NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 17, 2015

To the Stockholders of Ellie Mae, Inc.:

NOTICE IS HEREBY GIVEN that the Annual Meeting of Stockholders (“Annual Meeting”) of Ellie Mae, Inc., a Delaware corporation (the “Company”), will be held on June 17, 2015, at 9:30 a.m., local time, at the Company’s headquarters at 4420 Rosewood Drive, Pleasanton, California 94588, for the following purposes:

1. To elect to the Company’s Board of Directors (the “Board”) three Class I directors to hold office until our 2018 annual meeting of stockholders or until their successors are elected. The Board intends to present for election the following three nominees: Sigmund Anderman, Craig Davis and Frank Schultz;
2. To ratify the selection, by the Audit Committee of the Board, of Grant Thornton LLP as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2015;
3. To vote to approve, on an advisory basis, the compensation of our named executive officers for the fiscal year ended December 31, 2014 as set forth in this proxy statement;
4. To approve the amendment and restatement of the Company’s Amended and Restated Certificate of Incorporation to eliminate any supermajority voting requirements contained therein; and
5. To transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

The foregoing items of business are more fully described in the proxy statement accompanying this Notice (the “Proxy Statement”). Only stockholders who owned our common stock at the close of business on April 20, 2015 can vote at this meeting or any adjournments that take place.

Our Board recommends that you vote FOR the election of the director nominees named in Proposal No. 1 of the Proxy Statement, FOR the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm as described in Proposal No. 2 of the Proxy Statement, FOR the approval, on a non-binding advisory basis, of the compensation of our named executive officers as described in Proposal No. 3 of the Proxy Statement, and FOR the approval of the amendment and restatement of the Company’s Amended and Restated Certificate of Incorporation to eliminate all supermajority voting requirements contained therein.

For our Annual Meeting, we have elected to use the Internet as our primary means of providing our proxy materials to stockholders. Consequently, most stockholders will not receive paper copies of our proxy materials. We will instead send to these stockholders a Notice of Internet Availability of Proxy Materials with instructions for accessing the proxy materials, including our Proxy Statement and Annual Report to Stockholders, and for voting via the Internet. The Notice of Internet Availability of Proxy Materials also provides information on how stockholders may obtain paper copies of our proxy materials free of charge, if they so choose. The electronic delivery of our proxy materials will significantly reduce our printing and mailing costs and the environmental impact of the proxy materials.

The Notice of Internet Availability of Proxy Materials will also provide the date, time and location of the Annual Meeting; the matters to be acted upon at the meeting and the Board of Directors’ recommendation with regard to each matter; a toll-free number, an e-mail address and a website where stockholders can request a paper or email copy of the Proxy Statement, our annual report to stockholders and a form of proxy relating to the Annual Meeting; information on how to access the form of proxy; and information on how to attend the meeting and vote in person. You are cordially invited to attend the Annual Meeting, but whether or not you expect to attend in person, you are urged to vote and submit your proxy by following the voting procedures described in the Notice of Internet Availability of Proxy Materials or on the proxy card.

By Order of the Board of Directors

PROXY STATEMENT
FOR THE 2015 ANNUAL MEETING OF STOCKHOLDERS
June 17, 2015

The Board of Directors of Ellie Mae, Inc. is soliciting your proxy to vote at the Annual Meeting of Stockholders to be held on June 17, 2015, at 9:30 a.m., local time, and any adjournment or postponement of that meeting (the "Annual Meeting"). The Annual Meeting will be held at the Company's headquarters at 4420 Rosewood Drive, Pleasanton, California 94588.

We have elected to use the Internet as our primary means of providing our proxy materials to stockholders. Accordingly, on or about April 23, 2015, we are making this Proxy Statement and the accompanying Proxy Card, Notice of Annual Meeting of Stockholders and Annual Report to Stockholders available on the Internet and mailing a Notice of Internet Availability of Proxy Materials to stockholders of record as of April 20, 2015 (the "Record Date"). Brokers and other nominees who hold shares on behalf of beneficial owners will be sending their own similar notices. All stockholders as of the Record Date will have the ability to access the proxy materials on the website referred to in the Notice of Internet Availability of Proxy Materials or request to receive a printed set of the proxy materials. Instructions on how to request a printed copy by mail or electronically may be found in the Notice of Internet Availability of Proxy Materials and on the website referred to in the notice, including an option to request paper copies on an ongoing basis. We intend to mail this Proxy Statement, together with the accompanying Proxy Card, to those stockholders entitled to vote at the Annual Meeting who have properly requested paper copies of such materials within three business days of request.

The only voting securities of Ellie Mae, Inc. are shares of common stock, par value \$0.0001 per share (the "common stock"), of which there were 29,397,215 shares outstanding as of the Record Date (excluding any treasury shares). We need the holders of a majority in voting power of the shares of common stock issued and outstanding and entitled to vote, present in person or represented by proxy, to hold the Annual Meeting.

In this Proxy Statement, we refer to Ellie Mae, Inc. as the "Company," "Ellie Mae," "we" or "us" and our Board of Directors as the "Board." When we refer to Ellie Mae's fiscal year, we mean the twelve-month period ending December 31 of the stated year.

The Company's Annual Report to Stockholders, which contains consolidated financial statements for the 2014 fiscal year, accompanies this Proxy Statement. You also may obtain a paper copy of the Company's Annual Report on Form 10-K for fiscal 2014 that was filed with the Securities and Exchange Commission (the "SEC") by writing to our Secretary at the above address. The Company's Annual Report on Form 10-K is also available in the "Financial Information" section of our website at <https://www.elliemae.com/annual-report/> and at the SEC's website at www.sec.gov.

THE PROXY PROCESS AND STOCKHOLDER VOTING
QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 20, 2015 will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, there were 29,397,215 shares of common stock issued and outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 20, 2015, you hold your shares in your own name as a stockholder of record (i.e., your shares were registered directly in your name with Wells Fargo Shareowner Services, our transfer agent), you may vote your shares either by proxy or in person at the meeting. Voting by proxy will not affect your right to vote your shares in person—by voting in person you automatically revoke your previously voted proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If on April 20, 2015, your shares were held in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, because you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I being asked to vote on?

You are being asked to vote FOR:

- the election to our Board of the three Class I director nominees named in this Proxy Statement to hold office until our 2018 annual meeting of stockholders;
- the ratification of the selection, by the audit committee of the Board, of Grant Thornton LLP as our independent registered public accounting firm for the 2015 fiscal year;
- the approval, on a non-binding advisory basis, of the compensation of our named executive officers for the fiscal year ended December 31, 2014, as set forth in this Proxy Statement; and
- the approval of the amendment and restatement of the Company’s Amended and Restated Certificate of Incorporation to eliminate any supermajority voting requirements contained therein.

In addition, you are entitled to vote on any other matters that are properly brought before the Annual Meeting.

How do I vote?

You may vote by mail or follow any alternative voting procedure described on the proxy card or the Notice of Internet Availability of Proxy Materials. To use an alternative voting procedure, follow the instructions on each proxy card that you receive or on the Notice of Internet Availability of Proxy Materials.

For the election of directors, you may either vote “FOR” each of the three nominees or you may “Withhold” your vote for any nominee you specify. For the ratification of the selection of the Company’s independent auditors, the non-binding advisory vote to approve the compensation of our named executive officers for fiscal 2014 and the amendment and restatement of our current Amended and Restated Certificate of Incorporation, you may vote “FOR” or “AGAINST” or abstain from voting.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may (i) vote in person at the Annual Meeting, (ii) vote by proxy over the Internet, or (iii) if you properly request and receive a proxy card by mail or email, by signing, dating and returning the proxy card or by telephone. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. Even if you have submitted a proxy before the Annual Meeting, you may still attend the Annual Meeting and vote in person. In such case, your previously submitted proxy will be disregarded.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive. Please bring a valid form of identification, such as a valid driver's license or passport.

To vote by proxy over the Internet, follow the instructions provided in the Notice of Internet Availability of Proxy Materials or on the proxy card. The Internet voting procedures comply with Delaware law.

To vote by telephone, if you properly requested and received a proxy card by mail or email, you may vote by proxy by calling the toll free number found on the proxy card.

To vote by mail, if you properly requested and received a proxy card by mail or email, simply complete, sign and date the proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a voting instruction card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the voting instruction card to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent and present a valid form of identification. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

Who counts the votes?

Broadridge Financial Solutions, Inc. ("Broadridge") has been engaged as our independent agent to tabulate stockholder votes. If you are a stockholder of record, and you choose to vote over the Internet or by telephone, Broadridge will access and tabulate your vote electronically, and if you have requested and received proxy materials via mail or email and choose to sign and mail your proxy card, your executed proxy card is returned directly to Broadridge for tabulation. As noted above, if you hold your shares through a broker, your broker (or its agent for tabulating votes of shares held in "street name," as applicable) returns one proxy card to Broadridge on behalf of all its clients.

How are votes counted (i.e. What is the voting requirement to approve each of the proposals and how are abstentions and broker non-votes treated)?

The vote required and methods of calculation for the proposals to be considered at the Annual Meeting are as follows: Proposal No. 1 Election of directors. If a quorum is present, the nominees receiving the highest number of votes will be elected to the Board. You may vote either "for" or "withhold" your vote for the director nominees. A properly executed proxy marked "withhold" with respect to the election of the directors will not be voted with respect to the directors and will not affect the outcome of the election, although it will be counted for purposes of determining whether there is a quorum.

The nominees receiving the highest number of affirmative votes of the holders of shares of outstanding stock entitled to vote and present at the meeting, either in person or by proxy, will be elected as the Class I directors identified herein.

Proposal No. 2 Ratification of the appointment of Grant Thornton LLP. If a quorum is present, for the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for the 2015 fiscal year, the affirmative vote of a majority of the shares present, represented and entitled to vote on the item will be required for approval. You may vote "for," "against," or "abstain" from the voting on this proposal. If you abstain from voting on this matter, your shares will be counted as present and entitled to vote on the matter for purposes of establishing a quorum, and your abstention will have the same effect as a vote against this proposal.

Ratification of the selection of Grant Thornton requires the affirmative vote of a majority of the outstanding shares of our stock that are present in person or by proxy and entitled to vote at the Annual Meeting.

Proposal No. 3 Advisory vote to approve executive compensation. If a quorum is present, to vote to approve, on a non-binding advisory basis, the compensation of our named executive officers for the 2014 fiscal year, you may vote "for" or "against" or "abstain" from voting on this proposal. If you choose to "abstain" from voting the shares represented will be counted as present for the purpose of determining a quorum, and will have the effect of a vote "against" this proposal.

Proposal 3 requires the affirmative vote of a majority of the outstanding shares of our stock that are present in person or by proxy and entitled to vote at the Annual Meeting.

Proposal No. 4 Approval of the amendment and restatement of our Amended and Restated Certificate of Incorporation. To vote to approve the amendment and restatement of our current Amended and Restated Certificate of Incorporation to eliminate the supermajority voting requirements, you may vote “for” or “against” or “abstain” from voting when voting on this proposal. If you choose to “abstain” from voting the shares represented will be counted as present for the purpose of determining a quorum, and will have the effect of a vote “against” this proposal.

3

Under the existing supermajority vote provisions of our current Amended and Restated Certificate of Incorporation, Proposal 4 requires the affirmative vote of at least 66 2/3% of the outstanding shares of our capital stock that are entitled to vote.

If you vote your shares without providing specific instructions, your shares will be voted in accordance with the recommendations of the Board.

Brokers who hold shares for the accounts of their clients (that is, in “street name”) may vote such shares either as directed by their clients or in the absence of such direction, in their own discretion if permitted by the stock exchange or other organization of which they are members. If your shares are held by a broker on your behalf, and you do not instruct the broker as to how to vote these shares on Proposal No. 2, the broker may exercise its discretion to vote for or against that proposal in the absence of your instruction. With respect to Proposal Nos. 1, 3 or 4, the broker cannot exercise discretion to vote on those proposals. This would be a “broker non-vote” and these shares will not be counted as having been voted on the applicable proposal. “Broker non-votes” will be considered present at the Annual Meeting and will be counted towards determining whether or not a quorum is present. In order to minimize the number of broker non-votes, please instruct your bank or broker so your vote can be counted.

