Emerging growth company ☐

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act. ☐

Item 2.02. Results of Operations and Financial Condition.

On April 12, 2018, Rite Aid Corporation (the “Company”) reported its financial position and results of operations as of and for the thirteen and fifty-two week fiscal year ended March 3, 2018. The press release includes the non-GAAP financial measures, “Adjusted EBITDA,” “Adjusted Net Income (Loss),” “Adjusted Net Income (Loss) per Diluted Share” and “Pro-Forma Adjusted EBITDA.” The Company uses these non-GAAP measures in assessing its performance in addition to net income, the most directly comparable GAAP financial measure. A reconciliation of Adjusted EBITDA, Adjusted Net Income (Loss), Adjusted Net Income (Loss) per Diluted Share and Pro-Forma Adjusted EBITDA to net income is included in the press release, which is furnished as Exhibit 99.1 hereto.

The Company believes Adjusted EBITDA serves as an appropriate measure in evaluating the performance of its business and helps its investors better compare the Company’s operating performance with its competitors. The Company defines Adjusted EBITDA as net income (loss) excluding the impact of income taxes, interest expense, depreciation and amortization, LIFO adjustments, charges or credits for facility closing and impairment, inventory write-downs related to store closings, debt retirements, the previously received Walgreens Boots Alliance merger termination fee, and other items (including stock-based compensation expense, merger and acquisition-related costs, severance and costs related to distribution center closures, gain or loss on sale of assets and revenue deferrals related to the Company’s customer loyalty program). The Company references this non-GAAP financial measure frequently in its decision-making because it provides supplemental information that facilitates internal comparisons to historical periods and external comparisons to competitors. In addition, incentive compensation is based in part on Adjusted EBITDA and the Company bases certain of its forward-looking estimates and budgets on Adjusted EBITDA.

The Company defines Adjusted Net Income (Loss) as net income (loss) excluding the impact of amortization of EnvisionRx intangible assets, merger and acquisition-related costs, loss on debt retirements, LIFO adjustments, and the previously received Walgreens Boots Alliance merger termination fee. The Company calculates Adjusted Net Income (Loss) per Diluted Share using the Company’s above-referenced definition of Adjusted Net Income (Loss). The Company believes Adjusted Net Income (Loss) and Adjusted Net Income (Loss) per Diluted Share serve as appropriate measures to be used in evaluating the performance of its business and help its investors better compare the Company’s operating performance over multiple periods.

In addition, the Company’s management team routinely evaluates how it measures the company’s financial performance. In connection with such review, the Company determined that it would be beneficial to investors to reflect what the Company’s financial results would have been had it received all of the fees that it would have earned pursuant to the Transaction Services Agreement (the “TSA”) with Walgreens Boots Alliance, Inc. (“WBA”) for the relevant period. As a result, the company hereby introduces the non-GAAP financial measure Pro Forma Adjusted EBITDA which is defined as Adjusted EBITDA plus the fees that would have been earned under the TSA, and in order to improve comparability, Pro Forma Adjusted EBITDA further adjusts results so that periods contain the same number of weeks.

Edgar Filing: RITE AID CORP - Form 8-K

Adjusted EBITDA, Adjusted Net Income (Loss), Adjusted Net Income (Loss) per Diluted Share and Pro Forma Adjusted EBITDA should not be considered in isolation from, and are not intended to represent alternative measures of, operating results or of cash flows from operating activities, as determined in accordance with GAAP. The Company's definitions of Adjusted EBITDA, Adjusted Net Income (Loss), Adjusted Net Income (Loss) per Diluted Share and Pro Forma Adjusted EBITDA may not be comparable to similarly titled measurements reported by other companies or similar terms in the Company's debt facilities.

In addition, a copy of the Company's Earnings Release Supplement for the fourth quarter and fiscal year 2018 is being furnished as Exhibit 99.2 to this Form 8-K.

The information (including Exhibits 99.1 and 99.2) being furnished pursuant to this "Item 2.02. Results of Operations and Financial Condition" shall not be deemed to be "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or the Exchange Act, or otherwise subject to the liabilities of that section and shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Act, or the Exchange Act regardless of any general incorporation language in such filing.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits.

99.1 Press Release, dated April 12, 2018.

99.2 Fourth Quarter and Fiscal Year 2018 Supplemental Information.
