PROXY STATEMENT

Annual Meeting of Stockholders to be Held

May 8, 2018

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of GWG Holdings, Inc. (periodically referred to herein as “GWG,” the “Company,” “we,” “our,” and “us”) to be used at the annual meeting of stockholders (the “Annual Meeting”) to be held on Tuesday, May 8, 2018, at 9:00 a.m., at 220 South Sixth Street, Suite 1200, Minneapolis, Minnesota 55402, for the purpose of considering and taking appropriate action with respect to the following:

1. The election of seven directors;
2. The adoption of an Amended and Restated 2013 Stock Incentive Plan that increases the reserve of shares authorized for issuance thereunder;
3. The ratification of the appointment of Baker Tilly Virchow Krause, LLP as our independent registered public accounting firm for fiscal 2018; and
4. The transaction of any other business as may properly come before the Annual Meeting or any adjournments thereof.

The approximate date on which this Proxy Statement and the accompanying proxy were first sent or provided to stockholders was April 11, 2018.

PROXIES AND VOTING

Registered holders of our common stock may vote in one of four ways: by completing and returning the enclosed proxy card via regular mail, scan or email or by voting via the Internet. The Internet procedure is designed to authenticate the stockholder's identity and to allow stockholders to vote their shares and confirm that their instructions have been properly recorded.

The Board of Directors has set the close of business on March 23, 2018 as the "Record Date" for the Annual Meeting. Only holders of our common stock as of the Record Date, or their duly appointed proxies, are entitled to notice of and will be entitled to vote at the Annual Meeting or any adjournments thereof. On the Record Date, there were 5,813,555 shares of our common stock outstanding. Each share of common stock entitles the holder thereof to one vote upon each matter to be presented at the Annual Meeting. A quorum, consisting of a majority of the voting power of stock entitled to vote at the Annual Meeting, must be present in person or represented by proxy before action may be taken at the Annual Meeting.

Each proxy returned to us will be voted in accordance with the instructions indicated thereon. If no direction is given by a stockholder, the shares will be voted as recommended by the Board of Directors. If any nominee for the Board of Directors should withdraw or otherwise become unavailable for reasons not presently known, the proxies that

would have otherwise been voted for such nominee will be voted for such substitute nominee as may be selected by the Board of Directors. If a stockholder abstains from voting on any matter, the abstention will be counted for purposes of determining whether a quorum is present at the Annual Meeting for the transaction of business, as well as shares entitled to vote on that matter. On matters other than the election of directors, except as otherwise described herein, an action of the stockholders generally requires the affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the matter. Accordingly, an abstention on any matter other than the election of directors will have the same effect as a vote against that matter. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Broker non-votes on a matter are counted as present for purposes of establishing a quorum for the Annual Meeting, but are not considered entitled to vote on that particular matter. Consequently, non-votes generally do not have the same effect as a negative vote on the matter.

A stockholder giving us a proxy may revoke it at any time before it is exercised by (i) giving written notice of revocation to the Secretary of our Company, (ii) delivering a duly executed proxy bearing a later date, or (iii) voting in person at the Annual Meeting. The mere presence at the Annual Meeting of a stockholder who has earlier signed a proxy does not, alone, revoke that proxy; revocation must be announced by the stockholder at the time of the Annual Meeting. Unless so revoked, the shares represented by each proxy will be voted at the Annual Meeting and at any adjournments thereof.

NOTICE TO BENEFICIAL OWNERS OF SHARES HELD IN BROKER ACCOUNTS:

New York Stock Exchange Rule 452 prohibits NYSE member organizations from giving a proxy to vote with respect to an election of directors (Proposal One) or with respect to equity compensation plan authorizations (Proposal Two) without receiving voting instructions from a beneficial owner. Because NYSE Rule 452 applies to all brokers that are members of the NYSE, this prohibition applies to the Annual Meeting even though our common stock is not listed on the New York Stock Exchange. Therefore, brokers will not be entitled to vote shares at the Annual Meeting with respect to Proposal ONE or TWO without instructions by the beneficial owner of the shares. **AS A RESULT, BENEFICIAL OWNERS OF SHARES HELD IN BROKER ACCOUNTS ARE ADVISED THAT, IF THEY DO NOT TIMELY PROVIDE INSTRUCTIONS TO THEIR BROKER, THEIR SHARES WILL NOT BE VOTED IN CONNECTION WITH THESE PROPOSALS.**

PROPOSAL 1

ELECTION OF DIRECTORS

We currently have seven directors serving on our Board of Directors. Each of our seven directors has been nominated for re-election at the Annual Meeting. If elected, each nominee has consented to serve as a director and to hold office until the next annual stockholders' meeting, and until his successor is elected and shall have qualified, or until his earlier death, resignation, removal or disqualification.

