- (1) Represents dividend equivalent rights earned under the Equity Incentive Plan as part of a grant of restricted stock units.
- (2) Of the 5,166 shares owned directly, 4,564 are restricted stock units including dividend equivalent rights.

An adjustment of 2 additional shares was made to the total number of shares beneficially owned by the reporting person. The adjustment was made to reconcile a discrepancy between what was reported previously and the actual number of shares as determined by a recent review of the Company's records. It is believed that the discrepancy in the number reported is a result of rounding and discrepancies in calculations made of the total shares held.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
