only be issued as non-qualified options. Plan options under the 2006 Equity Plan may either be options qualifying as incentive stock options under Code or non-qualified options. In addition, all the plans allow for the inclusion of a reload option provision, which permits an eligible person to pay the exercise price of the option with shares of common stock owned by the eligible person and receive a new option to purchase shares of common stock equal in number to the tendered shares. Furthermore, compensatory stock amounts may also be issued. Additionally, deferred stock grants and stock appreciation rights may also be granted under the plans.

Subject to the limitation on the aggregate number of shares issuable under the plans, there is no maximum or minimum number of shares as to which a stock grant or plan option may be granted to any person. Shares used for stock grants and plan options may be authorized and unissued shares or shares reacquired by us, including shares purchased in the open market. Shares covered by plan options which terminate unexercised will again become available for grant as additional options, without decreasing the maximum number of shares issuable under the plans, although such shares may also be used by us for other purposes.

The plans provide that if our outstanding shares are increased, decreased, exchanged or otherwise adjusted due to a share dividend, forward or reverse share split, recapitalization, reorganization, merger, consolidation, combination or exchange of shares, an appropriate and proportionate adjustment shall be made in the number or kind of shares subject to the plan or subject to unexercised options and in the purchase price per share under such options. Any adjustment,

however, does not change the total purchase price payable for the shares subject to outstanding options. In the event of our proposed dissolution or liquidation, a proposed sale of all or substantially all of our assets, a merger or tender offer for our shares of common stock, the compensation committee may declare that each option granted under the plan shall terminate as of a date to be fixed by the committee; provided that not less than 30 days written notice of the date so fixed shall be given to each participant holding an option, and each such participant shall have the right, during the period of 30 days preceding such termination, to exercise the participant's option, in whole or in part, including as to options not otherwise exercisable.

The 2006 Equity Plan provides that, with respect to incentive stock options, the aggregate fair market value (determined as of the time the option is granted) of the shares of common stock, with respect to which incentive stock options are first exercisable by any option holder during any calendar year shall not exceed \$100,000. The purchase price for shares subject to incentive stock options must be at least 100% of the fair market value of our common stock on the date the option is granted, except that the purchase price must be at least 110% of the fair market value in the case of an incentive option granted to a person who is a 10% shareholder. A 10% shareholder is a person who owns (within the meaning of Section 422(b)(6) of the Code) at the time the incentive option is granted, shares possessing more than 10% of the total combined voting power of all classes of our outstanding shares.

All plan options are nonassignable and nontransferable, except by will or by the laws of descent and distribution, and during the lifetime of the optionee, may be exercised only by such optionee, except as provided by the board of directors. If an optionee shall die while our employee or within three months after termination of employment by us because of disability, or retirement or otherwise, such options may be exercised, to the extent that the optionee shall have been entitled to do so on the date of death or termination of employment, by the person or persons to whom the optionee's right under the option pass by will or applicable law, or if no such person has such right, by his executors or administrators. Options are also subject to termination by the board of directors under certain conditions.

In the event of termination of employment because of death while an employee, or because of disability, the optionee's options may be exercised not later than the expiration date specified in the option or one year after the optionee's death, whichever date is earlier, or in the event of termination of employment because of retirement or otherwise, not later than the expiration date specified in the option or one year after the optionee's death, whichever date is earlier. If an optionee's employment by us terminates because of disability and such optionee has not died within the following three months, the options may be exercised, to the extent that the optionee shall have been entitled to do so at the date of the termination of employment, at any time, or from time to time, but not later than the expiration date specified in the option or one year after termination of employment, whichever date is earlier. If an optionee's employment shall terminate for any reason other than death or disability, optionee may exercise the options to the same extent that the options were exercisable on the date of termination, for up to three months following such termination, or on or before the expiration date of the options, whichever occurs first. In the event that the optionee was not entitled to exercise the options at the date of termination or if the optionee does not exercise such options (which were then exercisable) within the time specified herein, the options shall terminate. If an optionee's employment terminates for any reason other than death, disability or retirement, all right to exercise the option shall terminate not later than 90 days following the date of such termination of employment, except as otherwise provided under the plan. Non-qualified options are not subject to the foregoing restrictions unless specified by the compensation committee.

At April 15, 2008 we had 21,114,510 shares of common stock issued and outstanding. The following table sets forth information known to us as of April 15, 2008 relating to the beneficial ownership of shares of our common stock by:

each person who is known by us to be the beneficial owner of more than 5% of our outstanding common stock;

each director and nominee;

all named executive officers and directors as a group.

Unless otherwise indicated, the address of each beneficial owner in the table set forth below is care of 431 Fairway Drive, Suite 200, Deerfield Beach, Florida 33441. Under securities laws, a person is considered to be the beneficial owner of securities owned by him (or certain persons whose ownership is attributed to him) and that can be acquired by him within 60 days from the that date, including upon the exercise of options, warrants or convertible securities. We determine a beneficial owner's percentage ownership by assuming that options, warrants or convertible securities that are held by him, but not those held by any other person, and which are exercisable within 60 days of the that date, have been exercised or converted.

PROPOSAL 3

APPROVAL OF THE 2008 EXECUTIVE STOCK INCENTIVE PLAN

On April 25, 2008, our board of directors adopted the 2008 Executive Stock Incentive Plan (the 2008 Executive Plan). The board of directors also authorized 1,000,000 shares of our common stock to be reserved for issuance pursuant to the terms of the plan upon the grant of restricted stock awards, deferred stock grants, stock appreciation rights and/or the exercise of options granted under the 2008 Executive Plan. Continuance of the 2008 Executive Plan is subject to approval by our shareholders within 12 months after the date the 2008 Executive Plan was adopted by the board of directors.

The 2008 Executive Plan provides for the grant of restricted stock awards, deferred stock grants, stock appreciation rights, incentive stock options (ISOs) and non-statutory stock options (NSOs). The terms and provisions of the 2008 Executive Plan are summarized below, which summary is qualified in its entirety by reference to the 2008 Executive Plan, a copy of which is attached as Appendix D to this proxy statement.

Grants to be made under the 2008 Executive Plan will be limited to our executive officers. The recipient of any grant under the 2008 Executive Plan, and the amount and terms of a specific grant, will be determined by the compensation committee. None of our executive officers are members of that committee. No grants have been made under the 2008 Executive Plan since its adoption by the board of directors and no grants will be made until the plan is approved by our shareholders. If the 2008 Executive Plan is not approved at the annual meeting, the board of directors will terminate the plan.

In August 2006 following the reverse merger with China Direct Investments we entered into employment agreements with each of Dr. Wang and Messrs. Siegel and Stein which were identical to their employment agreements at China Direct Investments. Under the terms of those agreements, we granted each of them non-plan options, the terms of which were identical to options they had each previously held in China Direct Investments. Those options were exchanged for the options in our company pursuant to the terms of the reverse merger. The information on the options currently held by each of Dr. Wang and Messrs. Siegel and Stein appears earlier in this proxy statement under the section entitled Principal Shareholders .

As discussed earlier in this proxy statement, following the receipt of the competitive compensation study from Watson Wyatt Worldwide, the compensation committee intends to review the current compensation arrangements of Dr. Wang and Messrs. Siegel and Stein. Following that review, and subject to the ratification and approval of the 2008 Executive Plan at the annual meeting, it is likely that grants will be made to Dr. Wang and Messrs. Siegel and Stein under the 2008 Executive Plan which will be in addition to the outstanding options previously granted to them. However, as of the date hereof the amounts or terms thereof of any future grants are undeterminable.

Introduction

The terms of the 2008 Executive Plan are identical to the terms of our 2005 Plan, 2006 Equity Plan and 2006 Stock Plan. The purpose of the 2008 Executive Plans is to advance the interests of our company by providing an incentive to attract, retain and motivate highly qualified and competent persons who are important to us and upon whose efforts and judgment the success of our company is largely dependent. Only our executive officers will be eligible to receive awards under the 2008 Executive Plan.

Shares Subject to the 2008 Executive Plan

The aggregate number of shares available for issuance pursuant to restricted stock grants and/or the exercise of ISOs or NSOs granted under the 2008 Executive Plan may not exceed 1,000,000 shares of our common stock. Should any award granted under the 2008 Executive Plan expire or become unexercisable for any reason without having been exercised in full, the shares subject to the portion of the option not so exercised or awarded will become available for subsequent stock awards or option grants.

Administration and Eligibility

The 2008 Executive Plan will be administered by the compensation committee of our board of directors. The compensation committee will determine, from time to time, those of our executive officers to whom stock awards or plan options will be granted, the terms and provisions of each such grant, the dates such grants will become exercisable, the number of shares subject to each grant, the purchase price of such shares and the form of payment of such purchase price. All other questions relating to the administration of the 2008 Executive Plan and the interpretation of the provisions thereof are to be resolved at the sole discretion of the compensation committee.

