**Item 8.01 Other Events**

On May 4, 2005, Public Company Management Corporation (the "Registrant") issued a press release announcing the publishing of five new white papers that address pertinent and salient issues for owners of growing businesses. These white papers, each available at [www.PubCoWhitePapers.com](http://www.PubCoWhitePapers.com), cover a range of pressing topics from the Sarbanes-Oxley Act (SOX) to the financial benefits of incorporating a business. The latest releases represent PUBC's continuing efforts to educate small businesses, both foreign and domestic, about the process and benefits of accessing public equity markets.

PUBC provides consulting and compliance services for small public and soon-to-be-public companies that trade on the OTCBB, similar to the services provided for Fortune 500 companies by businesses like The Corporate Executive Board Company (NASDAQ: [EXBD](#)) and Navigant Consulting, Inc. (NYSE: [NCI](#))
