On August 21, 2017, the Company issued a press release regarding the completion of its previously announced review of strategic alternatives. A copy of the press release is furnished as Exhibit 99.1 hereto and is incorporated by reference herein. The description of the press release contained herein is qualified in its entirety by the full text of such exhibit.

This information furnished in this Item 7.01 is being furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities and Exchange Act of 1934 (the "Exchange Act") or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing. In addition, this report shall not be deemed an admission as to the materiality of any information contained herein that is required to be disclosed solely as a requirement of this Item.

Item 8.01 Other Events.

As described in Item 7.01 above, on August 21, 2017, the Company announced that the Board has completed its previously announced review of strategic alternatives. After an extensive analysis and careful consideration of a broad range of strategic alternatives by the Board, in consultation with its financial and legal advisors, the Board has authorized a share repurchase program of up to \$20 million.

Under the share repurchase program authorized by the Board, the Company currently intends to purchase up to \$20 million of its common stock in the open market (including through 10b5-1 trading plans) or through privately negotiated transactions. The primary source of funding for the program is expected to be cash on hand. The timing and amount of share repurchases, if any, will depend on price, market conditions, applicable regulatory requirements, and other factors. The program authorizes the Company to repurchase shares through September 30, 2020, does not require the Company to repurchase any specific number of shares, and may be modified, suspended or terminated at any time without prior notice. Shares repurchased under the program will be subsequently retired.

Forward-Looking Statements

This Form 8-K contains certain statements that are, or may be considered to be, "forward-looking statements" for the purpose of federal securities laws, including, but not limited to, statements that reflect our current views with respect to future events and financial performance.
