Item 1.01. Entry into a Material Definitive Agreement

On March 30, 2005, United States Steel Corporation entered into an amendment of its Amended and Restated Receivables Purchase Agreement, dated November 28, 2001 among U. S. Steel Receivables LLC, as Seller; United States Steel LLC, as initial Servicer; the persons party thereto as CP Conduit Purchasers, Committed Purchasers and Funding Agents; and The Bank of Nova Scotia, as Collateral Agent. Pursuant to this amendment, the definition of "Eligible Receivable" was amended to include receivables with payment terms of not more than 64 days as Eligible Receivables. Prior to this amendment that definition included otherwise eligible receivables with payment terms of not more than 30 days and up to 15% (of total receivables) with payment terms no greater than 60 days. This amendment expands the pool of Eligible Receivables, but the amount available to United States Steel Corporation thereunder and total liquidity are not increased because the provision of the Agreement limiting maximum sales to \$500 million was not amended.

The amended agreement is filed herewith as Exhibit 10.1.
