Pursuant to the Settlement Agreement and Mutual Release, the Registrant also agreed to purchase from Mr. Allin and The Allin Dynastic Trust an aggregate of four million (4,000,000) shares of the Registrant's Common Stock as follows: (i) two million (2,000,000) shares (the Initial Shares) through the issuance of promissory notes in the aggregate principal amount of One Million Six Hundred Thousand Dollars (\$1,600,000) and (ii) two million (2,000,000) shares (the Remainder Shares) through a cash payment from the proceeds of a follow-on-financing by the Registrant, at a price per share equal to the lesser of (a) \$.50 per share or (b) 90% of the issue price or conversion price, as the case may be, of the security issued in a follow-on-financing, provided however that in the event that 90% of the issue price or conversion price, as the case may be, of the security issued in the follow-on-financing is less than \$.50 per share, Mr. Allin and/or The Allin Dynastic Trust may, at their option, refuse to sell any or all of the Remainder Shares to the Registrant. Each of Mr. Allin and The Allin Dynastic Trust have agreed to lock-up their shares until the shorter of (y) the six month period subsequent to the consummation of a follow-on-financing and (z) the date on which the next registration statement filed by the Registrant becomes effective. The Initial Shares are to be held in escrow pursuant to a mutually agreed upon Escrow Agreement to be subsequently entered into between the parties.

The promissory notes issued to purchase the Initial Shares bear interest at an annual rate of 8%, with interest payments due and payable on the last day of August, November, February and May during the term of the promissory notes, with a maturity date of June 30, 2006. In addition, if the Registrant defaults on certain terms under the promissory notes, and such default remains uncured for five days, all payments under the promissory notes accelerate and the Registrant agrees to confess to a judgment against the Registrant in a court of the promissory note holder's choosing in Cook County, Illinois. In the alternative, the holders of the promissory notes may demand that the shares purchased by the promissory notes be returned in fulfillment of all obligations remaining under such promissory notes.
