If you receive multiple proxy cards, this indicates that your shares are held in more than one account, such as two brokerage accounts, or are registered in different names. You should vote each of the proxy cards received to ensure that all of your shares are voted.

Your Vote is Important

Whether or not you plan to attend the Annual Meeting, please take time to vote your shares by signing and returning a proxy card as soon as possible.

Who Can Vote:

All holders of record of our common stock at the close of business on April 3, 2018 are entitled to vote at the Annual Meeting. Holders of our common stock are entitled to one vote per share.

Proxies:

Properly executed but unmarked proxies will be voted FOR the election of our ten director nominees, FOR the non-binding approval of named executive officer compensation, and FOR the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2018. If you withhold your vote for any of the director nominees, this will be counted as a vote **AGAINST** that nominee. If any other matters are properly brought before the Annual Meeting, the persons named in the proxy card will vote your shares as directed by a majority of the Board of Directors.

Quorum:

Only shares of our common stock can be voted, with each share entitling its owner to one vote on all matters that come before the Annual Meeting. The close of business on Tuesday April 3, 2018 was fixed by the Board of Directors as the Record Date for determination of stockholders entitled to vote at the Annual Meeting. The number of shares of our common stock outstanding on the Record Date was 12,671,386. The presence, in person or by proxy, of at least a majority of the shares outstanding on the Record Date is necessary to constitute a quorum at our Annual Meeting. Abstentions will be treated as present for determining a quorum at the Annual Meeting. If a broker holding your shares in street name indicates to us on a proxy card that the broker lacks discretionary authority to vote your shares for all matters at the meeting, we will not consider your shares as present or entitled to vote for any purpose. There is no cumulative voting in the election of directors and, as required by Nevada law, the directors will be elected by a plurality of the votes cast at the Annual Meeting, subject to the requirements of the Company's Corporate Governance Guidelines regarding the need to receive more For votes than Withhold votes, as discussed in more detail below.

Cost of Proxy Solicitation:

We will bear the cost of soliciting proxies. Some of our directors, officers and regular employees may solicit proxies, without additional compensation, personally or by telephone. Proxy materials will also be furnished without cost to brokers and other nominees to forward to the beneficial owners of shares held in their names.

The persons named on the proxy card will vote FOR all of the nominees for director listed above unless you withhold authority to vote for one or more of the nominees. Under current regulations, a broker is prohibited from voting for directors without receiving instructions from you. As required by Nevada law, nominees will be elected by a plurality of the votes cast at the Annual Meeting. Abstentions and broker non-votes will not be treated as a vote for or against any particular nominee and will not affect the outcome of the election of directors. However, pursuant to the Company's Corporate Governance Guidelines, in any uncontested election of directors, a nominee who receives more withhold votes than FOR votes shall tender his or her resignation to the Board. The Governance and Nominating Committee of the Board of Directors will promptly accept such resignation unless there are, in its

opinion, highly unusual or mitigating circumstances, in which case the Nominating and Governance Committee may, by unanimous vote of its disinterested members, recommend to the Board to reject the tendered resignation, and the Board will promptly act on, without being bound to accept, that recommendation.

All of the nominees have consented to serve as directors. Our Board has no reason to believe that any of the nominees will be unable to act as a director. However, if any director is unable to serve, the Board may designate a substitute. If a substitute nominee is named, the persons named on the proxy card will vote FOR the election of the substitute nominee.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF THE TEN NOMINEES FOR DIRECTOR NAMED IN THIS PROXY STATEMENT.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Leadership Structure

Our Board is led by an independent Chairman and included six other independent directors during 2017 up through the 2017 annual meeting of stockholders held on October 3, 2017. Since Marlin Johnston did not stand for reelection at the 2017 annual meeting of stockholders, following that October meeting we had five independent directors in addition to an independent Chairman. Mr. Reading, our Chief Executive Officer, Mr. McAfee, our Executive Vice President and Chief Financial Officer, and Mr. Swanson, an employee of one of our subsidiaries, STAR Physical Therapy, LP, are the members of the Board who are not independent. We believe the leadership structure enhances the accountability of the executive management to the Board. We are seeking to add another independent director, Ms. Kathleen Gilmartin, in connection with the 2018 Annual Meeting. Because seven of the ten members of our Board nominated for election are considered independent, we believe the Board is independent from management. Further, separating the Chairman and Chief Executive Officer roles allows Mr. Reading to focus his efforts on running our business and managing the Company in the best interest of our stockholders while we are able to benefit from prior experiences of our independent Board members.

