ITEM 8.01. OTHER EVENTS

Edgar Filing: STATION CASINOS INC - Form 8-K

On February 23, 2007, the United States District Court for the District of Columbia issued a decision in favor of the Gun Lake Tribe ("Gun Lake") and the United States Department of Interior ("DOI") and dismissed the lawsuit filed by Michigan Gambling Opposition ("MichGO") against the DOI and officials of the DOI. MichGO's complaint sought injunctive and declaratory relief against the DOI as a result of the DOI's determination to take certain land into trust for the benefit of Gun Lake. The District Court determined that there were no facts which would entitle MichGO to any relief on the four issues raised in its complaint and, therefore, granted the DOI and Gun Lake's motions to dismiss or, in the alternative, for summary judgment. Unless the District Court's decision is appealed and a stay is granted pending such appeal, the DOI is free to take the land into trust, which is necessary for Gun Lake to commence construction of its proposed gaming facility. It is anticipated that MichGO will appeal the District Court's decision and seek a stay pending appeal. No assurances can be provided as to the outcome of this litigation. The timing and feasibility of the project are dependent upon the receipt of the necessary governmental and regulatory approvals. We plan to continue contributing significant financial support to the project, even though there can be no assurances as to when or if the necessary approvals will be obtained.
