Item 8.01. Other Events.

On February 4, 2010, the Company entered into a Settlement, Mutual Release and Termination Agreement (the "Agreement") with Curis, Inc. to resolve a claim filed by Curis with the American Arbitration Association, relating to a June 2001 Agreement for the Purchase and Sale of Single-Chain Polypeptide Business (the "SCA Agreement") between Curis and the Company's wholly owned subsidiary Micromet AG under which Micromet AG acquired from Curis certain intellectual property assets relating to single chain antibodies, including patents and license agreements. Under the SCA Agreement, Micromet AG made an upfront payment in cash and issued equity and a debt instrument to Curis. In addition, under the terms of the SCA Agreement, Micromet AG had agreed to pay royalties on net sales of products covered by the assigned patents and on revenues received from licensing the assigned patents. Pursuant to the Agreement, the Company will make a final payment of \$4.0 million to Curis in order to settle the dispute and discharge and terminate all future payment obligations that would have arisen under the SCA Agreement.

SIGNATURES
