Item 1.01

Entry into a Material Definitive Agreement.

On March 1, 2017, Ameris Bancorp, a Georgia corporation (the “Company”), entered into an underwriting agreement (the “Underwriting Agreement”) with Stephens Inc. and Keefe, Bruyette & Woods, Inc., as representatives of the several underwriters named therein (the “Underwriters”), relating to the offer and sale of 1,750,000 shares of the Company’s voting common stock, par value \$1.00 per share, at a public offering price of \$46.50 per share. Pursuant to the Underwriting Agreement, the Company also granted the Underwriters an option, exercisable not later than 30 days after the date of the Underwriting Agreement, to purchase up to an additional 262,500 shares of common stock. The Company estimates that the net proceeds from the offering will be approximately \$77.1 million, after deducting underwriting discounts and commissions and estimated offering expenses that are payable by the Company, or approximately \$88.6 million if the underwriters exercise their option to purchase additional shares in full. The offering is expected to close on or about March 6, 2017, subject to satisfaction of customary closing conditions.

The offer and sale of the common stock was made pursuant to a prospectus supplement dated February 28, 2017 to the prospectus dated February 27, 2017, that was filed as part of the Company’s Registration Statement on Form S-3 (File No. 333-216254) under the Securities Act of 1933, as amended, which registration statement was filed with the U.S. Securities and Exchange Commission and automatically became effective on February 27, 2017.

The Underwriting Agreement contains representations, warranties and covenants between the parties, conditions to closing, indemnification obligations and termination provisions that are customary for agreements of this nature. The representations, warranties and covenants contained in the Underwriting Agreement: (i) were made only for purposes of the Underwriting Agreement and as of specific dates; (ii) were solely for the benefit of the parties to the Underwriting Agreement; and (iii) are not representations of factual information to investors about the Company or its subsidiaries. The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to the full text of the Underwriting Agreement, a copy of which is attached as Exhibit 1.1 to this Current Report on Form 8-K (the “Report”) and is incorporated herein by reference.

Pursuant to the Underwriting Agreement, directors, executive officers and certain shareholders of the Company entered into agreements providing for a 60-day “lock-up” period with respect to sales of specified securities of the Company, subject to certain exceptions.