The following paragraphs provide information as of the date of this Proxy Statement about each nominee. The information presented includes information that each nominee has given us about his age, all positions he holds within our Company, his principal occupation and business experience for the past five years, and the names of other publicly held companies of which he currently serves as a director or has served as a director during the past five years. In addition to the information presented below regarding each nominee's specific experience, qualifications, attributes and skills that led our Board of Directors to the conclusion that he should serve as a director, our director nominees have experience in developing and overseeing businesses and implementing near term and long-range strategic plans. We also believe that all of our director nominees have a reputation for integrity, honesty and adherence to high ethical standards. Collectively, they have demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to our Company and our Board of Directors. Although we do not believe that share ownership alone qualifies any person to serve as a director of our Company, we believe that the beneficial ownership of our Board nominees (collectively 78.12% as of the Record Date) aligns their interests with those of our stockholders and will drive our Board of Directors to focus on maximizing stockholder value.

Expected Implementation of Classified Board of Directors

Our Board of Directors has approved an amendment to our Bylaws that, if and when approved by our stockholders, would, among other things, establish a classified Board of Directors in which directors would be divided into three classes, to be designated as Class I, Class II and Class III. Each class would serve staggered, three year terms. The terms of office of the initial Class I directors would expire at the annual meeting of stockholders to be held in 2019. The terms of office of the initial Class II directors would expire at the annual meeting of stockholders to be held in 2020. The terms of office of the initial Class III directors would expire at the annual meeting of stockholders to be held in 2021.

We expect to obtain stockholder approval for the Bylaw amendment by written consent prior to the Annual Meeting. Under regulations of the Securities and Exchange Commission, however, the amendment cannot take effect until 20 calendar days after we mail an Information Statement on Schedule 14C to our stockholders that discloses such approval. Therefore, the Bylaw amendment cannot take effect until after the Annual Meeting. If each of the seven nominees named above is elected to the Board of Directors at the Annual Meeting and the Bylaw amendment is approved by stockholders, the directors will assigned to following classes when the amendment takes effect:

Class	Director Nominee	Expiration of Initial Term of Director
Class I	Shawn R. Gensch	2019
Class I	Steven F. Sabes	2019
Class II	Mark E. Schwarzmann	2020
Class II	David H. Abramson	2020
Class III	Thomas J. Donohue, Jr.	2021
Class III	Jon R. Sabes	2021
Class III	Jeffrey L. McGregor	2021

If the Bylaw amendment does not take effect, then all directors elected at the Annual Meeting will hold office until the next annual stockholders' meeting, and until his successor is elected and shall have qualified, or until his earlier death, resignation, removal or disqualification.

Vote Required

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the seven nominees named above. If you do not vote for a particular nominee, or you withhold authority for one or all nominees, your vote will not count either “for” or “against” the nominee, although it will be counted for purposes of determining whether there is a quorum. If any director nominee should withdraw or otherwise become unavailable for reasons not presently known, the proxies which would have otherwise been voted for that director nominee may be voted for a substitute director nominee selected by our Board of Directors.

The Board of Directors recommends that you vote FOR the election of each named nominee.

PROPOSAL 2

AMENDMENT TO 2013 STOCK INCENTIVE PLAN TO INCREASE THE RESERVE OF SHARES AUTHORIZED FOR ISSUANCE

Introduction

We maintain the GWG Holdings, Inc. 2013 Stock Incentive Plan, under which 3,000,000 shares of our common stock have previously been approved for issuance. We adopted the 2013 Stock Incentive Plan in April 2013 to aid our efforts to attract, retain and motivate employees, certain key consultants and directors and align the interests of such persons with those of our stockholders. As of the Record Date, 1,952,504 shares of common stock are issuable upon exercise of outstanding incentives granted under the 2013 Stock Incentive Plan and 869,163 shares remained reserved for future incentive grants.

