**Proxy Statement**

**May 12, 2008**

The accompanying proxy is solicited on behalf of the Board of Directors of Argan, Inc., a Delaware corporation (referred to herein as "Argan" or the "Company"), for use at the 2008 Annual Meeting of Stockholders (the "Annual Meeting") to be held on June 18, 2008, at 11:00 a.m., local time, at the offices of Allen & Company LLC located at 711 Fifth Avenue, 9<sup>th</sup> Floor, New York, New York 10022. This Proxy Statement and the accompanying form of proxy card are being mailed on or about May 16, 2008 to stockholders of record on May 2, 2008. Our Annual Report on Form 10-K for the fiscal year ended January 31, 2008 is enclosed with this Proxy Statement.

At the Annual Meeting, stockholders will be asked to consider and vote upon three proposals: (1) the election of seven directors to serve until the 2009 Annual Meeting of Stockholders (the "Election of Directors"); (2) the amendment of our 2001 Stock Option Plan (the "Option Plan") to increase shares of common stock reserved for issuance from 650,000 shares to 1,150,000 shares; and (3) the ratification of the selection of the Company's independent registered public accountants (the "Ratification of Accountants").

If a proxy in the accompanying form is properly executed and returned to the Company in time for the Annual Meeting and is not revoked prior to the time it is exercised, the shares represented by the proxy will be voted in accordance with the directions specified therein for the matters listed on the proxy card. Unless the proxy specifies that it is to be voted against or is an abstention on a listed matter, proxies will be voted "FOR" each of the three proposals set forth above and otherwise in the discretion of the proxy holders as to any other matter that may come before the Annual Meeting.

**INFORMATION CONCERNING VOTING AND PROXY SOLICITATION**

**Voting**

Each stockholder is entitled to one vote for each share of Argan, Inc. common stock ("Common Stock") that the stockholder owns as of May 2, 2008 with respect to all matters presented at the Annual Meeting. Stockholders do not have the right to cumulate their votes in the election of directors.

**Record Date**

Only stockholders of record at the close of business (5:00 p.m. Eastern Daylight Time) on May 2, 2008 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting and at any adjournment or postponement thereof. Stockholders of record will be entitled to one vote for each share of Common Stock held. For information regarding holders of more than 5% of the outstanding Common Stock, see "Principal Stockholders."

**Outstanding Shares**

At the close of business on the Record Date, there were 11,120,026 shares of Common Stock outstanding. The closing price of our Common Stock on the Record Date, as reported by the American Stock Exchange, was \$12.90 per share.

### **Quorum; Effect of Abstentions and “Broker Non–Votes”**

A majority of the shares of Common Stock outstanding on the Record Date, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

If stockholders indicate on their proxy card that they wish to abstain from voting, including brokers holding their customers' shares of record who cause abstentions to be recorded, these shares are considered present and entitled to vote at the Annual Meeting. These shares will count toward determining whether or not a quorum is present. However, these shares will not be taken into account in determining the outcome of any of the proposals.

If a stockholder does not give a proxy to his/her broker with instructions as to how to vote the shares, the broker has authority under New York Stock Exchange rules to vote those shares for or against “routine” matters, such as the election of directors to our Board and the ratification of Grant Thornton LLP as our independent registered public accountants. Brokers cannot vote on their customers' behalf on “non–routine” proposals. These rules apply to us notwithstanding the fact that shares of our Common Stock are traded on the American Stock Exchange market. If a broker votes shares that are unvoted by its customers for or against a “routine” proposal, these shares are counted for the purpose of establishing a quorum and will also be counted for the purpose of determining the outcome of such “routine” proposals. If a broker chooses to leave these shares unvoted, even on “routine” proposals, they will be counted for the purpose of establishing a quorum, but not for determining the outcome of any of the proposals.

### **Voting Rights; Required Vote**

Holders of Common Stock are entitled to one vote for each share held as of the Record Date. The effect of abstentions (i.e. if you or your broker mark “ABSTAIN” on a proxy card) and broker non–votes on the counting of votes for each proposal is described below. Broker non–votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker holding shares in street name for the beneficial owner thereof does not receive voting instructions from the beneficial owner, and (2) the broker lacks discretionary authority to vote the shares. Banks and brokers cannot vote on their clients' behalf on “non–routine” proposals. For the purpose of determining whether stockholders have approved a matter, abstentions are treated as shares present or represented and voting. Broker non–votes are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved a matter, though they are counted toward the presence of a quorum as discussed above.

