ITEM 2.05 COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES

In the second quarter of 2010, Aaron's, Inc. closed all but four of its Aaron's Office Furniture stores and plans to close the remaining stores by September 30, 2010. Aaron's is exiting the office furniture market as management believes there is a low probability of growth or profitability in the near future and intends to concentrate future efforts on the sales and lease ownership stores.

Aaron's anticipates recording approximately \$9.5 million in charges for the write-down and cost to dispose of office furniture, estimated future lease liabilities for closed stores, the write-off of leaseholds, severance pay, and other associated costs of closing the stores and winding down the division. The Company anticipates recording over 70% of this amount as a charge to operating expenses in the second quarter of 2010 and most of the remainder is estimated to be incurred and recorded by the end of 2010.

Approximately \$4.6 million of the estimated charges related to the write-down and disposal costs of office furniture to be taken in the second quarter of 2010. Approximately \$2.0 million of the estimated charges relate to closed store reserves incurred in the second quarter of 2010, with an additional \$1.3 million and \$1.0 million in similar expenses estimated in the remainder of 2010 and in 2011, respectively.

The estimates above are subject to change.