Amendment and Termination of the 2008 Executive Plan

The board of directors may amend, suspend or terminate the 2008 Executive Plan at any time, except that no amendment shall be made which:

.

increases the total number of shares subject to the plan or changes the minimum purchase price therefore (except in either case in the event of adjustments due to changes in our capitalization),

.

affects outstanding options or any exercise right thereunder,

.

extends the term of any option beyond 10 years, or

.

extends the termination date of the plan.

Unless the plan is suspended or terminated by the board of directors, the 2008 Executive Plan will terminate 10 years from the date of the plan's adoption. Any termination of the 2008 Executive Plan will not affect the validity of any options previously granted thereunder.

Grants under the 2008 Executive Plan

Plan options under the 2008 Executive Plan may either be options qualifying as ISOs under Section 422 of the Code, or options that do not so qualify which are known as NSOs. Any ISO granted under the 2008 Executive Plan must provide for an exercise price of not less than 100% of the fair market value of the underlying shares on the date of such grant, but the exercise price of any ISO granted to an eligible employee owning more than 10% of our common stock must be at least 110% of such fair market value as determined on the date of the grant. NSOs must provide for an exercise price of not less than 85% of the fair market value of our common stock on the date of grant.

In addition, the 2008 Executive Plan allows for the inclusion of a reload option provision, which permits an eligible person to pay the exercise price of the option with shares of common stock owned by the eligible person and receive a new option to purchase shares of common stock equal in number to the tendered shares. Furthermore, restricted stock grants may also be made, as well as deferred stock grants and stock appreciation rights.

Subject to the limitation on the aggregate number of shares issuable under the plan, there is no maximum or minimum number of shares as to which a stock grant or plan option may be granted to any person. Shares used for stock grants and plan options may be authorized and unissued shares or shares reacquired by us, including shares purchased in the open market.

Adjustment Upon Changes in Capitalization or other Corporate Event

The 2008 Executive Plan provides that, if our outstanding shares are increased, decreased, exchanged or otherwise adjusted due to a share dividend, forward or reverse share split, recapitalization, reorganization, merger, consolidation, combination or exchange of shares, an appropriate and proportionate adjustment shall be made in the number or kind of shares subject to the plan or subject to unexercised options and in the purchase price per share under such options. Any adjustment, however, does not change the total purchase price payable for the shares subject to outstanding options. In the event of our proposed dissolution or liquidation, a proposed sale of all or substantially all of our assets, a merger or tender offer for our shares of common stock, the compensation committee may declare that each option granted under the plan shall terminate as of a date to be fixed by the committee; provided that not less than 30 days written notice of the date so fixed shall be given to each participant holding an option, and each such participant shall have the right, during the period of 30 days preceding such termination, to exercise the participant's option, in whole or in part, including as to options not otherwise exercisable.

Assignability of Plan Options and Termination of Employment

All plan options are nonassignable and nontransferable, except by will or by the laws of descent and distribution, and during the lifetime of the optionee, may be exercised only by such optionee, except as provided by the compensation committee. If an optionee shall die while our employee or within three months after termination of employment by us because of disability, retirement or otherwise, such options may be exercised, to the extent that the optionee shall have been entitled to do so on the date of death or termination of employment, by the person or persons to whom the optionee's right under the option pass by will or applicable law, or if no such person has such right, by his executors or administrators. Options are also subject to termination by the compensation committee under certain conditions.

In the event of termination of employment because of death while an employee, or because of disability, the optionee's options may be exercised not later than the expiration date specified in the option or one year after the optionee's death, whichever date is earlier, or in the event of termination of employment because of retirement or otherwise, not later than the expiration date specified in the option or one year after the optionee's death, whichever date is earlier. If an optionee's employment by us terminates because of disability and such optionee does not die within the following three months after termination, the options may be exercised, to the extent that the optionee shall have been entitled to do so at the date of the termination of employment, at any time, or from time to time, but not later than the expiration date specified in the option or one year after termination of employment, whichever date is earlier. If an optionee's employment terminates for any reason other than death or disability, the optionee may exercise the options to the same extent that the options were exercisable on the date of termination, for up to three months following such termination, or on or before the expiration date of the options, whichever occurs first. In the event that the optionee was not entitled to exercise the options at the date of termination or if the optionee does not exercise such options (which were then exercisable) within the time specified herein, the options shall terminate. If an optionee's employment terminates for any reason other than death, disability or retirement, all rights to exercise the option will terminate not later than 90 days following the date of such termination of employment, except as otherwise provided under the plan. Non-qualified options are not subject to the foregoing restrictions unless specified by the compensation committee.

Summary of Federal Tax Consequences

The following is only a brief summary of the effect of federal income taxation on an optionee under the 2008 Executive Plan. Effective January 1, 2006, we adopted SFAS No. 123R, Share-Based Payment. This Statement requires that compensation costs related to share-based payment transactions, such as stock options or restricted stock award, be recognized in the financial statements. Under 123R, an optionee, recipient of a restricted stock award and our company will be subject to certain tax consequences and accounting charges, regardless of the type of option or restricted stock award.

Options granted under the 2008 Executive Plan may be either ISOs which satisfy the requirements of Section 422 of the Code or NSOs which do not meet such requirements. The federal income tax treatment for the two types of options differs, as summarized below.

ISOs. No taxable income is recognized by an optionee at the time of the grant of an ISO, and no taxable income is generally recognized at the time an ISO is exercised. However, the excess of the fair market value of the common stock received upon the exercise of an ISO over the exercise price is includable in the employee's

alternative minimum taxable income (AMTI) and may be subject to the alternative minimum tax (AMT). For AMT purposes only, the basis of the common stock received upon exercise of an ISO is increased by the amount of such excess.

An optionee will recognize taxable income in the year in which the purchased shares acquired upon exercise of an ISO are sold or otherwise disposed. For federal tax purposes, dispositions are divided into two categories: (i) qualifying and (ii) disqualifying. An optionee will make a qualifying disposition of the purchased shares if the sale or disposition is made more than two years after the grant date of the option and more than one year after the exercise date. If an optionee fails to satisfy either of these two holding periods prior to sale or disposition, then a disqualifying disposition of the purchased shares will result.

Upon a qualifying disposition, an optionee will recognize long-term capital gain or loss in an amount equal to the difference between the amount realized upon the sale or other disposition of the purchased shares and the exercise price paid for the shares except that, for AMT purposes, the gain or loss would be the difference between the amount realized upon the sale or other disposition of the purchased shares and the employee's basis increased as described above. If there is a disqualifying disposition of the shares, then the optionee will generally recognize ordinary income to the extent of the lesser of the difference between the exercise price and (i) the fair market value of the common stock on the date of exercise, or (ii) the amount realized on such disqualifying disposition. Any additional gain recognized upon the disposition will be capital gain. If the amount realized is less than the exercise price, the optionee will, in general, recognize a capital loss. If the optionee makes a disqualifying disposition of the purchased shares, then we will be entitled to an income tax deduction, for the taxable year in which such disposition occurs, to the extent the optionee recognizes ordinary income. In no other instance will we be allowed a deduction with respect to the optionee's disposition of the purchased shares.

NSOs. No taxable income is recognized by an optionee upon the grant of an NSO. The optionee will in general recognize ordinary income, in the year in which an NSO is exercised, equal to the excess of the fair market value of purchased shares on the date of exercise over the exercise price paid for such shares, and the optionee will be required to satisfy the tax withholding requirements applicable to such income. Upon a subsequent sale of the purchased shares, the optionee will generally recognize either a capital gain or a capital loss depending on whether the amount realized is more or less than the exercise price. We will be entitled to a business expense deduction equal to the amount of ordinary income recognized by the optionee with respect to an exercised NSO. The deduction will in general be allowed for our taxable year in which ordinary income is recognized by the optionee in connection with the acquisition of the option shares.

Restricted Stock. Unless the recipient of a restricted stock grant elects to treat such grant as ordinary income at the time the grant is made, the recipient does not recognize taxable income upon the grant of restricted stock. Instead, the recipient will recognize ordinary income at the time of vesting (*i.e.* when the restrictions on the grant lapse) equal to the fair market value of the restricted shares on the vesting date minus any amount paid for the restricted shares. At the time that the recipient recognizes ordinary income in respect of the restricted stock grant, we would be entitled to a tax deduction for compensation expense equal to the amount of ordinary income recognized by the recipient.

