## Edgar Filing: ATLANTICWINE AGENCIES INC - Form 10QSB

### 1. Condensed Financial Statements

In the opinion of the Company, the accompanying unaudited condensed financial statements include all adjustments (consisting only of normal recurring accruals) which are necessary for a fair presentation of the results for the periods presented. Certain information and footnote disclosure, normally included in the financial statements prepared in accordance with generally accepted accounting principles, have been condensed and omitted. The results of operations for the nine months ended December 31, 2003 are not indicative of the results of operations for the year ended March 31, 2004. The condensed financial statements should be read in conjunction with the Company's financial statements included in its annual Form 10-KSB for the year ended March 31, 2003.

### 2. Stockholders' Equity

On June 11, 2003, the Company issued 100,000 shares of its common stock to Ollie & Partners, LLC to market and sell certain Company products. The stock was valued @ \$0.35 per share based upon a block discount factor.

In June 30, 2003, the Company sold 5,000 shares of its common stock to Mr. Gary Cella, a principal stockholder, for consideration of \$5,000 cash.

In August 31, 2003, the Company sold 8,100 shares of its common stock to Mr. Gary Cella, a principal stockholder, for consideration of \$8,100 cash.

On December 16, 2003, the Company, prior to an acquisition by Rosehill Investments Limited, a Seychelles corporation, divested itself of two wholly owned subsidiaries - CJC Enterprises and International Products, Inc. - to be held for the benefit of the holders of record of Atlantic Wine Agencies Inc.'s capital stock as of the close of business on the business day immediately preceding the acquisition date.

On December 16, 2003, the Company had a change in control of its issued and outstanding common stock. On this date, Rosehill Investments Limited acquired 11,937,200 shares of the Company's common stock pursuant to a Stock Purchase Agreement among Rosehill Investments Limited and the Company, Mr. Jonathan Reisman and Mr. Gary Cella. ### ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATION

The following should be read in conjunction with our financial statements and the related notes that appear elsewhere in this Annual Report. The discussion contains forward-looking statements that reflect our plans, estimates and beliefs. Our actual results could differ materially from those discussed in the forward-looking statements. Factors that could cause or contribute to these differences include, but are not limited to, those discussed below.

We have not had any significant revenues since inception. Our sole objective is to become an operating business.

Our ability to become and continue as a going concern is dependent upon obtaining additional substantial capital. Because we have virtually no funds and no commitments which would enable us to obtain funds, we may exhaust our limited financial resources before we are ever able to commence operations.

On December 16, 2003, the Company had a change in control of its issued and outstanding common stock. On this date, Rosehill Investments Limited acquired 11,937,200 shares of the Company's common stock pursuant to a Stock Purchase Agreement among Rosehill Investments Limited and the Company, Mr. Jonathan Reisman and Mr. Gary Cella. The agreement provided for the shares to be sold as follows: 9,234,520 shares from the Company; 1,379,600 shares from Mr. Reisman and 1,323,100 shares from Mr. Cella ("Stock Sale").

As a result of the Stock Sale: (i) the directors of the Company resigned and new directors were appointed; (ii) obligations to the Company's auditors, lawyers and service providers were satisfied; and (iii) the Company spun off its two subsidiaries to its shareholders of record immediately prior to the Stock Sale.

#### Development and Integration of Business Model

It is the Company's current intention to enter the South African wine-growing and wine distribution business. Presently, the Company is investigating potential acquisitions of assets and is in discussions with possible joint venture candidates in South Africa and elsewhere.

### Item 3. Controls and Procedures.

(a) Our principal executive officer and principal financial officer has evaluated the effectiveness of our disclosure controls and procedures (as defined in Exchange Act Rules 13a-14 and 15d-14) as of a date within 90 days prior to the filing date of this quarterly report and has concluded that our disclosure controls and procedures are adequate.

(b) There were no significant changes in our internal controls or in other factors that could significantly affect these controls
