Edgar Filing: GLOBETEL COMMUNICATIONS CORP - Form DEF14A

INTRODUCTION

The accompanying proxy is solicited by the Board of Directors of GlobeTel Communications Corp. If no specifications are indicated, the shares will be voted in accordance with the recommendation of the Board with respect to each matter submitted to the Company's stockholders for approval. Abstentions and broker non-votes will not be voted, but will be counted for determining the presence of a quorum.

The cost of preparing and mailing the enclosed proxy materials, which is estimated to be approximately \$25,000, will be borne by the Company. The Company may use the services of its officers and employees (who will receive no additional compensation) to solicit proxies. In addition to the use of the mails, proxies may be solicited by telephone, mailgram, facsimile, telegraph, cable, email and personal interview. The Company intends to request banks and brokers holding shares of the Company's common stock to forward copies of the proxy materials to those persons for whom they hold shares and to request authority for the execution of proxies. The Company will reimburse banks and brokers for their out-of-pocket expenses. The Company may also retain the services of a solicitation firm to aid in the solicitation of proxies. If it does so, the Company will pay the fees and expenses of such firm.

A list of stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder for a proper purpose during normal business hours at the offices of the Company for a period of at least ten days preceding the Annual Meeting.

VOTING AT THE ANNUAL MEETING

The shares entitled to vote at the Annual Meeting consist of shares of the Company's common stock (the "Common Stock"), with each share entitling the holder to one vote. At the close of business on June 17, 2005, the record date for the Annual Meeting, there were issued and outstanding 74,438,519 shares of the Company's common stock. This Proxy Statement and the accompanying form of proxy are first being sent to the stockholders on or about July 12, 2005.

Each proxy that is properly signed and received prior to the Annual Meeting will, unless revoked, be voted in accordance with the instructions on such proxy. If no instruction is indicated, the shares will be voted FOR the election of the nominees for director listed in this proxy statement; FOR ratification of the appointment of Dohan and Company, CPAs, PA; FOR the increase

of authorized shares to 150 million; FOR the Employee Stock Option and Award Plan; and FOR the approval of such other business that may properly come before the Annual Meeting or any postponement or adjournment thereof. A stockholder who has given a proxy may revoke such proxy at any time before it is voted at the Annual Meeting by delivering a written notice of revocation or duly executed proxy bearing a later date to the Secretary of the Company or by attending the meeting and voting in person.

A quorum of stockholders is necessary to take action at the Annual Meeting. A majority of the outstanding shares of the Company's common stock, represented in person or by proxy, will constitute a quorum. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of election appointed for the Annual Meeting. The inspector of election will

Edgar Filing: GLOBETEL COMMUNICATIONS CORP - Form DEFR14A

determine whether or not a quorum is present at the Annual Meeting. The inspector of election will treat abstentions as shares of common stock that are present and entitled to vote for purposes of determining the presence of a quorum.

The six (6) nominees for director shall be elected as directors of the Company if they receive the affirmative vote of a majority of the shareholders of common stock present in person or represented by proxy at the Annual Meeting. The vote required for ratification of Dohan and Company, CPAs, PA as our independent auditors for the fiscal year ending December 31, 2005, is the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting. The vote required to ratify the 2004 Employee Stock Option Plan is the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting. ELECTION OF DIRECTORS

NOMINEES AND DIRECTORS

Six directors will be elected at the Annual Meeting. The nominees for director, if elected, will serve until the annual meeting of stockholders to be held in 2006 and until his successor is duly elected and qualified. Our Bylaws currently authorize a Board consisting of not less than one or more than thirteen persons, and our Board currently provides for seven directors. These

Edgar Filing: GLOBETEL COMMUNICATIONS CORP - Form DEFR14A

provisions, together with provisions of our articles of incorporation and by-laws, allow the Board to fill vacancies or increase its size, and may deter or hinder a shareholder from removing incumbent directors and filling such vacancies with its own nominees in order to gain control of the Board.

All nominees have consented to being named herein and have indicated their intention to serve as directors of the Company, if elected. Unless authority to do so is withheld, the persons named as proxies will vote the shares represented by such proxies for the election of the named nominees. In case any of the nominees become unavailable for election to the Board of Directors, which is not anticipated, the persons named as proxies shall have full discretion and authority to vote or refrain from voting for any other nominees in accordance with their judgment. Vacancies on the Board may be filled by the remaining director or directors, even though less than a quorum, for the unexpired term of such vacant position. Michael Molen, currently a director, has elected not to be re-nominated to serve another year as a director. Mr. Molen has no dispute with the Company that led to his decision not to seek renomination. The Board of Directors shall nominate someone to fill this vacancy during the year. The Board of Directors and the Nominating Committee require more time than is available prior to the filing of this proxy statement to locate a qualified candidate. Mr. Molen will be pursuing other business opportunities and will support the Board in its search for a qualified independent director. Bonuses for each year will also be equal to the base salaries as a minimum, unless otherwise agreed to by the executives.