The votes required to approve each proposal are as follows:

- **Election of Directors.** Directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote in the election of directors. Abstentions and broker non–votes are not taken into account in determining the outcome of the election of directors.
- **Remaining Proposals.** Approval of the remaining proposals requires the affirmative vote by holders of at least a majority of the shares of Common Stock who attend the Annual Meeting in person, or are represented at the Annual Meeting by proxy. Abstentions will have the effect of a vote against this proposal, while broker non–votes will not be taken into account in determining the outcome of the vote on these proposals.

Accordingly, abstentions, broker non-votes or the failure to either return a proxy or to attend the Annual Meeting will be deemed not to have voted on the Election of Directors, the proposed increase to the Option Plan and the Ratification of Accountants.

The Named Executive Officers and the Directors of the Company will vote the shares of Common Stock beneficially owned or controlled by them (representing approximately 40% of the shares of Common Stock issued and

outstanding) in favor of each of the proposals discussed above.

- 2 -

---

You may revoke your proxy at any time before it is voted. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. You may revoke your proxy at any time before it is voted by delivering written notice of revocation to the Corporate Secretary at Argan, Inc., One Church Street, Suite 401, Rockville, Maryland 20850, by executing and delivering a subsequently dated proxy, or by attending the Annual Meeting and voting in person. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. **Where no instructions are indicated, proxies will be voted in accordance with the recommendations of the Board of Directors with respect to the proposals described herein.**

A quorum of stockholders is necessary to take action at the Annual Meeting. The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock of the Company entitled to vote at the meeting will constitute a quorum. Votes cast by proxy or in person at the meeting will be tabulated by the inspector of elections appointed for the Annual Meeting and will be counted as present for purposes of determining whether a quorum is present. The inspector of elections will treat broker non-votes as present and entitled to vote for purposes of determining whether a quorum is present.

### **Voting of Proxies**

If you complete and properly sign each proxy card you receive and return it in the prepaid envelope to us, it will be voted in accordance with the specifications made on the proxy card. If no specification is made on a signed and returned proxy card, the shares represented by the proxy will be voted "FOR" each proposal, including "FOR" the election to the Board of each of the nominees named on the proxy card, and "FOR" any other matter that may be properly brought before the Annual Meeting. If you attend the Annual Meeting, you may also vote in person, and any previously submitted votes will be superseded by the vote you cast in person at the Annual Meeting.

### **Adjournment of Meeting**

If a quorum is not present to transact business at the Annual Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the meeting to permit solicitation of proxies. Any adjournment would require the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting.

### **Expenses of Soliciting Proxies**

The expenses of solicitation, including the cost of printing and mailing, will be paid by the Company. After the original mailing of the proxies and other soliciting materials, we and/or our agents may also solicit proxies by mail, telephone, telegraph, facsimile, e-mail or in person. After the original mailing of the proxy cards and other soliciting materials, we will request that brokers, custodians, nominees and other record holders of our Common Stock forward copies of the proxy cards and other soliciting materials to persons for whom they hold shares and request authority for the exercise of proxies. The Company may reimburse brokers, nominees and other fiduciaries for their reasonable expenses in forwarding proxy materials to beneficial owners.

### **Revocability of Proxies**

Any person signing a proxy card in the form accompanying this Proxy Statement has the power to revoke it at any time before it is voted. A proxy may be revoked by signing and returning a proxy card with a later date, by delivering a written notice of revocation to Continental Stock Transfer & Trust Company (our stock transfer agent) at 17 Battery Place, New York, New York 10004, or by attending the Annual Meeting and voting in person. The mere presence at the Annual Meeting of a stockholder who has previously appointed a proxy will not revoke the appointment. Please note, however, that if a stockholder's shares are held of record by a broker, bank or other nominee and that stockholder wishes to vote at the meeting, the stockholder must bring to the Annual Meeting a letter from the broker, bank or other

nominee confirming the stockholder's beneficial ownership of the Common Stock and that the broker, bank or other nominee is not voting the shares at the Annual Meeting.

**PROPOSAL NO. 1**

**ELECTION OF DIRECTORS**

The directors of the Company are elected annually and hold office until the next annual meeting of stockholders and until their successors have been elected and shall have been qualified. Vacancies and newly-created directorships resulting from any increase in the number of authorized directors may be filled by a majority vote of the directors then in office.

