Chairman's Letter

Dear Shareholder,

Annual General Meeting

This year's Annual General Meeting is to be held at The Queen Elizabeth II Conference Centre, Broad Sanctuary, Westminster, London SW1P 3EE on Friday 12 November 2004 at 11.30am. The Notice of Annual General Meeting which follows this letter, sets out the business to be considered at the meeting. The purpose of this letter is to explain certain elements of that business to you.

Resolutions 4 to 9 (inclusive)

Election and reappointment of Non-Executive Directors

Resolutions 4 to 6 deal with the election of Nicholas Ferguson, Andrew Higginson and Lord Rothschild and Resolutions 7 and 8 with the reappointment of Jacques Nasser and Gail Rebeck, Non-Executive Directors of the Board who are considered by the Board to be independent under the Combined Code, and Resolution 9 with the reappointment of Arthur Siskind, a Non-Executive Director. Biographies of each of these Directors can be found within the Annual Report and Accounts. These Directors make positive and effective contributions to the meetings of the Board and Committees on which they sit and demonstrate commitment to their roles.

Resolution 11

Remuneration report

It is mandatory for all listed companies to put their Report on Directors' Remuneration to an advisory shareholder vote. As the vote is advisory it does not affect the actual remuneration paid to any individual Director.

Resolution 12

Political donations

Resolution 12 is designed to deal with the rules on political donations introduced by the Political Parties, Elections and Referendums Act 2000. Under the rules, donations to any EU political organisations or the incurring of EU political expenditure are prohibited unless authorised by shareholders in advance.

What constitutes a donation, an EU political organisation, or EU political expenditure is not easy to decide, as the legislation is capable of wide interpretation. Therefore, notwithstanding that we have no intention either now or in the future to make any donation or to incur any political expenditure in respect of any political party in the EU, the Board has decided to put forward this Resolution to renew the authority granted by shareholders at the Annual General Meeting of the Company held on 14 November 2003, in order to ensure that the Company does not inadvertently fall foul of the prohibition on unauthorised donations.

The Board has decided that it is reasonable to maintain the aggregate cap of £200,000 on the amount authorised.

Resolution 13

Allotment of share capital

At the Annual General Meeting of the Company held on 14 November 2003, the Directors were given authority to allot Ordinary Shares up to a maximum nominal amount of £319,000,000 representing approximately 33% of the Company's then nominal issued Ordinary Share capital. This authority expires at the end of the Annual General Meeting on 12 November 2004. Your Board considers it appropriate that a further similar authority be granted to allot Ordinary Shares up to a maximum nominal amount of £320,000,000 (representing approximately 33% of the Company's nominal issued Ordinary Share capital as at 1 October 2004 being the latest practical date prior to publication of this circular) in the period up to the conclusion of the Annual General Meeting in 2005.

The Directors have no present intention of exercising this authority except in relation to the grant of share options.

Resolution 14

Disapplication of statutory pre-emption rights

This Resolution will empower the Directors to allot Ordinary Shares for cash on a non-pre-emptive basis up to a maximum nominal value of £48,500,000, representing approximately 5% of the nominal issued Ordinary Share capital of the Company as at 1 October 2004 (being the latest practical date prior to publication of this circular).

Resolution 15

Authority to purchase Ordinary Shares

This Resolution would allow the Company to buy back up to 97,000,000 Ordinary Shares in the market, which is approximately 5% of the issued Ordinary Share capital at 1 October 2004 (the latest practical date prior to publication of this circular). As at such date the Company had options to subscribe for equity shares outstanding in respect of 66,855,559 Ordinary Shares. This figure represents 3.4% of the issued Ordinary Share capital at that date and would represent 3.6% of the issued Ordinary Share capital if the full authority to purchase Ordinary Shares was used.

The Resolution sets out the lowest and highest prices that the Company can pay for the Ordinary Shares. The authority would expire on the date which is 12 months from the date of the passing of the Resolution. Any buy back would be by market purchases through the London Stock Exchange. Any Ordinary Shares so purchased would be cancelled. The effect of cancelling Ordinary Shares would be to reduce the number of Ordinary Shares in issue.