From October 1, 1996 through December 31, 2003, the Company had an employment agreement with its President, Jerrold Hinton, wherein the Company agreed to pay compensation of \$100,000 annually. In September 2003, Dr. Hinton resigned effective December 31, 2003 but remained as a member of the board of directors of the Company.

Pursuant to the above employment agreements, the Company recorded accrued officers' salaries totaling \$519,168 as of December 31, 2002.

In September 2003, the officers agreed to forego their accrued salaries in exchange for stock options at \$.015 per share or 50% of the market price as of the exercise date. The officers subsequently exercised their stock options in January 2004.

As of December 31, 2003, the Company recorded accrued officers' salaries totaling \$245,000, which the officers again agreed to forego their accrued salaries in exchange for stock options at \$.015 per share or 50% of the market price as of the exercise date. COMPENSATION COMMITTEE REPORT

The report of the Compensation Committee of the Board with respect to compensation for the fiscal year ended December 31, 2004 is as follows:

COMPENSATION PHILOSOPHY

The overall policy of the Compensation Committee is to provide the Company's executive officers and other key employees with competitive compensation opportunities based upon their contribution to the financial success of the Company and their personal performance. It is the Compensation Committee's objective to have a substantial portion of each executive officer's compensation contingent upon the Company's performance as well as upon the officer's own level of performance.

COMPONENTS OF COMPENSATION

The principal components of executive officer compensation are generally as follows:

- o BASE SALARY. With respect to the Company's executive officers, their base salary is fixed in accordance with the terms of their respective employment agreements. See "Employment Agreements".
- o STOCK OPTIONS AND GRANTS. Stock option grants and other stock-based awards, which are designed to further align the interests of each executive officer with those of the shareholders and to provide each officer with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the Company's business.

COMPLIANCE WITH INTERNAL REVENUE CODE SECTION 162(M)

Section 162 (m) of the Internal Revenue Code of 1986, as amended, generally provides that publicly held companies may not deduct compensation paid to certain of their top executive officers to the extent such compensation exceeds \$1 million per officer in any year. However, pursuant to regulations issued by the Treasury Department, certain limited exemptions to Section 162(m) apply with respect to "qualified performance-based compensation." The Company is currently monitoring the applicability of Section 162(m) to its ongoing

Edgar Filing: GLOBETEL COMMUNICATIONS CORP - Form DEFR14A

compensation arrangements. The Company does not expect that amounts of compensation paid to its executive officers will fail to be deductible by reason of Section 162 (m).

Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee discussed with the independent accountants matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee discussed with Company's independent auditors the overall scope and plans for their respective audit. The Audit Committee meets with the independent auditors to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

The Company's independent accountants also provided to the Audit Committee the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants the accountants' independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended December 31, 2004, for filing with the Securities and Exchange Commission. The Audit Committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF

DOHAN AND COMPANY, CPAS, PA AS INDEPENDENT AUDITORS OF THE COMPANY

FOR THE FISCAL YEAR ENDING DECEMBER 31, 2005

Proposal 3

AMEND THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF
AUTHORIZED COMMON SHARES FROM 100,000,000 TO 150,000,000

In 2004 and 2005 we continued to acquire companies as part of our strategy to broaden our portfolio of product offerings, to augment our technological capabilities and to expand our geographic markets and distribution channels. As part of this strategy, we may acquire additional companies for these and other business reasons. From time to time, we pay for acquisitions with Globetel stock. The Board believes that the proposed increase in the number of authorized shares is desirable to maintain the company's flexibility in choosing how to pay for acquisitions and other corporate actions such as equity offerings to raise capital and adoption of additional benefit plans. The Board

Edgar Filing: GLOBETEL COMMUNICATIONS CORP - Form DEFR14A

will determine the terms of any such issuance of additional shares.

If this proposal is approved, all or any of the authorized shares may be issued without further shareowner action (unless such approval is required by applicable law or regulatory authorities) and without first offering those shares to the shareowners for subscription. The issuance of shares otherwise than on a pro-rata basis to all shareowners would reduce the proportionate interest in the company of each shareowner.

We have not proposed the increase in the authorized number of shares with the intention of using the additional shares for anti-takeover purposes, although we could theoretically use the additional shares to make more difficult or to discourage an attempt to acquire control of the company.

If this proposal is approved, the fourth article of the Certificate of Incorporation of GLOBETEL COMMUNICATIONS CORP. will be amended to read:

"FOURTH: The total number of shares of stock which the Corporation shall have authority to issue is one hundred sixty million (160,000,000) of which one hundred fifty million (150,000,000) shares shall be designated "Common Stock", \$.00001 par value per share and of which ten million (10,000,000) shall be designated "Preferred Stock", par value \$.001."