A summary of the voting provisions, provided a valid quorum is present or represented at the Annual Meeting, for the above matters is as follows:

Proposal No.	Vote	Director recommendation	Routine or Non-routine	Discretionary Voting by Broker Permitted?	Vote Required for Approval	Impact of Abstentions	Impact of Broker Non-votes (Uninstructed Shares)

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to rules adopted by the SEC, we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials to our stockholders of record as of the Record Date. All stockholders as of the Record Date will have the ability to access the proxy materials on the website referred to in the Notice of Internet Availability of Proxy Materials or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice of Internet Availability of Proxy Materials and on the website referred to in the notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of the Annual Meeting.

How do I vote via Internet or telephone?

You may vote by proxy via the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials or on the proxy card. If you properly request and receive printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the proxy card. Please be aware that if you vote over the Internet or by telephone, you may incur costs such as telephone and Internet access charges, as applicable, for which you will be responsible. The Internet and telephone voting facilities for eligible stockholders of record will close at 11:59 p.m. Eastern Time on June 16, 2015. The giving of such a telephonic or Internet proxy will not affect your right to vote in person should you decide to attend the Annual Meeting.

The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly.

What if I return a proxy card but do not make specific choices?

If we receive a signed and dated proxy card and the proxy card does not specify how your shares are to be voted, your shares will be voted "FOR" the election of each of the three nominees for director, "FOR" the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm, "FOR" the approval, on an advisory basis, of named executive officer compensation, and "FOR" the approval to amend and restate our Amended and Restated Certificate of Incorporation to eliminate supermajority voting requirements. If any other matter is properly presented at the Annual Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to mailing proxy materials, our directors, officers and employees may also solicit proxies in person, by telephone or by other means of communication. Directors, officers and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one set of materials?

If you receive more than one set of materials, your shares are registered in more than one name or are registered in different accounts. In order to vote all the shares you own, you must follow the instructions for voting on each Notice of Internet Availability of Proxy Materials or proxy card that you receive by mail or email pursuant to your request, which include voting over the Internet, by telephone or by signing, dating and returning any of such proxy cards.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

• You may submit another properly completed proxy over the Internet, by telephone or by mail with a later date.

• You may send a written notice that you are revoking your proxy to our Secretary at Ellie Mae, Inc., 4420 Rosewood Drive, Suite 500, Pleasanton, California 94588.

• You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy. See page 2 of this Proxy Statement under the caption "Stockholder of Record: Shares Registered in Your Name" for additional information.

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by them.

5

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in our proxy materials for next year's annual meeting in accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), your proposal must be submitted in writing by December 25, 2015, to our Secretary at Ellie Mae, Inc., 4420 Rosewood Drive, Suite 500, Pleasanton, California 94588 and must otherwise comply with the requirements of Rule 14a-8 of the Exchange Act.

In addition, our Bylaws establish an advance notice procedure for stockholders who wish to present certain matters before an annual meeting of stockholders without including those matters in the Company's proxy statement. Such proposals, including the information required by our Bylaws, must be received by our Secretary not later than March 19, 2016 and no earlier than February 18, 2016.

If the date of the 2016 annual meeting of stockholders is moved more than 30 days before or 60 days after the anniversary of the Annual Meeting, you must give notice not earlier than the 120th day prior to the annual meeting date and not later than the 90th day prior to the annual meeting date or, if later, the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure of the annual meeting date is first made. A stockholders notice to the Company must set forth, as to each matter the stockholder proposes to bring before an annual meeting, the information required by our Bylaws. Our Bylaws have been publicly filed with the SEC.

If you fail to give notice of a stockholder proposal as required by our Bylaws or other applicable requirements, then the proposal will not be included in the proxy statement for our 2016 annual meeting of stockholders and you will not be permitted to present the proposal to the stockholders for a vote at our 2016 annual meeting of stockholders. For information about director nominations by our stockholders, see "Stockholder Recommendations and Nominations for Membership on our Board of Directors" below.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if the holders of a majority in voting power of the shares of common stock issued and outstanding and entitled to vote are present in person or represented by proxy at the Annual Meeting. On the Record Date, there were 29,397,215 shares outstanding and entitled to vote. Accordingly, 14,698,608 shares must be represented by stockholders present at the Annual Meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, either the chairperson of the Annual Meeting or a majority in voting power of the stockholders entitled to vote at the Annual Meeting, present in person or represented by proxy, may adjourn the Annual Meeting to another time or place.

How can I find out the results of the voting at the Annual Meeting?

Voting results will be announced by the filing of a Current Report on Form 8-K within four business days after the Annual Meeting. If final voting results are unavailable at that time, we will file an amended Current Report on Form 8-K within four business days of the day the final results are available.

What is householding?

Householding is a procedure approved by the SEC that provides for the delivery of only one copy of our proxy materials to stockholders residing at the same address, unless the stockholders have notified us of their desire to receive multiple copies. This procedure is known as "householding" and is intended to reduce our printing costs and postage fees.

Stockholders who participate in householding will continue to receive separate proxy cards or Notices of Internet Availability.

We will promptly deliver, upon request, separate copies of the proxy statement and annual report to any stockholder residing at an address at which only one copy was mailed. And we will remove your name from the householding program within 30 days of receiving your request. Requests should be addressed to Investor Relations at our principal executive offices. If you are eligible for householding, but you and other stockholders of record currently receive multiple copies of these proxy materials, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact Broadridge, either by calling toll-free at: 1 800 542-1061, or by writing to Broadridge, Householding Department, 51 Mercedes Way, Edgewood, NY 11717.

Edgar Filing: ELLIE MAE INC - Form DEF 14A

If you are a beneficial stockholder and own your shares through a bank or broker, please contact your bank or broker to request additional copies, or you may contact Broadridge, either by calling toll-free at: 1 800 542-1061, or by writing to Broadridge, Householding Department, 51 Mercedes Way, Edgewood, NY 11717.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company's Amended and Restated Certificate of Incorporation provides that the Board shall be divided into three classes, with the directors in each class having a three-year term. Unless the Board determines that vacancies (including vacancies created by increases in the number of directors) shall be filled by the stockholders, and except as otherwise provided by law, vacancies on the Board may be filled only by the affirmative vote of a majority of the remaining directors. A director elected by the Board to fill a vacancy (including a vacancy created by an increase in the number of directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified.

The Board currently consists of eleven directors, divided into the following three classes:

• Class I directors: Sigmund Anderman, Alan S. Henricks and Bernard M. Notas, whose current terms will expire at the Annual Meeting;

• Class II directors: Carl Buccellato, A. Barr Dolan, Frank Schultz and Marina Levinson, whose current terms will expire at the annual meeting of stockholders to be held in 2016; and

• Class III directors: Jonathan Corr, Craig Davis, Robert J. Levin and Jeb S. Spencer, whose current terms will expire at the annual meeting of stockholders to be held in 2017.

At each annual meeting of stockholders, the successors to directors whose terms will then expire will be elected to serve from the time of election and qualification until the third subsequent annual meeting of stockholders.

The terms of Messrs. Henricks and Notas will end as of the Annual Meeting. On March 23, 2015, our Board redesignated Mr. Schultz from a Class II director into a Class I director, and Mr. Davis from a Class III director into a Class I director, effective as of the Annual Meeting. Our Board also appointed Mr. Buccellato to the compensation committee effective March 27, 2015, and appointed Mr. Davis to the audit committee and Mr. Schultz to the technology committee effective following the Annual Meeting. After the Annual Meeting, the Board will consist of nine directors, with two vacancies in Classes II and III, to be filled by the affirmative vote of a majority of the directors then in office.

Messrs. Anderman, Davis and Schultz have been nominated to serve as Class I directors and have each agreed to stand for election. Each director to be elected will hold office from the date of their election by the stockholders until the third subsequent annual meeting of stockholders or until his successor is elected and has been qualified, or until such director's earlier death, resignation or removal.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the three nominees named below. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as the Board may propose. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. Directors are elected by a plurality of the votes cast at the meeting.

Independence of the Board of Directors

As required under the rules and regulations of the New York Stock Exchange (the "NYSE"), a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the Board. The Board consults with the Company's counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of the NYSE, as in effect from time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent registered public accounting firm, the Board has affirmatively determined that Messrs. Buccellato, Davis, Dolan, Levin and Schultz, and Ms. Levinson are independent directors within the meaning of the applicable NYSE listing standards.

As required under the NYSE rules and regulations, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present. Each of our audit committee, compensation committee, and nominating and corporate governance committee is composed entirely of directors determined by the Board to be independent within the meaning of the NYSE rules and regulations.

Information Regarding the Board of Directors and its Committees

Board Responsibilities; Risk Oversight

The Board is responsible for, among other things, overseeing the conduct of our business; reviewing and, where appropriate, approving our major financial objectives, plans and actions; and reviewing the performance of our chief executive officer and other members of management based on reports from the compensation committee. Following the end of each year, the Board conducts a self-evaluation, which includes a review of any areas in which the Board or management believes the Board can make a better contribution to our corporate governance, as well as a review of the committee structure and an assessment of the Board's compliance with corporate governance principles. In fulfilling the Board's responsibilities, directors have full access to our management and independent advisors. With respect to the Board's role in our risk oversight, the audit committee discusses with management our policies with respect to risk assessment and risk management and our significant financial risk exposures and the actions management has taken to limit, monitor or control such exposures. The audit committee reports to the full Board with respect to these matters, among others.

Board Leadership

Chairman

Mr. Anderman currently serves as our chairman of the Board and holds the title of executive chairman. Mr. Corr serves as our chief executive officer. The Board has not adopted a specific policy on whether the same person should serve as both the chief executive officer and chairman of the Board or, if the roles are separate, whether the chairman should be selected from the non-employee directors or should be an employee. The Board believes it is appropriate to retain the discretion and flexibility to make these determinations from time to time as needed to provide appropriate leadership for the Company. At this time, the Board believes that it has achieved the best Board leadership structure for the Company and our stockholders by appointing Mr. Anderman as our executive chairman and Mr. Corr as our chief executive officer.

to the chairman of the Board when appropriate, serves as a liaison between the chairman and the other directors, approves information sent to the Board, collaborates with the chairman of the Board to set meeting agendas and Board information, assists the chairs of the committees of the Board as requested, is available for consultation and direct communication with major stockholders upon request and performs such other functions and responsibilities as set forth in the our corporate governance guidelines or as requested by the Board or the independent directors from time to time. The lead independent director also has the authority to call additional executive

sessions of the independent directors and to encourage direct dialogue between all directors and management, set the agenda for executive sessions of the Board and independent directors and to retain outside advisors and consultants that will report directly to the Board on board-wide issues. In performing the duties described above, the lead independent director is expected to consult with the chairs of the appropriate Board committees. The lead independent director may not also serve as the chair of the nominating and corporate governance committee.

Accordingly, assuming that the annual meeting of our stockholders to be held in 2016 occurs within 30 days before or 60 days after the first anniversary date of the Annual Meeting, any such notice of a nomination delivered by or on behalf of a stockholder pursuant to Section 2.5 of our Bylaws must be received no earlier than February 18, 2016 and no later than March 19, 2016.

As set forth in our Bylaws, submissions must include the name and address of the proposed nominee, information regarding the proposed nominee that is required to be disclosed in a proxy statement or other filings in a contested election pursuant to Section 14(a) under the Exchange Act, information regarding the proposed nominee's indirect and direct interests in shares of the Company's common stock, and a completed and signed questionnaire, representation and agreement of the proposed nominee. Our Bylaws also specify further requirements as to the form and content of a

stockholder's notice. We recommend that any stockholder wishing to make a nomination for director review a copy of our Bylaws, as amended and restated to date, which is available, without charge, from our Secretary, at Ellie Mae, Inc., 4420 Rosewood Drive, Suite 500, Pleasanton, California 94588.

Director Qualifications

Our corporate governance guidelines contain membership criteria that apply to nominees for election to our Board. In recommending candidates for election to the Board, the independent members of the nominating and corporate governance committee may consider the following criteria, among others the nominating and corporate governance committee shall deem appropriate: diversity of personal and professional background, perspective and experience; personal and professional integrity, ethics and values; experience in corporate management, operations or finance, such as serving as an officer or former officer of a publicly held company and a general understanding of marketing, finance and other elements relevant to the success of a publicly-traded company in today's business environment; experience in the Company's industry and with relevant social policy concerns; experience as a board member or executive officer of another publicly held company; academic expertise in an area of the Company's operations; practical and mature business judgment, including ability to make independent analytical inquiries; diversity of business or career experience relevant to the success of the Company; and any other relevant qualifications, attributes or skills. The Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas.