The foregoing is only a summary of the effect of federal income taxation upon us and the participants under the 2008 Executive Plan. It does not purport to be complete, and does not discuss all of the tax consequences of a participant's death or the provisions of the income tax laws of any state, municipality, or foreign country in which the participants may reside.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR

APPROVAL OF THE 2008 EXECUTIVE PLAN.

PROPOSAL 4

APPROVAL OF THE 2008 NON-EXECUTIVE STOCK INCENTIVE PLAN

On April 25, 2008, our board of directors adopted the 2008 Non-Executive Stock Incentive Plan (the "2008 Non-Executive Plan"). The board of directors also authorized 3,000,000 shares of our common stock to be reserved for issuance pursuant to the terms of the plan upon the grant of restricted stock awards, deferred stock grants, stock appreciation rights, stock awards and/or the exercise of options granted under the 2008 Non-Executive Plan. Continuance of the 2008 Non-Executive Plan is subject to approval by our shareholders within 12 months after the date the 2008 Non-Executive Plan was adopted by the board of directors.

The 2008 Non-Executive Plan provides for the grant of restricted stock awards, deferred stock grants, stock appreciation rights, ISOs and NSOs. Other than the number of shares subject to the plan and the persons who are eligible to receive grants under the 2008 Non-Executive Plan, the terms and provisions of the 2008 Non-Executive Plan are identical to the terms of the 2008 Executive Plan which are described above in Proposal 3 of this proxy statement, which summary is qualified in its entirety by reference to the 2008 Non-Executive Plan, a copy of which is attached as Appendix E to this proxy statement.

As with our other plans, the purpose of the 2008 Non-Executive Plan is to advance the interests of our company by providing an incentive to attract, retain and motivate highly qualified and competent persons who are important to us and upon whose efforts and judgment the success of our company is largely dependent. Grants to be made under the 2008 Non-Executive Plan will be limited to our non-executive level employees, including employees of our subsidiaries, our directors and consultants to our company. The recipient of any grant under the 2008 Non-Executive Plan, and the amount and terms of a specific grant, will be determined by the compensation committee. No grants have been made under the 2008 Non-Executive Plan since its adoption by the board of directors and no grants will be made until the plan is approved by our shareholders. If the 2008 Non-Executive Plan is not approved at the annual meeting, the board of directors will terminate the plan.

The aggregate number of shares available for issuance pursuant to stock grants and/or the exercise of ISOs or NSOs granted under the 2008 Non-Executive Plan may not exceed 3,000,000 shares of our common stock. Should any option granted or stock awarded under the 2008 Non-Executive Plan expire or become unexercisable for any reason without having been exercised in full or fail to vest, the shares subject to the portion of the option not so exercised or lapsed award will become available for subsequent stock or option grants.

Summary of Federal Tax Consequences

The following is only a brief summary of the effect of federal income taxation on an optionee under the 2008 Non-Executive Plan. Effective January 1, 2006, we adopted SFAS No. 123R, "Share-Based Payment." This Statement requires that compensation costs related to share-based payment transactions, such as stock options or restricted stock award, be recognized in the financial statements. Under 123R, an optionee, recipient of a restricted stock award and our company will be subject to certain tax consequences and accounting charges, regardless of the type of option or restricted stock award.

Options granted under the 2008 Non-Executive Plan may be either ISOs which satisfy the requirements of Section 422 of the Code or NSOs which do not meet such requirements. The federal income tax treatment for the two types of options differs, as summarized below.

ISOs. No taxable income is recognized by an optionee at the time of the grant of an ISO, and no taxable income is generally recognized at the time an ISO is exercised. However, the excess of the fair market value of the common stock received upon the exercise of an ISO over the exercise price is includable in the employee's AMTI and may be subject to the AMT. For AMT purposes only, the basis of the common stock received upon exercise of an ISO is

increased by the amount of such excess.

An optionee will recognize taxable income in the year in which the purchased shares acquired upon exercise of an ISO are sold or otherwise disposed. For federal tax purposes, dispositions are divided into two categories: (i) qualifying and (ii) disqualifying. An optionee will make a qualifying disposition of the purchased shares if the sale or disposition is made more than two years after the grant date of the option and more than one year after the exercise date. If an optionee fails to satisfy either of these two holding periods prior to sale or disposition, then a disqualifying disposition of the purchased shares will result.

Upon a qualifying disposition, an optionee will recognize long-term capital gain or loss in an amount equal to the difference between the amount realized upon the sale or other disposition of the purchased shares and the exercise price paid for the shares except that, for AMT purposes, the gain or loss would be the difference between the amount realized upon the sale or other disposition of the purchased shares and the employee's basis increased as described above. If there is a disqualifying disposition of the shares, then the optionee will generally recognize ordinary income to the extent of the lesser of the difference between the exercise price and (i) the fair market value of the common stock on the date of exercise, or (ii) the amount realized on such disqualifying disposition. Any additional gain recognized upon the disposition will be capital gain. If the amount realized is less than the exercise price, the optionee will, in general, recognize a capital loss. If the optionee makes a disqualifying disposition of the purchased shares, then we will be entitled to an income tax deduction, for the taxable year in which such disposition occurs, to the extent the optionee recognizes ordinary income. In no other instance will we be allowed a deduction with respect to the optionee's disposition of the purchased shares.

NSOs. No taxable income is recognized by an optionee upon the grant of an NSO. The optionee will in general recognize ordinary income, in the year in which an NSO is exercised, equal to the excess of the fair market value of purchased shares on the date of exercise over the exercise price paid for such shares, and the optionee will be required to satisfy the tax withholding requirements applicable to such income. Upon a subsequent sale of the purchased shares, the optionee will generally recognize either a capital gain or a capital loss depending on whether the amount realized is more or less than the exercise price. We will be entitled to a business expense deduction equal to the amount of ordinary income recognized by the optionee with respect to an exercised NSO. The deduction will in general be allowed for our taxable year in which ordinary income is recognized by the optionee in connection with the acquisition of the option shares.

Restricted Stock. Unless the recipient of a restricted stock grant elects to treat such grant as ordinary income at the time the grant is made, the recipient does not recognize taxable income upon the grant of restricted stock. Instead, the recipient will recognize ordinary income at the time of vesting (*i.e.* when the restrictions on the grant lapse) equal to the fair market value of the restricted shares on the vesting date minus any amount paid for the restricted shares. At the time that the recipient recognizes ordinary income in respect of the restricted stock grant, we would be entitled to a tax deduction for compensation expense equal to the amount of ordinary income recognized by the recipient.

The foregoing is only a summary of the effect of federal income taxation upon us and the participants under the 2008 Non-Executive Plan. It does not purport to be complete, and does not discuss all of the tax consequences of a participant's death or the provisions of the income tax laws of any state, municipality, or foreign country in which the participants may reside.

Payments in the form of Common Stock shall be valued at the Fair Market Value on the date prior to the date of exercise. Such payments shall be made by delivery of stock certificates in negotiable form that are effective to transfer good and valid title thereto to the Company, free of any liens or encumbrances. Subject to the terms of the Agreement, the Committee may, in its sole discretion, at the request of the Holder, deliver upon the exercise of a Nonqualified Stock Option a combination of shares of Deferred Stock and Common Stock; provided that, notwithstanding the provisions of Section 8 of the Plan, such Deferred Stock shall be fully vested and not subject to forfeiture. A Holder shall have none of the rights of a shareholder with respect to the shares subject to the Option until such shares shall be transferred to the Holder upon the exercise of the Option. Subject to the provisions of applicable law, including restrictions on the extension of credit to officers and directors of the Company, the Committee shall be empowered to determine the types of consideration to be paid upon exercise of awards under the Plan (including without limitation by a Holder's conversion of deferred salary or other indebtedness of the Company to the Holder), such as services, property or other securities of the Company

(e)

Transferability. Except as may be set forth in the Agreement, no Stock Option shall be transferable by the Holder other than by will or by the laws of descent and distribution, and all Stock Options shall be exercisable, during the Holder's lifetime, only by the Holder (or, to the extent of legal incapacity or incompetency, the Holder's guardian or legal representative).

(f)

Termination by Reason of Death. If a Holder's employment by the Company or a Subsidiary terminates by reason of death, any Stock Option held by such Holder, unless otherwise determined by the Committee at the time of grant and set forth in the Agreement, shall thereupon automatically terminate, except that the portion of such Stock Option that has vested on the date of death may thereafter be exercised by the legal representative of the estate or by the legatee of the Holder under the will of the Holder, for a period of one year (or such other greater or lesser period as the Committee may specify at grant) from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is the shorter.

