## Explanation of Responses:

- \* If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) The option vests in three installments as follows: 25% of the option vests on the 3rd anniversary of the grant date; 25% of the option vests on the 4th anniversary of the grant date; and the remaining 50% of the option vests on the 5th anniversary of the grant date.
- (2) Includes restricted units granted under the Inergy, L.P. Long Term Incentive Plan, as amended.
- (3) Pursuant to the Contribution Agreement dated May 5, 2013 among Crestwood Gas Services Holdings LLC, Crestwood Holdings LLC, Inergy, L.P. ("NRGY") and Inergy GP, LLC, NRGY agreed to distribute 56,398,708 Inergy Midstream, L.P. ("NRGM") units to its unitholders. In order to prevent the dilution of value as result of this distribution, the Compensation Committee of the NRGY board of directors approved a reduction to the exercise price of outstanding unit options by the amount of the distribution ratio ( 0.432052) multiplied by the closing price of an NRGY unit on the distribution date (June 18, 2013). The reduction in exercise price is reflected on this Form 4 as cancellation of the old derivative security and a re-grant of the new derivative security at the new exercise price.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