Board Oversight of Risk

Our management is responsible for the Company's day-to-day risk management activities. Our Board, which functions in an oversight role in risk management, focuses on understanding the nature of the risks inherent in our business, including our operations, strategic directions and overall risk management systems. Our Board receives periodic updates on our business operations, financial results, strategy and specific risks related to our business. These updates are communicated through monthly correspondence and presentations by management at Board meetings and through discussions with appropriate management compliance and audit personnel at the meetings of the Board's Audit Committee and Compliance Committee.

In addition, we believe our approach to compensation practices and policies applicable to employees throughout our Company and those followed for our Named Executive Officers (as defined in the Compensation Discussion and Analysis section below) are not reasonably likely to have a material adverse effect on our Company. See Compensation Discussion and Analysis.

Independent Directors

The Board has affirmatively determined the Messrs. Brookner, Chapman, Harris, Kuntz, Pullins, Trier and Ms. Gilmartin have no relationship with the Company or its subsidiaries that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and are independent, as defined in the NYSE listing standards. Specifically, the Board determined that the foregoing seven nominees are independent as defined in

the NYSE listing standards, and that the directors comprising the Company's Audit Committee are independent as defined in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934 (as amended, the Exchange Act) and the directors comprising the Compensation Committee are independent as defined in Rule 10C-1 under the Exchange Act.

Attendance at Board Meetings and Board Committees

The Board of Directors conducts its business through its meetings and through meetings of certain committees of the Board of Directors. The Board of Directors is comprised of a majority of independent directors as required by the NYSE listing standards and is required to meet at least four times per year. In addition, the independent directors periodically meet as a group in executive session, with the Chairman of the Board presiding over such meetings.

The Board has the following standing committees: (i) Governance and Nominating, (ii) Compliance, (iii) Compensation, and (iv) Audit. During 2017, the Board of Directors met five times, the Governance and Nominating Committee met three times, the Compliance Committee met four times, the Compensation Committee met six times and the Audit Committee met eight times. Each of our directors participated in at least 75% of the aggregate meetings of the Board of Directors and the committees on which he served.

These committees are constituted as follows:

Governance and Nominating Committee

The Governance and Nominating Committee currently consists of Messrs. Pullins (Chairman), Harris and Trier, all of whom have been determined to be independent, as defined in the NYSE listing standards and the rules of the SEC. The function of the committee is to select, screen and recommend to the full Board nominees for election as directors, including any nominees proposed by stockholders who have complied with the procedures described below. The committee also has ongoing responsibility for oversight review of Board performance and ensuring each Board member's continuing commitment to the Board and the Company's goals and objectives. Additional functions include regularly assessing the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the committee will consider various potential candidates for director. Candidates may come to the attention of the committee through current Board members, stockholders, or other persons. The committee may also hire third parties to identify, to evaluate, or to assist in identifying or evaluating potential nominees should it be determined necessary. The committee is required to meet at least annually and operates under a written charter, a copy of which is available on our website at www.usph.com.

Nomination Criteria. In its consideration of Board candidates, the Governance and Nominating Committee considers the following criteria: the candidate's general understanding of the health care sector, marketing, finance and other disciplines relevant to the success of a publicly-traded company; strategic business contacts and regard or reputation in the community, other board affiliations, industry and civic affairs; financial, regulatory and business experience; integrity, honesty and reputation; size of the Board of Directors; and regulatory obligations. In the case of incumbent directors whose terms of office are set to expire, the committee reviews each such director's overall service to the Company during said director's terms, including the number of meetings attended, level of participation, quality of performance, and whether the director continues to meet the independence standards set forth in the applicable SEC rules and regulations and the NYSE listing standards. In the case of new director candidates, the questions of independence and financial expertise are important to determine which roles can be performed by the candidate, and the committee preliminarily determines whether the candidate meets the independence standards set forth in the SEC rules and regulations and the NYSE listing standards, and the level of the candidate's financial expertise. In accordance with the Company's Corporate Governance Guidelines, incumbent Directors who have achieved the age of 78 as of the date of the Annual Meeting shall not be eligible for re-election to the Board at such Annual Meeting without the unanimous consent and approval of the Board. Newly proposed nominees for director who have achieved the age of 77 as of the date of the Annual Meeting shall not be eligible for nomination, appointment or election to the Board. Candidates are first screened by the committee, and if approved by the committee, then they are screened by other members of the Board. The full Board approves the final nomination(s) based on recommendations from the committee. The Chairman of the Board, acting on behalf of the full Board, will extend the formal invitation to become a nominee of the Board of Directors. Qualified candidates for membership on the Board will be considered without regard to race, color, religion, sex, ancestry, national origin or disability.