Throughout fiscal years 2016 and 2017, we engaged in capital raising efforts and the Board of Directors determined that it was, and continues to be, necessary to grant significant equity awards to our officers to reward them for these efforts, to align their interests with those of stockholders, and to provide competitive compensation to retain their services.

The Board of Directors has determined that in order for us to continue to leverage the 2013 Stock Incentive Plan to attract, retain and motivate employees, certain key consultants and directors and align the interests of such persons with those of stockholders, the shares reserved for issuance should be increased. On March 10, 2018, our Board of Directors approved an amendment and restatement of our 2013 Stock Incentive Plan (the “Amendment”) that increases the number of shares of common stock reserved for issuance thereunder by 3,000,000, to a total of 6,000,000. In determining the amount of the increase in the 2013 Stock Incentive Plan, the Board of Directors took into account its intention to grant further equity awards to current and future executive officers and key employees, consultants and independent contractors. The Amendment is subject to and contingent upon the approval of our stockholders; therefore, we are asking our stockholders to approve the adoption of the Amendment.

The Board of Directors believes that the Amendment is in the best interests of GWG and our stockholders because the availability of an adequate number of shares reserved for issuance under the 2013 Stock Incentive Plan is an important factor in attracting, retaining, and motivating employees, consultants, independent contractors and directors in order to achieve long-term growth and profitability objectives.

Below is a summary of the 2013 Stock Incentive Plan, as amended, which is qualified entirely by reference to the complete text of the 2013 Stock Incentive Plan, as amended, a copy of which, marked to show changes from the previous version of the 2013 Stock Incentive Plan, is attached as **Appendix A** to this proxy statement.

Description of the 2013 Stock Incentive Plan (as amended)

General. The purpose of the 2013 Stock Incentive Plan is to increase stockholder value and to advance the interests of GWG by furnishing a variety of economic incentives designed to attract, retain and motivate employees, certain key consultants, independent contractors and directors of GWG. The 2013 Stock Incentive Plan is

administered by a stock option or Compensation Committee of the Board of Directors, or if no such committee exists, by the Board of Directors. The Compensation Committee may grant incentives to employees (including officers) or our subsidiaries, members of the Board of Directors, and consultants or other independent contractors who provide services to us or our subsidiaries, in the following forms: (a) incentive stock options and non-statutory stock options; (b) stock appreciation rights; (c) stock awards; (d) restricted stock; (e) restricted stock units; and (f) performance shares. In addition, our Chief Executive Officer may, on a discretionary basis and without review or approval by the Compensation Committee, grant incentives to our new employees who are not officers of GWG. Such discretionary grants shall not exceed, in the aggregate, incentives for more than 400,000 shares in any fiscal year.

Shares Subject to 2013 Stock Incentive Plan. Subject to adjustment, and assuming adoption of the proposed amendment by the stockholders at the Annual Meeting, we may issue up to 6,000,000 shares of common stock under the 2013 Stock Incentive Plan. If an incentive granted under the 2013 Stock Incentive Plan expires or is terminated or canceled unexercised as to any shares of common stock or forfeited or reacquired by us pursuant to rights reserved upon issuance thereof, we may again issue such shares under the 2013 Stock Incentive Plan pursuant to another incentive.

Description of Incentives

Stock Options. Our Compensation Committee may grant incentive and non-statutory stock options to eligible employees to purchase shares of common stock from GWG. The 2013 Stock Incentive Plan confers on the Compensation Committee the discretion, with respect to any such stock option, to determine the term of each option, the time or times during its term when the option becomes exercisable and the number and purchase price of the shares subject to the option. However, the term of each option shall not exceed ten years and one day from the grant date. With respect to stock options which are intended to qualify as “incentive stock options” (as defined in Section 422 of the Internal Revenue Code), the aggregate fair market value of the shares with respect to which incentive stock options are exercisable for the first time cannot exceed \$100,000. The option price per share for incentive stock options may not be less than the fair market value of the common stock on the grant date. We must grant all incentive stock options within ten years from the earlier of the date of the 2013 Stock Incentive Plan’s adoption by the Board of Directors or approval by our stockholders.

