Item 3.02. Unregistered Sales of Securities.

Pursuant to Subscription Agreements (the “Subscription Agreements”) between ZIOPHARM Oncology, Inc., a Delaware corporation (the “Company”) and certain institutional and other accredited investors identified therein, on May 3, 2006, the Company completed the sale of an aggregate of 7,991,256 shares (the “Shares”) of the Company’s common stock at a price of \$4.63 per Share in a private placement (the “Offering”). In addition to the Shares, the Company also issued to each investor a five-year warrant (each a “Warrant”) to purchase, at an exercise price of \$5.56 per share, an additional number of shares of common stock equal to 30 percent of the Shares purchased by such investor in the Offering. In the aggregate, these Warrants entitle investors to purchase an additional 2,397,392 shares of common stock. The total gross proceeds resulting from the Offering was approximately \$37 million, before deducting selling commissions and expenses. Following the completion of Offering, the Company has 15,264,248 shares of common stock outstanding.

The Company engaged Paramount BioCapital, Inc. and Griffin Securities, Inc. (together, the “Placement Agents”) as co-placement agents in connection with the Offering. In consideration for their services, the Company paid the Placement Agents and certain selected dealer engaged by the Placement Agents aggregate cash commissions of \$2,589,966 and issued 7-year warrants to the Placement Agents to purchase an aggregate of 799,126 shares (10 percent of the Shares sold in the Offering) at an exercise price of \$5.09 per share (the “Placement Agent Warrants”). The Company also agreed to reimburse the Placement Agents for their accountable expenses incurred in connection with the Offering.

Pursuant to the Offering, the Company agreed to use its best efforts to (i) file a registration statement covering the resale of the Shares and the common stock issuable upon exercise of the Warrants and Placement Agent Warrants within 30 days following the closing date of the Offering, and (ii) use its reasonable commercial efforts to cause the registration statement to be effective within 120 days after such final closing date.

Neither the Shares, Warrants or Placement Agent Warrants sold and issued in the Offering (including the shares of common stock issuable upon exercise of the Warrants or Placement Agent Warrants), were registered under the Securities Act of 1933, as amended (the “Securities Act”), and therefore may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. For these issuances, the Company relied on the exemption from federal registration under Section 4(2) of the Securities Act and/or Rule 506 promulgated thereunder, based on the Company’s belief that the offer and sale of the Shares, Warrants and Placement Agent Warrants did not involve a public offering as each investor was “accredited” and no general solicitation was involved in the Offering.

The forms of Warrant, Placement Agent Warrant and Subscription Agreement used in the Offering are attached hereto as Exhibits 4.1, 4.2 and 10.1, respectively, and are incorporated herein by reference. Additionally, the Company’s press release dated May 3, 2006 announcing the private placement discussed above is attached hereto as Exhibit 99.1 and incorporated herein by reference.
