All proxies that are properly completed, signed and returned to the Company prior to the Annual Meeting, and which have not been revoked, will be voted in accordance with the shareholder's instructions contained in such proxy. In the absence of contrary instructions, shares represented by such proxy will be voted (i) FOR approval of the election of each of the individuals nominated as Directors set forth herein and (ii) FOR the ratification of the appointment of Sherb & Co., LLP as the Company's auditors for the fiscal year ending February 28, 2011. Abstentions will be treated as shares present and entitled to vote for quorum purposes but as not voted for purposes of determining the approval of any matters submitted to the shareholders for a vote. Except as otherwise provided by law or by the Company's certificate of incorporation or bylaws, abstentions will not be counted in determining whether a matter has received a majority of votes cast. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE PROPOSALS TO ELECT THE FOUR NOMINEES LISTED ABOVE.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

Independence of Directors

The Company's Board of Directors is currently comprised of five "independent directors", as that term is defined under Nasdaq rules, and two directors who are not "independent directors". The Company's "independent directors" are Edward Handler, Eric Haskell, Donald Mowbray, Philip Strasburg and Samuel Schwartz. Christopher Coccio and Joseph Riemer are employees of the Company and are therefore not independent.

Board Leadership Structure and Role in Risk Oversight

The Board believes Dr. Coccio's service as Chief Executive Officer and Chairman of the Company is appropriate because it provides an important link between the Company's management and the Board, enabling the Board to benefit from management's views on the Company's business while the Board performs its oversight role. Further, the Board believes Dr. Coccio's significant ownership of Sono-Tek Corporation stock aligns his interests with those of Sono-Tek's shareholders. In addition, the Board believes that having one person serve as both Chief Executive Officer and Chairman of the Board of Directors demonstrates for the Company's employees, strategic partners, customers and shareholders that Sono-Tek has one clear leader.

Management is responsible for Sono-Tek's day-to-day risk management, and the Board's role is to engage in informed oversight. The entire Board performs the risk oversight role. Sono-Tek's Chief Executive Officer is a member of the Board of Directors, and Sono-Tek's Chief Financial Officer regularly attends Board meetings, which helps facilitate discussions regarding risk between the Board and Sono-Tek's senior management, as well as the exchange of risk-related information or concerns between the Board and the senior management. Further, the independent directors generally meet in executive session following regularly scheduled Board meetings to voice their observations or concerns and to shape the agendas for future Board meetings.

The Board of Directors believes that, with these practices, each director has an equal stake in the Board's actions and oversight role and equal accountability to Sono-Tek and its shareholders.

Board Meetings and Committees; Annual Meeting Attendance

The Board of Directors held five meetings in the fiscal year ended February 28, 2010. All Directors attended at least 75% of the Company's Board Meetings.

The Board does not have a policy regarding attendance at annual shareholders' meetings; however, all Board members are strongly encouraged to attend such meetings. All Board members attended the 2009 Annual Meeting of Shareholders held on August 20, 2009.

The Board of Directors has two standing committees: Compensation Committee and Audit Committee. Certain information regarding the members and duties of the various management committees is detailed below.

COMPENSATION COMMITTEE

The Company's Board of Directors has a Compensation Committee composed of Dr. Mowbray (Chairman) and Messrs. Handler and Strasburg. The compensation of the executive officers of the Company is set by the Company's Board of Directors based upon the recommendations of the Compensation Committee. Compensation is set at levels believed to be competitive with executive officers with similar qualifications, experience and responsibilities of similar businesses. Such individuals receive a base salary and incentive compensation based on the achievement of certain operating objectives. The Compensation Committee serves an advisory function only and has no independent authority. The Compensation Committee met twice during Fiscal Year 2010, all members were in attendance. The Compensation Committee does not have a charter. During the fiscal year ended February 28, 2010, the Compensation Committee did not use any external consultants to assist in the determination of executive compensation.

AUDIT COMMITTEE

The Company's Board of Directors has an Audit Committee composed of Messrs. Handler, Haskell and Strasburg (Chairman). The Board of Directors has adopted a charter for the Audit Committee. The "audit committee financial expert" designated by the Board is Mr. Strasburg. The Audit Committee charter is available on the Company's website at <http://www.sono-tek.com/corporate/page/116/88>. The Audit Committee is responsible for (i) selecting an independent public accountant for ratification by the stockholders, (ii) reviewing material accounting items affecting the consolidated financial statements of the Company, and (iii) reporting its findings to the Board of Directors. The Audit Committee met four times during the fiscal year ended February 28, 2010. All members attended at least 75% of the meetings.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee's job is one of oversight as set forth in its charter. It is not the duty of the Audit committee to prepare the Company's financial statements, to plan or conduct audits, or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. The Company's management is responsible for preparing the Company's financial statements and for maintaining internal control and disclosure controls and procedures. The independent auditors are responsible for auditing the financial statements and for expressing an opinion as to whether those audited financial statements fairly present the financial position, results of operations, and cash flows of the Company in conformity with generally accepted accounting principles.

The Audit Committee has reviewed and discussed the Company's audited consolidated financial statements with management and with Sherb & Co., LLP, the Company's independent auditors for 2010.

The Audit Committee has discussed with Sherb & Co., LLP the matters required to be discussed by Statement on Auditing Standards No. 61.