At the Annual Meeting, stockholders of the Company are being asked to elect seven directors, all of whom currently serve in that capacity. Unless a stockholder withholds authority, the holders of proxies representing shares of Common Stock will vote “FOR” the election of each of the nominees listed below.

Proxies cannot be voted for a greater number of persons than the number of nominees named. If any nominee for any reason is unable to serve or for good cause will not serve, the proxies may be voted for such substitute nominee as the proxy holder may determine. We are not aware of any nominee who will be unable to or for good cause will not serve as a director. However, if a nominee shall be unavailable for any reason, then the proxies may be voted for the election of such person as may be recommended by the Board of Directors.

### **Board of Directors Meetings and Committees**

During the fiscal year ended January 31, 2008, the Board of Directors met four (4) times, including telephone conference meetings, and acted by unanimous written consent on six (6) occasions. No director attended fewer than 75% of the total number of meetings of the Board of Directors and the total number of meetings held by all committees of the Board on which the director served during the fiscal year.

The Board has four standing committees: the Executive Committee, the Audit Committee, the Compensation Committee, and the Nominating Committee. The functions of each of these committees and their members are specified below. The latter three committees operate under written charters approved by the Board of Directors, which are available on our website at [www.arganinc.com](http://www.arganinc.com).

The Board of Directors has an Executive Committee comprised of Messrs. Bosselmann (who is the chairman of this committee), Jordan and Levinson. The Executive Committee, which held no meetings during fiscal year 2008, is authorized to exercise the general powers of the Board of Directors managing the business and affairs of the Company between meetings.

The members of the other three committees are identified in the following table.

<b>Director</b>	<b>Audit Committee</b>	<b>Compensation Committee</b>	<b>Nominating Committee</b>
Henry A. Crumpton			
DeSoto S. Jordan	Member	Chairman	Member
William F. Leimkuhler	Chairman	Member	
Daniel A. Levinson			
W.G. Champion Mitchell	Member		Member
James W. Quinn		Member	Chairman

The Board has determined that the following members of the Board are independent directors, as such term is defined in Section 121 of the American Stock Exchange Company Guide: Messrs. Crumpton, Jordan, Leimkuhler, Mitchell and Quinn. The independent directors may meet from time to time in executive session without the other members. It is the Board's intent to add Mr. Crumpton to the Audit Committee after the Annual Meeting and to relieve Mr. Mitchell of the Audit Committee duties which he assumed temporarily after the passing of Mr. Winslow.

*Audit Committee.* During the fiscal year ended January 31, 2008, the Audit Committee met ten (10) times, including telephone conference meetings. The written charter of the Audit Committee was adopted in October 2003. The members of the Audit Committee are all independent directors under applicable SEC and stock exchange rules. In addition, the Board of Directors has determined that at least one of the independent directors serving on the Audit Committee, Mr. Leimkuhler, is an audit committee financial expert, as that term has been defined by SEC rules.

The Audit Committee assists the full Board of Directors in its oversight of our financial accounting, reporting and internal controls by meeting with members of management and our independent auditors. The Audit Committee has the responsibility to review our annual audited financial statements, and meets with management and the independent auditors at the end of each quarter to review the quarterly financial results. In addition, this group considers and approves the employment of, and approves the fee arrangements with, independent auditors for audit and other functions. The Audit Committee reviews our accounting policies and internal controls.

*Compensation Committee.* During the fiscal year ended January 31, 2008, the Compensation Committee met two (2) times, including telephone conference meetings. The members of the Compensation Committee are all independent directors under applicable stock exchange rules. No member of the Compensation Committee was an officer or employee of the Company during the fiscal year ended January 31, 2008. The written charter for the Compensation Committee was adopted in April 2004.

The Compensation Committee is responsible for implementing and reviewing executive compensation plans, policies and programs in an effort to ensure the attraction and retention of executive officers in a reasonable and cost-effective manner, to motivate their performance in the achievement of the Company's business objectives and to align the interests of executive officers with the long-term interests of the Company's stockholders. To that end, it is the responsibility of the Compensation Committee to develop and approve periodically a general compensation policy and salary structure for executive officers of the Company which considers business and financial objectives, industry and market pay practices and/or such other information as may be deemed appropriate. It is the responsibility of the Compensation Committee to review and recommend for approval by the independent directors of the full Board of Directors the compensation (salary, bonus and incentive compensation) of the Chief Executive Officer of the Company, to review and approve the compensation (salary, bonus, incentive and other compensation) of the other executive officers of the Company, and to review and approve perquisites offered to executive officers of the Company. This group shall also review and approve corporate goals and objectives relevant to the compensation of executive officers of the Company, evaluate performance in light of the goals and objectives, and review and approve

