Item 2.02 Results of Operations and Financial Condition.

On August 4, 2005, McDermott International, Inc. (the "Company") issued a press release announcing financial results for the quarter ended June 30, 2005. A copy of the press release is attached as Exhibit 99.1, and the information contained in Exhibit 99.1 is incorporated by reference.

The attached press release includes non-GAAP financial measures regarding certain of the Company's historical results. The Company is providing the non-GAAP information to supplement the results provided in accordance with GAAP and it should not be considered superior to, or as a substitute for, the comparable GAAP measures. However, the Company believes the non-GAAP measures provide meaningful insight into the Company's ongoing operational performance and therefore uses the non-GAAP measures internally to evaluate McDermott's operations for purposes of budget planning and performance goals. The Company has chosen to provide this supplemental non-GAAP information to investors to enable them to perform additional comparisons of operating results and as a means to emphasize the results of ongoing operations absent income and expenses considered by management to be outside the Company's customary business.

The information furnished pursuant to this Item 2.02, including Exhibit 99.1, shall not be deemed to be "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, (the "Exchange Act"), or otherwise subject to the liabilities of such section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Item 9.01 Financial Statements and Exhibits.
