## INTRODUCTION

This Schedule 13E-3 Transaction Statement (the “Schedule 13E-3”), is being filed by Quadrant 4 System Corporation, an Illinois corporation (the “Company”), with the Securities and Exchange Commission (the “SEC”), under Section 13(e) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and Rule 13e-3 promulgated thereunder, in connection with a proposed “going private” transaction.

After careful consideration, our Board of Directors (the “Board”) has concluded that, for the Company, the costs associated with being a public reporting company in the U.S. are not justified by the benefits. The primary purpose of the going private transaction is to reduce the number of record holders of the Company’s common stock, par value \$0.001 per share (the “Common Stock”) to fewer than 300, thereby allowing the Company to deregister its Common Stock under Section 12(g) of the Exchange Act and suspend its reporting obligations under Section 13(a) of the Exchange Act. After the termination of the registration of its Common Stock and the suspension of its duty to file periodic reports and other information with the SEC, the Company will no longer be subject to the reporting and related requirements under the Exchange Act and it will cease to file reports and information with the SEC, as more fully described in the accompanying Proxy Statement on Schedule 14A (the “Proxy Statement”).

To accomplish the reduction in the number of record holders of the Common Stock, the Company will effect a reverse stock split of the Common Stock, whereby each 10 shares of Common Stock outstanding as of the effective date of the reverse stock split will be converted into one whole share of Common Stock (the “Reverse Stock Split”). In lieu of issuing any fractional shares held by shareholders as a result of the Reverse Stock Split, the Company will make a cash payment equal to \$0.50 per share of Common Stock held immediately prior to the Reverse Stock Split (the “Cash Payment”). Accordingly, shareholders owning fewer than 10 pre-Reverse Stock Split shares will have no further interest in the Company, will no longer be shareholders of the Company and will be entitled to receive only the Cash Payment multiplied by the number of pre-Reverse Stock Split shares owned by them. Stockholders owning at least 10 pre-Reverse Stock Split shares, who after the Reverse Stock Split will continue as shareholders but own a fractional share as a result of the Reverse Stock Split, will receive a Cash Payment based on their pre-Reverse Stock Split share equivalent of their fractional share. Stockholders owning at least 10 pre-Reverse Stock Split shares and who will not own any fractional shares as a result of the Reverse Stock Split will not receive a Cash Payment. The total amount of funds necessary to make Cash Payments to shareholders in connection with the Reverse Stock Split and for related expenses is estimated to be approximately \$[30,000]. The funds for the Reverse Stock Split will come from the Company’s available funds.

Following the Reverse Stock Split, the Company will have fewer than 300 shareholders of record. As a result, the Company will be eligible to, and intends to, suspend its reporting obligations under Section 13(a) of the Exchange Act, after which time the Company will no longer be subject to the reporting requirements under the Exchange Act.