all employment, retention and severance agreements for executive officers of the Company. The Compensation Committee acts on behalf of the Board of Directors in administering compensation plans approved by the Board and/or the stockholders of the Company (including the Company's 2001 Stock Option Plan) in a manner consistent with the terms of such plans, reviews and makes recommendations to the Board of Directors with respect to new compensation incentive and equity-based plans, and reviews and make recommendations to the Board on changes in major benefit programs for executive officers of the Company. The Compensation Committee also reviews the management succession program for the Chief Executive Officer and selected executive officers of the Company.

*Nominating Committee.* The written charter of the Nominating Committee was adopted in April 2004. The Nominating Committee is responsible for identifying individuals qualified to become members of the Board of Directors, and recommending to the Board of Directors the persons to be nominated by the Board for election as directors at the annual meeting of stockholders and the persons to be elected by the Board of Directors to fill any vacancies on the Board. Each member of the Nominating Committee participated in the search process which resulted in its recommendation to the Board of Directors that Mr. Crumpton be added.

Directors are not required to meet any specific or minimum qualifications. The Nominating Committee does, however, use certain selection criteria as a guide in its selection process including the following: (i) nominees should have a reputation for integrity, honesty and adherence to high ethical standards; (ii) nominees should have demonstrated business acumen, experience and ability to exercise sound judgments in matters that relate to the current and long-term objectives of the Company and should be willing and able to contribute positively to the decision-making process of the Company; (iii) nominees should have a commitment to understand the Company and its industry and to regularly attend and participate in meetings of the Board of Directors and its committees; (iv) nominees should have the interest and ability to understand the sometimes conflicting interests of the various constituencies of the Company, which include stockholders, employees, customers, governmental units, creditors and the general public, and to act in the interests of all stockholders; (v) nominees should not have, or appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all the Company's stockholders and to fulfill the responsibilities of a director; and (iv) nominees shall not be discriminated against on the basis of race, religion, national origin, sex, sexual orientation, disability or any other basis proscribed by law. The Nominating Committee is also responsible for reviewing with the Board of Directors, on an annual basis, the requisite skills and criteria for new Board members as well as the composition of the Board as a whole.

The Nominating Committee will consider nominees for the Board of Directors recommended by stockholders. Nominations by stockholders must be in writing, must include the full name of the proposed nominee, a brief description of the proposed nominee's business experience for at least the previous five years, and a representation that the nominating stockholder is a beneficial or record owner of the Company's common stock. Nominations must be delivered to following address:

Nominating Committee  
Argan, Inc.  
c/o Corporate Secretary  
One Church Street, Suite 401  
Rockville, Maryland 20850

Any such submission must also be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as director if elected. The Nominating Committee is required to review the qualifications and backgrounds of all directors and nominees (without regard to whether a nominee has been recommended by stockholders), as well as the overall composition of the Board of Directors.

#### **Director Attendance at the Annual Meeting**

Although the Company does not have a formal policy with respect to the attendance of members of our Board of Directors at annual meetings, the Company strongly encourages directors to attend the annual meeting. All but one of our directors attended last year's annual meeting, and we expect that all of our directors will attend this year's Annual Meeting.

## Compensation of Directors

Effective February 1, 2008, each non-employee director of the Company receives an annual fee of \$20,000, plus \$300 for each formal meeting attended. Members of the Audit Committee receive an additional annual fee of \$5,000. Directors are also reimbursed for reasonable expenses actually incurred in connection with attending each formal meeting of the Board of Directors or any committee thereof. Directors are also eligible for the award of options to purchase shares of our common stock.

The following table summarizes the fees and other compensation earned by non-employee members of our Board of Directors during the fiscal years ended January 31, 2008 and 2007:

Name	Year	Fees	Stock Option Awards <sup>(1)</sup>	All Other Compensation	Total Compensation

## PROPOSAL NO. 2

### AMENDMENT TO THE STOCK OPTION PLAN

#### Background

On April 1, 2008, the Board of Directors adopted a resolution, subject to stockholder approval, to amend the Option Plan to increase the number of shares of Common Stock issuable thereunder from 650,000 to 1,150,000. On June 19, 2007, the stockholders approved an amendment to the Option Plan that increased the number of shares issuable thereunder from 250,000 to 650,000.