Stockholder Nomination Procedures. The Governance and Nominating Committee will consider director candidates recommended by the stockholders. Generally, for a stockholder of the Company to make a nomination to be included in the proxy statement, he or she must give written notice to our Secretary so that such notice is received at least 120 calendar days prior to the first anniversary of the date the Company's proxy statement is sent to the stockholders in connection with the previous year's annual meeting of stockholders. If no annual meeting of stockholders was held in

the previous year (or if the date of the annual meeting of stockholders was changed by more than 30 calendar days from the date of the previous year's annual meeting), the notice must be received by the Company within a reasonable period prior to the time the Company begins to print and send its proxy materials for the applicable annual meeting.

The stockholder's notice must set forth as to each nominee: (i) the name, age, business address and residence address of such nominee, (ii) the principal occupation or employment of such nominee, (iii) the number of shares of our common stock which are beneficially owned by such nominee, and (iv) any other information relating to such nominee that may be required under federal securities laws to be disclosed in solicitations

of proxies for the election of directors (including the written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serve as a director if elected). The stockholder's notice must also set forth as to the stockholder giving notice: (a) the name and address of such stockholder and (b) the number of shares of our common stock which are beneficially owned by such stockholder.

If the information supplied by the stockholder is deficient in any material aspect or if the foregoing procedure is not followed, the chairman of the applicable annual meeting may determine that such stockholder's nomination should not be brought before the meeting and that such nominee is not eligible for election as a director of the Company. The committee will not alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder.

No stockholder nominations were received in connection with the Annual Meeting.

Compliance Committee

The Compliance Committee currently consists of four independent directors. The current members of the committee are Messrs. Kuntz (Chairman), Brookner, Chapman, and Harris, all of whom have been determined to be independent, as defined in the NYSE listing standards. Mr. Johnston served on this committee until October 3, 2017. The committee has general oversight of our Company's compliance with the legal and regulatory requirements regarding healthcare operations. The Chairman of the committee is provided with information regarding calls received on the Company's compliance hotline and reports findings to the committee. The committee relies on the expertise and knowledge of management, especially our Chief Compliance Officer, who regularly communicates with the Chairman of the committee, and other compliance, management, operations and/or legal personnel. The committee meets at least four times a year and as necessary to carry out its responsibilities and reports periodically to the Board of Directors regarding its actions and recommendations. The committee reviews and assesses the activities and findings of clinic internal audits, reviews reports of material noncompliance and reviews and approves corrective actions proposed by management. In addition, the Compliance Committee oversees the implementation and execution of the Company's Corporate Integrity Agreement.

Compensation Committee

The current members of the Compensation Committee are Messrs. Chapman (Chairman), Pullins and Kuntz, all of whom have been determined to be independent, as defined in the NYSE listing standards and the rules of the SEC. Mr. Trier served on this committee until December 4, 2017, when he was replaced by Mr. Kuntz. As more fully described in the Compensation Committee Charter, which can be found on our website at www.usph.com, the committee is responsible for, among other things:

- establishing goals and objectives relevant to incentive compensation awards (annual and long-term) for the Chief Executive Officer and other senior executive officers of the Company;
- evaluating the Chief Executive Officer's and other senior executive officers' performance and the overall corporate performance in light of these goals and objectives and approve any incentive compensation for such executives;
- determining any periodic adjustments to be made in the Chief Executive Officer's and other senior executive officers' base salary level based on the committee's evaluation thereof;
- reviewing, for officers of the Company other than the senior executives, the proposed salary levels and annual adjustments thereto and the incentive compensation plans formulated by senior executive management and the annual bonus payments to be made thereunder, and providing input and advice to senior executive management with respect to these compensation decisions;
- approving all executive perquisites and any special benefit plans to be made available to senior executive officers;
- advising on compensation of non-employee members of the Board; and
