Forward-Looking Statements

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. The forward-looking statements, which include statements regarding the proposed merger between the Company and HSRE, may be identified by the inclusion of words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates," "goal" and variations of such words and other similar expressions, and are based on current expectations, estimates, assumptions and projections that are subject to change, and actual results may differ materially from the forward-looking statements. These statements, as they relate to the Company or HSRE, the management of either such company or the proposed merger, involve risks and uncertainties that may cause results to differ materially from those set forth in the statements. The Company intends that such forward-looking statements be subject to the safe-harbor provided by the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance or achievements or industry results to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Many factors, including the following, could cause actual results to differ materially from the forward-looking statements: the occurrence of any event, change or other circumstances that could give rise to the termination of the merger agreement; the outcome of the legal proceedings that have been, or may be, instituted against the Company and others following announcement of the Company entering into the merger agreement; the inability to complete the proposed merger due to the failure to satisfy the conditions to the merger, including obtaining the approval of the Company's stockholders, lender consents and other closing conditions more fully described in the merger agreement; risks that the proposed merger disrupts current plans and operations of the Company; potential difficulties in employee retention as a result of the proposed merger; the value of any non-transferable contingent value rights which may be issued in connection with the merger; legislative, regulatory and economic developments; risks related to disruption of management's attention from the Company's ongoing business operations due to the proposed merger; the effect of the announcement of the proposed merger on the Company's relationships with colleges and universities, relationships with tenants, operating results and business generally, and other risks and uncertainties described under "Item 1A. Risk Factors" in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 and in the Company's Quarterly Reports on Form 10-Q for the fiscal quarters ended March 31, 2015, June 30, 2015 and September 30, 2015 and in other documents filed with the SEC by the Company. Except as required by law, the Company disclaims any obligation to update any such factors or to publicly announce the results of any revision to any of the forward-looking statements contained herein to reflect future events or developments.