(g)

Termination by Reason of Disability. If a Holder's employment by the Company or any Subsidiary terminates by reason of Disability, any Stock Option held by such Holder, unless otherwise determined by the Committee at the time of grant and set forth in the Agreement, shall thereupon automatically terminate, except that the portion of such Stock Option that has vested on the date of termination may thereafter be exercised by the Holder for a period of one year (or such other greater or lesser period as the Committee may specify at the time of grant) from the date of such termination of employment or until the expiration of the stated term of such Stock Option, whichever period is the shorter.

(h)

Other Termination. Subject to the provisions of Section 13.3, below, and unless otherwise determined by the Committee at the time of grant and set forth in the Agreement, if a Holder's employment by the Company or any Subsidiary terminates for any reason other than death or Disability, the Stock Option shall thereupon automatically terminate, except that if the Holder's employment is terminated by the Company or a Subsidiary without cause or due to Normal Retirement, then the portion of such Stock Option that has vested on the date of termination of employment may be exercised for the lesser of three months after termination of employment or the balance of such Stock Option's term.

(i)

Additional Incentive Stock Option Limitation. In the case of an Incentive Stock Option, the aggregate Fair Market Value (on the date of grant of the Option) with respect to which Incentive Stock Options become exercisable for the first time by a Holder during any calendar year (under all such plans of the Company and its Parent and Subsidiary) shall not exceed \$100,000.

D-5

(j)

Buyout and Settlement Provisions. The Committee may at any time, in its sole discretion, offer to repurchase a Stock Option previously granted, based upon such terms and conditions as the Committee shall establish and communicate to the Holder at the time that such offer is made.

5.3

Stock Reload Option. If a Holder tenders shares of Common Stock to pay the exercise price of a Stock Option (Underlying Option), and/or arranges to have a portion of the shares otherwise issuable upon exercise withheld to pay the applicable withholding taxes, the Holder may receive, at the discretion of the Committee, a new Stock Reload Option to purchase that number of shares of Common Stock equal to the number of shares tendered to pay the exercise price and the withholding taxes (but only if such shares were held by the Holder for at least six months). Stock Reload Options may be any type of option permitted under the Code and will be granted subject to such terms, conditions, restrictions and limitations as may be determined by the Committee, from time to time. Such Stock Reload Option shall have an exercise price equal to the Fair Market Value as of the date of exercise of the Underlying Option. Unless the Committee determines otherwise, a Stock Reload Option may be exercised commencing one year after it is granted and shall expire on the date of expiration of the Underlying Option to which the Reload Option is related.

6.

Stock Appreciation Rights.

6.1

Grant and Exercise. The Committee may grant Stock Appreciation Rights to participants who have been, or are being granted, Stock Options under the Plan as a means of allowing such participants to exercise their Stock Options without the need to pay the exercise price in cash. In the case of a Nonqualified Stock Option, a Stock Appreciation Right may be granted either at or after the time of the grant of such Nonqualified Stock Option. In the case of an Incentive Stock Option, a Stock Appreciation Right may be granted only at the time of the grant of such Incentive Stock Option.

6.2

Terms and Conditions. Stock Appreciation Rights shall be subject to the following terms and conditions:

(a)

Exercisability. Stock Appreciation Rights shall be exercisable as shall be determined by the Committee and set forth in the Agreement, subject to the limitations, if any, imposed by the Code, with respect to related Incentive Stock Options.

(b)

Termination. A Stock Appreciation Right shall terminate and shall no longer be exercisable upon the termination or exercise of the related Stock Option.

(c)

Method of Exercise. Stock Appreciation Rights shall be exercisable upon such terms and conditions as shall be determined by the Committee and set forth in the Agreement and by surrendering the applicable portion of the related Stock Option. Upon such exercise and surrender, the Holder shall be entitled to receive a number of shares of

Common Stock equal to the SAR Value divided by the Fair Market Value on the date the Stock Appreciation Right is exercised.

(d)

Shares Affected Upon Plan. The granting of a Stock Appreciation Right shall not affect the number of shares of Common Stock available under for awards under the Plan. The number of shares available for awards under the Plan will, however, be reduced by the number of shares of Common Stock acquirable upon exercise of the Stock Option to which such Stock Appreciation Right relates.

7.

Restricted Stock.

7.1

Grant. Shares of Restricted Stock may be awarded either alone or in addition to other awards granted under the Plan. The Committee shall determine the eligible persons to whom, and the time or times at which, grants of Restricted Stock will be awarded, the number of shares to be awarded, the price (if any) to be paid by the Holder, the time or times within which such awards may be subject to forfeiture (Restriction Period), the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the awards.

7.2

Terms and Conditions. Each Restricted Stock award shall be subject to the following terms and conditions:

(a)

Certificates. Restricted Stock, when issued, will be represented by a stock certificate or certificates registered in the name of the Holder to whom such Restricted Stock shall have been awarded. During the Restriction Period, certificates representing the Restricted Stock and any securities constituting Retained

Distributions (as defined below) shall bear a legend to the effect that ownership of the Restricted Stock (and such Retained Distributions), and the enjoyment of all rights appurtenant thereto, are subject to the restrictions, terms and conditions provided in the Plan and the Agreement. Such certificates shall be deposited by the Holder with the Company, together with stock powers or other instruments of assignment, each endorsed in blank, which will permit transfer to the Company of all or any portion of the Restricted Stock and any securities constituting Retained Distributions that shall be forfeited or that shall not become vested in accordance with the Plan and the Agreement.

(b)

Rights of Holder. Restricted Stock shall constitute issued and outstanding shares of Common Stock for all corporate purposes. The Holder will have the right to vote such Restricted Stock, to receive and retain all regular cash dividends and other cash equivalent distributions as the Board may in its sole discretion designate, pay or distribute on such Restricted Stock and to exercise all other rights, powers and privileges of a holder of Common Stock with respect to such Restricted Stock, with the exceptions that (i) the Holder will not be entitled to delivery of the stock certificate or certificates representing such Restricted Stock until the Restriction Period shall have expired and unless all other vesting requirements with respect thereto shall have been fulfilled; (ii) the Company will retain custody of the stock certificate or certificates representing the Restricted Stock during the Restriction Period; (iii) other than regular cash dividends and other cash equivalent distributions as the Board may in its sole discretion designate, pay or distribute, the Company will retain custody of all distributions (Retained Distributions) made or declared with respect to the Restricted Stock (and such Retained Distributions will be subject to the same restrictions, terms and conditions as are applicable to the Restricted Stock) until such time, if ever, as the Restricted Stock with respect to which such Retained Distributions shall have been made, paid or declared shall have become vested and with respect to which the Restriction Period shall have expired; (iv) a breach of any of the restrictions, terms or conditions contained in this Plan or the Agreement or otherwise established by the Committee with respect to any Restricted Stock or Retained Distributions will cause a forfeiture of such Restricted Stock and any Retained Distributions with respect thereto.

(c)

Vesting; Forfeiture. Upon the expiration of the Restriction Period with respect to each award of Restricted Stock and the satisfaction of any other applicable restrictions, terms and conditions (i) all or part of such Restricted Stock shall become vested in accordance with the terms of the Agreement, subject to Section 10, below, and (ii) any Retained Distributions with respect to such Restricted Stock shall become vested to the extent that the Restricted Stock related thereto shall have become vested, subject to Section 10, below. Any such Restricted Stock and Retained Distributions that do not vest shall be forfeited to the Company and the Holder shall not thereafter have any rights with respect to such Restricted Stock and Retained Distributions that shall have been so forfeited.

8.

Deferred Stock.

8.1

Grant. Shares of Deferred Stock may be awarded either alone or in addition to other awards granted under the Plan. The Committee shall determine the eligible persons to whom and the time or times at which grants of Deferred Stock will be awarded, the number of shares of Deferred Stock to be awarded to any person, the duration of the period (Deferral Period) during which, and the conditions under which, receipt of the shares will be deferred, and all the other terms and conditions of the awards.

8.2

Terms and Conditions. Each Deferred Stock award shall be subject to the following terms and conditions:

(a)

Certificates. At the expiration of the Deferral Period (or the Additional Deferral Period referred to in Section 8.2 (d) below, where applicable), share certificates shall be issued and delivered to the Holder, or his legal representative, representing the number equal to the shares covered by the Deferred Stock award.

(b)

Rights of Holder. A person entitled to receive Deferred Stock shall not have any rights of a shareholder by virtue of such award until the expiration of the applicable Deferral Period and the issuance and delivery of the certificates representing such Common Stock. The shares of Common Stock issuable upon expiration of the Deferral Period shall not be deemed outstanding by the Company until the expiration of such Deferral Period and the issuance and delivery of such Common Stock to the Holder.