If the Resolution is approved, the Board currently expects to utilise a proportion of the share repurchase authority during the remainder of the current financial year, subject to market conditions.

No purchase of Ordinary Shares will be made unless it is expected that the effect will be to increase earnings per share and the Board considers it to be in the best interests of all shareholders. The Directors would only authorise such purchases after careful consideration, taking account of other investment opportunities, appropriate gearing levels, the effect on earnings per share and the overall financial position of the Group.

Resolution 16

Waiver Resolution and further information

Under Rule 9 of the City Code any person who acquires shares which, taken together with the shares already held by him or acquired by persons acting in concert with him, carry 30% or more of the voting rights in a company which is subject to the City Code is normally required to make a general offer to all of the remaining shareholders to acquire their shares. Similarly, when any person or persons acting in concert already hold 30% or more but less than 50% of the voting rights in such a company, a general offer will normally be required to be made if any further shares are acquired. An offer under Rule 9 must be in cash at the highest price paid within the preceding 12 months for any

shares acquired in the company by the person required to make the offer or any person acting in concert with him.

The current holding of News UK Nominees Limited is 686,021,700 Ordinary Shares, representing 35.33% of the voting rights in the Company. News UK Nominees Limited is a subsidiary of The News Corporation Limited.

If the Company were to repurchase Ordinary Shares under the authority to be granted by Resolution 15 and at the time the voting rights attributable to the aggregate holding of News UK Nominees Limited continued to exceed 30% of the voting rights of the Company, or if in the meantime its holding has fallen below this level and, as a result, increased to 30% or more of such voting rights, an obligation under Rule 9 of the City Code would arise for News UK Nominees Limited to make a cash offer for the issued Ordinary Shares of the Company which it does not already own.

The Panel has agreed to waive the compulsory bid obligation of News UK Nominees Limited (and any persons acting in concert with it) arising in respect of a repurchase by the Company of its Ordinary Shares subject to Resolution 16 being approved by the Independent Shareholders voting on a poll at the Annual General Meeting.

The waiver in Resolution 16, which is valid only for so long as the authority granted pursuant to Resolution 15 remains in force, applies only in respect of increases in the percentage interest of News UK Nominees Limited (and any persons acting in concert with it) resulting from market purchases by the Company of its own Ordinary Shares and not in respect of other increases in its holding.

Table of Contents

Chairman's Letter

continued

If the authority to be granted by Resolution 15 were exercised in full, and assuming no disposals of Ordinary Shares by News UK Nominees Limited and no issues of Ordinary Shares by the Company in the meantime, the holdings of News UK Nominees Limited and the percentage of the voting rights in the Company attributable to such holdings would be 37.19%. None of the persons acting in concert with News UK Nominees Limited currently holds any Ordinary Shares.

Resolution 17

Executive Share Option Scheme

In November 1994 shareholders adopted the Inland Revenue Approved Executive Share Option Scheme and in May 1995 as an appendix thereto the Unapproved Executive Share Option Scheme (collectively the Executive Share Option Scheme). The Executive Share Option Scheme was adopted to encourage executives to align their interests with those of the Company. These schemes have a life span of ten years and no further option grants may be made under the Executive Share Option Scheme from 23 November 2004.

The Directors consider that, in an increasingly competitive marketplace, share incentives are necessary to achieve the Company's objectives of recruiting and retaining individuals who will be influential in the future success of the Company. The Directors have therefore decided, subject to shareholders' approval, to renew the Executive Share Option Scheme for a further ten years. A summary of certain changes to the Executive Share Option Scheme rules requiring shareholders' approval are attached in Appendix 2.