Approval of Proposal 3

The approval of Proposal 3 by the stockholders requires that the votes cast favoring Proposal 3 exceed the votes cast opposing Proposal 3.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR AN AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED COMMON SHARES TO ONE HUNDRED FIFTY MILLION

Proposal 4

TO RATIFY THE 2004 EMPLOYEE STOCK OPTION PLAN

On May 13, 2004 the Board of Directors adopted the 2004 Employee Stock Option Plan. The plan provides for issuance of qualified and non-qualified options to employees, officers and directors.

ADMINISTRATION AND AWARDS. The Plan will be administered by the Compensation Committee (the "Committee") of the Board, the members of which are independent within the meaning of applicable rules. The Plan provides for the Committee to make grants each year equal in value to such amount as the Board may determine from time to time. The grants may be in the form of stock options, stock, or restricted stock, or a combination of such forms of compensation, as determined each year by the Committee. Directors who are elected or appointed during a year shall receive a grant having a value equal to a pro-rata portion of that year's grant dollar value. The Plan allows for the issuance of both Qualified and Non-Qualified options. Options in excess of a value of \$100,000 are treated as Non-Qualified Options under the Plan.

STOCK. The Committee may grant a portion or all of the annual grant under the Plan in the form of shares of Common Stock.

EXERCISE. No option is exercisable after the expiration of seven (7) years from the date the option was granted, though the Committee may opt for a shorter term. If an employee is terminated for a reason other than cause, death

Edgar Filing: GLOBETEL COMMUNICATIONS CORP - Form DEFR14A

or disability, their Options shall expire 3 months from the date of their termination, if such option was exercisable at the time of termination. In the case of death or disability, options exercisable at the time of termination shall remain exercisable for up to one year or their original date of termination; whichever is sooner. In the event that an employee is terminated for cause, their options shall expire at the commencement of business on the day of their termination.

SHARES AUTHORIZED. The Plan has authorized 33,333,333 shares of which approximately 24.8 million remain available for issuance.

The 2004 Employee Stock Option Plan is attached hereto.

Approval of Proposal 4

The approval of Proposal 4 by the stockholders requires that the votes cast favoring Proposal 4 exceed the votes cast opposing Proposal 4.

Employees of the Company, as well as the Consultants who are granted Options pursuant to this Plan shall be referred to as "Participants". The Compensation Committee shall determine, within the provisions of the Plan, those persons to whom, and the times at which, Options shall be granted. In making such determinations, the Compensation Committee may take into account the nature of the services rendered by such person, his or her present and potential contributions to the Company's success, and such other factors as the Compensation Committee, in its discretion shall deem relevant. Grants may be made to the same individual on more than one occasion.

5. Granting of Options

5.1 Powers of the Compensation Committee. The Compensation Committee shall determine, in accordance with the provisions of the Plan, the duration of each Option, the exercise price of each Option, the time or times within which (during the term of the Option) all or portions of each Option may be exercised, and whether cash, Common Stock, or other property may be accepted in full or partial payment upon exercise of an Option.

- 7.3 Term and Exercise. Each Option shall be exercisable on such date or dates, during such period and for such number of shares of Common Stock as shall be determined by the Compensation Committee on the day on which such Option is granted and as set forth in the agreement evidencing the Option; provided, however, that (A) no Option shall be exercisable after the expiration of seven (7) years from the date such Option was granted; and (B) no Incentive Stock Option granted to a 10% shareholder as set forth in Section 7.4 hereof shall be exercisable after the expiration of five (5) years from the date such Incentive Stock Option was granted; and, provided, further, that each Option shall be subject to earlier termination, expiration or cancellation as provided in the Plan. Each Option shall be exercisable in whole or in part with respect to whole shares of Common Stock. The partial exercise of an Option shall not cause the expiration, termination or cancellation of the remaining portion thereof. On the partial exercise of an Option, the agreement evidencing such Option shall be returned to the Participant exercising such Option together with the delivery of the certificates described in Section 7.7 hereof.
- 7.4 Reserved
- 7.5 Maximum Amount of Option Grant. - 7.6 Method of Exercise. An Option shall be exercised by delivering notice to the Company's principal office, to the attention of its Secretary, no fewer than five business days in advance of the effective date of the proposed exercise. Such notice shall be

accompanied by the agreement evidencing the Option, shall specify the number of shares of Common Stock with respect to which the Option is being exercised and the effective date of the proposed exercise, and shall be signed by the Participant. The Participant may withdraw such notice at any time prior to the close of business on the business day immediately preceding the effective date of the proposed exercise, in which case such agreement shall be returned to the Participant. Payment for shares of Common Stock purchased upon the exercise of an Option shall be made on the effective date of such exercise either (i) in cash, by certified check, bank cashier's check or wire transfer or (ii) subject to the approval of the Compensation Committee, in shares of Common Stock owned by the Participant and valued at their Fair Market Value on the effective date of such exercise, or partly in shares of Common Stock with the balance in cash, by certified check, bank cashier's check or wire transfer.