(c)

Vesting; Forfeiture. Upon the expiration of the Deferral Period with respect to each award of Deferred Stock and the satisfaction of any other applicable restrictions, terms and conditions all or part of such Deferred Stock shall become vested in accordance with the terms of the Agreement, subject to Section 10, below.

Any such Deferred Stock that does not vest shall be forfeited to the Company and the Holder shall not thereafter have any rights with respect to such Deferred Stock.

(d)

Additional Deferral Period. A Holder may request to, and the Committee may at any time, defer the receipt of an award (or an installment of an award) for an additional specified period or until a specified event (Additional Deferral Period). Subject to any exceptions adopted by the Committee, such request must generally be made at least one year prior to expiration of the Deferral Period for such Deferred Stock award (or such installment).

9.

Other Stock-Based Awards.

Other Stock-Based Awards may be awarded, subject to limitations under applicable law, that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, shares of Common Stock, as deemed by the Committee to be consistent with the purposes of the Plan, including, without limitation, purchase rights, shares of Common Stock awarded which are not subject to any restrictions or conditions, convertible or exchangeable debentures, or other rights convertible into shares of Common Stock and awards valued by reference to the value of securities of or the performance of specified Subsidiaries. Other Stock-Based Awards may be awarded either alone or in addition to or in tandem with any other awards under this Plan or any other plan of the Company. Each other Stock-Based Award shall be subject to such terms and conditions as may be determined by the Committee.

10.

Accelerated Vesting and Exercisability.

10.1

Non-Approved Transactions. If any person (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (Exchange Act)), is or becomes the beneficial owner (as referred in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 10% or more of the combined voting power of the Company's then outstanding securities in one or more transactions, and the Board does not authorize or otherwise approve such acquisition, then the vesting periods of any and all Stock Options and other awards granted and outstanding under the Plan shall be accelerated and all such Stock Options and awards will immediately and entirely vest, and the respective holders thereof will have the immediate right to purchase and/or receive any and all Common Stock subject to such Stock Options and awards on the terms set forth in this Plan and the respective agreements respecting such Stock Options and awards.

10.2

Approved Transactions. The Committee may, in the event of an acquisition of substantially all of the Company's assets or at least 50% of the combined voting power of the Company's then outstanding securities in one or more transactions (including by way of merger or reorganization) which has been approved by the Company's Board of Directors, (i) accelerate the vesting of any and all Stock Options and other awards granted and outstanding under the Plan, and (ii) require a Holder of any award granted under this Plan to relinquish such award to the Company upon the tender by the Company to Holder of cash in an amount equal to the Repurchase Value of such award.

11.

Amendment and Termination.

The Board may at any time, and from time to time, amend alter, suspend or discontinue any of the provisions of the Plan, but no amendment, alteration, suspension or discontinuance shall be made that would impair the rights of a Holder under any Agreement theretofore entered into hereunder, without the Holder's consent.

12.

Term of Plan.

12.1

Effective Date. The Plan shall become effective at such time as the Plan is approved and adopted by the Company's Board of Directors (the Effective Date), subject to the following provisions:

(a)

to the extent that the Plan authorizes the Award of Incentive Stock Options, shareholder approval for the Plan shall be obtained within 12 months of the Effective Date; and

(b)

the failure to obtain shareholder for the Plan as contemplated by subparagraph (a) of this Section 13.1 shall not invalidate the Plan; provided, however, that (i) in the absence of such stock holder approval, Incentive Stock Options may not be awarded under the Plan and (ii) any Incentive Stock Options theretofore awarded under the Plan shall be converted into Non-Qualified Options upon terms and conditions determined by the Board to reflect, as nearly as is reasonably practicable in its sole determination, the terms and conditions of the Incentive Stock Options being so converted.

12.2

Termination Date. Unless terminated by the Board, this Plan shall continue to remain effective until such time as no further awards may be granted and all awards granted under the Plan are no longer outstanding. Notwithstanding the foregoing, grants of Incentive Stock Options may be made only during the ten-year period following the Effective Date.

13.

General Provisions.

2.1

Written Agreements. Each award granted under the Plan shall be confirmed by, and shall be subject to the terms, of the Agreement executed by the Company and the Holder. The Committee may terminate any award made under the Plan if the Agreement relating thereto is not executed and returned to the Company within 10 days after the Agreement has been delivered to the Holder for his or her execution.

13.2

Unfunded Status of Plan. The Plan is intended to constitute an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Holder by the Company, nothing contained herein shall give any such Holder any rights that are greater than those of a general creditor of the Company.

13.3

Employees.

(a)

Engaging in Competition With the Company; Disclosure of Confidential Information. If a Holder's employment with the Company or a Subsidiary is terminated for any reason whatsoever, and within three months after the date thereof such Holder either (i) accepts employment with any competitor of, or otherwise engages in competition with, the Company or (ii) discloses to anyone outside the Company or uses any confidential information or material of the Company in violation of the Company's policies or any agreement between the Holder and the Company, the Committee, in its sole discretion, may require such Holder to return to the Company the economic value of any award that was realized or obtained by such Holder at any time during the period beginning on that date that is six months prior to the date such Holder's employment with the Company is terminated.

(b)

Termination for Cause. The Committee may, if a Holder's employment with the Company or a Subsidiary is terminated for cause, annul any award granted under this Plan to such employee and, in such event, the Committee, in its sole discretion, may require such Holder to return to the Company the economic value of any award that was realized or obtained by such Holder at any time during the period beginning on that date that is six months prior to the date such Holder's employment with the Company is terminated.

(c)

No Right of Employment. Nothing contained in the Plan or in any award hereunder shall be deemed to confer upon any Holder who is an employee of the Company or any Subsidiary any right to continued employment with the

Company or any Subsidiary, nor shall it interfere in any way with the right of the Company or any Subsidiary to terminate the employment of any Holder who is an employee at any time.

13.4

Investment Representations; Company Policy. The Committee may require each person acquiring shares of Common Stock pursuant to a Stock Option or other award under the Plan to represent to and agree with the Company in writing that the Holder is acquiring the shares for investment without a view to distribution thereof. Each person acquiring shares of Common Stock pursuant to a Stock Option or other award under the Plan shall be required to abide by all policies of the Company in effect at the time of such acquisition and thereafter with respect to the ownership and trading of the Company's securities.

13.5

Additional Incentive Arrangements. Nothing contained in the Plan shall prevent the Board from adopting such other or additional incentive arrangements as it may deem desirable, including, but not limited to, the granting of Stock Options and the awarding of Common Stock and cash otherwise than under the Plan; and such arrangements may be either generally applicable or applicable only in specific cases.

13.6

Withholding Taxes. Not later than the date as of which an amount must first be included in the gross income of the Holder for Federal income tax purposes with respect to any option or other award under the Plan, the Holder shall pay to the Company, or make arrangements satisfactory to the Committee regarding the payment of, any Federal, state and local taxes of any kind required by law to be withheld or paid with respect to such amount. If permitted by the Committee, tax withholding or payment obligations may be settled with Common Stock, including Common Stock that is part of the award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditioned upon such payment or arrangements and the Company or the Holder's employer (if not the Company) shall, to the extent permitted by law, have the right to

deduct any such taxes from any payment of any kind otherwise due to the Holder from the Company or any Subsidiary.

13.7

Governing Law. The Plan and all awards made and actions taken thereunder shall be governed by and construed in accordance with the laws of the State of Florida.

13.8

Other Benefit Plans. Any award granted under the Plan shall not be deemed compensation for purposes of computing benefits under any retirement plan of the Company or any Subsidiary and shall not affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation (unless required by specific reference in any such other plan to awards under this Plan).

13.9

Non-Transferability. Except as otherwise expressly provided in the Plan or the Agreement, no right or benefit under the Plan may be alienated, sold, assigned, hypothecated, pledged, exchanged, transferred, encumbered or charged, and any attempt to alienate, sell, assign, hypothecate, pledge, exchange, transfer, encumber or charge the same shall be void.

13.10

Applicable Laws. The obligations of the Company with respect to all Stock Options and awards under the Plan shall be subject to (i) all applicable laws, rules and regulations and such approvals by any governmental agencies as may be required, including, without limitation, the Securities Act of 1933, as amended, and (ii) the rules and regulations of any securities exchange on which the Common Stock may be listed.

13.11

Conflicts. If any of the terms or provisions of the Plan or an Agreement conflict with the requirements of Section 422 of the Code, then such terms or provisions shall be deemed inoperative to the extent they so conflict with such requirements. Additionally, if this Plan or any Agreement does not contain any provision required to be included herein under Section 422 of the Code, such provision shall be deemed to be incorporated herein and therein with the same force and effect as if such provision had been set out at length herein and therein. If any of the terms or provisions of any Agreement conflict with any terms or provisions of the Plan, then such terms or provisions shall be deemed inoperative to the extent they so conflict with the requirements of the Plan. Additionally, if any Agreement does not contain any provision required to be included therein under the Plan, such provision shall be deemed to be incorporated therein with the same force and effect as if such provision had been set out at length therein.