The Board considers a number of factors in its evaluation of diversity, including geography, age, and ethnicity. As indicated above, diversity is one factor among many that the Board considers when evaluating director candidates. The nominating and corporate governance committee monitors its assessment of diversity as part of its annual self-evaluation process. The nominating and corporate governance committee will reassess the qualifications of a director, including the director's attendance, involvement at Board and committee meetings and contribution to Board diversity, prior to recommending a director for re-election. Nominees will be screened to ensure each candidate has qualifications which complement the overall core competencies of the Board. The screening process for new nominees includes conducting a background investigation and an independence determination.

Compensation Committee Interlocks and Insider Participation

During 2014, the compensation committee was composed of Craig Davis, A. Barr Dolan and Bernard M. Notas, with Mr. Notas serving as the chairman of the committee. None of the members of the compensation committee is or has at any time during last year been an officer or employee of ours or was formerly an officer of ours. None of our executive officers currently serves or in the last year has served as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on the Board or compensation committee.

Risk Assessment and Compensation Practices

Our management assesses and discusses with the compensation committee our compensation policies and practices for our employees as they relate to our risk management and, based upon this assessment, we believe that any risks arising from such policies and practices are not reasonably likely to have a material adverse effect on us in the future. Our employees' base salaries are fixed in amount and thus we do not believe that they encourage excessive risk-taking. While performance-based cash bonuses and sales commissions focus on achievement of short-term or annual goals, which may encourage the taking of short-term risks at the expense of long-term results, we believe that our compensation policies help mitigate this risk and our performance-based cash bonuses and sales commissions are limited, representing a small portion of the total compensation opportunities available to most employees. We also believe that our performance-based cash bonuses and sales commissions appropriately balance risk and the desire to focus our employees on specific short-term goals important to our success, and do not encourage unnecessary or excessive risk-taking.

A significant proportion of the compensation provided to our employees is in the form of long-term equity-based incentives that we believe are important to help further align our employees' interests with those of our stockholders. We do not believe that these equity-based incentives encourage unnecessary or excessive risk taking because vesting schedules are staggered and their ultimate value is tied to our stock price.

This Proxy Statement, including the preceding paragraphs, contains forward-looking statements. We have based these forward-looking statements largely on our current expectations and projections about future events. Forward-looking statements contained in this Proxy Statement should be considered in light of the many uncertainties that affect our business and specifically those factors discussed from time to time in our public reports filed with the SEC, such as

those discussed under the heading, “Risk Factors,” in our most recent Annual Report on Form 10-K, and as may be updated in subsequent SEC filings.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of the Board has engaged Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2015, and is seeking ratification of such selection by our stockholders at the Annual Meeting. Grant Thornton LLP has audited our financial statements since the year ended December 31, 2002. Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or applicable law require stockholder ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm. However, the audit committee is submitting the selection of Grant Thornton LLP to our stockholders for ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection, the audit committee will reconsider whether or not to retain Grant Thornton LLP. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and our stockholders.

To be approved, the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm must receive a "FOR" vote from the holders of a majority in voting power of the shares of common stock which are present in person or represented by proxy and entitled to vote on the proposal. Abstentions and broker non-votes will be counted towards a quorum. Abstentions will have the same effect as an "AGAINST" vote for purposes of determining whether this matter has been approved. Broker non-votes will have no effect on the outcome of this proposal.

Pre-Approval Policies and Procedures

The audit committee pre-approves all audit and non-audit services provided by its independent registered public accounting firm. This policy is set forth in the charter of the audit committee and available at <http://www.elliemae.com/about/investor-relations/corporate-governance>.

The audit committee approved all audit and tax consulting services provided by Grant Thornton LLP for 2014 and 2013 and the estimated costs of those services. Actual amounts billed, to the extent in excess of the estimated amounts, were periodically reviewed and approved by the audit committee.

The audit committee considered whether the non-audit services rendered by Grant Thornton LLP were compatible with maintaining Grant Thornton LLP's independence and concluded that they were so compatible.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF GRANT THORNTON LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2015.

PROPOSAL NO. 3

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act, the Company is providing stockholders with an advisory (non-binding) vote to approve compensation programs for our named executive officers (sometimes referred to as “say on pay”).

Accordingly, you may vote on the following resolution at the Annual Meeting:

“Resolved, that the stockholders approve, on a non-binding advisory basis, the compensation of the named executive officers, as disclosed in this Proxy Statement, pursuant to the compensation disclosure rules of the Securities and Exchange Commission including the Compensation Discussion and Analysis, the accompanying compensation tables and the related narrative disclosure that accompany the compensation tables.”

To be approved, this proposal must receive a “FOR” vote from the holders of a majority in voting power of the shares of common stock which are present in person or represented by proxy and entitled to vote on the proposal. Abstentions and broker non-votes will be counted towards a quorum. Abstentions will have the same effect as an “AGAINST” vote for purposes of determining whether this matter has been approved. Broker non-votes will have no effect on the outcome of this proposal.

This vote is nonbinding. The Board and the compensation committee, which is composed of independent directors, expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results. Consistent with the stated preference of a majority of our stockholders, the Board and the compensation committee determined that we will hold a say on pay vote every year. Unless the Board and the compensation committee modify their policy on the frequency of future say on pay votes, the next say on pay vote will be held at the 2016 annual meeting of stockholders.

As described in detail under “Compensation Discussion and Analysis,” our compensation programs are designed to motivate our executives to create a successful company. Our philosophy is to make a significant percentage of an executive officer’s compensation tied to stockholder returns and to keep cash compensation to a competitive level while providing the opportunity to be well-rewarded through equity if we perform well over time. We believe that our compensation program, with its balance of short-term incentives (including performance bonuses) and long-term incentives (including equity awards), rewards sustained performance that is aligned with long-term stockholder interests. Stockholders are encouraged to read the Compensation Discussion and Analysis, the accompanying compensation tables and the related narrative disclosure.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THE COMPENSATION DISCUSSION AND ANALYSIS, THE ACCOMPANYING COMPENSATION TABLES AND THE RELATED NARRATIVE DISCLOSURE INCLUDED IN THIS PROXY STATEMENT.

PROPOSAL NO. 4

APPROVAL OF AMENDMENTS TO OUR CERTIFICATE OF INCORPORATION TO ELIMINATE SUPERMAJORITY VOTING PROVISIONS

We are proposing amendments to our current Amended and Restated Certificate of Incorporation to eliminate the supermajority voting provisions contained therein.

Background

At our 2014 annual meeting of stockholders, approximately 90% of our stockholders supported and approved a proposal to direct the Board to take steps necessary to eliminate the supermajority voting provisions contained in our current Amended and Restated Certificate of Incorporation and Bylaws. As a result, the Board evaluated the voting requirements imposed by our Amended and Restated Certificate of Incorporation and Bylaws and the Board believes that the proposed “majority of outstanding shares” voting requirement which will replace the current supermajority voting requirement will continue to provide protection against proposals that are harmful to the stockholders. The Board believes that a “majority of outstanding shares” standard is a balanced outcome that responds to stockholder feedback while appropriately maintaining the Company’s defensive posture against hostile takeovers.

For these reasons and in light of the strong stockholder support of this proposal at the 2014 annual meeting of stockholders, and based on the Board’s evaluation of our corporate governance practices and the best interests of the Company and its stockholders, we are asking our stockholders to approve amendments to our Amended and Restated Certificate of Incorporation to eliminate the supermajority voting provisions contained therein. The Board approved and recommends that our stockholders approve the proposed amendments to our current Amended and Restated Certificate of Incorporation as set out below and in Appendix A.

Proposed Amendments to our Current Amended and Restated Certificate of Incorporation

Approval of this Proposal 4 will result in the following changes to our current Amended and Restated Certificate of Incorporation:

Directors and Powers. Article V, Paragraph B(1) will provide that the Company’s Certificate of Incorporation or Bylaws may be rescinded, altered, amended or repealed in any respect by the affirmative vote of the holders of at least a majority of the voting power of all of the then-outstanding shares of the Voting Stock.

Amendments to Certificate of Incorporation. Article VIII will provide that the affirmative vote of the holders of at least a majority of the voting power of all of the then-outstanding shares of the Voting Stock, voting together as a single class, shall be required to alter, amend or repeal any or all of Section B of Article IV (Terms of the Preferred Stock), Article V (Directors and Powers), Article VII (Limitation of Liability and Indemnification) or this Article VIII (Amendment to the Certificate of Incorporation).

The summary of the proposed amendments to Article V, Paragraph B(1) and VIII of our current Amended and Restated Certificate of Incorporation set forth above is qualified in its entirety by the Second Amended and Restated Certificate of Incorporation, which shows the text of the proposed amendments, which is attached as Appendix A to this Proxy Statement. Text that will be deleted is stricken through and additions to text are indicated by underlining as shown in Appendix A.

The approval of the proposed amendments to our current Amended and Restated Certificate of Incorporation requires the affirmative vote of the holders of at least 66 2/3% of the shares of our capital stock issued and outstanding and entitled to vote. If this proposal is approved by our stockholders, we intend to promptly file the Second Amended and Restated Certificate of Incorporation with the State of Delaware. Our Amended and Restated Bylaws reflecting the elimination of supermajority voting provisions was approved by our Board and became effective as of July 11, 2014. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL TO ADOPT THE COMPANY’S SECOND AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO ELIMINATE ALL SUPERMAJORITY VOTING PROVISIONS.**

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers and persons who own more than 10% of a registered class of the Company's equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 31, 2014, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% stockholders were complied with except that Mr. Luce filed a late Form 4 on one occasion but a Form 4 was subsequently filed and all transactions are reflected in this Proxy Statement.

DIRECTOR COMPENSATION

Our non-employee director compensation policy currently provides that each non-employee director receives an annual cash retainer of \$32,000. Our lead independent director receives an additional annual cash retainer of \$15,000. In addition, all non-employee directors who serve on one or more committees are eligible to receive the following annual committee fees:

Committee	Chair	Other Member
Audit committee	\$15,000	\$9,000
Compensation committee	12,000	7,200
Nominating and corporate governance committee	7,500	4,500
Mergers and acquisitions committee	9,000	5,400
Technology committee(1)	10,000	6,000

Since the technology committee was formed on December 19, 2014, the technology committee fees were prorated (1) with the chair of the technology committee receiving \$346.15 and the members of the technology committee (other than the chair) receiving \$207.69 for their service on the committee in 2014.

Based upon a recommendation by the compensation committee, on March 23, 2015, the Board approved certain increases to the non-employee director compensation policy to take effect immediately after the Annual Meeting, increasing the annual cash retainer for each member of our audit committee to \$12,000, or \$20,000 in the case of the chairman of the audit committee, as well as increasing the annual cash retainer paid to our lead independent director to \$20,000. Each non-employee director will continue to receive an annual cash retainer of \$32,000. All non-employee directors who serve on one or more committees will be eligible to receive the following revised annual committee fees:

Committee	Chair	Other Member
Audit committee	\$20,000	\$12,000

Technology committee	10,000	6,000

Other than the annual retainers and committee fees described above, non-employee directors are not entitled to receive any cash fees in connection with their service on our Board. However, any newly elected or appointed non-employee directors are entitled to receive an option to purchase restricted stock units equal to \$150,000, plus a pro-rata portion of the annual stock option and restricted stock grant described below based on when the director joins our Board relative to the date of the previous year's annual meeting, upon initial election or appointment to the Board. In addition, our non-employee directors are entitled to receive both an option to purchase shares of our common stock with a \$100,000 value based on the Black-Scholes option pricing model and restricted stock units with a \$100,000 value automatically immediately after each annual meeting of stockholders. Options granted to non-employee directors will have a per share exercise price equal to the closing trading price of our common stock as of the date of

grant. The initial restricted stock unit grant will vest 1/3rd on each anniversary of the date of grant over three years from the date of grant. The initial pro-rata portion of the annual stock option grant will vest in equal monthly installments until the date of the next annual meeting of stockholders, and the initial pro-rata portion of the annual restrict stock grant vests in full on the date of the next annual meeting of stockholders. Subsequent annual option grants

will vest in equal monthly installments over one year from the date of grant and subsequent annual restricted stock unit grants will vest 100% on the first anniversary of the date of grant. Our directors who are employees are compensated for their service as employees and do not receive any additional compensation for their service on the Board.

The following table sets forth information concerning the compensation paid or accrued for services rendered to us in all capacities by our non-employee directors during the fiscal year ended December 31, 2014.

