\* Denotes that all or a portion of the loan secures the notes offered in the 2010 Debt Securitization (as defined in Note 7).

^ Denotes that all or a portion of the loan secures the notes offered in the 2014 Debt Securitization (as defined in Note 7).

The majority of the investments bear interest at a rate that may be determined by reference to London Interbank Offered Rate ("LIBOR" or "L") or Prime ("P") and which reset daily, quarterly or semiannually. For each, the

(1) Company has provided the spread over LIBOR or Prime and the weighted average current interest rate in effect at June 30, 2015. Certain investments are subject to a LIBOR or Prime interest rate floor. For fixed rate loans, a spread above a reference rate is not applicable.

(2) For portfolio companies with multiple interest rate contracts, the interest rate shown is a weighted average current interest rate in effect at June 30, 2015.

(3)

The negative fair value is the result of the capitalized discount on the loan or the unfunded commitment being valued below par. The negative cost is the result of the capitalized discount being greater than the principal amount outstanding on the loan.

- (4) The entire commitment was unfunded at June 30, 2015. As such, no interest is being earned on this investment. The sale of a portion of this loan does not qualify for sale accounting under ASC Topic 860 - *Transfers and*
- (5) *Servicing*, and therefore, the entire One Stop loan asset remains in the Consolidated Schedule of Investments. (See Note 7 in the accompanying notes to the consolidated financial statements.)
- (6) Loan was on non-accrual status as of June 30, 2015, meaning that the Company has ceased recognizing interest income on the loan.  
As defined in the Investment Company Act of 1940, as amended (the "1940 Act"), the Company is deemed to be both an "Affiliated Person" of and "Control" this portfolio company as the Company owns more than 25% of the portfolio company's outstanding voting securities or has the power to exercise control over management or
- (7) policies of such portfolio company (including through a management agreement). See Note 5 in the accompanying notes to the consolidated financial statements for transactions during the nine months ended June 30, 2015 in which the issuer was both an Affiliated Person and a portfolio company that the Company is deemed to Control.  
The investment is treated as a non-qualifying asset under Section 55(a) of the 1940 Act. Under the 1940 Act, the
- (8) Company may not acquire any non-qualifying asset unless, at the time the acquisition is made, qualifying assets represent at least 70% of the Company's total assets.
- (9) Non-income producing securities.  
As defined in the 1940 Act, the Company is deemed to be an "Affiliated Person" of the portfolio company as the Company along with affiliated entities owns five percent or more of the portfolio company's voting
- (10) securities. See Note 5 in the accompanying notes to the financial statements for transactions during the nine months ended June 30, 2015 in which the issuer was an Affiliated Person (but not a portfolio company that the Company is deemed to "Control").