Resolution 18

Sharesave Scheme

The current Sharesave Scheme was adopted by shareholders on 23 November 1994. It has a ten year life-span and no further options may be offered under it after 23 November 2004. The Sharesave Scheme is an all employee savings-related share option scheme approved by the Inland Revenue under the Income Tax (Earnings and Pensions) Act 2003. It was originally introduced at flotation in 1994 and is due to expire shortly following the Annual General Meeting.

The Directors consider that the Sharesave Scheme provides an attractive opportunity for employees to acquire relatively modest amounts of Ordinary Shares with the benefit of tax relief and wishes to renew the Sharesave Scheme for a further period of 10 years. A Resolution for the renewal of the Sharesave Scheme is set out as Resolution 18 in the Notice of Annual General Meeting.

The Resolution includes a power to establish further schemes for overseas employees based on the Sharesave Scheme but modified to take account of local tax and securities laws and so that any shares allocated under the further schemes count against the limits in the Sharesave Scheme.

Action to be taken

A Form of Proxy for use by shareholders in connection with the Annual General Meeting is enclosed. Electronic Proxy Appointment (EPA) is being made available by the Company for the first time at this year's Annual General

Meeting. EPA enables shareholders to lodge their proxy appointment by electronic means via a website provided by Lloyds TSB Registrars at www.sharevote.co.uk.

CREST members may use the CREST electronic proxy appointment service to submit their proxy appointment in respect of the Annual General Meeting. Further information regarding the appointment of proxies and voting can be found on page 11 of this document.

Recommendations

Your Directors believe that the adoption of Resolutions 1 to 15 (inclusive), 17 and 18 is in the best interests of the Company and its shareholders as a whole and recommend that you vote in favour of such Resolutions. In respect of Resolution 16, the Board believes that it may be appropriate in the future for the Company to repurchase Ordinary Shares. However, the Board would not be prepared to authorise a repurchase of the Company's Ordinary Shares in circumstances which would lead to a general offer for the Ordinary Shares being required to be made by News UK Nominees Limited. Accordingly your Directors (other than Rupert Murdoch, Chase Carey, David DeVoe, James Murdoch and Arthur Siskind, who are affiliated with, or otherwise interested in, The News Corporation Limited, which is interested in the Ordinary Shares held by News UK Nominees Limited, and have therefore abstained from such considerations), who have been so advised by Credit Suisse First Boston, believe that the proposed waiver of the Rule 9 obligations is in the best interests of shareholders as a whole. In providing advice to the Non-News affiliated Directors, Credit Suisse First Boston has taken into account the commercial assessments of the Non-News affiliated Directors. The Non-News affiliated Directors therefore unanimously recommend that you vote in favour of Resolution 16, as they intend to do in respect of their own beneficial holdings of 130,486 Ordinary Shares in aggregate, representing approximately 0.0067% of the Ordinary Shares currently in issue.

Yours sincerely,

KR Murdoch
Chairman

5. Directors service contracts

5.1 The Executive Directors of the Company have service contracts in respect of their employment as follows:

James Murdoch

James Murdoch has a service agreement with the Company that was deemed to commence on 27 November 2003 and shall continue unless, or until, terminated by either party giving to the other not less than 12 months notice in writing. James Murdoch's remuneration consists of a base salary of £750,000 per annum.

James Murdoch will be paid a bonus amount depending upon the performance criteria adopted by the Remuneration Committee for each financial year during the continuance of his service agreement with the Company, including earnings growth, subscriber growth, magnitude of free cash flow and such other criteria which may be agreed with James Murdoch. The amount of bonus paid in respect of the financial year ending 30 June 2005 will be £1 million, if the performance targets for the year are met, up to a maximum of £1.5 million, where performance targets have been exceeded, and such appropriate lesser amount if, and to the extent, such targets are not met. The amount of bonus capable of being earned by James Murdoch in each subsequent financial year shall not be less than that capable of being earned in the financial year ending 30 June 2005, and shall similarly be calibrated against the budget adopted by the Company following the annual planning process. For the year ended 30 June 2004, James Murdoch was awarded a discretionary bonus of £850,000 which reflects, among other matters, the fact that James Murdoch had not been employed by the Company as Chief Executive Officer throughout the whole of the financial year.