COMPENSATION DISCUSSION AND ANALYSIS

This section discusses the principles underlying our policies and decisions with respect to the compensation of our executive officers who are named in the “2014 Summary Compensation Table” and the material factors relevant to an analysis of these policies and decisions. Our named executive officers for 2014 were as follows: Sigmund Anderman, chief executive officer; Edgar Luce, executive vice president and chief financial officer; Jonathan Corr, president and chief operating officer; Limin Hu, executive vice president and chief technology officer; and Elisa Lee, executive vice president and general counsel. Ms. Lee resigned from the Company effective September 2, 2014. Effective January 5, 2015, Mr. Anderman became our executive chairman and Jonathan Corr became our president and chief executive officer. However, as the disclosure in this section relates to fiscal year 2014, we refer to Mr. Anderman as our chief executive officer and Mr. Corr as our president and chief operating officer.

Good Governance and Best Practices

We endeavor to maintain sound governance standards consistent with our executive compensation policies and practices. The compensation committee evaluates our executive compensation program on a regular basis to ensure that it is consistent with our short-term and long-term goals given the dynamic nature of our business and the market in which we compete for executive talent. The following policies and practices were in effect during fiscal 2014:

Independent Compensation Committee. The compensation committee is comprised solely of independent directors.

Independent Compensation Committee Advisors. The compensation committee engaged its own compensation consultant, Compensia, Inc. (“Compensia”), to assist with its fiscal 2014 compensation reviews. Compensia performed no other consulting or other services for us.

Annual Executive Compensation Review. The compensation committee conducts an annual review and approval of our compensation strategy, including a review of our compensation peer group used for comparative purposes and a review of our compensation-related risk profile to ensure that our compensation-related risks are not reasonably likely to have a material adverse effect on our Company.

Executive Compensation Policies and Practices. Our compensation philosophy and related corporate governance policies and practices are complemented by several specific compensation practices that are designed to align our executive compensation with long-term stockholder interests, including the following:

Compensation At-Risk. Our executive compensation program is designed so that a significant portion of compensation is “at risk” based on corporate performance, as well as equity-based to align the interests of our executive officers and stockholders;

No Post-Employment Tax Reimbursements. We do not provide any tax reimbursement payments (including “gross-ups”) on any severance or change-in-control payments or benefits;

“Double-Trigger” Change-in-Control Arrangements. All change-in-control payments and benefits are based on a “double-trigger” arrangement (that is, they require both a change-in-control of the Company plus a qualifying termination of employment before payments and benefits are paid);

Performance-Based Incentives. We use performance-based short- and long-term incentives;

Multi-Year Vesting Requirements. The equity awards granted to our named executive officers vest or are earned over multi-year periods, consistent with current market practice and our retention objectives;

No Retirement Plans. We do not currently offer, nor do we have plans to provide, pension arrangements, retirement plans or nonqualified deferred compensation plans or arrangements to our named executive officers other than the plans available to all employees;

Limited Perquisites. We provide limited perquisites or other personal benefits to our named executive officers;

No Tax Reimbursements. We do not provide any tax reimbursement payments (including “gross-ups”) on any perquisites or other personal benefits, other than standard relocation benefits;

No Special Health or Welfare Benefits. Our named executive officers participate in broad-based Company-sponsored health and welfare benefits programs on the same basis as our other full-time, salaried employees;

Pledging Prohibited. Our named executive officers and Board members are prohibited from pledging our common stock as collateral to secure loans and our executive officers and Board members may not

purchase put and call options or engage in any other hedging transactions through Rule 10b5-1 trading plans.

Succession Planning. We review the risks associated with key executive officer positions to ensure adequate succession plans are in place; and

Compensation Risk. The compensation committee regularly reviews our compensation plans for risk. The compensation committee has determined the Company's compensation programs do not create inappropriate or excessive risk that is likely to have a material adverse effect on the Company.

Objectives and Philosophy of Our Executive Compensation Program

We recognize that our ability to excel depends on the integrity, knowledge, imagination, skill, diversity and teamwork of our named executive officers. To this end, we strive to create an environment of mutual respect, encouragement and teamwork that rewards commitment and performance and that is responsive to the needs of our named executive officers. The principles and objectives of our compensation and benefits programs for our employees generally, and for our named executive officers specifically, are to:

- attract, engage and retain individuals of superior ability, experience and managerial talent enabling us to be an employer of choice in the highly-competitive and dynamic information technology industry;

- ensure compensation is closely aligned with our corporate strategies, business and financial objectives and the long-term interests of our stockholders;

- motivate and reward executives whose knowledge, skills and performance ensure our continued success;

- ensure that the elements of compensation, individually and in the aggregate, do not encourage excessive risk-taking; and

- ensure that total compensation is fair, reasonable and competitive.

The compensation components described below simultaneously fulfill one or more of these principles and objectives.

Components of Our Executive Compensation Program

The individual components of our executive compensation program consist primarily of (i) base salary, (ii) performance-based bonuses, (iii) equity incentives, (iv) retirement savings opportunities, (v) post-termination benefits and (vi) various other employee benefits. We view each of these components as related but distinct, reviewing them each individually, as well as collectively to ensure that the total compensation paid to our named executive officers meets the objectives of our executive compensation program as detailed above. Not all compensation components are provided to each named executive officer. Instead, we determine the appropriate level for each compensation component based in part, but not exclusively, on our understanding of the market in which we compete for talent based on the experience of members of the Board, the length of service of our named executive officers, internal parity of the compensation between our executives, the criticality of the executive for our business, the marketability of the executive in the market, our overall performance and other considerations we deem relevant. The compensation committee endeavors to make compensation decisions that are consistent with our recruiting and retention goals. We review each compensation component for internal parity and consistency between named executive officers with similar levels of responsibility.

We strive to achieve an appropriate mix between equity incentive awards and cash payments in order to meet our objectives. We do not currently have any policies for allocating compensation between short- and long-term compensation or cash and non-cash. While we utilize both short- and long-term compensation components, our strategy with respect to the compensation of our named executive officers is to tie a greater percentage of their total compensation to performance-based compensation, which we achieve through the use of annual bonuses and equity incentives. Base salaries paid to our named executive officers are kept at a competitive level, as determined by members of the compensation committee and other members of the Board based on their experience and their review of market data, with the opportunity for each named executive officer to achieve higher total compensation through bonuses and equity incentives if we perform well over time. We emphasize equity compensation because we believe that because the achievement of our business and financial objectives will be reflected in the value of our equity, thereby increasing stockholder value, our named executive officers will be incentivized to achieve these objectives when a larger percentage of their total compensation is tied to the value of our stock. In order to accomplish these goals, we use stock options, restricted stock units and performance shares ("Performance Shares") as a significant component of compensation. While we offer competitive base salaries, we believe bonuses and stock-based

compensation are significant motivators in retaining and rewarding employees for technology companies. Each of the individual components of our named executive officers' compensation is discussed in more detail below. While we have identified particular compensation objectives that each component of our named executive officers' compensation serves, our compensation programs are designed to be flexible and complementary and to collectively serve all

25

of the compensation objectives described above. Accordingly, whether or not specifically mentioned below, we believe that, as a part of our overall executive compensation policy, each individual element, to a greater or lesser extent, serves each of our objectives.

Compensation Determination Process

Compensation of our named executive officers has historically been highly individualized, resulting from independent negotiations between us and the chief executive officer, on behalf of such individuals, and based on a variety of informal factors considered at the time of the applicable compensation decisions including, in addition to the factors listed above:

- our financial condition and available resources;
- the need for a particular position to be filled;
- the competitive market;
- the length of service of the named executive officer; and
- comparisons to the compensation levels of our other executives.

Our chief executive officer, and, in the case of our chief executive officer, the Board, typically reviews the performance of each of our named executive officers on an annual basis, though we do not set a predetermined time for such review. Our chief executive officer, based on his experience and his review of our executives' performance, recommends compensation levels for our named executive officers, other than himself, to the compensation committee for approval. With respect to compensation levels for our chief executive officer, the compensation committee makes recommendations to the Board for approval.

The compensation committee engages Compensia, an independent compensation consulting firm with substantial experience in the technology sector, to evaluate our levels and types of executive compensation and to recommend changes from time to time as appropriate.

On an annual basis, Compensia recommends to the compensation committee for approval a peer group of companies determined based on an analysis of companies in our industry and their relative revenue and market capitalization to be used in evaluating our compensation levels. This peer group is revised as necessary and is comprised of companies in the software and internet software services industry with revenue and market capitalization that we believe reflects the competitive market we will face as a high growth public company. In December 2013, Compensia updated the peer group by adding certain companies that had recently completed their initial public offerings and removing companies included as part of the peer group for fiscal year 2013 that were acquired by other companies. The peer group recommended by Compensia and approved by our compensation committee for purposes of evaluating compensation for fiscal year 2014 was comprised of the following companies:

American Software	Angie's List	Bazaarvoice
Cornerstone OnDemand	Demandware	Financial Engines
Guidance Software	Jive Software	Live Person
LogMeIn	Marketo	Open Table
Sci Quest	SPS Commerce	Tangoe
Trulia	Vocus	Yelp

In addition to the peer group, the compensation committee reviews broader market data from the Radford survey. The Radford survey data consists of survey information from a broad set of technology companies with revenues similar to ours. The Radford survey data was incorporated into the Compensia market study provided to the compensation committee. Together we refer to the peer and Radford data as the market data. Depending on the position, the committee may favor one set of data or the other or look at a blend based on the robustness of the data source and the closeness of the market data to the responsibilities and duties of the executive.

Base Salaries

In general, base salaries for our named executive officers were initially established through arm's-length negotiation at the time a named executive officer was hired, taking into account such named executive officer's qualifications, experience and salary prior to joining the Company. We strive to maintain base salaries for our named executive officers that are competitive, while remaining cost-effective.

Periodic adjustments to the base salaries of our named executive officers are based on the level of each executive's responsibilities, individual contribution, prior experience and sustained performance. Decisions regarding salary increases may

26

take into account the executive's current salary and equity ownership, and the salaries paid to the executive's peers within the Company. Base salaries are typically reviewed as part of the promotion process or upon other significant changes in responsibility.

In determining 2014 base salaries for our executives, Compensia provided updated market data showing base salaries for similarly situated executives at the 25th, 50th, 60th and 75th percentiles. In evaluating the market data provided by Compensia, the weight the compensation committee gave to the market data varied by executive based on how closely the executive's position and responsibilities appeared to match those for the position the executive was matched against in the market data. The compensation committee and the Board referred to this market data and its own experience in setting 2014 compensation levels for our executive officers in order to confirm that their decisions were competitive and reasonable. Following its review, the compensation committee determined to increase only our general counsel's salary to \$275,000, which the compensation committee determined was warranted to provide her with a market-competitive salary reflective of her performance and to align her compensation more closely with our other named executive officers. Base salaries for fiscal year 2014 were as follows:

Name and Principal Position	New Base Salary	Increase Over Prior Year
Sigmund Anderman, Chief Executive Officer	\$410,000	0%
Jonathan Corr, President and Chief Operating Officer	310,000	0
Edgar Luce, EVP & Chief Financial Officer	280,000	0
Limin Hu, EVP & Chief Technology Officer	270,000	0
Elisa Lee, EVP & General Counsel	275,000	5.8

The actual base salaries paid to all of our named executive officers during fiscal year 2014 are set forth in the "2014 Summary Compensation Table."

Annual Cash Bonuses

In addition to base salaries, annual performance-based cash bonus opportunities have been awarded to our named executive officers when the compensation committee, upon the recommendation of our chief executive officer (other than with respect to his own annual cash bonus opportunity), and the Board, upon recommendation of the compensation committee on the annual cash bonus for our chief executive officer, have determined that such an incentive is necessary to align our corporate goals with the cash compensation payable to an executive. Historically, annual cash bonus opportunities have been awarded to each of our named executive officers.

