CVRD Sells Its Stake in Fosfertil

Rio de Janeiro, October 24, 2003 Companhia Vale do Rio Doce (CVRD) announces that its subsidiary Companhia Paulista de Ferro Ligas (CPFL) concluded the sale of Fertilizantes Fosfatados S.A. (Fosfertil) shares to Bunge Fertilizantes S.A. for R\$ 240 million. The transaction involved 3,955,293,931 common shares and 7,910,587,866 preferred shares, totaling 11,865,881,797 shares, representing respectively 10.96% of the voting capital, 11.19% of the preferred capital and 11.12% of the total capital of Fosfertil.

This transaction is consistent with CVRD's focus in mining and logistics and with its strategy of selling portfolio investments.

This press release may contain statements that express management's expectations about future events or results rather than historical facts. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected in forward-looking statements, and CVRD cannot give assurance that such statements will prove correct. These risks and uncertainties include factors: relating to the Brazilian economy and securities markets, which exhibit volatility and can be adversely affected by developments in other countries; relating to the iron ore business and its dependence on the global steel industry, which is cyclical in nature; and relating to the highly competitive industries in which CVRD operates. For additional information on factors that could cause CVRD's actual results to differ from expectations reflected in forward-looking statements, please see CVRD's reports filed with the Brazilian Comissão de Valores Mobiliários and the U.S. Securities and Exchange Commission.
