Item 1.01 Entry into a Material Definitive Agreement.

On May 12, 2014, Gold Resource Corporation (the “Company”) entered into a letter agreement with Hochschild Mining Holdings Limited (“Hochschild”), the Company’s largest shareholder, whereby the Company agreed to undertake to file a registration statement with the U.S. Securities and Exchange Commission (“SEC”) to register 4,100,000 shares of restricted common stock held by Hochschild (the “Shares”) and pursuant to which Hochschild agreed to certain limitations on the resale of the Shares if and when the registration statement is declared effective by the SEC (the “Effective Date”). Under the terms of the letter agreement, Hochschild agreed that with respect to the Shares it will (i) refrain from selling more than 2,000,000 shares during each 30 day period following the Effective Date of the registration statement; (ii) refrain from sales for 30 days if at any time the market price of the Company’s common stock decreases more than 15% from the closing price of the Company’s common stock as of the most recent trading day prior to the Effective Date; and (iii) refrain from sales for the remainder of any trading week in which the market price of the Company’s common stock decreases more than 6% from the closing price of the Company’s common stock as of the last trading day of the prior week. Sales of the Shares in blocks of 100,000 shares or more to purchasers mutually agreed to by the parties are exempt from the volume and price restrictions. The agreement shall terminate upon the failure to achieve the Effective Date by August 31, 2014 or Hochschild holding less than 10% of the outstanding shares of the Company’s common stock, whichever occurs earlier. A copy of the letter agreement is attached as Exhibit 10.1 to this report and incorporated herein by reference.
