Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

#### (e) Compensatory Arrangements of Certain Officers

On June 30, 2015, the Compensation Committee (the "Committee") of the Board of Directors of ChannelAdvisor Corporation (the "Company") approved compensatory arrangements pursuant to which the Company's chief executive officer, general counsel and chief financial officer are eligible for variable incentive payments (each, an "Award") depending on the Company's success in meeting specified performance thresholds and targets.

Awards will be determined based on two corporate metrics – Total Revenue and Adjusted EBITDA, which account for 75% and 25% of the Award, respectively. For purposes of calculating Awards, Adjusted EBITDA excludes depreciation, amortization, income tax, interest and stock-based compensation expenses. Awards will only be made if the minimum Total Revenue pre-established by the Committee is met.

If the minimum level of performance pre-established by the Committee is achieved, 50% of the target incentive payment will be payable to the executive officer. If the target level of performance pre-established by the Committee is achieved, 100% of the target incentive payment will be payable to the officer. If the maximum level of performance pre-established by the Committee is achieved, 150% of the target incentive payment will be payable to the officer.

Awards are calculated linearly for achievement between the performance thresholds and targets. No additional payment is available for achievement beyond the maximum threshold. Total Revenue and Adjusted EBITDA will be measured in the first quarter of the next fiscal year against the fiscal year actual results and the Committee will then determine the actual variable incentive amount to be paid to each eligible executive officer for the fiscal year.