James Murdoch is also entitled to other benefits, namely pension benefits, company car, life assurance equal to four times base salary and medical insurance. He is also entitled to participate in the Company's LTIP and was awarded 450,000 Ordinary Shares under the LTIP on 11 August 2004 at a nil cost per Ordinary Share. This award will vest in full in August 2007 provided that certain performance criteria are satisfied. Prior to any event which would otherwise lead to a vesting of the Ordinary Shares under this award, the Company may elect instead to pay in cash an amount equal to the then market value of such Ordinary Shares and upon such payment the right to the vesting of such Ordinary Shares shall lapse.

James Murdoch also receives a relocation allowance (Expense Allowance) of £200,000 per annum up until 27 November 2006. This Expense Allowance covers all the expenses incurred by James Murdoch in respect of temporary accommodation following his move to the United Kingdom (UK), all expenses in relocating to the UK including any fees incurred in connection with obtaining any visa or work permit required by James Murdoch or his family, cost of rental and maintenance for home telephones and faxes, all professional fees incurred in connection with obtaining appropriate tax advice, costs in respect of non-business related international flights by James Murdoch and his family, and all school or education fees in respect of his children.

James Murdoch has a non-compete clause in his service agreement specifying that he shall not be able to work for any business or prospective business carried on within the UK, which wholly or partially competes with the Group s businesses at the date of termination of his agreement. Such restriction will be for a period of six months.

On termination of the agreement, James Murdoch will be entitled to one year s salary, pension and life assurance benefits from the date of termination, plus his Expense Allowance equal to the value received over the previous twelve months, except that the Expense Allowance would be reduced to the extent that it would have ceased to be payable in the following twelve months. James Murdoch will also be entitled to a pro-rata bonus up to the date of termination.

He is also entitled to participate in the Company's LTIP and was awarded 250,000 Ordinary Shares under the LTIP on 16 August 2004 at a nil cost per Ordinary Share. Appendix 2 ADDITIONAL INFORMATION

Resolution 17

Renewal of the Executive Share Option Scheme

The Company operates a Long Term Incentive Plan (LTIP) and an additional Equity Bonus Plan (EBP) for Directors and Senior Executives. For other executives who do not participate in either the LTIP or EBP, annual awards linked to salary are made under the Executive Share Option Scheme (ESOS) to employees at the recommendation of their department heads. The ESOS is in two parts: one of the parts is approved by the Inland Revenue under the Income Tax (Earnings and Pensions) Act 2003 and allows for the grant of approved options over £30,000 in total from time to time. Awards in excess of this limit are normally granted under the unapproved part.

The ESOS was established following flotation in 1994 and is due to expire shortly following the Annual General Meeting. The Remuneration Committee therefore wishes to renew the ESOS for a further period of 10 years. It will be renewed on the basis that Executive Directors and Senior Executives participating in the LTIP and EBP will continue to be ineligible to participate in the annual earnings-linked awards.

Instead of the current limit on individual allocations of four times earnings over a 10 year period as at present, the Remuneration Committee wishes to amend the ESOS to provide for a new annual limit of two times earnings. However, the annual awards will continue to be linked to earnings on a similar basis as at present so that only those in excess of, currently, £120,000 salary could receive the maximum award of two times salary. The majority of participants receive allocations of much smaller multiples of salary.

Annual awards would continue to be subject to a performance target which is intended to align the interests of employees to shareholders. As in previous years, the test which will be applied will be a growth in earnings per share of at least 3% per annum over the rate of increase in the retail prices index over the performance period.