The Audit Committee has received from Sherb & Co., LLP the written statements required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed Sherb & Co., LLP's independence with Sherb & Co., LLC, and has considered the compatibility of non-audit services with the auditor's independence.

Based upon the review and discussions referred to above, the Audit Committee has recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended February 28, 2010 for filing with the Securities and Exchange Commission. The Audit Committee and the Board of Directors have also recommended, subject to stockholder approval, the selection of Sherb & Co., LLP as the Company's independent auditors for the Fiscal Year ending February 28, 2011.

This report of the Audit Committee shall not be incorporated by reference into any of the Company's future filings made under the Securities Exchange Act of 1934 or the Securities Act of 1933, and shall not be deemed to be soliciting material or to be filed with the SEC under the Exchange Act or the Securities Act.

THE AUDIT COMMITTEE

Philip Strasburg (Chairman)
Edward Handler
Eric Haskell

NOMINATING COMMITTEE

The Board of Directors does not maintain a separate nominating committee because the Board of Directors believes that it can select prospective Director nominees by acting on the basis of a consensus of the entire Board of Directors. Accordingly, all Directors participate in the selection of candidates for nomination as Directors of the Company. The Board identifies and deliberates on the merits of candidates, based upon education, and experience in the following areas: business, scientific, legal and financial. The Board of Directors does not have a separate charter pertaining to nominations. All current nominees for the Board of Directors are incumbent Directors and were nominated by the entire Board for inclusion on the Company's proxy card. The Board of Directors will consider nominees recommended by shareholders. No special procedure needs to be followed in submitting such recommendation.

Coccio, Chief Executive Officer and Joseph Riemer, President. The Company also entered into this Executive Agreement with R. Stephen Harshbarger, Vice President, on March 5, 2008. In the event of a change of control of the Company followed by a termination of the executives' employment under certain circumstances, the Executive Agreements provide for severance payments to each officer equal to one year of the executive's annual base and bonus compensation paid by the Company for the previous calendar year.

Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's Directors, executive officers and persons who own more than ten percent of the Company's common stock to file with the Securities and Exchange Commission initial reports of beneficial ownership and reports of changes of beneficial ownership of common stock. Such persons are also required by Securities and Exchange Commission regulations to furnish the Company with copies of all such reports. Based solely on a review of such filings, during the year ended February 28, 2010, all of the Company's Directors and executive officers and holders of more than ten percent of the Company's stock have made timely filings of such reports, except for two late reports by Dr. Coccio.

ITEM 2. RATIFICATION OF APPOINTMENT OF AUDITORS

The Board of Directors has appointed Sherb & Co., LLP, Certified Public Accountants, to audit the books of account and other records of the Company for the fiscal year ending February 28, 2011. In the event of a negative vote, the Board of Directors will reconsider its election. The Audit Committee of the Company's Board of Directors determined the independence of the Company's auditors and recommended their re-appointment to the Board of Directors. Fees paid to or accrued for the auditors were as follows:

	Audit Fees	Tax Fees
Sherb & Co., LLP Fiscal year ended February 28, 2010	\$44,500	\$5,500
Sherb & Co., LLP Fiscal year ended February 29, 2009	\$40,500	\$5,500

The Company did not pay any audit related fees or other fees to any independent auditing firms during the past two fiscal years.

The Audit Committee's current policy is to pre-approve all audit and non-audit services, including the preparation of tax returns, that are to be performed and fees to be charged by the Company's independent auditor to ensure that the provision of these services does not impair the independence of the auditor. The Audit Committee was in compliance with the requirements of the Sarbanes-Oxley Act of 2002 regarding the pre-approval of all audit and non-audit services and fees. The Audit Committee (or the entire Board of Directors performing the equivalent functions of an audit committee) pre-approved all audit and non-audit services rendered by the Company's principal accountant in fiscal 2010 and 2009.

A representative of the auditors, Sherb & Co., LLP, is expected to be present at our Annual Meeting, will have an opportunity to make a statement if he desires, and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF SHERB & CO, LLP.

The Board of Directors is not aware of any business to be presented at the Annual Meeting except the matters set forth in the Notice and described in this Proxy Statement. Unless otherwise directed, all shares represented by proxies will be voted in favor of the proposals of the Board of Directors described in this Proxy Statement. If any other matters come before the Annual Meeting, the persons named in the accompanying Proxy will vote on those matters according to their best judgment.

A copy of Sono-Tek Corporation's Annual Report on Form 10-K for the fiscal year ended February 28, 2010 (without exhibits) will be sent to any shareholder without charge by contacting the Company at the address or phone number listed above. You also may obtain the Company's Annual Report on Form 10-K over the Internet at the Securities and Exchange Commission's website, www.sec.gov.

Expenses

The entire cost of preparing, assembling, printing and mailing this Proxy Statement, the enclosed Proxy and other materials, and the cost of soliciting Proxies with respect to the Annual Meeting will be borne by the Company. The Company will request banks and brokers to solicit their customers who beneficially own shares listed of record in names of nominees, and will reimburse those banks and brokers for the reasonable out-of-pocket expense of such solicitations. The original solicitation of Proxies by mail may be supplemented by telephone and facsimile by officers and other regular employees of the Company but no additional compensation will be paid to such individuals.

Future Shareholders Proposals