13.12

Non-Registered Stock. The shares of Common Stock to be distributed under this Plan have not been, as of the Effective Date, registered under the Securities Act of 1933, as amended, or any applicable state or foreign securities laws and the Company has no obligation to any Holder to register the Common Stock or to assist the Holder in obtaining an exemption from the various registration requirements, or to list the Common Stock on a national securities exchange.

3.3

Certain Mergers and Similar Transactions. In the event of (a) a dissolution or liquidation of the Company, (b) a merger or consolidation in which the Company is not the surviving corporation (other than a merger or consolidation with a wholly-owned subsidiary, a reincorporation of the Company in a different jurisdiction, or other transaction in which there is no substantial change in the shareholders of the Company or their relative stock holdings and the Awards granted under this Plan are assumed, converted or replaced by the successor corporation, which assumption will be binding on all Awardees), (c) a merger in which the Company is the surviving corporation but after which the shareholders of the Company immediately prior to such merger (other than any shareholder that

merges, or which owns or controls another corporation that merges, with the Company in such merger) cease to own their shares or other equity interest in the Company, (d) the sale of substantially all of the assets of the Company, or (e) the acquisition, sale, or transfer of more than 50% of the outstanding shares of the Company by tender offer or similar transaction, any or all outstanding Awards may be assumed, converted or replaced by the successor corporation (if any), which assumption, conversion or replacement will be binding on all Awardees. In the alternative, the successor corporation may substitute equivalent Awards or provide substantially similar consideration to Awardees as was provided to shareholders (after taking into account the existing provisions of the Awards). The successor corporation may also issue, in place of outstanding Shares of the Company held by the Holder, substantially similar shares or other property subject to repurchase restrictions no less favorable to the Holder. In the event such successor corporation (if any) refuses or otherwise declines to assume or substitute Awards, as provided above, (i) the vesting of any or all Awards granted pursuant to this Plan will accelerate immediately prior to the effective date of a transaction described in this Section 3.3 and (ii) any or all Options granted pursuant to this Plan will become exercisable in full prior to the consummation of such event at such time and on such conditions as the Committee determines. If such Options are not exercised prior to the consummation of the corporate transaction, they shall terminate at such time as determined by the Committee. Subject to any greater rights granted to Awardees under the foregoing provisions of this Section 3.3, in the event of the occurrence of any transaction described in this Section 3.3, any outstanding Awards will be treated as provided in the applicable agreement or plan of merger, consolidation, dissolution, liquidation, or sale of assets.

4.

Eligibility.

Awards may be made or granted to non-executive level employees, directors and consultants who are deemed to have rendered or to be able to render significant services to the Company or its Subsidiaries and who are deemed to have contributed or to have the potential to contribute to the success of the Company. Notwithstanding anything to the contrary contained in the Plan, awards covered or to be covered under a registration statement on Form S-8 may be made under the Plan only if (a) they are made to natural persons, (b) who provide bona fide services to the Company or its Subsidiaries, and (c) the services are not in connection with the offer and sale of securities in a capital-raising transaction, and do not directly or indirectly promote or maintain a market for the Company's securities.

5.

Stock Options.

5.1

Grant and Exercise. Stock Options granted under the Plan may be of two types: (i) Incentive Stock Options and (ii) Nonqualified Stock Options. Any Stock Option granted under the Plan shall contain such terms, not inconsistent with this Plan, or with respect to Incentive Stock Options, not inconsistent with the Plan and the Code, as the Committee may from time to time approve. The Committee shall have the authority to grant Incentive Stock Options or Non-Qualified Stock Options, or both types of Stock Options which may be granted alone or in addition to other awards granted under the Plan. To the extent that any Stock Option intended to qualify as an Incentive Stock Option does not so qualify, it shall constitute a separate Nonqualified Stock Option.

5.2

Terms and Conditions. Stock Options granted under the Plan shall be subject to the following terms and conditions:

(a)

Option Term. The term of each Stock Option shall be fixed by the Committee; provided, however, that an Incentive Stock Option may be granted only within the ten-year period commencing from the Effective Date and may only be exercised within ten years of the date of grant (or five years in the case of an Incentive Stock Option granted to an optionee who, at the time of grant, owns Common Stock possessing more than 10% of the total combined voting power of all classes of stock of the Company (10% Shareholder).

(b)

Exercise Price. The exercise price per share of Common Stock purchasable under a Stock Option shall be determined by the Committee at the time of grant and may not be less than 100% of the Fair Market Value on the day of grant; provided, however, that the exercise price of an Incentive Stock Option granted to a 10% Shareholder shall not be less than 110% of the Fair Market Value on the date of grant.

(c)

Exercisability. Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee and as set forth in Section 10, below. If the Committee provides, in its discretion, that any Stock Option is exercisable only in installments, i.e., that it vests over time, the Committee may waive such installment exercise provisions at any time at or after the time of grant in whole or in part, based upon such factors as the Committee shall determine.

(d)

Method of Exercise. Subject to whatever installment, exercise and waiting period provisions are applicable in a particular case, Stock Options may be exercised in whole or in part at any time during the term of the Option, by giving written notice of exercise to the Company specifying the number of shares of Common Stock to be purchased. Such notice shall be accompanied by payment in full of the purchase price, which shall be in cash or, if provided in the Agreement, either in shares of Common Stock (including Restricted Stock and other contingent awards under this Plan) or partly in cash and partly in such Common Stock, or such other means which the Committee determines are consistent with the Plan's purpose and applicable law. Cash payments shall be made by wire transfer, certified or bank check or personal check, in each case payable to the order of the Company; provided, however, that the Company shall not be required to deliver certificates for shares of Common Stock with respect to which an Option is exercised until the Company has confirmed the receipt of good and available funds in payment of the purchase price thereof. Payments in the form of Common Stock shall be valued at the Fair Market Value on the date prior to the date of exercise. Such payments shall be made by delivery of stock certificates in negotiable form that are effective to transfer good and valid title thereto to the Company, free of any liens or encumbrances. Subject to the terms of the Agreement, the Committee may, in its sole discretion, at the request of the Holder, deliver upon the exercise of a Nonqualified Stock Option a combination of shares of Deferred Stock and Common Stock; provided that, notwithstanding the provisions of Section 8 of the Plan, such Deferred Stock shall be fully vested and not subject to forfeiture. A Holder shall have none of the rights of a shareholder with respect to the shares subject to the Option until such shares shall be transferred to the Holder upon the exercise of the Option. Subject to the provisions of applicable law, including restrictions on the extension of credit to officers and directors of the Company, the Committee shall be empowered to determine the types of consideration to be paid upon exercise of awards under the Plan (including without limitation by a Holder's conversion of deferred salary or other indebtedness of the Company to the Holder), such as services, property or other securities of the Company

(e)

Transferability. Except as may be set forth in the Agreement, no Stock Option shall be transferable by the Holder other than by will or by the laws of descent and distribution, and all Stock Options shall be exercisable, during the Holder's lifetime, only by the Holder (or, to the extent of legal incapacity or incompetency, the Holder's guardian or legal representative).

(f)

Termination by Reason of Death. If a Holder's employment by the Company or a Subsidiary terminates by reason of death, any Stock Option held by such Holder, unless otherwise determined by the Committee at the time of grant and set forth in the Agreement, shall thereupon automatically terminate, except that the portion of such Stock Option that has vested on the date of death may thereafter be exercised by the legal representative of the estate or by the legatee of the Holder under the will of the Holder, for a period of one year (or such other greater or lesser period as the Committee may specify at grant) from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is the shorter.

(g)

Termination by Reason of Disability. If a Holder's employment by the Company or any Subsidiary terminates by reason of Disability, any Stock Option held by such Holder, unless otherwise determined by the Committee at the time of grant and set forth in the Agreement, shall thereupon automatically terminate, except that the portion of such Stock Option that has vested on the date of termination may thereafter be exercised by the Holder for a period of one year (or such other greater or lesser period as the Committee may specify at the time of grant) from the date of such termination of employment or until the expiration of the stated term of such Stock Option, whichever period is the shorter.

(h)

Other Termination. Subject to the provisions of Section 13.3, below, and unless otherwise determined by the Committee at the time of grant and set forth in the Agreement, if a Holder's employment by the Company or any Subsidiary terminates for any reason other than death or Disability, the Stock Option shall thereupon automatically terminate, except that if the Holder's employment is terminated by the Company or a Subsidiary without cause or due to Normal Retirement, then the portion of such Stock Option that has vested on the date of termination of employment may be exercised for the lesser of three months after termination of employment or the balance of such Stock Option's term.