The Board of Directors believes that stock options are valuable tools for the recruitment, retention and motivation of qualified employees, including officers, and other persons who can contribute materially to the Company's success. As of March 31, 2008, only 76,225 shares of Common Stock were currently available for award under the Option Plan. During the fiscal year ended January 31, 2008, options to purchase 212,000 shares of our Common Stock were awarded to new key employees and a new director. In addition, stock options were granted to key employees of Gemma Power Systems LLC and its affiliated companies ("Gemma") which was acquired by us in December 2006. This acquisition added management and non-management employees to the Company's existing workforce. We may hire additional management and non-management employees as a result of future business acquisitions or other growth of the Company. The Board of Directors believes that it is important to have additional shares available under the Option Plan to provide adequate incentives to new employees and other key members of the Company's workforce. The material features of the Option Plan, including the proposed amendment, are outlined below. The following summary is qualified in its entirety by reference to the full text of the Option Plan, a copy of which has been filed with the Securities and Exchange Commission.

#### The 2001 Stock Option Plan

*Purpose.* The purpose of the Option Plan is to continue to provide an incentive to employees, directors, consultants and others who are in a position to contribute materially to the long term success of the Company, to increase such person's interest in the Company's welfare and to aid in retaining individuals with outstanding ability. The Plan is administered by the Board of Directors of the Company.

*Eligibility.* The Option Plan currently provides for the grant to employees, officers, directors and consultants of options to purchase up to 650,000 shares of Common Stock. The proposed amendment would increase the number of shares issuable upon exercise of options to 1,150,000. Options may be either "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or non-qualified options. Incentive stock options may be granted only to employees of the Company (including directors who are employees), while non-qualified options may be issued to directors (whether or not an employee), consultants and other non-employees of the Company. The Board of Directors of the Company has the authority to determine those individuals who shall receive options, the time period during which the options may be partially or fully exercised, the number of shares of Common Stock that may be purchased under each option and the option exercise price.

*Terms of the Options.* The per share purchase price of the Common Stock subject to an incentive stock option may not be less than the fair market value of the Common Stock at the time the option is granted. The per share exercise price of the Common Stock subject to a non-qualified option may be established by the Board of Directors of the Company. The aggregate fair market value (determined as of the date the option is granted) of the Common Stock that first becomes exercisable by any employee in any one calendar year pursuant to the exercise of incentive stock options may not exceed \$100,000. No person who owns, directly or indirectly, at the time of the granting of an incentive stock option to him, 10% or more of the total combined voting power of all classes of stock of the Company (a "10% Stockholder") shall be eligible to receive any incentive stock options under the Option Plan unless the option price is at

least 110% of the fair market value of the Common Stock subject to the option, determined on the date of grant. Options awarded under the Option Plan must be granted no later than July 19, 2011. Incentive stock options granted under the Option Plan cannot be exercised more than ten years from the date of grant except that incentive stock options issued to a 10% Stockholder are limited to five year terms. All options granted under the Option Plan provide for the payment of the exercise price in cash or by delivery to the Company of shares of Common Stock already owned by the optionholder having a fair market value equal to the exercise price of the options being exercised, or by a combination of those methods of payment. Therefore, an optionee may be able to tender shares of Common Stock to purchase additional shares of Common Stock and may theoretically exercise all of his stock options with no additional investment other than his original shares.

*Transferability.* No stock option may be transferred by an optionee other than by will or the laws of descent and distribution and, during the lifetime of an optionee, the option will be exercisable only by him or her. In the event that any options expire or terminate unexercised as to any shares covered thereby, the shares shall become available once again for the granting of other options under the Option Plan.

*Federal Income Tax Information.* Options granted under the Option Plan may be either incentive stock options or nonstatutory options (also referred to as non-qualified options). If an option granted under the Option Plan is an incentive stock option, the optionee will recognize no income upon grant of the incentive stock option and incur no tax liability due to the exercise unless the optionee is subject to the alternative minimum tax. The Company will not be allowed a deduction for federal income tax purposes as a result of the exercise of an incentive stock option regardless of the applicability of the alternative minimum tax. Upon the sale or exchange of the shares at least two years after grant of the option and one year after transfer of the shares to the optionee by the Company, any gain will be treated as long-term capital gain. If these holding periods are not satisfied, the optionee will recognize ordinary income equal to the difference between the exercise price and the lower of the fair market value of the stock at the date of the option exercise or the sale of the stock. The Company will be entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Any gain recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income will be characterized as capital gain. Currently, the tax rate on net capital gain (net long-term capital gain minus net short-term capital loss) is capped at 28%. Capital losses are allowed in full against capital gains plus \$3,000 of other income. The Company will be entitled to a tax deduction in the same amount as the ordinary income recognized by the optionee with respect to shares acquired upon the exercise of a nonstatutory option.