In January 2014, the compensation committee reviewed the executive cash bonus opportunities for fiscal year 2014 against the market data, and determined that it would keep cash target bonuses for our executives as a percentage of their base salaries at the same levels as in 2013. In approving the cash bonus targets, the compensation committee considered the market data to understand how the target bonuses and the target total cash compensation compared to market, but they did not target a specific market percentile in establishing the target bonuses for the executive officers. Following these approvals, the 2014 cash target bonus eligibility for Messrs. Anderman, Corr, Luce and Hu and Ms. Lee were as follows:

Name and Principal Position	Old Target Bonus Percentage	New Target Bonus Percentage	Change From Prior Year
Sigmund Anderman, Chief Executive Officer	100%	100%	0%
Jonathan Corr, President and Chief Operating Officer	100	100	0
Edgar Luce, EVP & Chief Financial Officer	60	60	0
Limin Hu, EVP & Chief Technology Officer	60	60	0
Elisa Lee, EVP & General Counsel	50	50	0

Name and Principal Position	Old Target Bonus Amount (\$)	New Target Bonus Amount (\$)	Change From Prior Year
Sigmund Anderman, Chief Executive Officer	\$410,000	\$410,000	0%
Jonathan Corr, President and Chief Operating Officer	310,000	310,000	0
Edgar Luce, EVP & Chief Financial Officer	168,000	168,000	0
Limin Hu, EVP & Chief Technology Officer	162,000	162,000	0
Elisa Lee, EVP & General Counsel	130,000	137,500	5.8

Under their bonus arrangements, Messrs. Anderman, Corr, Luce and Hu and Ms. Lee were entitled to receive these amounts if bonus goals were achieved at target. The bonus amounts payable to the named executive officers were to be determined shortly after the end of the calendar year. The compensation committee and, with respect to our chief executive officer, the Board, retain complete discretion over whether any additional compensation is paid to the executives if bonus goals are achieved at a level greater than target and the amount of any such compensation, which does not have to correlate to the amount of overachievement, subject to a maximum bonus amount of 250% of target. The compensation committee and, with respect to our chief executive officer, the Board, also retain complete discretion over whether any compensation under the bonus program will be paid to the executives in the event the bonus goals are not achieved at target and the amount of any such compensation.

The goals for Messrs. Anderman, Corr, Luce and Hu and Ms. Lee were based on the Company's overall performance, measured in terms of achieving revenue and EBITDASC as a percentage of revenue (EBITDASC defined as earnings before interest, taxes, depreciation, amortization and stock compensation expense) in 2014 of at least \$154 million and 20%, respectively, increasing the Company's market share by adding at least 9,500 net new contracted SaaS Encompass users, and maintaining a customer satisfaction score of greater than 19, as well as individual performance measures. The customer satisfaction score is derived from analysis performed by an independent third-party. The weighting of the corporate and individual performance varies by executive as follows:

Name and Principal Position	Corporate Performance (% of total)	Individual Performance (%) of total)
Sigmund Anderman, Chief Executive Officer	80%	20%
Jonathan Corr, President and Chief Operating Officer	80	20
Edgar Luce, EVP & Chief Financial Officer	60	40
Limin Hu, EVP & Chief Technology Officer	50	50
Elisa Lee, EVP & General Counsel	50	50

Mr. Anderman's individual performance measures included setting overall corporate vision, direction and strategy, developing an annual business plan, managing executive staffing and development, identifying an effective succession plan, assuring appropriate corporate governance, defining and executing on the Company's acquisition strategy, communicating effectively with the Board, stockholders and investors and interacting with key customers, partners and mortgage industry participants. Mr. Corr's individual performance measures included selecting, effectively leading and developing direct reports, developing an annual business plan, gaining Total Quality Loan adoption by lender clients, maintaining data center uptime of 99.9%, successfully executing on the Company's acquisition strategy, and interacting with key customers, partners and mortgage industry participants. Mr. Luce's individual performance measures included producing effective and timely internal budgets and forecasts, delivering financial statements with clean audit results, preparing timely reports internally and to the SEC and investors, coordinating and effectively participating in earnings and other investor conferences and meetings, and assisting in acquisition due diligence and integration. Mr. Hu's individual performance measures included overseeing and managing product development, quality assurance and program management organizations to deliver on key product initiatives, continuing to build up the technical organization by hiring talent, coaching and promoting teamwork and a focus on quality, process and development velocity, overseeing technology strategy, architecture, assisting in cross-functional efforts to deliver quality products and service operations uptime for clients, managing technical due diligence for acquisitions and managing the Company's IP strategy and IP portfolio. Ms. Lee's individual performance measures included assuring

appropriate corporate governance, managing and assisting with SEC filings, managing legal fees and outside counsel services, developing a legal team to scale with the business, managing production of legal work for internal stakeholders and assistant in due diligence efforts for acquisitions.

28

In early 2015, the compensation committee and the Board set the weighting of the various corporate goals for fiscal year 2014 as follows: 25% for revenues, 25% for EBITDASC, 25% for increased new contracted SaaS Encompass users and 25% for customer satisfaction score. Further, the compensation committee determined the level of achievement for the corporate goals based on the Company's revenue and EBITDASC for fiscal year 2014 as well as having achieved approximately 126,400 contracted SaaS users and a customer satisfaction score of 13. Based on the foregoing weighting and achievement against the applicable corporate goals, the compensation committee established the aggregate achievement percentage for the corporate goals at 107.11%.

Per the terms of the bonus program, individual performance objectives were also taken into consideration by the compensation committee and, with respect to our chief executive officer, by the Board. In addition, the compensation committee weighted more heavily the achievement of corporate goals than personal goals for Messrs. Anderman and Corr at 80%, than Messrs. Luce and Hu and Ms. Lee at 60%, 50% and 50%, respectively, given the different focus of each executive's role at the Company. The compensation committee determined the following achievement percentages for the personal goals for fiscal year 2014: 95.6% for Mr. Anderman, 87.4% for Mr. Corr, 90% for Mr. Luce and 84% for Mr. Hu.

In light of the achievement of corporate and individual performance objectives by each of the executives, the compensation committee and, with respect to our chief executive officer, the Board decided to pay each of Messrs. Anderman, Corr, Luce and Hu their target bonus amounts, as follows:

Name and Principal Position	Weighted Corporate Performance (1)	Weighted Individual Performance (2)	Total Percent of Target Bonus Earned
Sigmund Anderman, Chief Executive Officer	85.7%	19.1%	104.8%
Jonathan Corr, President and Chief Operating Officer	85.7	17.5	103.2
Edgar Luce, EVP & Chief Financial Officer	64.3	36.0	100.3
Limin Hu, EVP & Chief Technology Officer	53.6	42.0	95.6

(1) The Weighted Corporate Performance represents the aggregate corporate achievement percentage of 107.11% multiplied by the weighting for the executive for the corporate performance goals provided above.

(2) The Weighted Individual Performance represents the individual achievement percentage for an executive stated above multiplied by the weighting for the executive for the individual performance goals.

Ms. Lee did not receive a bonus for fiscal year 2014 because she resigned her employment with the Company effective September 2, 2014.

We have put in place similar bonus programs for our named executive officers for 2015.

Long-Term Equity Incentives

The goals of our long-term, equity-based incentive awards are designed to align the interests of our employees, including our named executive officers with the interests of our stockholders. Because vesting is based on continued employment, our equity-based incentives also encourage the retention of our named executive officers through the vesting period of the awards.

In determining the size of the long-term equity incentives to be awarded to our named executive officers, we take into account a number of internal factors, such as the relative job scope, the value of existing long-term incentive awards, individual performance history, prior contributions to us and the size of prior grants. In determining the size of our equity incentive awards, the Board draws upon the experience of its members, the members of the compensation committee and our chief executive officer and reviews market data. Based upon these factors, our chief executive officer, other than with respect to himself, determines the size of the long-term equity incentives at levels he considers appropriate to create a meaningful opportunity for reward predicated on the creation of long-term stockholder value and recommends grants to the compensation committee for approval. The compensation committee, based on the experience of its members together with the market data described above, recommends the level of grants for our chief executive officer to the Board for approval.

To reward and retain our named executive officers in a manner that best aligns their interests with stockholders' interests, we use stock options, restricted stock units and Performance Shares as the primary incentive vehicles for long-term compensation. We believe that stock options, and Performance Shares are effective tools for meeting our

compensation goal of increasing long-term stockholder value by tying the potential value our named executive officers can receive to the value of our stock, as well as the additional financial performance criteria of the Performance Shares driving our business strategy. We use restricted stock units to increase our retention hold on our key executives.

29

We typically make grants in connection with the commencement of employment, promotions and periodic “refresher” grants.

January 2014 Program and Stock Option and Restricted Stock Unit Grants

As part of the annual review of executive officer annual equity grant practices with those of our peer group of companies and our established compensation philosophy to link our executive officer annual equity grants with the performance of the Company, the compensation committee approved certain equity awards and the 2014 Senior Executive Performance Share Program (the “2014 Program”) under the 2011 Equity Incentive Award Plan (the “2011 Plan”) on February 5, 2014. The compensation committee approved stock option and restricted stock unit grants and, in connection with the 2014 Program, Performance Shares to our executives on February 5, 2014 and, upon a recommendation by the compensation committee, the Board approved the stock option and restricted stock unit grants and the Performance Shares to our Mr. Anderman on February 5, 2014. The stock options were granted with an exercise price equal to our closing common stock price on the grant date and vest 25% of the total number of shares on the one year anniversary of the grant date, and an additional 1/48th of the total number of shares on the anniversary of each month thereafter, until all shares are vested on the fourth anniversary of the grant date. The restricted stock units vest in substantially equal annual installments over four years on each anniversary of February 14, 2014.

Under the 2014 Program, each designated participant was eligible to receive from zero to two and one-half shares of the Company’s common stock per Performance Share, or from zero to 250% of the target Performance Share level, upon determination of the achievement or non-achievement of performance goals during a performance period established by the compensation committee under the program. The following table sets forth the number of common stock underlying each Performance Share that each participant was eligible to receive at target:

Executive Officer	Performance Share Grant at Target
Sigmund Anderman, Chief Executive Officer	25,000
Jonathan Corr, President & Chief Operating Officer	13,000
Edgar Luce, EVP & Chief Financial Officer	10,000
Limin Hu, EVP & Chief Technology Officer	8,500
Elisa Lee, EVP & General Counsel	6,000

The number of common stock underlying the Performance Shares that were available for grant and issuable pursuant to the 2014 Program was dependent on the Company’s achievement of certain performance goals related to annual revenue growth and annual growth in the number of contracted SaaS users for the performance period commencing on January 1, 2014 and ending on December 31, 2014. However, no shares of common stock underlying the Performance Shares were to be awarded if the Company’s EBITDASC as a percentage of revenue was less than 20% for the performance period. The common stock underlying the Performance Shares earned under the 2014 Program were issued in the second quarter of 2015 after the compensation committee determined the achievement of the Company performance goals (the “2014 Performance Share Determination Date”) after the Company filed its annual report on Form 10-K for fiscal year ended December 31, 2014. The 2014 Program also contemplated that the compensation committee could establish the performance period over which attainment of the performance goals was determined and the vesting period. In addition, the participant must have remained employed by the Company following the performance period in order to be granted the common stock underlying his or her Performance Shares. The performance goals may not have been changed for a performance period once set except to reflect extraordinary events, and the compensation committee may not have used its discretion to increase the number of shares issuable to a participant for a performance period. Notwithstanding the foregoing, the compensation committee had the right to terminate, modify or suspend the 2014 Program and related Performance Shares at any time prior to the completion of the performance period. Below is the chart of the performance criteria and the potential number of common stock underlying the Performance Shares that could be earned and awarded as a percent of the target Performance Share amount.

	Performance Period Revenue Growth Rate					
	10%	15%	20%	25%	30%	
Number of Contracted SaaS Users	104,000 to 108,999	50	75	100	150	200
	109,000 to 113,999	70	90	125	175	225
	114,000 or greater	90	100	150	200	250

Notwithstanding the above chart, no shares of common stock underlying the Performance Shares were issuable if the Company's EBITDASC as a percentage of revenue was less than 20% for the performance period. All achievement percentages greater than 50% are pro-rated between the numbers appearing on the above chart. To the extent that the number of contracted SaaS users at the end of the performance period was less than 104,000 (but in no event less than 95,000, which is the threshold achievement to be eligible for any Performance Shares) then the applicable achievement percentage otherwise achieved as a result of the revenue growth rate for the performance period was to be multiplied by a fraction equal to the difference between the actual number of contracted SaaS users at the end of the performance period minus 95,000, divided by 8,999.

On March 6, 2015, the 2014 Performance Share Determination Date, the compensation committee determined that the Company's level of achievement of the performance goals was at 190% with revenue growth rate of approximately 24% (after excluding revenue attributable to our AllRegs acquisition) and contracted SaaS users as of the end of the fiscal year of greater than 114,000. Accordingly, Messrs. Anderman, Corr, Luce and Hu will be awarded and issued 47,500, 24,700, 19,000 and 16,150 shares of our common stock, respectively, during the second quarter of 2015, with 25% of the shares immediately vested and the remaining shares vesting with respect to 25% of the shares on each of the first three anniversaries of the 2014 Performance Share Determination Date, subject to continuous employment of the participant through such dates.

