For the year ended December 31, 2008, the Company states as follows:

The Company anticipates it will report revenue of approximately \$900,000 for the year ended December 31, 2008 compared to revenue of \$577,251 for the year ended December 31, 2007. The Company anticipates it will report a net loss of approximately \$13,500,000, including approximately \$8,600,000 of non-cash charges for the year ended December 31, 2008 compared to a net loss of \$9,882,330, including approximately \$5,800,000 of non-cash charges for the year ended December 31, 2007. The increase is primarily due to additional financing costs of approximately \$400,000, additional interest expense of approximately \$4,000,000 related to increased issuances of convertible preferred stock and an increase in selling, general and administrative expenses of approximately \$600,000. Such increases were slightly offset by an increase in revenue of approximately \$300,000. Results for fiscal 2008 are subject to further review and adjustment.
