Re: Director Nomination Letter

Ladies and Gentlemen;

As a long term significant shareholder of Federal Signal Corporation (the "Company"), I am submitting today to the Company, notice of my intent to nominate myself, Steven R. Gerbsman, and Nicholas Sokolow, to stand for election as directors at the Company's 2009 Annual Meeting of Stockholders. As you can see from the biographies annexed to and part of my nomination letter, each of the nominees ("Nominees") has outstanding credentials and is well qualified to serve on the Company's Board of Directors ("Board"). Each is committed to working constructively with the rest of the Board to promptly address the crucial issues facing the Company.

I have been forced to take this step because the current Board has chosen to ignore the interests of the Company's real owners, the shareholders. Over the past nine months, I have sent numerous letters to the Company and the Board raising a number of issues and concerns on behalf of all the shareholders. The Company and Board, however, have failed to meaningfully respond to any of the expressed concerns. Furthermore, when Mr. Osborne joined the Company as its CEO, he publicly pledged to contact significant shareholders of the Company and to solicit their input. Although I understand that other shareholders of the Company have been contacted, Mr. Osborne has made no effort to reach out to me.

---

I am committed to vigorously pursuing the election of the Nominees to the Board to restore Board accountability to the Company's owners. The Company is at a crucial juncture, facing many formidable financial and operational challenges. Our Nominees have the expertise, business acumen and commitment to stockholders, necessary to provide new ideas for improving the Company's financial and operational performance and to reverse the long standing decline in the Company's stock price and rebuild shareholder value.

Sincerely,

/s/ Warren B. Kanders  
Warren B. Kanders