As Ms. Lee resigned from the Company effective September 2, 2014, she was not eligible to receive any shares of common stock underlying the Performance Shares granted to her in 2014.

The compensation committee approved a similar program for Performance Shares for 2015.

December 2014 Equity Grants

In December 2014, in connection with his transition out of the role of chief executive officer into the role of Executive Chairman, Mr. Anderman was awarded stock options to purchase 76,648 shares of our common stock, which equated to a grant date fair value of approximately \$1,500,000 and 37,203 restricted stock units, which had a grant date fair value of approximately \$1,500,000, but in the case of the restricted stock units, subject to adjustment based on the achievement of certain performance goals as discussed below. The stock options were granted with an exercise price equal to the closing price for a share of our common stock on the grant date and vest 25% of the total number of shares on the one year anniversary of the grant date, and an additional 1/48th of the total number of shares on the anniversary of each month thereafter, until all shares are vested on the fourth anniversary of the grant date. The restricted stock units vest in substantially equal annual installments over four years on each anniversary of December 31, 2014. However, the total number of shares of common stock issuable on each vesting date of the restricted stock units is calculated by multiplying the percentage of achievement the board of directors or compensation committee certifies for the fiscal year 2015 performance goals applicable to the company-wide short term incentive program times the number of restricted stock units vesting on such date (up to a maximum of 200%).

Employee Benefits

We provide standard employee benefits to our full-time employees in the United States, including our named executive officers, including health, disability, life insurance and a 401(k) plan as a means of attracting and retaining our employees. Additionally, the Company provides for a \$1,000,000 (\$2,000,000 for Mr. Anderman) term life insurance policy for each named executive officer. Premiums for the term life insurance policies are paid by the individual, but reimbursed by the Company and are intended to provide liquid funds to the executive's estate and or spouse for the purposes of exercising stock options in the event of said executive's untimely death. Under the tax rules, our named executive officers are subject to ordinary income with respect to reimbursement of the term life insurance

premiums. We do not think these additional benefits are a significant element of our compensation structure.

Termination Based Compensation

As noted under the caption “Offer Letters and Employment Agreements” on page 38 of this Proxy Statement, our compensation committee approved our entering into employment or change in control severance agreements, as applicable,

31

with each of our named executive officers. These agreements include certain protective provisions, which our compensation committee has deemed necessary to attract or retain a named executive officer.

On January 5, 2015, we entered into an amended and restated employment agreement with Mr. Anderman pursuant to which we must generally provide a severance payment equal to the lesser of either 36 months of his base salary plus target bonus, at the rate in effect immediately prior to his termination of employment, or the aggregate amount of base salary and target bonuses he would have been eligible through the termination date of his employment agreement, December 31, 2019 (the "Termination Date"), had he continued to be employed through the Termination Date, plus continued payments for health coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, or COBRA, for no more than the lesser of 36 months or the period until the Termination Date, if he is terminated without cause or experiences a constructive termination. Termination for cause means (i) an act of dishonesty in connection with his responsibilities as an employee, (ii) the conviction of, or plea of nolo contendere to, a felony, (iii) gross misconduct or (iv) continued substantial violations of employment duties after receipt of a written demand for performance from the Board which specifically sets forth the factual basis for the Company's belief that he has not substantially performed his duties. Constructive termination means Mr. Anderman's resignation from employment with the Company after the occurrence, without Mr. Anderman's written consent, of any of the following: (a) a material reduction by the Company in his base salary as in effect immediately prior to such reduction (except as expressly contemplated by his employment agreement); (b) a material breach by the Company of the employment agreement between him and the Company; (c) the material relocation of his principal place of employment to a facility or a location more than 50 miles from his then present principal place of employment; or (d) a material reduction of his duties, authority or responsibilities with respect to the business of the Company. Mr. Anderman's right to severance payments is conditioned upon (i) him providing us a general release of claims within 60 days following such termination and (ii) his compliance with his confidentiality and non-solicitation obligations to the Company and any breach of such obligations may result in the recovery by us of any severance payments made to Mr. Anderman. In addition, if Mr. Anderman is terminated without cause or experiences a constructive termination, the vesting of each equity award held by Mr. Anderman will be fully accelerated and, to the extent applicable, such equity award will be exercisable for the duration of its original term.

On January 5, 2015, we entered into an employment agreement with Mr. Corr pursuant to which, if Mr. Corr is terminated without cause or experiences a constructive termination and provides us a general release of claims within 60 days following such termination, we must provide a severance payment equal 24 months of his base salary at the rate in effect immediately prior to his termination of employment, plus continued payments for health coverage under COBRA for no more than 24 months, plus, if the termination occurs on or prior to the second anniversary of a change in control of the Company, then the vesting of each equity award held by Mr. Corr will be fully accelerated and, to the extent applicable, such equity award will be exercisable for the duration of its original term. Termination for cause means (i) an act of dishonesty in connection with his responsibilities as an employee, (ii) the conviction of, or plea of nolo contendere to, a felony, (iii) gross misconduct or (iv) continued substantial violations of employment duties after receipt of a written demand for performance from the Board which specifically sets forth the factual basis for the Company's belief that he has not substantially performed his duties. Constructive termination means Mr. Corr's resignation from employment with the Company after the occurrence, without Mr. Corr's written consent, of any of the following: (a) a material reduction by the Company in his base salary or annual target bonus eligibility as in effect immediately prior to such reduction; (b) a material breach by the Company of the employment agreement between him and the Company; (c) the relocation of his principal place of employment that increases his one-way commute by more than 50 miles from his then present principal place of employment; or (d) a material reduction of his duties, authority or responsibilities, including if he ceases to serve as the chief executive officer of the ultimate parent entity of a publicly traded company. Mr. Corr's right to severance payments is conditioned upon his compliance with his confidentiality and non-solicitation obligations to the Company and any breach of such obligations may result in the recovery by us of any severance payments made to Mr. Corr.

In connection with our initial public offering, the compensation committee determined that it was more appropriate to adopt comprehensive change in control severance arrangements with our named executive officers, other than Mr. Anderman, in order to encourage the focus and dedication of our named executive officers in the event a strategic

transaction became an alternative for the Company. Accordingly, we have entered into change in control severance agreements with each of our named executive officers other than Mr. Anderman. However, Mr. Corr's employment agreement entered into in January 2015 replaces and supersedes the change in control severance agreement previously entered into with him. Under the terms of the change in control severance agreements, each named executive officer, other than Mr. Anderman and Mr. Corr (who are entitled to severance payments pursuant to their employment agreements, as discussed above), will be entitled to receive severance benefits, accelerated vesting and extended exercisability if his employment is terminated (i) other than for cause or (ii) as the result of a constructive termination within 60 days prior to or 12 months following a change in control, in each case, within the meaning of the change in control severance agreements, and such executive officer provides us a general release of claims within 60 days following such termination. The severance benefits consist of a lump sum cash payment equal to 12 months' base salary, as well as continued payment of group health continuation coverage premiums for the executive officer and his or her eligible dependents under Title X of the COBRA beginning on the date of termination and ending on the earlier of: (i) 12

months after the date when the employment termination is effective and (ii) the date upon which the executive officer or his or her eligible dependents become eligible for coverage under another plan. In addition, the vesting of each equity award held by the named executive officer will be fully accelerated and, to the extent applicable, such equity award will be exercisable for the duration of its original term.

Under the 2014 Program as well as performance share programs implemented in August 2012 and January 2013 for which shares of our common stock were awarded in fiscal year 2013 and 2014, if a named executive officers' employment is terminated by the Company other than for cause, by reason of death or disability or by such named executive officer for good reason (each as defined in the respective officer's employment or change in control agreement) after the Determination Date for a performance period but prior to settlement, the Performance Shares earned by and granted to the named executive officer which have not yet been settled will be issued to such named executive officer on the thirtieth (30th) day following the termination of employment. In the event of a change in control that occurs during a performance period, such performance period will be shortened to end on the last business day of the last completed fiscal quarter preceding the date of the change in control and each named executive officer employed by the Company immediately prior to the change in control will be entitled to a payment under the Program based on achievement over the shortened performance period.

The severance payments and benefits that are payable under Mr. Anderman's and Mr. Corr's employment agreements and each of our other named executive officer's change in control severance agreement are further described below in the section captioned "Potential Payments Upon Change in Control, Upon Termination Apart From a Change in Control and Upon Termination Following Change in Control."

In June 2014, we entered into a separation and release agreement with Elisa Lee, our former executive vice president and general counsel, pursuant to which we agreed that on the effective date of her separation, September 2, 2014, Ms. Lee would be entitled to severance equal to six (6) months of wages at her base salary, equal to \$137,500. The separation and release agreement further provided that we would provide for COBRA benefits for the lesser of six months or until Ms. Lee was no longer eligible for COBRA benefits.

Stockholder Advisory Vote to Approve Executive Compensation

At our 2013 Annual Meeting of Stockholders our stockholders voted, in a non-binding advisory vote to approve the compensation of our named executive officers. The compensation committee reviewed the result of the stockholders' advisory vote on executive compensation. In light of the approval by a substantial majority of our stockholders of the compensation programs described in our 2012 proxy statement (with approval of approximately 90% of the shares represented in person or by proxy at the meeting and entitled to vote), the compensation committee did not implement changes to our executive compensation programs as a result of the stockholders' advisory vote. The compensation for each of the Company's named executive officers for fiscal year 2014 reflects the continued improvements in each individual's performance and the changes regarding Company's financial and operating performance. Consistent with the stated preference of a majority of our stockholders (with approval of over 95% of the shares represented in person or by proxy at the meeting and entitled to vote) at our 2011 Annual Meeting of Stockholders, the compensation committee determined that we will hold a "say-on-pay" vote every year, the next "say-on-pay" advisory vote will be held at the 2015 annual meeting of stockholders.

Tax Considerations

The Board has considered the potential future effects of Section 162(m) of the Internal Revenue Code ("Section 162(m)") on the compensation paid to our named executive officers. Section 162(m) disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1.0 million in any taxable year for our chief executive officer and each of the other named executive officers (other than our chief financial officer), unless compensation is performance-based and the terms of the performance plan have been timely approved by the stockholders. In approving the amount and form of compensation for our named executive officers, the Board and compensation committee considers all elements of the cost to the Company of providing such compensation, including the potential impact of Section 162(m). However, the Board, or committee thereof, may, in its judgment, authorize compensation payments that do not comply with the exemptions in Section 162(m) when it believes that such payments are appropriate to attract and retain executive talent.

(1) Represents the target management bonus amounts for 2014 for Messrs. Anderman, Luce, Corr and Hu and Ms. Lee pursuant to their respective 2014 executive compensation plans. Actual amounts paid to our named executive officers are set forth in the section titled “2014 Summary Compensation Table.” There is no minimum or maximum threshold for management bonuses.

The stock award table above reports the Performance Shares granted to our named executive officers for fiscal 2014. Under the Program the number of Performance Shares that may be granted and issuable pursuant to the (2) Program will range from zero to the maximum amounts disclosed based on the Company's achievement of certain financial goals during the period from January 1, 2014 to December 31, 2014 related to both year-over-year revenue growth as well as maintaining certain profit margins during this period.

(3) The vesting of each stock award and option granted in 2014 is set forth in the Outstanding Equity Awards at 2014 Fiscal Year-End Table below.

Amounts represent the grant date fair value of stock options and stock awards granted, calculated in accordance with ASC Topic 718. For a discussion of the assumptions made in the valuations reflected in this column, see (4) Notes 2 and 10 of the Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2014.

Mr. Anderman was awarded stock options and restricted stock units on December 31, 2014. The number of shares (5) of common stock issuable upon vesting of the restricted stock units is calculated by multiplying the percentage of achievement the Board or compensation committee certifies for the fiscal year 2015 performance goals applicable to the company-wide short term incentive program times the number of restricted stock units vesting on such date.

Offer Letters and Employment Agreements

On January 5, 2015, we entered into an amended and restated employment agreement with Mr. Anderman, which replaces in its entirety Mr. Anderman’s previous employment agreement dated March 27, 2012, and sets forth the terms and conditions of his employment as our Executive Chairman of the Board. The agreement provides that Mr. Anderman will serve as the Executive Chairman of the board for a term commencing February 1, 2015 and ending December 31, 2019. Under the agreement, Mr. Anderman will receive an annual base salary of \$410,000 for 2015 that is automatically reduced each year by approximately 10% until it reaches \$247,000 in 2019. In addition, Mr.

