Item 1.01 Entry into a Material Definitive Agreement

Debenture and Warrant Transaction

On January 17, 2012, NutraCea (the “Company”) entered into a Securities Purchase Agreement (the “Securities Purchase Agreement”) with Hillair Capital Investments L.P. (“Hillair”) whereby the Company issued and sold (the “Debenture and Warrant Transaction”) to Hillair (i) an \$870,000 original issue discount senior secured convertible debenture due July 1, 2013 (the “Debenture”), and (ii) a common stock purchase warrant (the “Debenture Warrant”) to purchase up to 6,250,000 shares of the Company’s common stock (the “Common Stock”). The initial closing of the Debenture and Warrant Transaction occurred on January 17, 2012 (“Original Issue Date”).

The Company issued to Hillair the Debenture and the Debenture Warrant for the purchase price of \$750,000. The Company will not make any regularly scheduled payments on the Debenture, and, unless as otherwise set forth in the Debenture, the Company may not prepay any portion of the principal amount of the Debenture without Hillair’s prior written consent. At any time after the Original Issue Date until the Debenture is no longer outstanding, the Debenture shall be convertible, in whole or in part, into shares of Common Stock at the option of Hillair, subject to certain conversion limitations set forth in the Debenture. The conversion price for the Debenture is \$0.15 per share, subject to adjustments upon certain events, as set forth in the Debenture. Commencing on August 1, 2012, the Company will be obligated to redeem a certain amount under the Debenture on a monthly basis, in an amount equal to \$72,500 (the “Monthly Redemption Amount”) for each month, until the Debenture’s maturity date of July 1, 2013. In lieu of a cash redemption and subject to the Company meeting certain equity conditions described in the Debenture, the Company may elect to pay the Monthly Redemption Amount in shares based on a conversion price equal to the lesser of i) \$0.15, subject to adjustments upon certain events, ii) 80% of the average of the volume weighted average price for the 20 consecutive trading days prior to the applicable redemption date, or (iii) the volume average weighted price for the trading day that is immediately prior to the monthly redemption date less \$0.01. Upon any Event of Default (as defined in the Debenture), the outstanding principal amount of the Debenture, plus liquidated damages, interest and other amounts owing in respect thereof through the date of acceleration, shall become, at Hillair’s election, immediately due and payable in cash. Commencing five days after the occurrence of any Event of Default, the interest rate on the Debenture shall accrue at an interest rate equal to the lesser of 18% per annum or the maximum rate permitted under applicable law. The Company is subject to certain non-financial covenants under the Debenture.

The Debenture Warrants may be exercised at any time on or after July 18, 2012 and on or prior to the close of business on January 18, 2017, at an exercise price of \$0.12 per share, subject to adjustments upon certain events. The Debenture Warrants contain full antidilution protective provisions as described therein.

To secure the Company’s obligations under the Debenture, the Company and its wholly-owned subsidiaries, Rice Rx, LLC, The RiceX Company, RiceX Nutrients, Inc. and Rice Science, LLC (each a “Guarantor”), have jointly and severally agreed to guarantee and act as surety for payment of the Debenture under the Subsidiary Guarantee, dated as of January 17, 2012 (the “Guarantee”). Each Guarantor has granted Hillair a security interest in certain of their property to secure the prompt payment, performance and discharge in full of all of the Company’s obligations under the Debenture and the Guarantor’s obligations under the Guarantee, in accordance with that certain Security Agreement, dated as of January 17, 2012.

Note and Warrant Transactions

On January 17, 2012, the Company entered into a Note and Warrant Purchase Agreement (the “Note and Warrant Purchase Agreement”) with certain persons and entities (each, an “Investor” and collectively, the “Investors”), pursuant to which the Company issued to each Investor on January 18, 2012 (the “Initial Closing”), (1) secured convertible promissory notes (each a “Note” and, collectively, the “Notes”), with the aggregate principal amount of the Notes equaling \$4,300,000, at a rate equal to 10.00% per annum, and (2) a warrant (“Note Warrant”) to purchase up to a number of shares of Common Stock equal to the quotient obtained by dividing (i) the principle amount of the Note issued to the Investor at closing by (ii) \$0.10 (the “Note and Warrant Transaction”). The RiceX Company and Rice Science, LLC, both of which are wholly-owned subsidiaries of the Company, will be obligors under the Notes. The Company may issue additional Notes under the Note and Warrant Purchase Agreement up to an aggregate principle amount of \$7,500,000 (or \$10,000,000, if increased with the consent of a Majority in Interest (as defined in the Note and Warrant Purchase Agreement)).

The conversion price for the Notes is \$0.10 per share, subject to adjustments upon certain events. With respect to the conversion of the Notes, all, or any portion of at least \$100,000 of the outstanding principal amount of and all accrued but unpaid interest under any Note shall be convertible at the option of the Investor into that number of shares of the Company’s Common Stock as is determined by dividing such principle amount and accrued but unpaid interest by the then effective conversion price. The Notes contain full antidilution protective provisions as described therein.

The exercise price for the Note Warrant is \$0.12 per share, subject to adjustments upon certain events. The Note Warrant may be exercised at any time on or after the Initial Closing and on or upon the earlier to occur of (1) the close of business on January 18, 2017, or (2) any Change of Control (as defined in the Warrant to Purchase Shares). The Note Warrants contain full antidilution protective provisions as described therein.

To secure its obligations under the Notes, and in order to induce each Investor to extend the credit evidenced by the Notes, the Company has agreed to enter into that certain Security Agreement, dated January 18, 2012 (“Security Agreement”), granting Investors a security interest in certain Collateral (as defined in the Security Agreement), excluding the Company’s interest in Nutra SA, LLC, a Delaware limited liability company. Pursuant to that certain Subordination Agreement, dated January 18, 2012, the Investors have each agreed to subordinate each of their security interests granted under the Security Agreement, with the result being that the Investors’ security interests granted therein are junior to the security interests of Hillair under the Debenture.

As part of the Note and Warrant Transaction, Baruch Halpern, one of the Investors and a prior investor in the Company, agreed upon the Initial Closing to surrender for cancellation (a) a convertible promissory note of the Company issued to Baruch Halpern and Shoshana Halpern, as trustees of the Shoshana Shapiro Halpern Revocable Trust UA June 13, 2006 (the “Trust”), in the original principal amount of \$1,773,186.34, (b) a convertible promissory note of the Company issued to the Trust in the original principal amount of \$550,000 (together, the “Prior Notes”), and (c) a warrant of the Company issued to the Trust to purchase 2,323,186 shares of Common Stock (“Prior Warrant”). At the Initial Closing, the Prior Notes were automatically cancelled and terminated and all outstanding principal and unpaid interest under the Prior Notes as of the date of the Initial Closing constituted a payment by the Trust to purchase a Note and Warrant under the Note and Warrant Purchase Agreement at the Initial Closing. Upon the Initial Closing, the Prior Warrant was automatically terminated.

Finally, within thirty (30) days following the Initial Closing, a Majority in Interest of the Investors shall have the right to nominate an individual to serve on the Board of Directors subject to approval of the Nominating Committee of the Board.

Ed McMillan, Chairman of the Board of Directors, James Lintzenich, Compensation Committee Chair, and W. John Short, Director and Chief Executive Officer, were among the investors under the Note and Warrant Purchase Agreement.
