**Item (d) Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; 5.02 Compensatory Arrangement of Certain Officers.**

On March 24, 2016 the board of directors of the Company appointed Governor Frank Keating, as a director. Governor Keating accepted the position effective immediately. His term will expire at the annual meeting of shareholders in May 2016, at which time he will stand for re-election. He is a former Governor of Oklahoma and retired CEO of the American Bankers Association. Governor Keating received a Bachelor of Arts in history from Georgetown University and a J.D. from the University of Oklahoma College of Law. Governor Keating has a 30-plus year career in public service including U.S. Attorney, and member of the Oklahoma state House and Senate. He currently serves on the boards of Stewart Title and the J. Ronald Terwilliger Foundation for Housing America's Families.

Governor Keating will serve on the Independent Directors' Committee and will participate in the Company's outside director fees as follows.

- A retainer of \$1,500 per quarter for serving on the Company's Board of Directors.
- A retainer of \$1,500 per month for serving on the Bank's Board of Directors.
- A grant of 10,000 stock options.

The option grant is provided under the BancFirst Corporation Non-Employee Directors' Stock Option Plan and is exercisable at the rate of 25% per year beginning one year from the date of grant. If a director is terminated for cause, all options will be forfeited immediately. If a director ceases to be a member of the Board for any other reason, unvested options will terminate and only previously vested options may be exercised for a period of 30 days following termination (or 12 months in the case of termination on account of death).

Non-employee directors can elect to defer all or any portion of their cash compensation through the BancFirst Corporation Directors' Deferred Stock Compensation Plan. Under the plan, directors of the Company may defer up to 100% of their Board fees. They are credited for each deferral with a number of stock units based on the current market price of the Company's stock, which accumulate in an account until such time as the director terminates service as a Board member. Shares of our common stock are then distributed to the terminating director based upon the number of stock units accumulated in his or her account. Because stock units are not actual shares of our common stock, they do not have any voting rights.

There are no arrangements or understandings between Governor Keating and any other persons pursuant to which he was selected as director and there are no transactions between the Company and Governor Keating that would require disclosure under Item 404(a) of Regulation S-K.
