RiceBran Techonologies New Trading Symbol is RIBT

In connection with the Company’s name change from “NutraCea” to “RiceBran Technologies” which became effective on October 3, 2012, the Company’s new trading symbol will change from NTRZ to RIBT effective on Friday, October 26, 2012. The Company’s common stock will continue to be traded on the OTCBB.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

Effective as of October 22, 2012, the board of directors of the Company repriced 10,611,038 outstanding compensatory options to purchase Common Stock held by non-executive employees and certain executive officers (the "Options"). As a result, the exercise price of the Options was lowered to \$0.08 per share. No other terms of the Options were changed. Options held by J. Dale Belt, Chief Financial Officer of the Company, and Colin Garner, Senior Vice President of Sales of the Company, were also repriced. Mr. Belt holds options to purchase up to 2,953,153 shares of Common Stock, and Mr. Garner holds options to purchase up to 1,429,885 shares of Common Stock.

The board of directors effectuated the repricing to realign the value of the Options with their intended purpose, which is to retain and motivate the holders of the Options to continue to work in the best interests of the Company. Prior to the repricing, many of the Options had exercise prices well above the recent market prices of the Common Stock. The Options were repriced unilaterally and the consent of holders was neither necessary nor obtained.