Stock Appreciation Rights. A stock appreciation right is a right to receive, without payment to GWG, a number of shares of common stock, the amount of which is determined by dividing (a) the number of shares of common stock as to which the stock appreciation right is exercised multiplied by the amount of the appreciation in such shares (i.e. the amount by which the fair market value of the shares of common stock subject to the stock appreciation right on the exercise date exceeds (1) in the case of a stock appreciation right related to a stock option, the purchase price of the shares of common stock under the stock option or (2) in the case of an stock appreciation right granted alone, without reference to a related stock option, an amount which shall be determined by the Compensation Committee at the time of grant); by (b) the fair market value of a share of common stock on the exercise date. Our Compensation Committee has the discretion to determine the number of shares as to which a stock appreciation right will relate as well as the

duration and exercisability of a stock appreciation right. The exercise price may not be less than the fair market value of our common stock on the grant date.

Limitation on Certain Grants. During any one fiscal year, we may not grant to any one person stock options and stock appreciation rights under the 2013 Stock Incentive Plan that exceed, in the aggregate, 400,000 shares of our common stock.

Stock Awards. Stock awards consist of the transfer by GWG to an eligible participant of shares of common stock, without other payment, as additional compensation for services to GWG. The number of shares transferred pursuant to any stock award is determined by the Compensation Committee.

Restricted Stock. Restricted stock consists of the sale or transfer by GWG to an eligible participant of one or more shares of our common stock that are subject to restrictions on their sale or other transfer by the employee, which restrictions will lapse after a period of time as determined by the Compensation Committee. If restricted stock is sold to a participant, the sale price will be determined by the Compensation Committee, and the price may vary from time to time and among participants and may be less than the fair market value of the shares at the date of sale.

Subject to these restrictions and the other requirements of the 2013 Stock Incentive Plan, a participant receiving restricted stock shall have all of the rights of a stockholder as to those shares.

Transferability of Incentives. Incentives granted under the 2013 Stock Incentive Plan may not be transferred, pledged or assigned by the holder thereof, except in the event of the holder's death, by will or the laws of descent and distribution or pursuant to a qualified domestic relations order. However, stock options may be transferred by the holder thereof to certain family members or related entities.

Duration, Termination and Amendment of the Incentive Plan and Incentives. The 2013 Stock Incentive Plan will remain in effect until all incentives granted under the 2013 Stock Incentive Plan have been satisfied or terminated and all restrictions on shares issued under the 2013 Stock Incentive Plan have lapsed. We may not grant incentives under the 2013 Stock Incentive Plan after the tenth anniversary of the approval of the 2013 Stock Incentive Plan by the Board of Directors. The Board of Directors may amend or discontinue the 2013 Stock Incentive Plan at any time. However, no such amendment or discontinuance may adversely change or impair a previously granted incentive without the consent of the recipient thereof. Certain 2013 Stock Incentive Plan amendments require stockholder approval, including amendments which would increase the maximum number of shares of common stock which may be issued to all participants under the 2013 Stock Incentive Plan, change or expand the types of incentives that may be granted under the 2013 Stock Incentive Plan, change the class of persons eligible to receive incentives under the 2013 Stock Incentive Plan, or materially increase the benefits accruing to participants under the 2013 Stock Incentive Plan. Generally, the terms of an existing incentive may be amended by agreement between the Compensation Committee and the participant. However, in the case of a stock option or stock appreciation right, no such amendment shall (a) extend the term of the incentive; nor (b) reduce the exercise price per share below the fair market value of the common stock on the date the incentive was granted, unless, in either case, the amendment complies with the requirements of Code Section 409A.

Effect of Sale, Merger, Exchange or Liquidation. In the event of an acquisition of GWG through the sale of substantially all of its assets or through a merger, exchange, reorganization or liquidation of the GWG or a similar event, all as determined by the Compensation Committee in its sole discretion, the Compensation Committee shall be authorized to take any and all action it deems equitable under the circumstances, including but not limited to terminating the 2013 Stock Incentive Plan and issuing to the holders of outstanding vested options and stock appreciation rights the stock, securities or assets, including cash, they would have received if the incentives had been exercised immediately before the transaction, or other specified actions.

2013 Stock Incentive Plan Benefits

The amount and timing of all awards under the 2013 Stock Incentive Plan are determined in the sole discretion of our Compensation Committee (or if no committee is designated, the Board of Directors) and therefore cannot be

determined in advance.

Vote Required

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to approve the Amendment to the 2013 Stock Incentive Plan.

The Board of Directors unanimously recommends that you vote FOR the Amendment to the 2013 Stock Incentive Plan to increase the reserve of shares authorized for issuance.