In line with the approval obtained from shareholders at the 2000 Annual General Meeting, options will be exercisable over a phased period of years. In future, no part of an option will be capable of exercise earlier than 2 years from the date of grant rather than the period of 1 year as originally approved by shareholders in 2000. It is envisaged that the phasing of exercise dates adopted in recent years will be maintained allowing 33% of the option to be exercisable if the performance target is satisfied after two years, 66% of the option if the performance target is satisfied after three years and 100% if the performance target is satisfied after 4 years. Retesting will therefore be allowed on up to 66% of an allocation on one occasion and up to 33% on two occasions. Once vested, options will be exercisable for up to 10 years after grant if the participant remains in employment. The opportunity will also be taken to make certain administrative changes. New joiners who start employment too late in any year to receive the annual award will be able to receive a late award on a similar basis to other employees participating in that year. Discretions to allow the exercise of options where executives leave will be exercised by the Remuneration Committee, Chief Executive Officer (CEO) and Chief Financial Officer (CFO) in certain cases.

If the participant leaves employment through retirement in accordance with the terms of his contract of employment, through early retirement by agreement with his employer, or any other reason, a percentage of the option may be exercised at the discretion of the Remuneration Committee, CEO or CFO (as appropriate) depending on the performance conditions attained. If the option is to be exercised before the full vesting period has elapsed then the performance conditions attained to the date of cessation of employment shall be taken into consideration when deciding what proportion of the option should become exercisable.

The Remuneration Committee will have the flexibility to alter the terms of the annual awards but will only do so in a manner which involves comparable performance targets and vesting terms although in future the performance targets will need to be satisfied on a pro rata basis on a takeover. The Remuneration Committee will take any necessary steps to discuss any proposed changes to the performance targets and vesting arrangements with shareholders, and full disclosure of any changes will be made in the annual Report on Directors Remuneration.

It is intended that the ESOS will also allow for non-performance related all employee grants similar to the Millennium Award of 500 shares under option made to all employees in 2000.

A Resolution for the renewal of the ESOS is set out as Resolution 17 in the Notice of Annual General Meeting. The Resolution includes a power to establish further schemes for overseas employees based on the ESOS modified to take account of local tax and securities laws but so that all shares allocated under the further schemes count against the limits in the ESOS.

Notes

- (i) Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that only those shareholders registered in the Register of Members of the Company (the Register) as at 6.00pm on 10 November 2004 (the Specified Time) shall be entitled to attend or vote at the Annual General Meeting (AGM) in respect of the number of Ordinary Shares registered in their names at that time. Changes to entries on the Register for certificated or uncertificated shares of the Company after the Specified Time shall be disregarded in determining the rights of any person to attend or vote at the AGM. Should the AGM be adjourned to a time not more than 48 hours after the Specified Time, that time will also apply for the purpose of determining the entitlement of shareholders to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned AGM. Should the AGM be adjourned for a longer period, to be so entitled, shareholders must have been entered on the Register at the time which is 48 hours before the time fixed for the adjourned AGM or, if the Company gives notice of the adjourned AGM, at the time specified in the Notice.
- (ii) Electronic proxies. You may, if you wish, appoint your proxy electronically at www.sharevote.co.uk. You will need your Reference Number, Card I.D. and Account Number (this is the series of 24 numbers printed under your name on the Proxy Form). Alternatively, if you have already registered with Lloyds TSB Registrars on-line portfolio service, Shareview, you can submit your Proxy Form at www.shareview.co.uk (click on Company Meetings). Full instructions are given on both websites. The proxy appointment and instructions should reach Lloyds TSB Registrars not less than 48 hours before the time appointed for the holding of the meeting or an adjourned meeting. Please note that any electronic communication found to contain a computer virus will not be accepted.
- (iii) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 12 November 2004 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

For a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 7RA01) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

- (iv) Any member of the Company entitled to attend and vote at the AGM may appoint one or more proxies to attend and, on a poll, to vote on his/her behalf. A proxy need not be a member of the Company. Completion of the Proxy Form, or submission of an electronic appointment of proxy, for the AGM does not prevent a member from attending and voting in person if he/she is entitled to do so and so wishes.
- (v) Only the Independent Shareholders, and not News UK Nominees Limited, will be entitled to vote on Resolution 16 which will be taken on a poll.