(i)

Additional Incentive Stock Option Limitation. In the case of an Incentive Stock Option, the aggregate Fair Market Value (on the date of grant of the Option) with respect to which Incentive Stock Options become exercisable for the first time by a Holder during any calendar year (under all such plans of the Company and its Parent and Subsidiary) shall not exceed \$100,000.

E-5

(j)

Buyout and Settlement Provisions. The Committee may at any time, in its sole discretion, offer to repurchase a Stock Option previously granted, based upon such terms and conditions as the Committee shall establish and communicate to the Holder at the time that such offer is made.

5.3

Stock Reload Option. If a Holder tenders shares of Common Stock to pay the exercise price of a Stock Option (Underlying Option), and/or arranges to have a portion of the shares otherwise issuable upon exercise withheld to pay the applicable withholding taxes, the Holder may receive, at the discretion of the Committee, a new Stock Reload Option to purchase that number of shares of Common Stock equal to the number of shares tendered to pay the exercise price and the withholding taxes (but only if such shares were held by the Holder for at least six months). Stock Reload Options may be any type of option permitted under the Code and will be granted subject to such terms, conditions, restrictions and limitations as may be determined by the Committee, from time to time. Such Stock Reload Option shall have an exercise price equal to the Fair Market Value as of the date of exercise of the Underlying Option. Unless the Committee determines otherwise, a Stock Reload Option may be exercised commencing one year after it is granted and shall expire on the date of expiration of the Underlying Option to which the Reload Option is related.

6.

Stock Appreciation Rights.

6.1

Grant and Exercise. The Committee may grant Stock Appreciation Rights to participants who have been, or are being granted, Stock Options under the Plan as a means of allowing such participants to exercise their Stock Options without the need to pay the exercise price in cash. In the case of a Nonqualified Stock Option, a Stock Appreciation Right may be granted either at or after the time of the grant of such Nonqualified Stock Option. In the case of an Incentive Stock Option, a Stock Appreciation Right may be granted only at the time of the grant of such Incentive Stock Option.

6.2

Terms and Conditions. Stock Appreciation Rights shall be subject to the following terms and conditions:

(a)

Exercisability. Stock Appreciation Rights shall be exercisable as shall be determined by the Committee and set forth in the Agreement, subject to the limitations, if any, imposed by the Code, with respect to related Incentive Stock Options.

(b)

Termination. A Stock Appreciation Right shall terminate and shall no longer be exercisable upon the termination or exercise of the related Stock Option.

(c)

Method of Exercise. Stock Appreciation Rights shall be exercisable upon such terms and conditions as shall be determined by the Committee and set forth in the Agreement and by surrendering the applicable portion of the related Stock Option. Upon such exercise and surrender, the Holder shall be entitled to receive a number of shares of

Common Stock equal to the SAR Value divided by the Fair Market Value on the date the Stock Appreciation Right is exercised.

(d)

Shares Affected Upon Plan. The granting of a Stock Appreciation Right shall not affect the number of shares of Common Stock available under for awards under the Plan. The number of shares available for awards under the Plan will, however, be reduced by the number of shares of Common Stock acquirable upon exercise of the Stock Option to which such Stock Appreciation Right relates.

7.

Restricted Stock.

7.1

Grant. Shares of Restricted Stock may be awarded either alone or in addition to other awards granted under the Plan. The Committee shall determine the eligible persons to whom, and the time or times at which, grants of Restricted Stock will be awarded, the number of shares to be awarded, the price (if any) to be paid by the Holder, the time or times within which such awards may be subject to forfeiture (Restriction Period), the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the awards.

7.2

Terms and Conditions. Each Restricted Stock award shall be subject to the following terms and conditions:

(a)

Certificates. Restricted Stock, when issued, will be represented by a stock certificate or certificates registered in the name of the Holder to whom such Restricted Stock shall have been awarded. During the Restriction Period, certificates representing the Restricted Stock and any securities constituting Retained

Distributions (as defined below) shall bear a legend to the effect that ownership of the Restricted Stock (and such Retained Distributions), and the enjoyment of all rights appurtenant thereto, are subject to the restrictions, terms and conditions provided in the Plan and the Agreement. Such certificates shall be deposited by the Holder with the Company, together with stock powers or other instruments of assignment, each endorsed in blank, which will permit transfer to the Company of all or any portion of the Restricted Stock and any securities constituting Retained Distributions that shall be forfeited or that shall not become vested in accordance with the Plan and the Agreement.

(b)

Rights of Holder. Restricted Stock shall constitute issued and outstanding shares of Common Stock for all corporate purposes. The Holder will have the right to vote such Restricted Stock, to receive and retain all regular cash dividends and other cash equivalent distributions as the Board may in its sole discretion designate, pay or distribute on such Restricted Stock and to exercise all other rights, powers and privileges of a holder of Common Stock with respect to such Restricted Stock, with the exceptions that (i) the Holder will not be entitled to delivery of the stock certificate or certificates representing such Restricted Stock until the Restriction Period shall have expired and unless all other vesting requirements with respect thereto shall have been fulfilled; (ii) the Company will retain custody of the stock certificate or certificates representing the Restricted Stock during the Restriction Period; (iii) other than regular cash dividends and other cash equivalent distributions as the Board may in its sole discretion designate, pay or distribute, the Company will retain custody of all distributions (Retained Distributions) made or declared with respect to the Restricted Stock (and such Retained Distributions will be subject to the same restrictions, terms and conditions as are applicable to the Restricted Stock) until such time, if ever, as the Restricted Stock with respect to which such Retained Distributions shall have been made, paid or declared shall have become vested and with respect to which the Restriction Period shall have expired; (iv) a breach of any of the restrictions, terms or conditions contained in this Plan or the Agreement or otherwise established by the Committee with respect to any Restricted Stock or Retained Distributions will cause a forfeiture of such Restricted Stock and any Retained Distributions with respect thereto.

(c)

Vesting; Forfeiture. Upon the expiration of the Restriction Period with respect to each award of Restricted Stock and the satisfaction of any other applicable restrictions, terms and conditions (i) all or part of such Restricted Stock shall become vested in accordance with the terms of the Agreement, subject to Section 10, below, and (ii) any Retained Distributions with respect to such Restricted Stock shall become vested to the extent that the Restricted Stock related thereto shall have become vested, subject to Section 10, below. Any such Restricted Stock and Retained Distributions that do not vest shall be forfeited to the Company and the Holder shall not thereafter have any rights with respect to such Restricted Stock and Retained Distributions that shall have been so forfeited.

8.

Deferred Stock.

8.1

Grant. Shares of Deferred Stock may be awarded either alone or in addition to other awards granted under the Plan. The Committee shall determine the eligible persons to whom and the time or times at which grants of Deferred Stock will be awarded, the number of shares of Deferred Stock to be awarded to any person, the duration of the period (Deferral Period) during which, and the conditions under which, receipt of the shares will be deferred, and all the other terms and conditions of the awards.

8.2

Terms and Conditions. Each Deferred Stock award shall be subject to the following terms and conditions:

(a)

Certificates. At the expiration of the Deferral Period (or the Additional Deferral Period referred to in Section 8.2 (d) below, where applicable), share certificates shall be issued and delivered to the Holder, or his legal representative, representing the number equal to the shares covered by the Deferred Stock award.

(b)

Rights of Holder. A person entitled to receive Deferred Stock shall not have any rights of a shareholder by virtue of such award until the expiration of the applicable Deferral Period and the issuance and delivery of the certificates representing such Common Stock. The shares of Common Stock issuable upon expiration of the Deferral Period shall not be deemed outstanding by the Company until the expiration of such Deferral Period and the issuance and delivery of such Common Stock to the Holder.

(c)

Vesting; Forfeiture. Upon the expiration of the Deferral Period with respect to each award of Deferred Stock and the satisfaction of any other applicable restrictions, terms and conditions all or part of such Deferred Stock shall become vested in accordance with the terms of the Agreement, subject to Section 10, below. Any such Deferred Stock that does not vest shall be forfeited to the Company and the Holder shall not thereafter have any rights with respect to such Deferred Stock.

(d)

Additional Deferral Period. A Holder may request to, and the Committee may at any time, defer the receipt of an award (or an installment of an award) for an additional specified period or until a specified event (Additional Deferral Period). Subject to any exceptions adopted by the Committee, such request must generally be made at least one year prior to expiration of the Deferral Period for such Deferred Stock award (or such installment).

9.

Other Stock Based Awards.

