**Item 1.01 - Entry into a Material Definitive Agreement.**

On November 28, 2006, RITA Medical Systems, Inc., a Delaware corporation (“RITA”), and AngioDynamics, Inc. (“AngioDynamics”) announced the execution of an Agreement and Plan of Merger, dated as of November 27, 2006 (the “Merger Agreement”), by and among AngioDynamics, Royal I, LLC, a Delaware limited liability company and wholly owned subsidiary of AngioDynamics (“Merger Sub”), and RITA, pursuant to which AngioDynamics will acquire RITA. The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, RITA will merge with and into Merger Sub, with Merger Sub continuing as the surviving corporation and a wholly owned subsidiary of AngioDynamics.

At the effective time and a result of the merger, each share of common stock of RITA, par value \$0.001 per share, then issued and outstanding, will be converted into the right to receive (i) 0.1722 shares of common stock of AngioDynamics, par value \$0.01 per share, and (ii) an amount of cash based on the average closing price of AngioDynamics’ common stock during the 10 trading day period ending three trading days prior to RITA’s stockholder meeting to approve and adopt the Merger Agreement (the “AngioDynamics Stock Price”). If the AngioDynamics Stock Price is within the range of \$18.18 to \$27.29, then RITA’s stockholders will receive, for each share of RITA common stock that they own, the per share stock consideration and an amount of cash equal to \$4.70 less the value, based on the AngioDynamics Stock Price, of the per share stock consideration. If the AngioDynamics Stock Price is less than \$18.18, then RITA’s stockholders will receive, for each share of RITA common stock that they own, the per share stock consideration and an amount of cash equal to \$1.57.

Consummation of the transactions contemplated by the Merger Agreement is conditioned upon, among other things, (1) approval of the Merger Agreement by the stockholders of RITA and approval of the issuance of common stock of AngioDynamics in connection with the merger by the stockholders of AngioDynamics, (2) the expiration of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and (3) the effectiveness of a registration statement relating to the shares of common stock of AngioDynamics to be issued in the merger. It is anticipated that the transaction will be completed during the first quarter of 2007.

The Merger Agreement contains customary representations and warranties by RITA, AngioDynamics and Merger Sub. The Merger Agreement also contains customary covenants and agreements, including with respect to the operation of the business of RITA and its subsidiaries between signing and closing, restrictions on solicitation of proposals with respect to alternative transactions, governmental filings and approvals, public disclosures and similar matters.

The Merger Agreement contains certain termination rights for both RITA and AngioDynamics, and further provides that, upon termination of the Merger Agreement under certain circumstances, RITA may be obligated to pay AngioDynamics a termination fee of \$8 million.

The Merger Agreement is included herein as Exhibit 2.1 and is incorporated herein by reference. The forgoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to such document.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about RITA, AngioDynamics or Merger Sub. As described above, the Merger Agreement contains representations and warranties of each of RITA, AngioDynamics and Merger Sub made to the other parties to the Merger Agreement. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Merger Agreement. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Accordingly, investors should not rely on the representations or warranties as characterizations of the actual state of facts at the time they were made or otherwise.

On November 28, 2006, AngioDynamics and RITA issued a joint press release announcing that AngioDynamics, Merger Sub and RITA had entered into the Merger Agreement. The joint press release of AngioDynamics and RITA announcing the execution of the Merger Agreement is attached to this report as Exhibit 99.1.