Anderman will be entitled to a target bonus equal to

38

100% of his base salary, which will be entirely based upon the corporate goals established for other senior executives of the Company. The agreement also provides that Mr. Anderman will be granted an option to purchase shares of common stock and performance-vesting restricted stock units, each having a grant date fair value of approximately \$1,400,000, which were granted on January 5, 2015, and that Mr. Anderman will be granted options and restricted stock units each having grant values of \$400,000, \$300,000, \$200,000 and \$160,000 in 2016, 2017, 2018 and 2019, respectively. Each of the options will have a four-year, employment-based vesting schedule, and the restricted stock unit awards will vest based upon the achievement of the corporate goals used for the senior executive bonus program and continued employment. The number of shares issuable under the restricted stock unit awards will increase or decrease based on overachievement or underachievement, respectively, of the corporate performance goals. Under the agreement, Mr. Anderman is also entitled to participate in the same benefit plans as other senior executive officers of the Company, and the Company will continue to maintain a \$2,000,000 life insurance policy for the benefit of Mr. Anderman as well as continue to provide premium payments for any other life insurance policies maintained by the Company for the benefit of Mr. Anderman. In addition, the Company will reimburse Mr. Anderman for reasonable travel, entertainment and other expenses incurred by Mr. Anderman in furtherance of his duties to the Company. Mr. Anderman is also entitled to a severance payment equal to the lesser of either 36 months of his base salary plus target bonus, at the rate in effect immediately prior to his termination of employment, or the aggregate amount of base salary and target bonuses he would have been eligible through the termination date of his employment agreement, December 31, 2019 (the "Termination Date"), had he continued to be employed through the Termination Date, plus continued payments for health coverage under COBRA for no more than the lesser of 36 months or the period until the Termination Date, if he is terminated without cause or experiences a constructive termination, as those terms are defined in his employment agreement. Mr. Anderman's severance is conditioned upon (i) him providing us a general release of claims within 60 days of such termination and (ii) his compliance with his confidentiality and non-solicitation obligations to the Company. Any breach of such obligations may result in the recovery by us of any severance payments made to Mr. Anderman. In addition, if Mr. Anderman is terminated without cause or experiences a constructive termination, the vesting of each equity award held by Mr. Anderman will be fully accelerated and, to the extent applicable, such equity award will be exercisable for the duration of its original term. If Mr. Anderman dies, becomes permanently disabled or continues to serve as Executive Chairman through the Termination Date, then the vesting of each stock option and other equity award will fully accelerate and each stock option will remain exercisable for its full term.

On January 5, 2015, we also entered into an employment agreement with Mr. Corr that sets forth the terms and conditions of his employment as our President and Chief Executive Officer. The employment agreement provides for Mr. Corr to be paid a base salary of \$375,000 and to be granted equity awards having a grant value of \$1,800,000 during 2015. The employment agreement also provides for Mr. Corr to be eligible for a target bonus and to participate in the same benefit plans as other senior executive officers of the Company. In addition, the Company will reimburse Mr. Corr for reasonable travel, entertainment and other expenses incurred by Mr. Corr in furtherance of his duties to the Company, and the Company will continue to maintain a \$1,000,000 life insurance policy for the benefit of Mr. Corr as well as continue to provide premium payments for any other life insurance policies maintained by the Company for the benefit of Mr. Corr. Under the employment agreement, if Mr. Corr is terminated without cause or experiences a constructive termination, as those terms are defined in the employment agreement, and provides us a general release of claims within 60 days following such termination, we must provide a severance payment equal 24 months of his base salary at the rate in effect immediately prior to his termination of employment, plus continued payments for health coverage under COBRA for no more than 24 months, plus, if the termination occurs on or prior to the second anniversary of a change in control of the Company, then the vesting of each equity award held by Mr. Corr will be fully accelerated and, to the extent applicable, such equity award will be exercisable for the duration of its original term. Mr. Corr's right to severance payments is conditioned upon his compliance with his confidentiality and non-solicitation obligations to the Company and any breach of such obligations may result in the recovery by us of any severance payments made to Mr. Corr. If Mr. Corr dies or becomes permanently disabled, then the vesting of each stock option and other equity award will fully accelerate.

We have also entered into offer letter agreements with Messrs. Luce in connection with his commencement of employment with us. This offer letter agreements include Mr. Luce's initial base salary, stock option grant and bonus arrangement for the fiscal year in which he commenced employment. We no longer have any executory obligations under this agreement.

In October 2014, we entered into change in control severance agreements with each of our executive officers, other than Mr. Anderman, which replaced change in control severance agreements entered into with these executive officers in September 2010. However, Mr. Corr's January 2015 employment agreement replaces and supersedes the change in control severance agreement entered into with him. Under the terms of the change in control severance agreements, each named executive officer, other than Mr. Anderman and Mr. Corr, will be entitled to receive severance benefits and accelerated vesting if his or her employment is terminated other than for cause or as the result of a constructive termination within 60 days prior to or 12 months following a change in control, in each case, within the meaning of the change in control severance agreements, and such executive officer provides us a general release of claims within 60 days following such termination. The severance

benefits consist of a lump sum cash payment equal to 12 months' base salary, as well as continued payment of group health continuation coverage premiums for the executive officer and his or her eligible dependents under Title X of the COBRA beginning on the date of termination and ending on the earlier of (i) 12 months after the date when the employment termination is effective and (ii) the date upon which the executive officer or his or her eligible dependents become eligible for coverage under another plan. In addition, the vesting of each equity award held by the named executive officer will be fully accelerated and, to the extent applicable, such equity award will be exercisable for the duration of its original term. The initial term of change in control severance agreements is three years, and thereafter the agreements automatically renew for successive one year terms unless the Company provides written notice of non-renewal to the officer at least 180 days prior to the expiration of the then-current term.

Potential Payments Upon Change in Control, Upon Termination Apart From a Change in Control and Upon Termination Following Change in Control

Potential Payments Upon a Change in Control

The following table shows the amount each of our named executive officers would receive if they were terminated following a change in control, assuming the termination took place on December 31, 2014. Amounts below reflect potential payments pursuant to stock options and Performance Shares granted under our Amended and Restated 1999 Stock Option and Incentive Plan (the "1999 Plan"), our 2009 Stock Option and Incentive Plan (the "2009 Plan") and our 2011 Plan upon a change in control in which our outstanding options are not assumed or substituted. In addition, in the event of a change in control that occurs during a performance period, the performance period will be shortened to the last business day of the last completed fiscal quarter preceding the date of the change in control and each named executive officer employed by the Company immediately prior to such change in control is entitled to a payment based on the shortened performance period.

Name of Executive Officer	Value of Accelerated Options if Not Assumed or Substituted (\$)(1)	Value of Accelerated Stock Awards if Not Assumed or Substituted (\$)(2)
Sigmund Anderman	\$ 2,036,680	\$ 10,521,625
Edgar Luce	798,416	3,525,621
Jonathan Corr	2,500,483	4,609,584
Limin Hu	696,115	3,183,748

Amounts calculated based on the aggregate amount by which the fair value of the common stock subject to (1) unvested equity awards exceeded the aggregate exercise price of the awards as of December 31, 2014, using \$40.32 per share, the closing trading price of our common stock as of that date.

Includes restricted stock units and Performance Shares, using \$40.32 per share, the closing trading price of our common stock as of that date. For the Performance Shares, vesting is assumed to be accelerated based on the actual performance through the last business day immediately prior to a change in control, which would be December 31, 2014 assuming the change in control occurred on December 31, 2014. For these purposes, the 2012 Performance Shares are calculated at the 400% achievement level, the 2013 Performance Shares are calculated at the 110% achievement level, and the 2014 Performance Shares are calculated at the 190% achievement level. The amounts calculated are based on the aggregate amount of shares of common stock to vest multiplied by \$40.32 per share, the closing trading price of our common stock as of December 31, 2014.

Potential Payments Upon Termination Apart From a Change in Control

The following table sets forth quantitative estimates of the benefits that would have accrued to Mr. Anderman if his employment had been involuntarily terminated by us without cause or had he experienced a constructive termination on December 31, 2014, in the event such termination occurred prior to, or more than 24 months following, a change in control of the Company, pursuant to Mr. Anderman's previous employment. Payments pursuant to Mr. Anderman's employment agreement for certain terminations within 24 months after a change in control are addressed below under the section titled "Potential Payments upon Termination Following a Change in Control." No other named executive officer was eligible for benefits in the event of termination of employment during 2014. Under the Performance Share

Program, in the case of a named executive officers termination of employment by the Company for other than cause, by reason of death or disability or by such named executive officer for good reason (each as defined in the Program) after the Determination Date for a performance period but prior to settlement, the Performance Shares earned by the named executive officer which have not yet been settled

will be issued to such named executive officer on the thirtieth (30th) day following the termination of employment. Since the Determination Date of the Performance Shares has not yet occurred, no amount would be payable.

Name of Executive Officer	Salary Continuation (\$)	Value of Continued Health Care Coverage Premiums (\$)(1)	Total (\$)
Sigmund Anderman	\$ 820,000	\$ 29,815	\$ 849,815

If Mr. Anderman elects to receive continued healthcare coverage pursuant to the provisions of COBRA, he will be eligible for reimbursement or direct payment of COBRA coverage premiums for the executive and any dependents for up to a maximum of 24 months. If Mr. Anderman and/or his dependents become eligible for healthcare coverage under a subsequent employer's plans, payment of health care coverage premiums will cease.

Potential Payments Upon Termination Following a Change in Control

The following table sets forth quantitative estimates of the benefits that would have accrued to Mr. Anderman pursuant to Mr. Anderman's previous employment agreement and the change in control severance agreement entered into with each of our other named executive officers, each as described above under "—Offer Letters and Employment Agreements," if their employment had been terminated by us other than for cause or as a result of a constructive termination within 24 months following a change in control consummating on December 31, 2014 for Mr. Anderman and within 60 days prior to or 12 months following a change in control consummating on December 31, 2014 for all other named executive officers.

Name of Executive Officer	Salary Continuation (\$)	Value of Accelerated Equity Awards (\$)(1)	Value of Continued Health Care Coverage Premiums (\$)	Total (\$)
Sigmund Anderman	\$ 820,000	\$ 3,044,680	\$ 29,815	(2) \$2,886,495
Jonathan Corr	310,000	3,024,642	21,928	(3) 2,832,411
Edgar Luce	280,000	1,201,616	16,185	(3) 1,094,601
Limin Hu	270,000	1,038,835	21,294	(3) 987,409

Amounts calculated based on (i) with respect to stock options, the aggregate amount by which the fair market value of the common stock subject to unvested stock options exceeded the aggregate exercise price of the stock options, and (ii) with respect to restricted stock units, the aggregate fair market value of the common stock subject to (1) restrict stock units, in each case as of December 31, 2014, using \$40.32 per share, the closing trading price of our common stock as of that date. This value does not include the Performance Shares which accelerate automatically upon a change in control, for the value of the Performance Shares, please see the table above under "—Potential Payments Upon a Change in Control."

If Mr. Anderman elects to receive continued healthcare coverage pursuant to the provisions of COBRA, he will be eligible for reimbursement or direct payment of COBRA coverage premiums for himself and any dependents for (2) 24 months. If Mr. Anderman and/or his dependents become eligible for healthcare coverage under a subsequent employer's plans, payment of health care coverage premiums will cease.

If Messrs. Luce, Corr, Hu and Ms. Lee elect to receive COBRA pursuant to provisions of their change of control severance agreements, each will be eligible for reimbursement or direct payment of COBRA premiums for himself (3) or herself and dependents, for up to a maximum of 12 months. The value of continued healthcare is based on benefit premiums for 2013.

Proprietary Information and Inventions Agreements

Each of our named executive officers has entered into a standard form agreement with respect to proprietary information and inventions. Among other things, this agreement obligates each named executive officer to refrain from

41

disclosing any of our proprietary information received during the course of employment and, with some exceptions, to assign to us any inventions conceived or developed during the course of employment.

The material in this report is not “soliciting material,” is not deemed “filed” with the SEC and is not to be incorporated by reference into any filing of Ellie Mae under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

The primary purpose of the audit committee is to oversee our financial reporting processes on behalf of the Board. The audit committee’s functions are more fully described in its charter, which is available on our website at <http://www.elliemae.com/investor-relations/corporate-profile/corporate-governance/>. Management has the primary responsibility for our financial statements and reporting processes, including our systems of internal controls. In fulfilling its oversight responsibilities, the audit committee reviewed and discussed with management our audited consolidated financial statements as of and for the year ended December 31, 2014.