Other Stock Based Awards may be awarded, subject to limitations under applicable law, that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, shares of Common Stock, as deemed by the Committee to be consistent with the purposes of the Plan, including, without limitation, purchase rights, shares of Common Stock awarded which are not subject to any restrictions or conditions, convertible or exchangeable debentures, or other rights convertible into shares of Common Stock and awards valued by reference to the value of securities of or the performance of specified Subsidiaries. Other Stock Based Awards may be awarded either alone or in addition to or in tandem with any other awards under this Plan or any other plan of the Company. Each other Stock-Based Award shall be subject to such terms and conditions as may be determined by the Committee.

10.

Accelerated Vesting and Exercisability.

10.1

Non-Approved Transactions. If any person (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (Exchange Act)), is or becomes the beneficial owner (as referred in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 10% or more of the combined voting power of the Company's then outstanding securities in one or more transactions, and the Board does not authorize or otherwise approve such acquisition, then the vesting periods of any and all Stock Options and other awards granted and outstanding under the Plan shall be accelerated and all such Stock Options and awards will immediately and entirely vest, and the respective holders thereof will have the immediate right to purchase and/or receive any and all Common Stock subject to such Stock Options and awards on the terms set forth in this Plan and the respective agreements respecting such Stock Options and awards.

10.2

Approved Transactions. The Committee may, in the event of an acquisition of substantially all of the Company's assets or at least 50% of the combined voting power of the Company's then outstanding securities in one or more transactions (including by way of merger or reorganization) which has been approved by the Company's Board of Directors, (i) accelerate the vesting of any and all Stock Options and other awards granted and outstanding under the Plan, and (ii) require a Holder of any award granted under this Plan to relinquish such award to the Company upon the tender by the Company to Holder of cash in an amount equal to the Repurchase Value of such award.

11.

Amendment and Termination.

The Board may at any time, and from time to time, amend alter, suspend or discontinue any of the provisions of the Plan, but no amendment, alteration, suspension or discontinuance shall be made that would impair the rights of a

Holder under any Agreement theretofore entered into hereunder, without the Holder's consent.

12.

Term of Plan.

12.1

Effective Date. The Plan shall become effective at such time as the Plan is approved and adopted by the Company's Board of Directors (the "Effective Date"), subject to the following provisions:

(a)

to the extent that the Plan authorizes the Award of Incentive Stock Options, shareholder approval for the Plan shall be obtained within 12 months of the Effective Date; and

(b)

the failure to obtain shareholder approval for the Plan as contemplated by subparagraph (a) of this Section 12.1 shall not invalidate the Plan; provided, however, that (i) in the absence of such stock holder approval, Incentive Stock Options may not be awarded under the Plan and (ii) any Incentive Stock Options theretofore awarded under the Plan shall be converted into Non-Qualified Options upon terms and conditions determined by the Board to reflect, as nearly as is reasonably practicable in its sole determination, the terms and conditions of the Incentive Stock Options being so converted.

12.2

Termination Date. Unless terminated by the Board, this Plan shall continue to remain effective until such time as no further awards may be granted and all awards granted under the Plan are no longer outstanding. Notwithstanding the foregoing, grants of Incentive Stock Options may be made only during the ten-year period following the Effective Date.

13.

General Provisions.

13.1

Written Agreements. Each award granted under the Plan shall be confirmed by, and shall be subject to the terms, of the Agreement executed by the Company and the Holder. The Committee may terminate any award made under the Plan if the Agreement relating thereto is not executed and returned to the Company within 10 days after the Agreement has been delivered to the Holder for his or her execution.

13.2

Unfunded Status of Plan. The Plan is intended to constitute an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Holder by the Company, nothing contained herein shall give any such Holder any rights that are greater than those of a general creditor of the Company.

13.3

Employees.

(a)

Engaging in Competition With the Company; Disclosure of Confidential Information. If a Holder's employment with the Company or a Subsidiary is terminated for any reason whatsoever, and within three months after the date thereof such Holder either (i) accepts employment with any competitor of, or otherwise engages in competition with, the Company or (ii) discloses to anyone outside the Company or uses any confidential information or material of the Company in violation of the Company's policies or any agreement between the Holder and the Company, the Committee, in its sole discretion, may require such Holder to return to the Company the economic value of any award that was realized or obtained by such Holder at any time during the period beginning on that date that is six months prior to the date such Holder's employment with the Company is terminated.

(b)

Termination for Cause. The Committee may, if a Holder's employment with the Company or a Subsidiary is terminated for cause, annul any award granted under this Plan to such employee and, in such event, the Committee, in its sole discretion, may require such Holder to return to the Company the economic value of any award that was realized or obtained by such Holder at any time during the period beginning on that date that is six months prior to the date such Holder's employment with the Company is terminated.

(c)

No Right of Employment. Nothing contained in the Plan or in any award hereunder shall be deemed to confer upon any Holder who is an employee of the Company or any Subsidiary any right to continued employment with the

Company or any Subsidiary, nor shall it interfere in any way with the right of the Company or any Subsidiary to terminate the employment of any Holder who is an employee at any time.

13.4

Investment Representations; Company Policy. The Committee may require each person acquiring shares of Common Stock pursuant to a Stock Option or other award under the Plan to represent to and agree with the Company in writing that the Holder is acquiring the shares for investment without a view to distribution thereof. Each person acquiring shares of Common Stock pursuant to a Stock Option or other award under the Plan shall be required to abide by all policies of the Company in effect at the time of such acquisition and thereafter with respect to the ownership and trading of the Company's securities.

13.5

Additional Incentive Arrangements. Nothing contained in the Plan shall prevent the Board from adopting such other or additional incentive arrangements as it may deem desirable, including, but not limited to, the granting of Stock Options and the awarding of Common Stock and cash otherwise than under the Plan; and such arrangements may be either generally applicable or applicable only in specific cases.

13.6

Withholding Taxes. Not later than the date as of which an amount must first be included in the gross income of the Holder for Federal income tax purposes with respect to any option or other award under the Plan, the Holder shall pay to the Company, or make arrangements satisfactory to the Committee regarding the payment of, any Federal, state and local taxes of any kind required by law to be withheld or paid with respect to such amount. If permitted by the Committee, tax withholding or payment obligations may be settled with Common Stock, including Common Stock that is part of the award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditioned upon such payment or arrangements and the Company or the Holder's employer (if not the Company) shall, to the extent permitted by law, have the right to

deduct any such taxes from any payment of any kind otherwise due to the Holder from the Company or any Subsidiary.

13.7

Governing Law. The Plan and all awards made and actions taken thereunder shall be governed by and construed in accordance with the laws of the State of Florida.

13.8

Other Benefit Plans. Any award granted under the Plan shall not be deemed compensation for purposes of computing benefits under any retirement plan of the Company or any Subsidiary and shall not affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation (unless required by specific reference in any such other plan to awards under this Plan).

13.9

Non-Transferability. Except as otherwise expressly provided in the Plan or the Agreement, no right or benefit under the Plan may be alienated, sold, assigned, hypothecated, pledged, exchanged, transferred, encumbered or charged, and any attempt to alienate, sell, assign, hypothecate, pledge, exchange, transfer, encumber or charge the same shall be void.

13.10

Applicable Laws. The obligations of the Company with respect to all Stock Options and awards under the Plan shall be subject to (i) all applicable laws, rules and regulations and such approvals by any governmental agencies as may be required, including, without limitation, the Securities Act of 1933, as amended, and (ii) the rules and regulations of any securities exchange on which the Common Stock may be listed.

13.11

Conflicts. If any of the terms or provisions of the Plan or an Agreement conflict with the requirements of Section 422 of the Code, then such terms or provisions shall be deemed inoperative to the extent they so conflict with such requirements. Additionally, if this Plan or any Agreement does not contain any provision required to be included herein under Section 422 of the Code, such provision shall be deemed to be incorporated herein and therein with the same force and effect as if such provision had been set out at length herein and therein. If any of the terms or provisions of any Agreement conflict with any terms or provisions of the Plan, then such terms or provisions shall be deemed inoperative to the extent they so conflict with the requirements of the Plan. Additionally, if any Agreement does not contain any provision required to be included therein under the Plan, such provision shall be deemed to be incorporated therein with the same force and effect as if such provision had been set out at length therein.

13.12

Non-Registered Stock. The shares of Common Stock to be distributed under this Plan have not been, as of the Effective Date, registered under the Securities Act of 1933, as amended, or any applicable state or foreign securities laws and the Company has no obligation to any Holder to register the Common Stock or to assist the Holder in obtaining an exemption from the various registration requirements, or to list the Common Stock on a national securities exchange or any other trading or quotation system.