The foregoing is only a summary of the effects of federal income taxation upon the optionee and the Company with respect to the grant and exercise of options under the Option Plan, does not purport to be complete and references should be made to the applicable provisions of the Code. In addition, this summary does not discuss the income tax laws of any municipality, state or foreign country in which an optionee may reside.

- 16 -

---

Pursuant to the employment agreements, the Company agreed to employ each Executive for an initial term of one year, which term will automatically renew for successive one year periods unless the Company or the Executive provides at least 90 days prior written notice of its or his election not to renew. Currently, the employment term anniversary date is January 3 for both Mr. Bosselmann and Mr. Trudel. The agreements provide for each Executive to receive during the employment period an annual base salary of \$150,000, subject to increase (but may not be reduced) from time to time in such amounts as the Company, in its reasonable discretion, deems to be appropriate, and an annual bonus in the discretion of the Board of Directors of the Company, subject to the satisfaction of reasonable performance criteria established for the Executive with respect to such year. During the fiscal year ended January 31, 2007, the annual base salary for each Executive was increased to \$200,000. The agreements further provide that each Executive may participate in any stock option, incentive and similar plans established by the Company and shall be granted stock options and other benefits similar to options and benefits granted to other executives, subject in all cases to the satisfaction by the Executive of the terms and conditions of such plans and to the reasonable exercise by the Board of any discretion granted to it or them thereunder.

In addition, under the employment agreements, in the event that an Executive's employment is terminated for any of the reasons specified below or there occurs a "change in control", the Executive will receive as severance pay in a single lump sum payment, an amount equal to twenty-four (24) months of his base salary within thirty (30) days after the Executive's termination of employment or change of control, as the case may be, based on twelve (12) times the Executive's final full month salary at the date the Executive's employment ceases or at the date of the change in control, as the case may be, without reduction or offset for any other monies which the Executive may thereafter earn or be paid. The reasons which cause severance pay to be paid to an Executive include:

- (i) termination by the Executive because of a material diminution of the Executive's duties, authority or responsibility, or a material impairment by action of the Company of his ability to perform his duties and responsibilities, regardless of whether such diminution is accompanied by a change in the Executive's title with the Company;
- (ii) termination by the Executive because of a material breach by the Company of any provision of the employment agreement, which breach continues for a period of thirty (30) days after written notice of such breach is given by the Executive to the Company; and
- (iii) termination by the Company at any time without cause, including notice of non-renewal of the employment agreement.

Each Executive shall also be entitled for a period of twenty-four (24) months from the termination of his employment or a change in control, as the case may be, to the continuation of all benefits provided to the Executive, excluding sick and vacation time, subject to any applicable employee co-payments.

If an Executive's employment is terminated by the Company by reason of the Executive's death, disability or "for cause" or voluntarily by the Executive for any reason other than as set forth in the preceding paragraph, the Company will not be obligated to make any payments to the Executive by reason of his cessation of employment other than such amounts, if any, of his base salary that have accrued and remain unpaid and such other amounts which may then otherwise be payable to the Executive from the Company's benefit plans or reimbursement policies, if any.

*Joel M. Canino and William F. Griffin, Jr.* The Company entered into substantially similar employment agreements with Messrs Canino and Griffin (the "Gemma Executives") in December 2006. These agreements were amended, effective February 29, 2008.

Pursuant to the employment agreements as amended, the Company has agreed to employ each Gemma Executive until June 7, 2009. The employment terms will automatically renew for successive one-year periods unless the Company or the Gemma Executive provides at least three months prior written notice of its or his election not to renew. As

amended, the agreements provide for Messrs Canino and Griffin to receive during the employment periods annual base salaries of \$560,000 and \$680,000, respectively. The agreements, as amended, require the payment of a bonus to each Gemma Executive related to the fiscal year ended January 31, 2008 in the amount of \$500,000 by March 31, 2008. The Gemma Executives shall each be entitled to a bonus in the amount of \$500,000 for the fiscal year ending January 31, 2009 if the Adjusted EBITDA (as defined in each original employment agreement) of GPS exceeds \$20 million.