The audit committee has discussed with Grant Thornton LLP, the Company’s independent registered public accounting firm, the matters required to be discussed under Auditing Standard No. 16 adopted by the Public Company Accounting Oversight Board (“PCAOB”) regarding “Communications with Audit Committees.” In addition, the audit committee discussed with Grant Thornton LLP their independence, and received from Grant Thornton LLP the written disclosures and the letter required by Ethics and Independence Rule 3526 of the PCAOB. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We describe below transactions and series of similar transactions, during our last fiscal year or currently proposed, to which we were a party or will be a party, in which:

the amounts involved exceeded or will exceed \$120,000; and
any of our directors, executive officers, holders of more than 5% of our common stock or any member of their immediate family had or will have a direct or indirect material interest.

We entered into change of control agreements with certain of our executive officers that, among other things, provide for certain severance and change of control benefits. For a description of these agreements, see “Compensation Discussion and Analysis—Termination-Based Compensation.”

We have entered into indemnification agreements with each of our current directors and officers. These agreements provide for the indemnification of our directors and officers for certain expenses and liabilities incurred in connection with any action, suit, proceeding or alternative dispute resolution mechanism, or hearing, inquiry or investigation that may lead to the foregoing, to which they are a party, or are threatened to be made a party, by reason of the fact that they are or were a director, officer, employee, agent or fiduciary of the Company, or any of our subsidiaries, by reason of any action or inaction by them while serving as an officer, director, agent or fiduciary, or by reason of the fact that they were serving at our request as a director, officer, employee, agent or fiduciary of another entity. Under the indemnification agreements, indemnification will only be provided in situations where the indemnified parties acted in good faith and in a manner they reasonably believed to be in or not opposed to our best interest, and, with respect to any criminal action or proceeding, to situations where they had no reasonable cause to believe the conduct was unlawful. In the case of an action or proceeding by or in the right of the Company or any of our subsidiaries, no indemnification will be provided for any claim where a court determines that the indemnified party is prohibited from receiving indemnification.

Other than as described above under this section “Certain Relationships and Related Transactions,” since the beginning of last year, we have not entered into any transactions, nor are there any currently proposed transactions, between us and a related party where the amount involved exceeds, or would exceed, \$120,000, and in which any related person had or will have a direct or indirect material interest. We believe the terms of the transactions described above were comparable to terms we could have obtained in arm’s length dealings with unrelated third parties.

Policies and Procedures for Related Party Transactions

The Board has adopted a written policy to set forth the policies and procedures for the review and approval or ratification of related party transactions. This policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we are to be a participant, the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest, including purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person. The audit committee is responsible for reviewing and either approving or rejecting such proposed transactions, agreements or relationships and, in doing so, will consider the relevant facts and circumstances available and deemed relevant to them, including, but not limited to, the risks, costs and benefits to us, the terms of the agreement, the availability of other sources for comparable services or products, and, if applicable, the impact on a director’s independence. No director may participate in the approval of a related party transaction for which he is a related party. We adopted a written Code of Business Conduct and Ethics which requires that directors, officers and employees make appropriate disclosure of potential conflicts of interest situations to their supervisor or our general counsel, as appropriate.

A copy of the Code of Business Conduct and Ethics is available to security holders on the Company’s website at <http://www.elliemae.com/investor-relations/corporate-profile/corporate-governance/>.

(2)Upon the dissolution, liquidation or winding up of the Corporation, subject to the rights, if any, of the holders of any outstanding series of Preferred Stock, the holders of shares of Common Stock shall be entitled to receive the assets of the Corporation available for distribution to its stockholders ratably in proportion to the number of shares held by them.

(3)Except as required by law, each holder of Common Stock shall be entitled, with respect to each share of Common Stock held by such holder on the applicable record date, to one vote in person or by proxy on all matters submitted to a vote of the holders of Common Stock, including, without limitation, in connection with the election of directors to the Board of Directors (it being understood that in respect of the election of directors, no stockholder shall be entitled to cumulate votes on behalf of any candidate), whether voting separately as a class or otherwise. Notwithstanding the foregoing, and except as otherwise required by law, holders of Common Stock, as such, shall not be entitled to vote on any amendment to this Second Amended and Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series of Preferred Stock are entitled, either separately or together with the holders of one or more other such series of Preferred Stock, to vote thereon pursuant to this Second Amended and Restated Certificate of Incorporation (including any Certificate of Designation relating to any series of Preferred Stock) or pursuant to the Delaware General Corporation Law.

ARTICLE V

DIRECTORS AND POWERS

For the management of the business and for the conduct of the affairs of the Corporation, and in further definition, limitation and regulation of the powers of the Corporation, of its directors and of its stockholders or any class thereof, as the case may be, it is further provided that:

A.(1) The management of the business and the conduct of the affairs of the Corporation shall be vested in the Board of Directors. In addition to the powers and authority expressly conferred upon them by statute or by this Second Amended and Restated Certificate of Incorporation or the Bylaws of the Corporation, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation. Subject to the rights of any series of Preferred Stock then outstanding to elect additional directors under specified circumstances, the number of directors which shall constitute the whole Board of Directors initially shall be seven, and, thereafter shall be fixed exclusively by one or more resolutions adopted from time to time by a majority of the Board of Directors.

(2)Subject to the rights of any series of Preferred Stock then outstanding to elect additional directors under specified circumstances, the directors shall be divided into three classes, designated as Class I, Class II and Class III, as nearly equal in number as possible. The Board of Director is authorized to assign members of the Board of Directors already in office to Class I, Class II or Class III. At the first annual meeting of stockholders following the effectiveness of this Second Amended and Restated Certificate of Incorporation (the "Qualifying Record Date"), the term of office of the Class I directors shall expire and Class I directors shall be elected for a full term of three years. At the second annual meeting of stockholders following the Qualifying Record Date, the term of office of the Class II directors shall expire

and Class II directors shall be elected for a full term of three years. At the third annual meeting of stockholders following the Qualifying Record Date, the term of office of the Class III directors shall expire and Class III directors shall be elected for a full term of three years. At each succeeding annual meeting of stockholders, directors shall be elected for a full term of three years to succeed the directors of the class whose terms expire at such annual meeting. Notwithstanding the foregoing provisions of this Article V(A), each director shall serve until his or her successor is duly elected and qualified or until his or her death, resignation or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

A-2

(3) Subject to the rights of the holders of any series of Preferred Stock then outstanding, the Board of Directors or any individual director may be removed from office at any time for cause by the affirmative vote of the holders of a majority of the voting power of all the then outstanding shares of voting stock of the Corporation entitled to vote at an election of directors (the "Voting Stock"). For purposes of this Article V, "cause" shall mean: (i) the director's conviction (treating a nolo contendere plea as a conviction) of a felony involving (a) moral turpitude or (b) a violation of federal or state securities laws, but specifically excluding any conviction based entirely on vicarious liability; (ii) the director's commission of any material act of dishonesty resulting or intended to result in material personal gain or enrichment of such director at the expense of the Corporation or any of its subsidiaries; (iii) the director's fraud or intentional misrepresentation, including falsifying use of funds and intentional misstatements made in financial statements, books, records or reports to stockholders or governmental agencies; (iv) the director's material violation of any agreement between the director and the Corporation; (v) the director's knowingly causing the Corporation to commit violations of applicable law (including by failure to act); or (vi) the director being adjudged legally incompetent by a court of competent jurisdiction.

(4) Subject to the rights of the holders of any series of Preferred Stock then outstanding, any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes and any newly created directorships resulting from any increase in the number of directors shall, unless the Board of Directors determines by resolution that any such vacancies or newly created directorships shall be filled by a vote of the stockholders, except as otherwise provided by law, be filled only by the affirmative vote of a majority of the directors then in office, even though less than a quorum of the Board of Directors, and not by the stockholders. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been elected and qualified.

(5) During any period when the holders of any series of Preferred Stock have the right to elect additional directors as provided for or fixed pursuant to the provisions of Article IV hereof, then upon commencement and for the duration of the period during which such right continues: (i) the then otherwise total authorized number of directors of the Corporation shall automatically be increased by such specified number of directors, and the holders of such Preferred Stock shall be entitled to elect the additional directors so provided for or fixed pursuant to said provisions; and (ii) each such additional director shall serve until such director's successor shall have been duly elected and qualified, or until such director's right to hold such office terminates pursuant to said provisions, whichever occurs earlier, subject to his earlier death, disqualification, resignation or removal. Except as otherwise provided by the Board of Directors in the resolution or resolutions establishing such series, whenever the holders of any series of Preferred Stock having such right to elect additional directors are divested of such right pursuant to the provisions of such stock, the terms of office of all such additional directors elected by the holders of such stock, or elected to fill any vacancies resulting from the death, resignation, disqualification or removal of such additional directors, shall forthwith terminate and the total authorized number of directors of the Corporation shall be reduced accordingly.

B.(1) In furtherance and not in limitation of the powers conferred by statute, the Board of Directors is expressly authorized to make, alter or repeal the Bylaws of the Corporation by the affirmative vote of a majority of the directors present at any regular or special meeting of the Board of Directors at which a quorum is present. Notwithstanding the foregoing, but in addition to any affirmative vote of the holders of any particular class or series of the Voting Stock required by law, this Second Amended and Restated Certificate of Incorporation or any Certificate of Designation, the Bylaws of the Corporation may be rescinded, altered, amended or repealed in any respect by the affirmative vote of the holders of at least a majority sixty-six and two-thirds percent (66 2/3%) of the voting power of all the then outstanding shares of the Voting Stock.

(2) The directors of the Corporation need not be elected by written ballot unless the Bylaws so provide.

(3) Subject to the rights of the holders of any series of Preferred Stock then outstanding, any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of the stockholders of the Corporation, and the taking of any action by written consent of the stockholders is specifically denied.

(4) Subject to the rights of the holders of any series of Preferred Stock then outstanding, special meetings of the stockholders of the Corporation may be called, for any purpose or purposes, by the Board of Directors, chairperson of

the Board of Directors, chief executive officer or president (in the absence of a chief executive officer), but such special meetings may not be called by any other person or persons.

(5) Subject to the rights of the holders of any series of Preferred Stock then outstanding, advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Corporation shall be given in the manner provided in the Bylaws of the Corporation.

ARTICLE VI

MEETINGS OF STOCKHOLDERS; BOOKS AND RECORDS

Meetings of the stockholders of the Corporation may be held within or outside the State of Delaware, as the Bylaws of the Corporation may provide. The books and records of the Corporation may be kept outside the State of Delaware at such place or places as may be designated from time to time by the Board of Directors or in the Bylaws of the Corporation

ARTICLE VII

LIMITATION OF LIABILITY AND INDEMNIFICATION

A.To the maximum extent permitted by the Delaware General Corporation Law or any other law of the State of Delaware, as the same exists or as may hereafter be amended, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. If the Delaware General Corporation Law is amended after approval by the stockholders of this Article VI to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law as so amended.

B.To the fullest extent permitted by law, the Corporation may indemnify and advance expenses to any person made or threatened to be made a party to an action or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that the person, the person's testator or intestate is or was a director, officer, employee or agent of the Corporation or any predecessor of the Corporation, or serves or served at any other enterprise as a director, officer, employee or agent at the request of the Corporation or any predecessor to the Corporation.

C.Neither any amendment nor repeal of this Article VII, nor the adoption of any provision of the Corporation's Certificate of Incorporation inconsistent with this Article VII, shall eliminate or reduce the effect of this Article VII in respect of any matter occurring, or any action or proceeding accruing or arising or that, but for this Article VII, would accrue or arise, prior to such amendment, repeal or adoption of an inconsistent provision.

ARTICLE VIII

AMENDMENTS TO CERTIFICATE OF INCORPORATION

The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Second Amended and Restated Certificate of Incorporation in the manner prescribed herein and by the laws of the State of Delaware and all rights conferred upon stockholders are granted subject to this reservation; provided, however, that notwithstanding any other provisions of this Second Amended and Restated Certificate of Incorporation or any provision of law which might otherwise permit a lesser vote or no vote, but in addition to any affirmative vote of the holders of any particular class or series of the Voting Stock required by law, this Second Amended and Restated Certificate of Incorporation or any Certificate of Designation, the affirmative vote of the holders of at least a majority sixty-six and two-thirds percent (66 2/3%) of the voting power of all of the then-outstanding shares of the Voting Stock, voting together as a single class, shall be required to alter, amend or repeal any or all of Section B of Article IV, Article V, Article VII or this Article VIII.
