ITEM 2.02 Results of Operations and Financial Condition.

On May 7, 2015, Stoneridge, Inc. (the “Company”) issued a press release announcing its results for the first quarter ended March 31, 2015. A copy of the press release is attached hereto as Exhibit 99.1. On May 7, 2015, members of the Company’s management held a first quarter 2015 earnings conference call discussing the Company’s financial results and the presentation furnished herewith as Exhibit 99.2, accompanied management’s comments.

The press release contains certain non-GAAP financial measures including (i) Adjusted Net Income from Continuing Operations attributable to Stoneridge, Inc. (“Adjusted Net Income”), (ii) Adjusted Earnings per Share from Continuing Operations attributable to Stoneridge, Inc. (“Adjusted EPS”) and (iii) Adjusted Electronics Segment Sales (“Adjusted Sales”). Management believes that presentation of the non-GAAP financial measures used in the press release are useful to both management and investors in their analysis of the Company’s financial position, results of operations and expected results of operations because the Adjusted Net Income, Adjusted EPS and Adjusted Sales facilitates a period to period comparison of operating results by excluding unusual items in the first quarter of 2015. These items relate to the share-based compensation expense due to accelerated vesting in connection with the retirement of the Company’s former President and Chief Executive Officer, the impact of foreign currency translation on sales and post-disposition sales to the Company’s former Wiring business acquired by Motherson. These non-GAAP measures, however, should not be considered in isolation or as a substitute for the most comparable GAAP measures. Investors are cautioned that non-GAAP financial measures utilized by the Company may not be comparable to non-GAAP financial measures used by other companies. Adjusted Net Income, Adjusted EPS and Adjusted Sales should not be considered a substitute for net income (loss), earnings (loss) per share or sales prepared in accordance with GAAP.
